Of the applicants, the College shall select the person who meets the qualifications and conditions of the position and who has the most seniority or, if applicable, the most time worked or paid as a casual or replacement employee at the beginning of the posting, with the exception of the time worked or paid before an interruption in the employment relationship of more than one (1) year, and in the following order of priority:

The position may then be filled either by a replacement employee, or by temporary assignment.

#### **5-2.05**

When the College proceeds with a temporary assignment, it may appoint a regular employee of its choice who accepts such an assignment. If no regular employee accepts, the College may appoint the one with the least seniority who meets the normal requirements of the assignment.

During any temporary assignment, the regular employee shall be granted leave from his/her position for a length of time equivalent to said assignment and in an equal proportion.

Except in the case of a replacement or a specific project, such temporary assignment shall not exceed ninety (90) working days, unless the parties agree otherwise.

Such a transfer is only possible if there is a vacant position.

An employee who obtains such a transfer shall bring with him/her to the new employer his/her seniority, his/her bank of sick-leave days without cash surrender value and his/her status as a regular employee.

If the employee does not make his/her choice known within the prescribed time limit, he/she shall be deemed to have resigned and shall not be entitled to severance pay.

However, under this clause:

#### **5-4.10**

An employee with job security who is demoted under this article shall maintain his/her class of employment and progressive salary. The employee shall be obliged to accept a position in his/her class of employment as soon as a position becomes available whose annual number of working hours is equal to or greater than the number of working hours associated with his/her previous position, provided he/she meets the normal requirements of the position. A part-time employee must have more seniority than the employee covered by paragraph 2 of clause 5-2.03 in the case of a full-time position. As long as the employee has not been reintegrated into his/her class of employment, he/she may accept a position in a class of employment with better remuneration than that of the class of employment to which he/she has been demoted, without loss of rights, provided he/she meets the normal requirements of the position.

An employee with job priority who displaces another employee in a class of employment with a lower salary (demotion) under this article shall integrate the scale for the new class of employment and receive, for a two (2)-year period, as a lump sum payment, the salary difference between the salary in his/her new class of employment and the salary in his/her former class of employment.

**5-4.11**

Under this article, a part-time employee with job security who obtains a vacant or newly created position whose annual number of working hours is less than the number of working hours associated with his/her previous position, or who displaces an employee holding a position whose annual number of working hours is less than the number of working hours associated with his/her previous position shall maintain his/her salary in accordance with the number of regular hours associated with his/her previous position and shall be subject to the provisions of clause 5-6.04 for the difference in hours between his/her previous position and his/her new position. The severance pay provided for in this clause is equal to one (1) month's salary for each full year of service up to a maximum of six (6) months' salary.

Such severance pay cannot be obtained more than once by the same employee in the education sector. Moreover, the employee cannot obtain a position in the education sector for one (1) year beginning from the date on which he/she received the severance pay.

**5-4.14**

The College may not oblige a regular full-time employee to become a regular part-time employee.

An employee who is eligible for job security may, if he/she so wishes and if the College agrees, become a part-time employee. The full-time position shall then become a part-time position and the provisions regarding the abolishment and creation of positions shall not apply.

#### **5-4.15 Early retirement**

In order to avoid placing an employee on availability, the College may offer early retirement leave with pay to an employee who is eligible for it, in accordance with the terms and conditions set out below. This may involve the transfer of one or more employees. The salary the employee receives during early retirement shall be the salary he/she would receive if he/she were still at work. 	Sector V	\$10,994	\$11,159	\$11,354	\$11,581	\$11,813

**6-8.04**

A part-time employee working in one of the above sectors shall receive this premium in proportion to the number of hours worked with respect to the number of hours provided for in his/her class of employment on an annual basis.

**6-8.05**

The amount of the isolation and remoteness premium shall be adjusted in proportion to the duration of the employee's assignment in the College's territory in one of the sectors described in clause 6-8.02.

**6-8.06**

Subject to the provisions of clause 6-8.05, the College shall cease to pay the isolation and remoteness premium established under clause 6-8.03 if the employee and his/her dependents deliberately leave the territory during a paid leave of more than thirty (30) days, except if it involves annual vacation, a statutory holiday, sick leave, maternity leave, adoption leave or leave due to an industrial accident or an occupational disease.

An employee who avails himself/herself of the provisions concerning the leave with deferred or advance salary plan may, upon request, defer or take an advance on the payment of the isolation premium under the same conditions as with respect to his/her salary.

**6-8.07**

If both members of a couple as defined in paragraph a) of clause 7-14.02 work for the same college, or if both work for two (2) different employers in the public and parapublic sectors, only one (1) of the two (2) may avail himself/herself of the premium applicable to an employee with dependent(s), if he/she has one or more dependents other than his/her

spouse. If he/she has no dependent other than his/her spouse, each shall be entitled to the premium for employees without dependents, notwithstanding the definition of the term "dependent" found in clause 6-8.01.

### **Section III: Other Benefits**

#### **6-8.08**

The College shall assume the following expenses incurred by every employee recruited in Québec at a distance of more than fifty kilometres (50 km) from the locality where he/she is required to perform his/her duties, provided that this locality is located in one of the sectors described in clause 6-8.02:

- a) the transportation expenses of the employee and his/her dependents;
- b) the cost of transporting his/her personal belongings and those of his/her dependents up to a maximum of:
  - two hundred twenty-eight kilograms (228 kg) for each adult or each child twelve (12) years of age and over;
  - one hundred thirty-seven kilograms (137 kg) for each child under twelve (12) years of age;
- c) the cost of transporting his/her furniture, if applicable;
- d) the cost of transporting his/her motorized vehicle, if applicable, by land, boat or train;
- e) the cost of storing his/her furniture and personal belongings, if applicable.

These expenses from the point of departure to the place of assignment shall be assumed by the College and reimbursed upon presentation of supporting vouchers.

If an employee is recruited from outside Québec, the expenses shall be assumed by the College without exceeding the equivalent costs between Montréal and the locality where the employee is called to perform his/her duties.

#### **6-8.09**

If the employee eligible for the provisions of paragraphs b), c) and d) of clause 6-8.08 decides not to avail himself/herself of some or of all of them immediately, he/she shall remain eligible for the said provisions for two (2) years following the date on which his/her assignment began.

#### **6-8.10**

The expenses referred to in clause 6-8.08 shall be reimbursed to the employee on his/her departure.

Furthermore, the weight of two hundred twenty-eight kilograms (228 kg) provided for in paragraph b) of clause 6-8.08 shall be increased by forty-five kilograms (45 kg) per year of service in the territory of the College. This provision shall cover the employee only.

However, the employee shall not be entitled to be reimbursed for these expenses if he/she resigns to go work for another employer before the forty-fifth (45<sup>th</sup>) calendar day of his/her stay in the territory.

#### **6-8.11**

These expenses shall be payable provided that the employee is not reimbursed for these expenses by another plan, such as the Canada Manpower Mobility Plan, and solely in the following cases:

- a) the employee's first assignment;
- b) a subsequent assignment or transfer at the request of the College or the employee;
- c) a breach of contract or the resignation or death of the employee. In the case of Sectors I, II, III, IV and V, reimbursement shall be in proportion to the amount of time worked in relation to a reference period of one (1) year, except in the event of death;
- d) when an employee obtains leave for educational purposes, the expenses referred to in Section III shall also be payable to the employee whose point of departure is located fifty kilometres (50 km) or less from the locality where he/she performs his/her duties.

#### **6-8.12**

If both spouses, within the meaning of clause 7-14.02, work for the same College, only one (1) may avail himself/herself of the benefits granted under this section. There shall be no reimbursement by the College if one (1) of the spouses has received an equivalent benefit from his/her employer or another source.

### **Section IV: Outings**

#### **6-8.13**

The College shall reimburse an employee recruited more than fifty kilometres (50 km) from the locality where he/she performs his/her duties for the expenses inherent in the following outings for the employee and his/her dependents:

- for localities that are not linked to the provincial road system, located in Îles-de-la-Madeleine: one (1) outing per year for the employee and his/her dependents.

The initial place of recruitment shall not be modified due to the fact that an employee who was subject to layoff because of a personnel surplus then subsequently rehired chose to stay during the period of unemployment.

An employee who originates from a locality located more than fifty kilometres (50 km) from his/her place of assignment, who was recruited there and who gained the right to outings as a result of a marital relationship with an employee in the public sector shall continue to benefit from the right to outings provided for in this clause even if he/she loses the status of spouse within the meaning of the provisions of clause 7-14.02.

**6-8.14**

- a) The fact that the employee's spouse is employed by the College or an employer in the public and parapublic sectors must not have the effect of granting the employee more paid outings than provided for in the collective agreement.
- b) In the case of outings granted to an employee with dependents, it is not necessary for those who have a right to an outing to take it at the same time. However, this must not have the effect of granting the employee or his/her dependents more paid outings than provided for in the collective agreement.

**6-8.15**

These expenses shall be reimbursed upon presentation of supporting vouchers for the employee and his/her dependents up to, for each, the equivalent of the price of a return flight (regular flight or chartered flight, if authorized by the College) from the locality of assignment to the point of departure situated in Québec or up to Montréal.

In the case of an employee recruited from outside Québec, these expenses shall not exceed the lesser of the following two (2) amounts:

- the equivalent of the price of a return flight (regular flight) from the locality of assignment to the domicile at the time of hiring;
- the equivalent of the price of a return flight (regular flight) from the locality of assignment up to Montréal.

**6-8.16**

An outing may be used by the spouse not residing in the territory or by a relative not residing in the territory or by a friend to visit the employee who lives in one of the localities mentioned in clause 6-8.02. The provisions of this section concerning reimbursement shall apply in these cases.

**6-8.17**

Subject to an agreement with the College concerning the terms and conditions for using trips, the employee referred to in clause 6-8.13 may benefit from one (1) trip in advance in the event of the death of a close relative who was not living in the locality where the employee works. Within the meaning of this clause, "close relative" shall include the

following: spouse, child, father, mother, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law. However, the taking of this trip in advance may not grant the employee or his/her dependents more trips than they are entitled to.

**6-8.18**

The College and the Union may reach an agreement on the distribution and arrangements of trips provided for in clause 6-8.13, including arrangements in cases of transportation delays not attributable to the employee.

**Section V: Reimbursement of Transit Expenses****6-8.19**

The College shall reimburse the employee, upon presentation of supporting vouchers, for expenses incurred in transit (meals, taxis and accommodations, if applicable) for himself/herself and for his/her dependents when he/she is hired and on any authorized trip provided for in the collective agreement provided that these expenses are not assumed by a carrier.

**Section VI: Death of an Employee****6-8.20**

In the event of the death of the employee or of one of his/her dependents, the College shall pay for the repatriation of the mortal remains. Moreover, in the event of the employee's death, the College shall reimburse the dependents for the expenses inherent in the return trip from the place of assignment to the burial place in Québec.

**Section VII: Retention Premium for Sept-Îles****6-8.21**

A retention premium equivalent to eight per cent (8%) of the employee's annual salary shall be maintained for employees working in the school municipality of Sept-Îles. This premium shall also apply to all employees who have accumulated seniority on that date under the terms of the collective agreement.

**Section VIII: Provisions of Former Collective Agreements****6-8.22**

In the event of benefits greater than the current plan for regional disparities resulting from the application of the former collective agreement or of recognized administrative practices, they shall be renewed except for the following elements of this collective agreement:

- the definition of "point of departure" provided for in paragraph b) of clause 6-8.01;
- the level of premiums and the calculation of the premium for part-time employees provided for in clauses 6-8.03 and 6-8.04;

- the reimbursement of moving expenses and the cost of trips for employees recruited from outside Québec provided for in Sections III and IV;
- the number of trips when the employee's spouse works for the College or an employer in the public and parapublic sectors provided for in Section IV.

