**CONCERNING THE AGREEMENT ON PAY EQUITY, THE REPLACEMENT OF SECTION 6-7.00 AND
APPENDICES “2” AND “3” AND THE ADDITION OF APPENDIX “30”**

WHEREAS the Agreement concerning the implementation of the Pay Equity Plan for the health and social services and education sectors dated December 21, 2006, established under the Pay Equity Act, the negotiating parties agree to amend the provisions of the collective agreement in the following manner:

1- Section 6-7.00 is replaced by the following:

Section 6-7.00 - Remuneration

6-7.01 Until March 31, 2006

The salary rates and scales in effect on December 15, 2005 shall be maintained¹ until March 31, 2006 inclusively by applying Schedule 1 of the Act respecting conditions of employment in the public sector (S.Q. 2005, c. 43). The rates and salary scales provided for in Appendices "2", "3" and "4" include the salary adjustments made under the Pay Equity Act (R.S.Q., c. E-12.001).

6-7.02 As of April 1, 2006

The salary rates and scales applicable to employees shall be increased¹ by two percent (2%) on April 1 in each of the years 2006, 2007, 2008 and 2009 in accordance with Schedule 1 of the Act respecting conditions of employment in the public sector (S.Q. 2005, c. 43). The rates and salary scales provided for in Appendices "2", "3" and "4" include the salary adjustments made under the Pay Equity Act (R.S.Q., c. E-12.001).

6-7.03

The increase in the salary rates and scales shall be calculated on the basis of the hourly rate.

6-7.04 Applicable salary rates and scales

The rates and salary scales applicable to the periods indicated in the preceding clauses are found in Appendices "2", "3" and "4".

Out-rate or out-scale employees

6-7.05

The employee whose salary rate on the day preceding the date on which the salary scales and rates are increased, is higher than the single rate or the maximum of the salary scale in effect for his class of employment shall benefit, on the date on which the salary scales and rates are increased, from a minimum rate of increase which is equal to half of the percentage of increase applicable on April 1 of the period concerned in relation to the preceding March 31, at the single salary rate or step situated at the maximum of the scale on the preceding March 31, corresponding to his class of employment.

¹ Taking into account, if applicable, harmonized scales, mergers of job titles or employment classes, changes to the structure of certain scales, the creation of new job titles or employment classes and changes to the classification plan.

For the out-rate or out-scale employees whose class of employment is found in Section 2 of Appendix "2" or Section 2 of Appendix "3", paragraphs 6 and 7 of Section 1 of Appendix "30" apply.

6-7.06

If the application of the minimum rate of increase determined in clause 6-7.05 has the effect of situating on April 1 an employee who was out-scale or out-rate on March 31 of the preceding year, at a salary which is lower than the maximum step of the scale or single salary rate corresponding to his class of employment, this minimum rate of increase is brought to the percentage necessary to permit the employee to reach this step or the single salary rate.

6-7.07

The difference between, on the one hand, the percentage increase of the maximum salary step or the single salary rate corresponding to the class of employment of the employee and, on the other hand, the minimum rate of increase established in accordance with clauses 6-7.05 and 6-7.06 is paid to him as a lump sum payment calculated on the basis of his salary rate on March 31.

6-7.08

The lump sum payment provided for in clause 6-7.07 shall be spread over and paid on each pay period in proportion to the regular hours remunerated for the period concerned.

2- Appendix “2” Salary Scales is replaced by the following:

APPENDIX 2 SALARY SCALES

SECTION 1

Section 1 contains the salary scales that have not been revised under Chapter IX of the Pay Equity Act.