#### **6-9.01**

If, during the period covered by the collective agreement, the College ascertains that the classification plan does not appear to correspond to duties performed by one or more employees, it shall refer the problem to the provincial employer party.

If a new class of employment is created, the provincial employer party shall establish the salary of the new class of employment and notify the provincial union party. The new class of employment shall be integrated into the classification plan.

#### **6-9.02**

Once the salary is established in accordance with clause 6-9.01, the provincial parties shall meet as soon as possible in order to discuss and agree upon said salary.

#### **6-9.03**

In the event of a disagreement concerning the said salary, the provincial union party may, within thirty (30) working days following the meeting of the provincial parties provided for in clause 6-9.02, request that the first arbitrator of the arbitration tribunals appoint one of the arbitrators named in clause 9-2.09 to decide on the salary to be attributed to the new class of employment, taking into account the salaries associated with similar classes of employment in the sectors provided for in the Act respecting the process of negotiation of the collective agreements in the public and parapublic sectors (CQLR, chapter R-8.2).

#### **6-9.04**

The definitive salary for the new class of employment shall be paid retroactively on the earlier of the following dates:

- the date on which the employer requested the creation of the new class of employment; or
- the date on which the employee effectively assumed the duties of his/her new class of employment.

#### **6-9.05**

Subject to this article, the provincial employer party agrees not to modify the classification plan without prior consultation with the provincial union party.

If a modification to the classification plan during the period covered by the collective agreement results in a demotion for an employee, the latter shall maintain the progressive salary associated with his/her previous class of employment.

### **Article 6-10.00 - Back Pay**

#### **6-10.01**

The salary rates and scales for the 2015-2016 year shall apply, based on the classification of the employee, retroactively from April 1, 2015.

This provision applies to the premiums, under the same conditions, provided for in articles 6-6.01 and 6-8.00.

#### **6-10.04**

In the case of a deceased employee, the request can be made by his/her beneficiaries.

The list provided for in this clause shall be forwarded to the Union within one hundred and twenty (120) days following the date of the signing of the collective agreement.

For part-time employees, the length of vacation shall be determined in accordance with the seniority accumulated on June 1 of each year. The remuneration for the said vacation period shall be calculated in proportion to the number of hours worked during the year ending June 1.

Within each department, employees shall choose the dates of their annual vacation, in order of seniority, between April 1 and May 1 of each year. The College shall send an answer to the employee, in writing, at the latest on May 31<sup>st</sup> of each year.

Vacation dates may only be changed upon agreement between the employee and the College and after consultation with the Union if the request for modification of the employee's vacation dates is made by the College.

However, in certain exceptional circumstances, an employee may choose the date of his/her annual vacation after May 1.

**7-6.03**

An employee who is unable to take his/her vacation because of illness, maternity or paternity leave, industrial accident or occupational disease occurring before the beginning of his/her vacation, may postpone his/her vacation period to a later date.

**7-6.05**

The days of sick leave with cash surrender provided for in paragraph d) of clause 7-14.39 may be converted into vacation time upon agreement between the College and the employee on the choice of dates for such vacation.

Should the employee be unable to take those vacation days on the agreed upon dates, the College and the employee must agree on a new choice of dates for the vacation.

In the absence of an agreement, those days of sick leave which were converted into vacation days shall have cash surrender value at the rate applicable on the previous June 30 or be transferred to the employee's bank of days of sick leave without cash surrender value in accordance with the terms of paragraph c) of clause 7-14.39.

**7-6.06**

An employee who is recalled during his/her vacation shall be remunerated at the rate of two hundred per cent (200%) in addition to having his/her vacation postponed.

**Article 7-7.00 - Quanta of Statutory Holidays****7-7.01**

Each employee shall be entitled to thirteen (13) paid statutory holidays each contract year.

**7-7.02**

An employee whose regular duties include working on one of the set days shall receive, after agreement, a day off as replacement. In the absence of an agreement, the employee shall be paid at a double rate for the work performed on this statutory holiday, in addition to his/her regular salary.

**7-7.03**

Should a statutory holiday fall during the period of disability of an employee, the latter shall be entitled, in addition to his/her disability benefit, to the difference between his/her full salary and said benefits, for said statutory holiday.

This clause shall not have the effect of prolonging the disability period or postponing the statutory holiday.

**Article 7-8.00 - Statutory Holidays****7-8.01**

The selection of the paid statutory holidays provided for in clause 7-7.01 shall be made at the beginning of each contract year by the College, after consultation of the LRC and upon agreement with the Union. This selection shall take into account the requirements of the school calendar as well as the operating schedule of the College and relevant legislation.

**7-8.02**

The date of the statutory holiday provided for in clause 7-7.02 shall be set by agreement between the employee and the College.

**Article 7-9.00 - Parental Rights****Section I: General Provisions****7-9.01**

Maternity, paternity or adoption indemnities are solely intended to supplement parental insurance or Employment Insurance benefits, as the case may be, or in the cases stipulated below, to provide payments during a period of leave to which the QPIP or the EIP does not apply.

Maternity, paternity and adoption indemnities shall, however, be paid only during those weeks for which the employee is receiving QPIP or EIP benefits or would be receiving them had he/she applied for them.

In a case where the employee shares adoption or parental benefits provided by the QPIP and the EIP with his/her spouse, the indemnity shall be paid only if the employee is actually receiving benefits from one of these plans during the maternity leave provided for in clause 7-9.06 or 7-9.07, the paternity leave provided for in clause 7-9.22, or the adoption leave provided for in clause 7-9.32.

**7-9.02**

When both parents are female, the indemnities and advantages granted to the father shall be granted to the mother who did not give birth to the child.

**7-9.03**

The College shall not reimburse the employee for amounts payable either to the Minister of Employment and Social Solidarity under the Act respecting parental insurance (CQLR, chapter A-29.011), or to Employment and Social Development Canada (ESDC) under the Employment Insurance Act (S.C., 1996, c. 23).

**7-9.04**

The basic weekly salary<sup>1</sup>, deferred weekly salary and severance payments shall not be increased or decreased by the amounts received under the QPIP or the EIP.

---

<sup>1</sup> "Basic weekly salary" means the regular salary of the employee including the regular salary supplement for a regularly increased workweek as well as the premiums for responsibility, excluding all other premiums, without any additional remuneration even for overtime.

**7-9.05**

Unless specifically stated otherwise, this article cannot result in a monetary or non-monetary benefit being conferred to the employee beyond what he/she would have received had he/she remained at work.

At the signing of the collective agreement, employees benefitting from indemnities set out in article 7-9.00 of the 2010-1015 collective agreement shall not be concerned with the modifications made to the present article.

**Section II: Maternity Leave****7-9.06 Eligibility and duration of a maternity leave**

A pregnant employee who is eligible for the QPIP shall be entitled to twenty-one (21) weeks of maternity leave which, subject to clause 7-9.10 or 7-9.11, must be taken consecutively.

A pregnant employee who is eligible for the EIP shall be entitled to twenty (20) weeks of maternity leave which, subject to clause 7-9.10 or 7-9.11, must be taken consecutively.

A pregnant employee who is not eligible for either the QPIP or the EIP shall be entitled to twenty (20) weeks of maternity leave which, subject to clause 7-9.10 or 7-9.11, must be taken consecutively.

An employee, who becomes pregnant while on leave without pay or on part-time leave without pay, as provided for in this article, shall also be entitled to this maternity leave and to the indemnities provided for in clauses 7-9.13, 7-9.14 and 7-9.16, where applicable.

An employee whose spouse dies shall be granted the residual of the maternity leave and shall benefit from the related rights and indemnities.

**7-9.07**

An employee shall also be entitled to this maternity leave if her pregnancy is interrupted as of the beginning of the twentieth (20<sup>th</sup>) week preceding the due date.

**7-9.08 Distribution of the maternity leave**

The distribution of the maternity leave before and after the delivery, belongs to the employee. This leave shall be simultaneous with the period during which benefits are payable under the Act respecting parental insurance (CQLR, chapter A-29.011) and shall begin no later than the week following the beginning of benefits under the QPIP.

An employee who is not eligible for the QPIP shall determine the distribution of her maternity leave before and after the delivery. The day of delivery shall be included in this leave.

**7-9.09 Extension of maternity leave**

If the birth takes place after the due date, the employee shall be entitled to an extension of her maternity leave equal to the period between the due date and the actual delivery date, unless she is already entitled to at least two (2) weeks' maternity leave after the birth.

An employee may be granted an extension of her maternity leave if her state of health or that of her baby so require. The duration of this extension shall be as indicated on the medical certificate provided by the employee.

During these extensions, the employee shall be considered on leave without pay and shall receive no indemnities or benefits from the College. During these periods, the employee shall be covered by clause 7-9.52 for the first six (6) weeks and subsequently by clause 7-9.53.

**7-9.10 Suspension of maternity leave**

When the employee has sufficiently recovered from her delivery, but her child is not in condition to leave the health care institution, she may interrupt her maternity leave and return to work. The suspension shall end when the child is taken home.

When the employee has sufficiently recovered from her delivery, but her child is hospitalized after having left the health care institution, she may, upon agreement with the College, suspend her maternity leave and return to work during the hospitalization period.

**7-9.11 Discontinuous maternity leave**

In one or the other of the following cases, upon the employee's request, the maternity leave may be broken down into weeks and the maximum number of weeks during which the leave is interrupted shall vary in each case:

- a) If the child is hospitalized: the maximum number of weeks of interruption of maternity leave shall be equivalent to the number of weeks of hospitalization.
- b) If the employee is on leave because of an accident or illness that is unrelated to the pregnancy: the maximum number of weeks of interruption of maternity leave shall be equivalent to the number of full weeks such a situation lasts, up to a maximum of twenty-six (26) weeks within a twelve (12)-month period<sup>1</sup>.

However, the employee may be absent from work for a period of not more than one hundred and four (104) weeks if she suffers serious bodily injury during or resulting directly from a criminal offence that renders her unable to hold her regular position. In that case, the period of absence shall not begin before the date on which the criminal offence was committed, or before the expiry of the period provided for in the preceding paragraph and shall not end later than one hundred and four (104) weeks after the commission of the criminal offence<sup>1</sup>.

---

<sup>1</sup> Unpaid leave of absence as per article 79.1 of the Act respecting labour standards (CQLR, chapter N-1.1).

- c) If the employee is on leave because of a situation covered by sections 79.8 to 79.12 of the Act respecting labour standards (CQLR, chapter N-1.1): the maximum number of weeks of interruption of maternity leave shall be equivalent to the number of full weeks this situation lasts, according to the provisions of clause 7-10.09.

During the leaves provided for in this clause, the employee shall be deemed to be on leave without pay and shall not receive any indemnities or benefits from the College. The employee shall take advantage of the benefits set out in clause 7-9.53.

### **7-9.12**

When the maternity leave interrupted or broken down under clauses 7-9.10 and 7-9.11 resumes, the College shall pay the employee any indemnities to which she would have been entitled had she not interrupted or broken down her maternity leave, for the number of weeks remaining under clauses 7-9.13, 7-9.14 and 7-9.16, subject to clause 7-9.01.

### **7-9.13 Cases eligible for the QPIP**

An employee who has accumulated twenty (20) weeks of service<sup>1</sup> and who is eligible for benefits under the QPIP shall receive, for the twenty-one (21) weeks of her maternity leave, an indemnity calculated with the following formula<sup>2</sup>:

1° by adding:

- a) the amount representing 100% of the employee's basic weekly salary up to \$225; and,
- b) the amount representing 88% of the difference between the employee's basic weekly salary and the amount established in the preceding subparagraph a);

2° and, by subtracting from this sum the amount of maternity or parental benefits the employee is receiving, or would receive upon request, from the QPIP.

This indemnity is based on the QPIP benefit to which an employee is entitled, without counting the amounts subtracted from such benefit in reimbursement of benefits, interest, penalties and other amounts recoverable under the Act respecting parental insurance (CQLR, chapter A-29.011).

However, if a change is made to the amount of the benefit paid by the QPIP following a change in the information provided by the College, the latter shall adjust the amount of the indemnity accordingly.

---

<sup>1</sup> The absent employee accumulates service if her absence is authorized, in particular for disability, and includes a benefit or a salary.

<sup>2</sup> This formula was used to take into account, in particular, that in such situations the employee is benefitting from a waiver of his/her contributions to his/her pension plans and to the QPIP and EIP.

When the employee works for more than one employer, the indemnity shall be equal to the difference between the amount established by the indemnity calculation formula paid by the College as set out in paragraph 1<sup>o</sup> of the first (1<sup>st</sup>) subparagraph of the present clause and the amount of the QPIP benefit corresponding to the proportion of the basic weekly salary paid with respect to the total basic weekly salaries paid by all of the employers. To this end, the employee shall produce for each employer a statement of the weekly salary paid by each employer and the amount of the benefit payable under the Act respecting parental insurance (CQLR, chapter A-29.011).

#### **7-9.14 Cases ineligible for the QPIP but eligible for the EIP**

An employee who has accumulated twenty (20) weeks of service<sup>1</sup> and who is eligible for benefits under the EIP, but not eligible for the QPIP, shall be entitled to receive for the twenty (20) weeks of her maternity leave, an indemnity calculated according to the following formula:

- 1) for each week of the waiting period provided for in the EIP, an indemnity calculated with the following formula<sup>2</sup>:

1<sup>o</sup> by adding:

- a) the amount representing 100% of the employee's basic weekly salary up to \$225; and,
- b) the amount representing 88% of the difference between the employee's basic weekly salary and the amount established in the preceding subparagraph a);

- 2) for each week following the period set out in paragraph a), an indemnity calculated with the following formula:

1<sup>o</sup> by adding:

- a) the amount representing 100% of the employee's basic weekly salary up to \$225; and,
- b) the amount representing 88% of the difference between the employee's basic weekly salary and the amount established in the preceding subparagraph a);

2<sup>o</sup> and, by subtracting from this sum the amount of maternity or parental benefits the employee is receiving, or would receive upon request, from the EIP.

---

<sup>1</sup> The absent employee accumulates service if her absence is authorized, in particular for disability, and includes a benefit or a salary.

<sup>2</sup> This formula was used to take into account, in particular, that in such situations the employee is benefitting from a waiver of his/her contributions to his/her pension plans and to the QPIP and EIP.

This indemnity is based on the Employment Insurance benefit to which an employee is entitled, without counting the amounts subtracted from such benefit in reimbursement of benefits, interest, penalties and other amounts recoverable under the EIP.

However, if a change is made to the amount of the benefit paid by the EIP following a change in the information provided by the College, the latter shall adjust the amount of the indemnity accordingly.

When the employee works for more than one employer, the indemnity shall be equal to the difference between the amount established by the indemnity calculation formula paid by the College as set out in subparagraph 1<sup>o</sup> of paragraph 2) and the amount of the Employment Insurance benefits corresponding to the proportion of the basic weekly salary paid with respect to the total basic weekly salaries paid by all of the employers. To this end, the employee shall produce for each employer a statement of the weekly salary paid by each employer and the amount of the benefit payable by ESDC.

In addition, should ESDC reduce the number of weeks of Employment Insurance benefits to which the employee would have been entitled had she not benefited from Employment Insurance benefits before her maternity leave, the employee shall continue to receive, for a period equivalent to the number of weeks subtracted by ESDC, the indemnity provided for in subparagraph 1<sup>o</sup> of paragraph 2) as if she had, during this period, benefited from Employment Insurance benefits.

#### **7-9.15**

In the cases provided for in clauses 7-9.13 and 7-9.14, the College cannot, in the indemnity it pays out to an employee on maternity leave, compensate for the reduction in benefits from the QPIP or the EIP attributable to remuneration from another employer.

Notwithstanding the preceding paragraph, the College shall pay such compensation if the employee can demonstrate, by providing a letter to this effect from the employer paying the remuneration, that the remuneration is a regular salary. If the employee can demonstrate that only part of the remuneration is a regular salary, the compensation shall be limited to that percentage.

The employer that pays the regular salary provided for in the preceding paragraph must, upon the employee's request, produce such letter.

The total amount received by the employee during her maternity leave in QPIP or EIP benefits, indemnity and remuneration shall not exceed the gross amount established in paragraph 1<sup>o</sup> of the first (1<sup>st</sup>) subparagraph set out in clause 7-9.13 and in subparagraph 1<sup>o</sup> of paragraph 2) set out in clause 7-9.14, if applicable. This formula shall be applied to the total basic weekly salary paid by the College or, if applicable, by the various employers.

**7-9.16 Cases ineligible for both the QPIP and the EIP**

An employee who is not entitled to the benefits of the QPIP or the EIP shall also be excluded from any indemnities provided for in clauses 7-9.13 and 7-9.14.

However, a employee who has accumulated twenty (20) weeks of service<sup>1</sup> shall be entitled to an indemnity calculated according to the following formula for a period of twelve (12) weeks, if she does not receive benefits from a parental rights plan established by another province or territory:

1° by adding:

- a) the amount representing 100% of the employee's basic weekly salary up to \$225; and,
- b) the amount representing 88% of the difference between the employee's basic weekly salary and the amount established in the preceding paragraph a).

The total amounts received by the employee during her maternity leave in QPIP or EIP, in benefits or salary, cannot however exceed the gross amount established by the benefit calculation formula set out in paragraph 1° of the first (1<sup>st</sup>) subparagraph in clause 7-9.13. This formula shall be applied to the total basic weekly salary paid by the College or, if applicable, by the various employers.

**7-9.17**

Maternity leave may be less than twenty-one (21) weeks or twenty (20) weeks, as the case may be. If the employee returns to work within two (2) weeks following the birth of her child, she shall produce, upon the College's request, a medical certificate attesting to her ability to return to work.

**Section III: Special Pregnancy and Breast-feeding Leave****7-9.18 Provisional assignment and special leave**

An employee may request a provisional assignment to another position that is vacant or temporarily without an incumbent in the same class of employment or, with the employee's consent and subject to the provisions of the collective agreement, in another class of employment, in the following cases:

- a) she is pregnant and her working conditions entail risks of infectious disease or physical danger to herself or her unborn child;
- b) her working conditions entail risks to the child she is breast-feeding;
- c) she works regularly in front of a cathode-ray screen.

---

<sup>1</sup> The absent employee accumulates service if her absence is authorized, in particular for disability, and includes a benefit or a salary.

The employee shall produce a medical certificate to this effect as soon as possible.

The College, upon receiving a request for preventive withdrawal, shall notify the Union immediately, indicating the employee's name and the motives for the request.

If he/she agrees, another employee may be assigned provisionally and, after having received the approval of the College, exchange his/her position with the pregnant employee for the duration of the provisional assignment. This provision shall apply insofar as both employees meet the normal requirements of the job.

The employee reassigned to another position and the employee who agrees to occupy her position shall retain the rights and privileges of their regular positions.

If she is not immediately reassigned, the employee shall be entitled to special leave beginning immediately. Unless a provisional assignment occurs subsequently to put an end to this special leave, it shall continue for the pregnant employee until her date of delivery, and for the breast-feeding employee until the end of the breast-feeding period. However, for employees eligible for benefits under the Act respecting parental insurance (CQLR, chapter A-29.011), the special leave shall end the fourth (4<sup>th</sup>) week before the due date.

During the special leave provided for in this clause, indemnity is governed by the provisions of the Act respecting occupational health and safety (CQLR, chapter S-2.1) concerning the preventive withdrawal of pregnant or breast-feeding workers.

However, upon the employee's written request, the College shall pay the employee an advance of the forthcoming indemnity, based on foreseeable payments. If the CNESST pays the anticipated indemnity, the College shall be reimbursed in accordance with the provisions of the collective agreement concerning overpayments to be collected. However, if the employee exercises her right to request a review of the CNESST's decision or to contest such decision before the Tribunal administratif du travail (TAT), reimbursement shall be payable only once the CNESST's administrative review decision or that of the TAT, as the case may be, is rendered.

An employee who regularly works in front of a cathode-ray screen may request that her time in front of the cathode-ray screen be reduced. The College shall then study the possibility of modifying, temporarily and without loss of any of the employee's rights, the duties of an employee who works with a cathode-ray screen, in order to reduce work at the cathode-ray screen to a maximum of two (2) hours per half (1/2) day of work. If modifications are possible, the College shall assign this employee to other duties she is reasonably able to perform for her remaining time at work.

**7-9.19 Other special leave**

An employee shall also be entitled to special leave in the following cases:

- a) when complications arise during pregnancy or there is a sufficient risk of miscarriage for the employee to be required to stop work temporarily for the period specified in a medical certificate; this special leave may not extend beyond the beginning of the fourth (4<sup>th</sup>) week prior to the due date;
- b) upon presentation of a medical certificate prescribing the duration of the leave, when a natural or legally induced miscarriage occurs before the beginning of the twentieth (20<sup>th</sup>) week prior to the due date;
- c) for visits to a health care professional that are related to the pregnancy, with a supporting medical certificate or a written report signed by a midwife. In this case, the employee shall be granted a special leave with pay, for a maximum of four (4) days. These special leaves may be taken in half ( $\frac{1}{2}$ ) days.

**7-9.20**

During special leave granted under this section, the employee shall take advantage of the benefits provided for in clause 7-9.52, provided she is normally entitled to them, and those provided for in clause 7-9.54. An employee covered by clause 7-9.19 may also avail herself of the benefits of the sick leave or salary insurance plan. In cases provided for in paragraph c) of clause 7-9.19, the employee shall first avail herself of the four (4) days which are provided for thereof.

**Section IV: Paternity Leave****7-9.21**

A male employee shall be entitled to a leave with pay for a maximum of five (5) working days at the time of the birth of his child. The employee shall also be entitled to such leave if his spouse miscarries after the beginning of the twentieth (20<sup>th</sup>) week prior to the due date. This leave may be taken discontinuously and must be taken between the beginning of the actual delivery and the fifteenth (15<sup>th</sup>) day after the mother takes the child home.

One (1) of these five (5) days may be taken for the child's christening or registration.

A female employee shall also be entitled to such leave if she is deemed to be one of the child's mothers.

The employee shall provide the College, as soon as possible, with a notice of leave.

**7-9.22**

Upon the birth of his child, a male employee shall also be entitled to paternity leave of a maximum of five (5) weeks, which, subject to clauses 7-9.24 and 7-9.25, must be taken consecutively. This leave must end no later than at the end of the fifty-second (52<sup>nd</sup>) week following the week of the child's birth.

If the employee is eligible for the QPIP or the EIP, this leave shall be simultaneous with the period during which benefits are payable under one of these plans and shall begin no later than the week following the beginning of payment of these benefits.

A female employee shall also be entitled to this leave if she is deemed to be one of the child's mothers.

#### **7-9.23 Extension of paternity leave**

An employee who sends the College, before the expiry date of his paternity leave as provided in clause 7-9.22, a written notice accompanied by a medical certificate attesting to the fact that his child's state of health so requires, shall be entitled to an extension of his paternity leave. The duration of this extension shall be as indicated in the medical certificate.

During this extension, the employee shall be deemed to be on leave without pay and shall receive no indemnity or benefit from the College. The employee shall be covered by clause 7-9.53 during this period.

#### **7-9.24 Interruption of paternity leave**

When the child is hospitalized, the employee may interrupt his paternity leave as provided for in clause 7-9.22, upon agreement with the College, and return to work for the duration of the hospitalization.

#### **7-9.25 Discontinuous paternity leave**

Upon the employee's request, the paternity leave provided for in clause 7-9.22 may be broken down into weeks and the maximum number of weeks during which the leave is interrupted shall vary in each case:

- a) If the child is hospitalized: the maximum number of weeks of interruption of paternity leave shall be equivalent to the number of weeks of this hospitalization.
- b) If the employee is on leave because of an accident or illness: the maximum number of weeks of interruption of paternity leave shall be equivalent to the number of full weeks such a situation lasts, up to a maximum of twenty-six (26) weeks within a twelve (12)-month period<sup>1</sup>.

However, the employee may be absent from work for a period of not more than one hundred and four (104) weeks if she suffers serious bodily injury during or resulting directly from a criminal offence that renders her unable to hold her regular position. In that case, the period of absence shall not begin before the date on which the criminal offence was committed, or before the expiry of the period provided for in the first paragraph, where applicable, and shall not end later than one hundred and four (104) weeks after the commission of the criminal offence<sup>1</sup>.

---

<sup>1</sup> Unpaid leave of absence as per article 79.1 of the Act respecting labour standards (CQLR, chapter N-1.1).

- c) If the employee is on leave because of a situation covered by sections 79.8 to 79.12 of the Act respecting labour standards (CQLR, chapter N-1.1): the maximum number of weeks of interruption of paternity leave shall be equivalent to the number of full weeks the situation lasts, according to the provisions of clause 7-10.09.

During the leaves provided for in this clause, the employee shall be deemed to be on leave without pay and shall not receive any indemnities or benefits from the College. The employee shall take advantage of the benefits set out in clause 7-9.53 during this period.

#### **7-9.26**

Upon the employee's resumption of his/her interrupted or discontinuous paternity leave under clause 7-9.24 or 7-9.25, the College shall pay the employee any indemnities to which he/she would have been entitled had he/she not interrupted or broken down his/her adoption leave, for the number of weeks remaining under clause 7-9.22, subject to clause 7-9.01.

#### **7-9.27 Cases eligible for the QPIP or the EIP**

During the paternity leave provided for in clause 7-9.22, the employee who has completed twenty weeks of service<sup>1</sup> shall receive an indemnity equal to the difference between his/her basic weekly salary and the amount of benefits he/she is receiving, or would receive upon request, under the QPIP or the EIP.

This indemnity shall be based on the QPIP or EIP benefits to which the employee is entitled, without counting the amounts subtracted from such benefits in reimbursement of benefits, interest, penalties and other amounts recoverable under the Act respecting parental insurance (CQLR, chapter A-29.011) or EIP.

However, if a change is made to the amount of the benefit paid by the QPIP or the EIP following a change in the information provided by the College, the amount of the indemnity to be paid shall be adjusted accordingly.

When the employee works for more than one employer, the indemnity shall be equal to the difference between one-hundred per cent (100%) of the basic weekly salary paid by the College and the amount of the QPIP or the EIP benefit corresponding to the proportion of the basic weekly salary paid with respect to the total basic weekly salaries paid by all of the employers. To this end, the employee shall produce for each employer a statement of the weekly salary paid by each employer and the amount of the benefit payable under the Act respecting parental insurance (CQLR, chapter A-29.011) or the EIP.

---

<sup>1</sup> The absent employee accumulates service if his/her absence is authorized, in particular for disability, and includes a benefit or a salary.

**7-9.28**

The College may not, through the indemnity it pays out to an employee on paternity leave, compensate for the reduction in benefits from the QPIP or the EIP attributable to remuneration from another employer.

Notwithstanding the provisions of the preceding paragraph, the College shall pay such compensation if the employee can demonstrate, by providing a letter to this effect from the employer paying the remuneration, that the remuneration is a regular salary. If the employee can demonstrate that only part of the remuneration is a regular salary, the compensation shall be limited to that percentage.

The employer that pays the regular salary provided for in the preceding paragraph must, upon the employee's request, produce such letter.

The total amount received by the employee during his/her paternity leave in QPIP or EIP benefits, indemnities and remuneration shall not exceed one-hundred per cent (100%) of the basic salary paid by the College or, if applicable, by the various employers.

**7-9.29 Case not eligible for the QPIP nor the EIP**

An employee who is not eligible for QPIP paternity benefits nor for EIP parental benefits receives, during the paternity leave provided for in clause 7-9.22, an indemnity equal to his/her basic weekly salary, if the employee has completed twenty (20) weeks of service<sup>1</sup>.

**Section V: Adoption Leave and Leave for Purposes of Adoption****7-9.30**

An employee who legally adopts a child, other than his/her spouse's child, shall be entitled to a maximum of five (5) working days of leave with salary.

This leave may be broken down and may not be taken after fifteen (15) days have elapsed after the child arrives at home.

One (1) of these five (5) days may be taken for the child's christening or registration.

The employee provides the College, as soon as possible, with a notice of leave.

**7-9.31**

An employee who legally adopts his/her spouse's child shall be entitled to a maximum of five (5) working days of leave, the first two (2) of which shall be paid.

This leave may be broken down, and may not be taken after fifteen (15) days have elapsed after the submission of the adoption request.

The employee provides the College, as soon as possible, with a notice of leave.

---

<sup>1</sup> The absent employee accumulates service if his/her absence is authorized, in particular for disability, and includes a benefit or a salary.

**7-9.32**

An employee who legally adopts a child other than his/her spouse's child shall be entitled to a maximum of five (5) weeks of adoption leave, which, subject to clauses 7-9.34 and 7-9.35, must be taken consecutively. This leave shall end no later than at the end of the fifty-second (52<sup>nd</sup>) week after the child arrives at home.

For an employee who is eligible for the QPIP or for the EIP, this leave shall be taken simultaneously with the period during which benefits are paid by either one of the plans and must begin no later than the week following the start of such benefits.

For an employee who is not eligible for the QPIP or for the EIP, the leave must be taken after the placement order or its equivalent in the case of an international adoption, in accordance with the adoption plan, or at another time agreed upon with the College.

**7-9.33 Extension of adoption leave**

An employee who sends the College, before the expiry date of his/her adoption leave as provided for in clause 7-9.32, a written notice accompanied by a medical certificate attesting to the fact that his/her child's state of health so requires, shall be entitled to an extension of his/her adoption leave. The duration of this extension shall be as indicated in the medical certificate.

During this extension, the employee shall be deemed to be on leave without pay and shall receive no indemnity or benefit from the College. The employee shall be covered by clause 7-9.53 during this period.

**7-9.34 Interruption of adoption leave**

When the child is hospitalized, the employee may interrupt his/her adoption leave as provided for in clause 7-9.32, upon agreement with the College, and return to work for the duration of the hospitalization.

**7-9.35 Discontinuous adoption leave**

Upon the employee's request, the adoption leave provided for in clause 7-9.32 may be broken down into weeks and the maximum number of weeks during which the leave is interrupted shall vary in each case:

- a) If the child is hospitalized: the maximum number of weeks of interruption of adoption leave shall be equivalent to the number of weeks of this hospitalization;
- b) If the employee is on leave because of an accident or illness: the maximum number of weeks of interruption of the leave shall be equivalent to the number of full weeks such a situation lasts, up to a maximum of twenty-six (26) weeks within a twelve (12)-month period<sup>1</sup>.

---

<sup>1</sup> Unpaid leave of absence as per article 79.1 of the Act respecting labour standards (CQLR, chapter N-1.1).

However, the employee may be absent from work for a period of not more than one hundred and four (104) weeks if she suffers serious bodily injury during or resulting directly from a criminal offence that renders him unable to hold her regular position. In that case, the period of absence shall not begin before the date on which the criminal offence was committed, or before the expiry of the period provided for in the first paragraph, where applicable, and shall not end later than one hundred and four (104) weeks after the commission of the criminal offence<sup>1</sup>.

- c) If the employee is on leave because of a situation covered by sections 79.8 to 79.12 of the Act respecting labour standards (CQLR, chapter N-1.1): the maximum number of weeks of interruption of the leave shall be equivalent to the number of full weeks this situation lasts, according to the provisions of clause 7-10.09.

During the leaves provided for in this clause, the employee shall be deemed to be on leave without pay and shall receive no indemnity nor benefit from the College. The employee shall take advantage of the benefits set out in clause 7-9.53 during this period.

#### **7-9.36**

Upon the employee's resumption of his/her interrupted or discontinuous adoption leave under clauses 7-9.34 and 7-9.35, the College shall pay the employee any indemnities to which he/she would have been entitled had he/she not interrupted or broken down his/her adoption leave, for the number of weeks remaining under clause 7-9.32, subject to clause 7-9.01.

#### **7-9.37 Cases eligible for the QPIP or the EIP**

During the adoption leave provided for in clause 7-9.32, the employee who has completed twenty (20) weeks of service<sup>2</sup> shall receive indemnity equal to the difference between his/her basic weekly salary and the amount of benefits he/she is receiving, or would receive upon request, under the QPIP or the EIP.

This indemnity shall be based on the QPIP or EIP benefit to which the employee is entitled, without counting the amounts subtracted from such benefit in reimbursement of benefits, interest, penalties and other amounts recoverable under the Act respecting parental insurance (CQLR, chapter A-29.011) or the EIP.

However, if a change is made to the amount of the benefit paid by the QPIP or the EIP following a change in the information provided by the College, the amount of the indemnity shall be adjusted accordingly.

When the employee works for more than one employer, the indemnity shall be equal to the difference between one hundred per cent (100%) of the basic weekly salary paid by the College and the amount of the QPIP or EIP benefit corresponding to the proportion of the

basic weekly salary paid with respect to the total basic weekly salaries paid by all of the employers. To this end, the employee shall produce for each employer a statement of the weekly salary paid by each employer and the amount of the benefit payable under the Act respecting parental insurance (CQLR, chapter A-29.011) or EIP.

### **7-9.38**

The College cannot, in the indemnity it pays out to an employee on adoption leave, compensate for the reduction in benefits from the QPIP or EIP attributable to remuneration from another employer.

Notwithstanding the preceding paragraph, the College shall pay such compensation if the employee can demonstrate, by providing a letter to this effect from the employer paying the remuneration, that the remuneration is a regular salary. If the employee can demonstrate that only part of the remuneration is a regular salary, the compensation shall be limited to that percentage.

The employer that pays the regular salary provided for in the preceding paragraph must, upon the employee's request, produce such a letter.

The total amount received by the employee during his/her adoption leave in QPIP or EIP benefits, indemnities and remuneration, shall not exceed one hundred per cent (100%) of the basic salary paid by the College or, if applicable, by the various employers.

### **7-9.39 Cases ineligible for both the QPIP and the EIP**

An employee who is not entitled to adoption benefits under the QPIP or parental benefits under the EIP who adopts a child other than the child of his/her spouse shall receive, during the adoption leave provided for in clause 7-9.32, an indemnity equal to his/her basic weekly salary, if the employee has completed twenty (20) weeks of service<sup>1</sup>.

### **7-9.40 Leave without pay for the purposes of adoption**

An employee shall be entitled, for the adoption of a child other than the child of his/her spouse, to leave without pay of no more than ten (10) weeks following the date he/she takes charge of the child.

An employee who travels outside Québec for the adoption of a child other than the child of his/her spouse shall receive, upon written request to the College, if possible two (2) weeks in advance, leave without pay for the time it takes to pick up the child.

However, the adoption leave shall end no later than the week following the start of QPIP benefits and the provisions of clause 7-9.32 shall apply.

During such leave, the employee shall take advantage of the same benefits as those related to a leave without pay or part-time leave without pay provided for in clause 7-4.53.

<sup>1</sup> The absent employee accumulates service if his/her absence is authorized, in particular for disability, and includes a benefit or a salary.

**Section VI: Leave Without Pay and Partial Leave Without Pay****7-9.41**

- a) The employee shall be entitled to one of the following leaves:
- i) a leave without pay for a maximum duration of two (2) years which immediately follows the maternity leave shall be granted to the employee as an extension of the maternity leave provided for in clause 7-9.06;
  - ii) a leave without pay for a maximum duration of two (2) years which immediately follows the paternity leave provided for in clause 7-9.22. However, the duration of the leave shall not exceed the 125<sup>th</sup> week following the child's birth;
  - iii) a leave without pay for a maximum duration of two (2) years which immediately follows the adoption leave provided for in clause 7-4.32. However, the duration of the leave shall not exceed the 125<sup>th</sup> week following the child's arrival at home.

A full-time employee who does not take this leave is entitled to take partial leave without pay spread out over a maximum period of two (2) years. However, the duration of the leave shall not exceed the 125<sup>th</sup> week following the child's birth or the child's arrival at home.

Once only, during the course of this leave and upon written request submitted at least thirty (30) days in advance, an employee may make one of the following changes:

- from leave without pay to partial leave without pay or vice versa, as the case may be;
- from partial leave without pay to a different type of partial leave without pay.

A part-time employee shall also be entitled to such partial leave without pay. However, the other provisions of the collective agreement concerning the determination of the number of hours of work shall continue to apply.

An employee who does not take the leave without pay or the partial leave without pay to which he/she is entitled, may benefit from the unused portion of his/her spouse's leave, either as leave without pay or partial leave without pay, at his/her discretion, by complying with the necessary formalities.

If the employee's spouse is not an employee of the public or parapublic sector, he/she may avail himself/herself of a leave provided for above at the time of

his/her choice within two (2) years following the birth or the adoption, without however exceeding the set limit of two (2) years from the date of birth or adoption.

- b) An employee who does not avail himself/herself of the leave provided for in paragraph a) may take, following the birth or adoption of his/her child, an unpaid leave for a maximum of fifty-two (52) consecutive weeks, beginning at a time chosen by the employee and ending no later than seventy (70) weeks after the child's birth or, in the case of an adoption, seventy (70) weeks after the child has come under his/her care.

#### **7-9.42 Discontinuous leave without pay**

Before the expiry of the first fifty-two (52) weeks of the full-time leave without pay, the employee may break down his/her leave according to the provisions provided for in clause 7-9.11, by making the necessary adaptations.

The employee shall take advantage of the benefits provided for in clause 7-9.53 during this period.

During such discontinuous leave provided for in this clause, the employee shall be considered on leave without pay and shall receive no indemnity or benefit from the College.

#### **7-9.43 Leave for parental responsibilities**

Leave without pay or partial leave without pay of up to one (1) year shall be granted to an employee whose minor child is experiencing socioaffective development problems or who has a physical handicap or a prolonged illness requiring the employee's presence. The terms and conditions of this leave shall be established by agreement between the employee and the College. The College shall send the Union a copy of such agreement.

The employee shall take advantage of the benefits provided for in clause 7-9.53 during this period.

### **Section VII: Various Provisions**

#### **Calculation and Payment of the Indemnity**

##### **7-9.44**

For the purpose of calculating and paying the maternity leave indemnity provided for in clauses 7-9.13, 7-9.14 or 7-9.16, the paternity leave indemnity provided for in clauses 7-9.27 or 7-9.29 and the adoption leave indemnity provided for in clauses 7-9.37 or 7-9.39, the following provisions apply:

- a) No indemnity shall be paid during vacation periods for which the employee receives remuneration.

- b) Unless the applicable salary payment is on a weekly basis, the indemnity shall be paid every two (2) weeks, the first (1st) instalment to be paid, in the case of an employee eligible for QPIP or EIP benefits, fifteen (15) days after the College has received proof that the employee is receiving benefits from these plans. For the purposes of this paragraph, proof shall consist of a statement of benefits and information provided by the Ministère du Travail, de l'Emploi et de la Solidarité Sociale or by ESDC in an official statement.
- c) In the case of a maternity leave only, the service shall be calculated for all public and parapublic sector employees (public service, education, health and social services), health and social services agencies, agencies for which standards and rates of remuneration are determined by law in accordance with the conditions defined by the Government (Appendix "L"), the Office franco-québécois pour la jeunesse, the Société de gestion du réseau informatique des commissions scolaires, and any other agency appearing in Schedule C of the Act respecting the process of negotiation of the collective agreements in the public and parapublic sectors ( CQLR, chapter R-8.2).

Moreover, the requirement of twenty (20) weeks of service under clauses 7-9.13, 7-9.14, 7-9.16, 7-9.27, 7-9.29, 7-9.37, and 7-9.39 shall be deemed to be satisfied, if applicable, if the employee has satisfied this requirement with one or the other of the employers mentioned in this paragraph.

- d) The basic weekly salary of a part-time employee shall be his/her average basic weekly salary for the twenty (20) weeks preceding his/her maternity, paternity or adoption leave. The twenty (20)-week period prior to the leave of the employee shall, for the purpose of establishing his/her average basic weekly salary, exclude all layoff periods.

If, during this period, the employee has received benefits based on a certain percentage of his/her regular salary, it is understood that his/her basic salary for his/her leave shall be based on the basic salary on which such benefits were based.

In addition, any period during which an employee on special leave provided for in clause 7-9.18 is not receiving any indemnities from the CNESST shall be excluded for the purposes of calculating her average basic weekly salary.

If the period of twenty (20) weeks preceding a part-time employee's leave includes the date on which the salary rates and scales are increased, the employee's basic weekly salary shall be based on the salary rate in effect at that date. If the leave includes this date, the basic weekly salary shall be adjusted on that date in accordance with the applicable salary scale adjustment formula.

The provisions of this paragraph shall constitute one of the express stipulations mentioned in clause 7-9.05.

- e) In the case of a temporary layoff, the indemnity for the maternity, paternity or adoption leave to which the employee is entitled under the collective agreement and which is paid by the College, shall end on the date of the employee's layoff.

Subsequently, when the employee temporarily laid off is called back to work in accordance with the collective agreement, the leave indemnity shall be re-established as of the date the employee is called back to work.

The weeks for which the employee received the leave indemnity and the weeks during the layoff period shall be deducted from the number of weeks to which the employee is entitled. The leave indemnity shall be re-established for the number of weeks remaining.

#### **7-9.45**

An employee who receives a premium for regional disparities under this collective agreement shall continue to receive such premium during maternity leave, as provided for in clause 7-9.06, paternity leave, as provided for in clause 7-9.22, or adoption leave, as provided for in clause 7-9.32.

### **Notices and Prior Notices**

#### **7-9.46 Maternity leave**

To avail herself of maternity leave, as provided for in clause 7-9.06, an employee must give the employer prior notice in writing at least two (2) weeks before the date of her departure. A medical certificate or a written report signed by a midwife attesting to the pregnancy and indicating the due date must accompany the notice.

The time limit for giving prior notice may be reduced upon submission of a medical certificate stating that the employee must leave work sooner than planned. In unforeseeable circumstances, the employee may take maternity leave without giving such prior notice, provided that a medical certificate stating that she must stop work at once is submitted to the employer.

#### **7-9.47 End of maternity leave**

The College shall send the employee, during the fourth (4<sup>th</sup>) week preceding the expiry of her maternity leave, a notice indicating the expected date of expiry of the maternity leave.

An employee who receives the above notice shall report to work at the expiry of her maternity leave, unless the leave is extended under clause 7-9.41.

An employee who does not comply with the preceding paragraph shall be deemed to be on leave without pay for a period not exceeding four (4) weeks. At the end of this period, if the employee has not reported to work, she shall be deemed to have resigned.

**7-9.48 Paternity and adoption leave**

The paternity leave provided for in clause 7-9.22, the adoption leave provided for in clause 7-9.32 and the full-time leave without pay provided for in clause 7-9.41 shall be granted upon written request submitted at least three (3) weeks in advance, which shall include the date of return to work. However, this timeframe may be shorter if the birth occurs before the due date.

**7-9.49 End of paternity or adoption leave**

An employee must report for work at the expiry of his/her paternity leave provided for in clause 7-9.22 or his/her adoption leave provided for in clause 7-9.32, unless he/she takes the opportunity of a leave without pay as provided for in clause 7-9.41.

An employee who does not conform to the foregoing is considered to have taken leave without pay for a period of no more than four (4) weeks. At the end of this period, an employee who does not report for work is deemed to have resigned.

**7-9.50 Leave without pay**

A full-time leave without pay provided for in clause 7-9.41 shall be granted upon written request submitted at least three (3) weeks in advance, which must specify the date of return to work.

Partial leave without pay provided for in clause 7-9.41 shall be granted upon written request submitted at least thirty (30) days in advance, which must specify the date of return to work.

The request must also specify the arrangements for the leave, as they pertain to the employee's position. In case of disagreement with the College concerning the number of days per week, the employee is entitled to a maximum of two and a half (2½) days per week or the equivalent, for up to two (2) years. The employee and the College may reach at all times an agreement concerning the arrangements of the leave.

In the case of a part-time employee who takes a partial leave without pay, he/she and the College may reach an agreement concerning the arrangements of the leave.

**7-9.51 End of the leave without pay**

An employee, who has been notified four (4) weeks in advance by the College of the end of his/her leave without pay, must give advance notice of his/her return to work at least two (2) weeks before that expiration date of such a leave. If the employee has not reported to work on the date at which the leave was scheduled to end, he/she shall be deemed to have resigned.

An employee who wishes to end his/her leave without pay before its scheduled expiry shall give written notice of his/her intention to return to work at least twenty-one (21) days in advance. In the case of a leave without pay exceeding fifty-two (52) weeks, such notice shall be submitted at least thirty (30) days in advance.

During leave without pay, the employee accumulates seniority, retains job experience and continues to participate in the basic health insurance plan applicable to him by paying his/her portion of the premiums for the first fifty-two (52) weeks of leave and all premiums for subsequent weeks. Moreover, he/she may continue to participate in the other supplementary insurance plans applicable to him, provided he/she so requests at the beginning of the leave and pays all premiums.

During partial leave without pay, the employee accumulates seniority on the same basis as before the start of such leave and is subject, for his/her work performed, to the dispositions governing part-time personnel.

Notwithstanding the preceding paragraphs, the employee shall cumulate job experience, for salary purposes during the first fifty-two (52) weeks of leave without pay or a partial leave without pay.

**7-9.54**

Upon return from his/her maternity leave provided for in clause 7-9.06, paternity leave provided for in clauses 7-9.21 and 7-9.22, adoption leave provided for in clauses 7-9.30, 7-9.31 and 7-9.32, leave without pay for the purpose of adoption provided for in clause 7-9.40, or leave without pay or partial leave without pay provided for in clause 7-9.41, the employee shall return to his/her position or, if applicable, to a position obtained at his/her request during the leave, in accordance with the provisions of the collective agreement.

**7-12.05**

An employee elected in a provincial, federal or municipal election may, in accordance with the order of priority provided for in clause 5-2.03, upon the expiry of his/her mandate, take a position similar to that which he/she held at the time of his/her leave without pay, as soon as such a position becomes available.

Within the twenty-one (21) days following the expiry of his/her mandate, the employee must notify the College of his/her decision to avail himself/herself of this article. If he/she fails to do so, he/she shall be deemed to have resigned.

**7-12.06**

An employee elected in a municipal or school election, or to the board of directors of a hospital, CLSC or regional council created by the Government, shall benefit from leave without pay for meetings or official activities of his/her elected position, after having informed the College.

**7-12.07**

The College recognizes the employee's right to be appointed to a government board of inquiry and to be granted a leave without pay for the duration of his/her mandate.

Upon written request thirty (30) days prior to the date of his/her departure, the employee shall obtain from the College leave without pay for the duration of such mandate.

Upon the expiry of his/her mandate, the employee shall return to the position he/she held at the time of his/her departure, subject to articles 5-4.00, 5-5.00 and 5-6.00, with the rights and privileges that he/she had acquired. The employee must send written notice to the College at least thirty (30) days before his/her return.

**7-12.08**

An employee on leave without pay to hold public office shall continue to participate in the basic health insurance plan by paying all premiums.

**7-12.09**

The parties may, by local agreement, decide to amend or replace this article.

**Article 7-13.00 - Leave Fostering the Organization of Working Time****A) Terms and Conditions****7-13.01**

The College agrees to implement measures fostering the organization of working time.

**7-13.02**

The provisions set out in this article shall apply to regular employees.

However, in the cases provided for in B) and E), leave may only be taken at the end of the plan, before the employee has acquired job security.

The College shall inform the Union of any request for leave that is refused.

**B) Sabbatical Leave with Deferred or Advance Pay Plan****7-13.03**

An employee may obtain, after agreement, a sabbatical leave with deferred or advance pay. However, in cases where the leave occurs at the end of the plan, the College cannot refuse the employee's request without a valid reason.

The leave with deferred or advance pay plan makes it possible for an employee to benefit from a paid leave. However, the plan does not allow an employee to postpone income taxes nor does it generate added benefits upon retirement.

**7-13.04**

The leave with deferred or advance pay plan shall consist of a work period and a period of leave.

In leave with deferred pay, the period of leave is taken after the full work period.

In leave with advance pay, the period of leave is taken before part or all of the work period.

**7-13.05**

The duration of the plan may be two (2), three (3), four (4) or five (5) years.

The duration of the plan may, however, be extended in the cases and in the manner provided for in clauses 7-13.16, 7-13.19 and 7-13.20. Nevertheless, the leave must begin at the latest after a period of six (6) years following the date on which amounts began to be deferred.

**7-13.06**

The duration of the leave may be from six (6) months to one (1) year. The leave itself may not be interrupted for any reason whatsoever.

**7-13.07**

An employee who wishes to benefit from such leave shall apply in writing to the College.

This application shall include the proposed duration of the plan and of the leave, as well as the proposed dates of the beginning and the end of the leave and of the plan.

**7-13.08**

Only an employee who is not on availability shall be eligible for such leave.

The College shall not accept the application of a disabled employee or an employee on leave without pay.

**7-13.09**

At the end of the period of leave or of the leave provided for in article 7-9.00, the employee shall return to his/her position and shall remain in the College's employ for a period at least equivalent to the duration of the leave, subject to the provisions of the collective agreement.

**7-13.10**

During each year of participation in the plan, the employee shall receive the percentage of his/her salary as outlined in the following table, in accordance with the duration of the plan and the leave:

Period of participation in the plan      2 years      3 years      4 years      5 years

Duration of the leave	Percentage of salary			
6 months	75.00%	83.33%	87.50%	90.00%
7 months	70.83%	80.56%	85.42%	88.33%
8 months		77.78%	83.33%	86.67%
9 months		75.00%	81.25%	85.00%
10 months		72.22%	79.17%	83.33%
11 months			77.08%	81.67%
12 months			75.00%	80.00%

The salary to which the above percentage is applied shall be the salary that the employee would receive were he/she not participating in the plan.

During the work period, the employee shall be entitled to all applicable premiums. The employee, however, shall not be entitled to any premiums while on leave.

#### **7-13.11**

While on leave, the employee may not receive any other remuneration from the College or from any other person or association with which the College has any ties other than the remuneration corresponding to the percentage of salary allowed by the plan.

#### **7-13.12**

For the duration of the employee's participation in the plan, his/her workload shall be the same as it would be if he/she were not participating in the plan.

#### **7-13.13**

Subject to the provisions of this article, the employee shall be entitled to all benefits granted by the collective agreement to which he/she would be entitled if he/she were not participating in the plan. However, the period of leave provided for in the plan cannot be used for the purpose of acquiring vacation time.

#### **7-13.14**

For the purposes of calculating pension benefits, the employee shall be credited with one (1) year of service for every year he/she participates in the sabbatical leave with deferred or advance pay plan, as well as an average salary based on the salary he/she would have received had he/she not participated in the plan.

The employee's contributions to a pension plan while participating in the sabbatical leave with deferred or advance pay plan shall be established in accordance with the applicable act respecting retirement plans.

**7-13.15**

If an employee leaves the employ of the College, retires or withdraws from the plan, the plan shall terminate immediately and the following terms and conditions shall apply:

- a) if the employee has already taken the leave, he/she shall reimburse, without interest, the amount received during the leave, less the amount already deducted from his/her salary during the work period in accordance with clause 7-13.10;
- b) if the employee has not already taken the leave, the College shall reimburse, without interest, the difference between the salary he/she would have received had he/she not participated in the plan and the salary he/she has actually received since the beginning of the plan;
- c) if the employee is on leave, the amount owed by the employee or by the College shall be established in the following manner: the amount received by the employee during the leave, less the amount already deducted from the employee's salary during the work period in accordance with clause 7-13.10. If the result is negative, the College shall reimburse the employee for the balance. If the result is positive, the employee shall reimburse the College for the balance;
- d) the employee's rights with regard to pension plans shall be those he/she would have been entitled to had he/she never participated in the sabbatical leave with deferred or advance pay plan. For example, if the leave has already been taken, the contributions made during that period shall be used to compensate for reduced contributions during the work period; however, the employee may buy back missing years of service under the same conditions as those relating to leave without pay two hundred per cent (200%) to the Government and Public Employees Retirement Plan (RREGOP), one hundred per cent (100%) to the Teacher's Pension Plan (TPP) and to the Civil Service Superannuation Plan (CSSP). On the other hand, if the leave has not been taken, the contribution required to validate the total number of years worked shall be deducted from the salary refund made to the employee.

When the employee is obliged to reimburse the College, he/she may reach an agreement with the College as to the method of repayment.

**7-13.16**

For the duration of the plan, total leave without pay, for whatever reason, with or without authorization, shall not exceed twelve (12) months. Should total leave without pay, for whatever reason, with or without authorization, exceed twelve (12) months, the plan shall terminate on the date the twelve (12)-month limit is reached, and the terms and conditions provided for in paragraphs a), b), c) and d) of clause 7-13.15 shall apply, with the necessary adjustments.

When total leave without pay, for whatever reason, with or without authorization, is equal or less than twelve (12) months, the duration of the plan shall be extended for a period equal to that of the total leave without pay.

**7-13.17**

If the employee is placed on availability during the plan, the plan shall terminate on the date of the employee's placement on availability, and the terms and conditions provided for in clause 7-13.15 shall apply without loss of rights with respect to the pension plan. Any surplus salary paid to the employee shall not be claimed and a full year's service shall be credited for each full year of participation in the plan. Any unpaid salary shall be reimbursed and shall not be subject to contributions to the pension plan.

**7-13.18**

If the employee dies while participating in the plan, the plan shall terminate on the date of death, and the terms and conditions provided for in clause 7-13.15 shall apply. However, any surplus salary paid to the employee shall not be claimed, and unpaid salary shall be reimbursed and shall not be subject to contributions to the pension plan.

**7-13.19**

If an employee becomes disabled under the terms of article 7-14.00 while participating in the plan, the following terms and conditions shall apply:

- a) If the disability occurs during the leave:

The disability shall be presumed not to exist during the leave and shall be deemed to have begun on the date the employee is due back to work at the end of the leave.

During the leave, the employee shall be entitled to the salary provided for under the terms of the plan. As of the date set for his/her return to work, if he/she is still disabled, the employee shall be entitled to the salary insurance benefit provided for in the collective agreement as long as he/she is covered by the plan. The salary insurance benefit shall be based on the salary established under the plan. If the employee is still disabled at the end of the plan, he/she shall receive a salary insurance benefit based on his/her regular salary.

- b) If the disability occurs after the leave:

The employee shall continue to participate in the plan and the salary insurance benefit shall be based on the salary established under the Plan, as long as the disability lasts. Upon expiry of the plan, if the employee is still disabled, he/she shall receive a salary insurance benefit based on his/her regular salary.

- c) If the disability begins and ends prior to the period of leave:

The employee shall continue to participate in the plan and the salary insurance benefit shall be based on the salary established under the plan for the duration of the disability.

- d) If the disability begins prior to the period of leave and continues past the beginning of the leave. In this case, the employee shall choose one of the following options:
- i) Continue participating in the plan and postpone the leave to a later date when he/she is no longer disabled. The employee shall be entitled to a salary insurance benefit based on the salary established under the plan. If he/she is still disabled in the last year of the plan, the plan shall be interrupted from the beginning of the last year until the end of the disability. During this interruption, the employee shall be entitled to a salary insurance benefit based on his/her regular salary.
  - ii) Put an end to the plan and thus receive the amounts that have not yet been paid as well as a salary insurance benefit based on his/her regular salary. Contributions to the pension plan shall be based on the amounts that have not yet been paid.
- e) In the cases provided for in paragraphs b), c) and d) above, the employee may avail himself/herself of the following option instead of the terms and conditions set out in those paragraphs:

The plan shall be interrupted at the beginning of the fourth (4th) month of continuous disability. During this period of interruption the employee shall be entitled to a salary insurance benefit based on his/her regular salary. The period of interruption shall end at the end of the twelfth (12th) continuous month of disability and the plan shall then resume. If the disability continues, the salary insurance benefit shall be based on the salary established under the plan.

- f) If the disability lasts for more than two (2) years:

During the first two (2) years, the employee shall be treated as provided for above.

At the end of the two (2) years, the plan shall terminate and:

- i) If the employee has already taken the leave, any surplus salary paid to him/her shall not be claimed and all rights relating to his/her pension plan shall be recognized (one [1] year of service for each year of participation in the plan).
- ii) If the employee has not yet taken the leave, any unpaid salary shall be reimbursed, without interest, and without being subject to contributions to the pension plan, and the disability allowance to which he/she is entitled under the pension plan shall be payable immediately.

### **7-13.20**

In the case of maternity leave as provided for in clause 7-9.06 or 7-9.07, paternity leave as provided for in clause 7-9.22 or adoption leave as provided for in clause 7-9.32, beginning before or after the leave, participation in the plan shall be suspended for a maximum

period corresponding to the maximum duration of the leave and the plan shall be extended by the same amount of time.

In such a case, during the suspension of participation in the plan, the provisions of article 7-9.00 shall apply.

However, if one of the leaves as provided for in this clause takes place before the leave, the employee may put an end to the plan. He/she shall then receive his/her unpaid salary, without interest, as well as the benefit related to this leave. The amounts reimbursed shall be subject to contributions to the pension plan.

#### **7-13.21**

If the employee does not take the leave within the period of the plan, the College shall pay him/her, from the first (1<sup>st</sup>) tax year following the end of the plan, the entire deferred salary.

### **C) Provisional Reduction of Working Time on a Voluntary Basis**

#### **7-13.22**

An employee may, after agreement with the College, reduce his/her hours of work per week. However, such a reduction shall be provisional and for a set duration.

#### **7-13.23**

Unless agreed upon in accordance with the provisions of Appendix "F", during the entire period of the reduction of working time, the employee shall benefit from the working conditions applicable to part-time employees. However, an employee who benefits from this measure shall retain his/her status for the purposes of job security.

#### **7-13.24**

When the College grants a provisional reduction of working time to an employee, it shall inform the Union.

### **D) Progressive Preretirement**

#### **7-13.25**

An employee who has to his/her credit a bank of days of sick leave with cash surrender value, as provided for in clause 7-14.43, may, after agreement with the College, avail himself/herself of progressive retirement under the following conditions:

- a) the employee must be eligible for retirement at the end of the progressive preretirement;
- b) the employee must reduce his/her regular workweek and make up the difference in salary by using his/her bank of days of sick leave;
- c) at the end of the progressive preretirement, the employee must retire and hand in his/her resignation;

- d) the other conditions shall be established upon agreement between the employee and the College.

**E) Leave without Pay with Income Averaging**

**7-13.26**

An employee may, after agreement with the College, benefit from leave without pay of less than one (1) year with income averaging.

**7-13.27**

The duration and conditions of such leave shall be determined after agreement between the College and the employee.

An employee benefiting from such a leave shall receive his/her residual salary spread out over the entire year.

During such leave, the employee shall benefit from the rights provided for in article 7-11.00 related to leave without pay.

**F) Voluntary Reduction of Salary for the Purpose of Acquiring Additional Vacation Time**

**7-13.28**

An employee may, after agreement with the College, increase the number of weeks of vacation to which he/she is entitled by virtue of article 7-5.00 by reducing by 1.93% the salary he/she receives during the acquisition period, for each additional week of vacation he/she desires to avail himself/herself of during the following year.

During such vacation period, the employee shall benefit from the rights provided for in article 7-6.00 related to annual vacation.

During the period of voluntary reduction of salary for the purpose of acquiring additional vacation time, the College shall continue to pay its contribution to the pension plan, as if the employee were not participating in the plan, as long as the employee pays his/her own contribution.

**G) Progressive Retirement**

**7-13.29**

An employee, upon agreement, may take progressive retirement.

**7-13.30**

Employees who meet the following conditions shall be eligible for the progressive retirement plan:

- a) are full-time regular employees; or  
part-time regular employees whose regular workweek is more than forty per cent (40%) of the regular workweek as defined in clause 7-1.01 for his/her class of employment<sup>1</sup>;
- b) participate in the RREGOP, TPP or CSSP;
- c) are eligible for retirement and will retire at the end of the plan;
- d) have reached a prior agreement with the College. The College cannot refuse the employee's request without a reasonable motive.

**7-13.31**

An employee who wishes to participate in the progressive retirement plan must submit a written request to the College at least sixty (60) days in advance.

The request shall specify:

- a) the duration of the plan, which may vary between twelve (12) and sixty (60) months;
- b) the number of hours worked per week, which cannot be less than forty per cent (40%) of the hours specified for his/her class of employment.

**7-13.32**

The percentage of the regular workweek or the number of hours worked per week may be modified during the course of the plan upon agreement between the College and the employee.

Moreover, if for reasons beyond his/her control (e.g. strike, lock-out or corrections made to his/her service record), the employee is not eligible for retirement at the end of the plan, the plan shall be extended until the employee becomes eligible for retirement.

**7-13.33**

An employee who has accumulated a bank of days of sick leave with cash surrender value under prior collective agreements, may substitute such leave, in part or in whole, for his/her regular work under the terms of the agreement, provided that the prior collective agreements so allow.

**7-13.34**

While participating in the plan, the employee shall be credited, for purposes of eligibility for retirement, with the full-time or part-time service accumulated prior to the beginning

---

<sup>1</sup> In the case of an employee who holds a recurring position, the number of hours worked per year shall not be less than forty per cent (40%) of the number of hours specified for his/her class of employment.

of the plan. The same shall apply in the calculation of his/her retirement benefits or other allowances in the case of death.

**7-13.35**

The employee shall continue to accumulate seniority and job experience as if he/she were not participating in the plan.

**7-13.36**

While participating in the plan, the employee shall make his/her contributions to the retirement plan on the basis of his/her eligible salary and of the time worked (full-time or part-time) prior to the beginning of the plan.

**7-13.37**

While the employee is participating in the plan, the College shall continue to contribute to the health insurance plan on the basis of time worked prior to the plan. The basic life insurance plan shall be the one the employee benefited from prior to the beginning of the plan.

**7-13.38**

Should the employee become disabled while participating in the plan, he/she shall be exempted from contributions to the retirement plan on the basis of his/her eligible salary and of the time worked prior to the beginning of the plan.

**7-13.39**

While the employee is disabled, the salary insurance plan shall apply on the basis of the employee's salary and time worked up to the effective date of retirement.

**7-13.40**

If the employee's position is abolished or if the employee is displaced, the employee with job security shall be entitled to all the benefits pertaining to his/her original position and shall continue participating in the plan. If applicable, the progressive retirement plan may be transferred to another college if an agreement can be reached to that effect with the new college.

**7-13.41**

The progressive retirement plan shall be terminated in the following cases:

- retirement;
- death;
- resignation;
- withdrawal with the College's approval;
- layoff;
- dismissal;
- relocation to another college, subject to the provisions of clause 7-13.40.

**7-13.42**

When the plan is terminated, the agreement between the employee and the College shall also end and the service credited to the employee for the purposes of retirement while participating in the plan shall be maintained. If applicable, contributions to the retirement plan that have not been paid, along with interest, shall be credited to the employee.

**7-13.43**

An employee may participate only once in the progressive retirement plan.

**7-13.44**

Unless stated otherwise in the plan, an employee participating in the progressive retirement plan shall be deemed to be a part-time employee.

**Article 7-14.00 - Life, Health and Salary Insurance Plans****I - General Provisions****7-14.01**

The following employees shall be eligible to participate in the life, health and salary insurance plans, as of the effective date of the various plans and until retirement:

- a) any employee who works full-time or seventy per cent (70%) or more of full-time: the College shall pay its full contribution;
- b) any part-time employee who works less than seventy per cent (70%) of full-time: the College shall assume half (1/2) the contribution payable for the employee concerned, the employee paying the remainder, as well as his/her own contribution.

**7-14.02**

For the purposes of this article, the term "dependent" shall mean:

- a) Spouse
  - a person who has become the employee's spouse by virtue of a marriage or civil union legally contracted in Québec or elsewhere and recognized as valid under Québec law; or
  - a person who is not married or joined in civil union has lived on a permanent basis for more than one (1) year with a person of the same or opposite sex who is not married or joined in civil union whom he/she acknowledges publicly as his/her spouse; or
  - a person who is not married or joined in civil union who has lived on a permanent basis with a person who is not married or joined in civil union who are the father and mother of the same child.

It is understood that the dissolution of the marriage by divorce or annulment, the dissolution or annulment of the civil union under the law or a de facto separation of more than three (3) months in the case of a common-law marriage shall mean the loss of spousal status.

b) Dependent child

A child of an employee, of his/her spouse or of both, including a child for whom adoption procedures have been undertaken, who is not married or joined in civil union and lives or is domiciled in Canada, who depends on the employee for his/her maintenance:

- if he/she is under eighteen (18) years of age; or
- if he/she is under twenty-five (25) years of age and duly registered as a student in a recognized educational institution; or
- regardless of his/her age, if the child became totally disabled prior to his/her twenty-fifth (25<sup>th</sup>) birthday if he/she was attending a recognized educational institution and has remained continuously disabled since that time.

c) Functionally disabled person

An adult without a spouse who has become functionally disabled as defined in the Regulation respecting the basic prescription drug insurance plan (R.R.Q., c. A-29.01, r.2) before eighteen (18) years of age, who is not entitled to any benefits under a last resort assistance program provided for in the Individual and Family Assistance Act (CQLR, chapter S-32.001) and who lives in the home of an employee who would have parental authority if he/she were under age.

### **7-14.03 Disability**

The term "disability" means any incapacity resulting from an illness or an accident or resulting directly from a complication during pregnancy or the interruption of pregnancy prior to the twentieth (20<sup>th</sup>) week before the due date or from the donation, without compensation, of an organ or bone marrow, which requires medical care and which renders the employee totally incapable of performing the usual duties of his/her position or of any similar position with comparable remuneration which is offered to him/her by the College.

Disability also refers to any incapacity resulting from hospitalization for an operation, or from an operation performed in a doctor's office for purposes of family planning.

A period of disability resulting from an illness or injury voluntarily caused by the employee himself/herself, alcoholism or drug addition, active participation in a riot, insurrection or criminal act, or service in the armed forces shall not be deemed a period of disability for the purposes of this article.

Notwithstanding the preceding, in the case of alcoholism or drug addiction, the period of disability during which the employee receives medical treatment or care with a view to rehabilitation shall be deemed a period of disability for the purposes of this article.

A period of disability shall be any continuous period of disability or a series of successive periods of disability separated by less than eight (8) days<sup>1</sup> of actual full-time work or availability for full-time work, unless the employee is able to satisfy the College or its representative that a subsequent period is attributable to an illness or accident completely unassociated with the cause of the previous disability.

#### **7-14.04 Rehabilitation (gradual return to work)**

An employee who is receiving salary insurance benefits may, after presenting a medical certificate issued by his/her attending physician and related to a period of rehabilitation, and upon agreement with the College, may perform:

- a) part-time, all the duties related to the position he/she was holding before the beginning of his/her disability; or
- b) part-time, all duties that are compatible with his/her temporary functional status.

This rehabilitation period may not start before the fifth (5<sup>th</sup>) week of disability. It may not exceed fifty-two (52) weeks and may not have the effect of extending the periods of full or partial payment beyond one hundred four (104) weeks of benefits as provided for in clause 7-14.28.

During this rehabilitation period, the employee shall receive his/her salary for the number of hours worked and the salary insurance benefit in proportion to the number of hours not worked.

Such an employee shall be deemed to be fully disabled during this period.

Under paragraph b) of this clause and if the employee so desires, he/she may be accompanied by a union representative at all meetings with representatives of the College.

#### **7-14.05**

The provisions of the life, health and salary insurance plans provided for in the 2010-2015 collective agreement shall continue to apply until the date this collective agreement comes into force. The College and the employee shall continue to contribute to these plans in accordance with the stipulations of the 2010-2015 collective agreement.

Furthermore, said health insurance plan will remain in effect after the date this collective agreement comes into force if the parity committee provided for hereinafter decides to maintain it or cannot complete the amendments required for the new plan to take effect.

---

<sup>1</sup> Read "thirty-two (32) days" instead of "eight (8) days" if the preceding continuous period of disability exceeds three (3) months.

The life, health and salary insurance plans provided for in this article shall take effect on the date this collective agreement comes into force, subject to provisions to the contrary.

**7-14.06**

As a counterpart to the College's contribution to the insurance plans provided for hereinafter, the full amount of the rebate allowed by ESDC in the case of a registered plan shall be the exclusive property of the College.

**II - Parity Committee****7-14.07**

Unless they decide to maintain the actual parity committee, the provincial employer party, on the one hand, and the provincial union party, on the other hand, agree to promptly form a single parity committee of six (6) persons responsible for establishing and applying the basic health insurance plan; in this case, the committee shall become operational as soon as it is set up.

**7-14.08**

The committee shall choose a chair from outside its membership at the latest sixty (60) days following the date this collective agreement comes into force, failing which TAT's President shall select a chair within the following twenty (20) days. This chair should preferably be an actuary living and domiciled in Quebec for at least three (3) years or, failing this, a person having equivalent qualifications.

**7-14.09**

The provincial employer party, on the one hand, and the provincial union party, on the other hand, shall be entitled to one (1) vote each. The chair shall be entitled to one (1) vote to be used solely when the votes are tied. Subject to the other recourse for each of the provincial parties, both renounce their rights to contest any decision rendered by the committee or its chair before an arbitration board.

**7-14.10**

If the provincial union party maintains or establishes one or more supplementary plans, the cost of these plans shall be borne entirely by the participants. However, the College shall facilitate the establishment and the application of these plans, namely by deducting the required contributions and by providing insured employees with the available relevant information.

However, the union party releases the College from all civil liability pertaining to the supplementary insurance plans.

These plans shall be subject to a single invoice from a single insurer or group of insurers acting collectively.

**7-14.11**

The parity committee may choose to merge with other parity committees, provided for in other collective agreements, and to operate as a single parity committee. In such a case, the groups covered by these committees shall constitute a single group for insurance purposes. A parity committee that has chosen to merge may only withdraw from the group on the insurance policy renewal date, subject to ninety (90) days' advance notice given in writing to the other parity committees in the group.

In the event of a disagreement between the provincial parties as to whether or not a merger should be effected, the chair shall abstain from voting and the status quo shall be maintained.

**7-14.12**

The committee shall determine the provisions of the basic health insurance plan and, if applicable, draw up specifications and obtain one or more group insurance policies covering all participants in the plans. For this purpose, the committee may request bids from all insurance companies with head offices located in Québec or proceed by any other means it may determine. The policy must contain a specific provision dealing with premium reductions that should be allowed in the event that drugs prescribed by a physician are no longer covered under the basic health insurance plan.

**7-14.13**

The committee shall carry out a comparative analysis of any bids received and, after making its choice, provide the Fédération des cégeps, the Ministère and the provincial union party with a report of the analysis and a statement giving reasons for its choice. The insurer selected may be a single insurer or a group of insurers acting as a single insurer.

Specifications must stipulate that the committee can obtain from the insurer a detailed statement of all transactions carried out under the terms of the contract, various statistical compilations and all information which may be required to verify the accuracy of the retention calculation.

The committee must also be able to obtain from the insurer, for a reasonable fee to be added to the one provided for by the retention formula, all additional useful and relevant statistical statements or compilations that the Fédération des cégeps, the Ministère and the provincial union party may request. The committee shall provide the Fédération des cégeps, the Ministère and the provincial union party with a copy of information thus obtained.

**7-14.14**

Furthermore, should an insurer selected by the committee modify, at any time, the basis of the retention calculation, the committee may decide to select a new insurer; if the insurer ceases to comply with the specifications or substantially modifies its rates or the basis of the retention calculation, the committee shall be obliged to select a new insurer. Any modification that changes the selected insurer's position in relation to the bids submitted by any other insurer shall be deemed to be substantial.

**7-14.15**

Each contract must be issued jointly in the name of the provincial parties constituting the committee and include, among others, the following stipulations:

- a) a guarantee to the effect that neither the details of the retention formula, nor the rate according to which the premiums are calculated, may be increased more often than once every twelve (12) months;
- b) the excess of premiums over the benefits or reimbursements paid to the insured persons must be reimbursed annually by the insurer in the form of dividends or rebates, after deduction of the amounts agreed upon in the predetermined retention formula allowing for contingency, administration, reserves, taxes and profit;
- c) the premium for a period must be computed according to the rate applying to the participant on the first day of the period;
- d) no premium shall be payable for a period on the first day of which the employee is not a participant; also, the premium shall be payable in full for a period during which the employee ceases to be a participant.

**7-14.16**

The parity committee shall entrust the Fédération des cégeps and the Ministère with the carrying out of such operations required for the implementation and application of the health insurance plan; these operations shall be carried out according to the committee's instructions. The Fédération des cégeps and the Ministère shall be entitled to reimbursement of the cost incurred as provided hereinafter.

**7-14.17**

Dividends or rebates payable as a result of a favourable experience with the plans shall be entrusted to the committee. Fees, including those of the committee's chair, expenses or disbursements incurred for the implementation and application of the plan shall constitute primary liens against such funds, it being specified that the reimbursable expenses shall not include the College's regular operating expenses. The balance of the plan's funds shall be used by the parity committee either to grant a waiver of premium for a period or to meet the increases in the rates of premiums or to improve the already existing plans or to be remitted to the participants as the committee may decide.

**7-14.18**

The members of the parity committee may take leave from work without loss of pay or rights in order to fulfill the mandate described in this article. However, they shall not be entitled to reimbursement of their expenses or remuneration for their services, but the College shall nevertheless continue to pay them their regular salary.

### **III - Standard Life Insurance Plan**

#### **7-14.19**

Each full-time employee referred to in paragraph a) of clause 7-14.01 shall benefit, without contribution on his/her part, from a death benefit equal to six thousand four hundred dollars (\$6 400). This amount shall be reduced to three thousand two hundred dollars (\$3 200) for the employee referred to in paragraph b) of clause 7-14.01 of this collective agreement.

#### **7-14.20**

An employee who, on the date the collective agreement comes into force, is covered by a group plan to which the College contributes, benefits from a larger amount of life insurance than provided for in this collective agreement shall continue to be insured for the amount exceeding the one provided for in this agreement, in accordance with the provisions of the group plan.

### **IV - Basic Health Insurance Plan**

#### **7-14.21**

The basic plan shall cover at least, in accordance with the terms and conditions set out by the parity committee, all drugs sold by a licensed pharmacist or duly authorized physician, as prescribed by a physician or a dentist, a semi-private hospital room, ambulance service, hospitalization or medical expenses not otherwise recoverable when the insured employee is temporarily outside Canada and his/her condition requires hospitalization, the cost of purchasing an artificial limb due to a loss sustained while a participant, or other supplies or services prescribed by the attending physician and required for the treatment of an illness and the services of a chiropractor required for the treatment of the employee.

#### **7-14.22**

The College's annual contribution to the basic health insurance plan for each employee shall be limited to the lesser of:

- a) in the case of a participant insured for himself/herself and his/her dependents:
  - one hundred and eighty-one dollars and ninety cents (\$181.90);
- b) in the case of a single insured participant:
  - seventy-two dollars and eighty cents (\$72.80);
- c) an amount equal to twice the contribution paid by the participant himself/herself for the benefits provided for in the health insurance plan.

The College shall pay, in proportion to its participation in the basic health insurance plan, the tax applicable to premiums payable for the health insurance plan.

**7-14.23**

In the event that the Québec Health Insurance Plan is extended to cover drugs, the amounts provided for in the preceding clause shall be reduced by two-thirds (2/3) of the yearly cost of the drug benefits included in this plan. The unused balance, if there is one, shall be used for supplemental health insurance protection. The parity committee shall determine this supplemental protection.

**7-14.24**

The health insurance benefits shall be reduced by the amounts of benefits payable by virtue of any other public or private, individual or group plan.

**7-14.25**

Participation in the basic health insurance plan shall be compulsory, but an employee may, by giving prior written notice to the College, refuse or cease to participate in the basic health insurance plan, provided that he/she establishes that he/she and his/her dependents are insured under a group insurance plan granting similar benefits or that he/she is sixty-five (65) years of age or older.

If the employee is entitled to the basic health insurance benefit, the benefit shall terminate at the end of the casual or replacement employee's contract, for as long as the employee is not rehired by the College and once again becomes eligible for the benefit under clause 2-3.04.

**7-14.26**

An employee who has refused or ceased to participate in the plan may again become eligible for admission thereto, subject to the following conditions:

- a) he/she must prove to the satisfaction of the insurer that:
  - he/she was previously covered by virtue of the current health insurance plan or of any other plan offering similar protection;
  - it is no longer possible for him/her to remain covered;
  - his/her application is filed within thirty (30) days following termination of his/her coverage;
- b) subject to paragraph a) above, coverage shall be effective as of the first (1<sup>st</sup>) day of the period during which the application is received by the insurer;
- c) in the case of a person who, prior to the request, was not covered by this health insurance plan, the insurer shall not be liable for benefit payments which could have been paid by a previous insurer in accordance with an extension or conversion clause or otherwise.

**7-14.27**

The committee shall have the right to agree to maintain, from year to year, plan coverage with appropriate changes for retired employees, without any contribution on the part of the College, provided that:

- the employees' contributions to the plan and the College's corresponding contribution are determined excluding any cost resulting from the extension of coverage to include retired employees;
- all disbursements, contributions and rebates pertaining to retired employees are recorded separately and any additional contribution which may be payable by employees by virtue of the aforesaid extension to retired employees are clearly identified as such.

A deceased employee's spouse may continue to benefit from health insurance and basic life insurance for the survivors by paying the employer's and the employee's contributions, if the master policy so permits.

**V - Salary insurance Plan****7-14.28**

Subject to the provisions herein, every employee shall be entitled, for every period of disability during which he/she is absent from work, to:

- a) up to the lesser of the number of accumulated days of sick leave or five (5) working days: the payment of a benefit equal to the salary he/she would receive if he/she were at work;
- b) upon termination of the benefit provided for in paragraph a), if applicable, but never before the expiry of a waiting period of five (5) working days from the beginning of the period of disability and for a period of up to fifty-two (52) weeks from the beginning of the period of disability: the payment of a benefit equal to eighty-five per cent (85%) of his/her salary;
- c) upon the expiry of the above-mentioned period of fifty-two (52) weeks and for an additional period of up to fifty-two (52) weeks: the payment of a benefit equal to sixty-six and two-thirds per cent (66 2/3%) of his/her salary;
- d) upon the expiry of the above-mentioned period of one hundred four (104) weeks: the use of accumulated days of sick leave unless the employee is covered by a supplemental long-term disability group insurance plan.

**7-14.29**

For the purposes of calculating the benefits provided for in clause 7-14.28, the employee's salary shall be the salary he/she would be receiving if he/she were at work, including premiums for regional disparities, if applicable.

For employees other than full-time employees, the amount shall be the average salary he/she received during the last twenty (20) days worked or paid before the beginning of the disability, including premiums for regional disparities, if applicable.

### **7-14.30**

As long as benefits remain payable, including the waiting period, if any, the disabled employee shall continue to participate in the RREGOP, TPP or CSSP, in accordance with the applicable plan, and to benefit from the insurance plans.

However, he/she must pay the required contributions, except that, upon termination of the payment of the benefit provided for in paragraph a) of clause 7-14.28, he/she shall benefit from a waiver of his/her contributions to his/her retirement plan (RREGOP, TPP or CSSP) without losing any of his/her rights. Provisions relating to such a waiver of contributions shall form an integral part of the retirement plan provisions and the resulting cost shall be shared in the same manner as any other benefit.

Subject to the provisions of the collective agreement, payment of benefits shall not be considered as conferring upon the payee the status of a regular employee or as increasing his/her rights, especially with respect to the accumulation of days of sick leave and to the provisions of articles 5-2.00, 5-4.00, 5-5.00 and 5-6.00.

### **7-14.31 Indemnity by virtue of the RAAQ**

Benefits shall be reduced by the initial amount of any basic disability benefit payable under the Québec Pension Plan (QPP), the Act respecting industrial accidents and occupational diseases (AIAOD) (CQLR, chapter A-3.001), the Régime d'assurance automobile du Québec (RAAQ) and the retirement plan, regardless of subsequent increases in the basic benefit arising from indexation.

In the case of disability for which indemnities are payable by virtue of the RAAQ, the benefit payable by the College shall be established as follows:

- The College shall determine the net benefit by deducting from the gross benefit provided for in clause 7-14.28 the equivalent of all deductions required by law (income tax, QPIP, QPP, Employment Insurance); such net benefit shall be further reduced by the amount of the benefit received from the Société de l'assurance automobile du Québec (SAAQ); this balance shall be treated as gross taxable income, from which the College shall deduct all contributions and dues required by law or the collective agreement.

### **7-14.32 Indemnity by virtue of the AIAOD**

The benefits shall be reduced from the initial amount for all basic disability benefits by virtue of the QPP, the AIAOD, the RAAQ, and the pension plan, regardless of ulterior increases to the basic benefits resulting from indexation.

In the case of disability for which indemnities are payable by virtue of the AIAOD (CQLR, chapter A-3.001), the following provisions shall apply:

- i. the employee shall receive from the College a benefit equal to one hundred per cent (100%) of the net salary he/she was receiving on the date of the accident or at the beginning of the occupational disease. The employee shall be entitled to this benefit until such time as the CNESST declares permanent disability;
- ii. notwithstanding the preceding paragraph, should the CNESST's decision be rendered before the termination of the periods provided for in paragraphs b) and c) of clause 7-14.28, the benefit paid by the College for the rest of the one hundred four (104) weeks remaining after the beginning of the disability period shall comply with the provisions of paragraph b) or c) or clause 7-14.28, as the case may be;
- iii. as long as an employee has the right to a benefit by virtue of the provisions of the AIAOD (CQLR, chapter A-3.001), and until the CNESST declares a permanent disability, whether it be total or partial, the employee shall be entitled to his/her salary, subject to the following provisions:
  - The College shall determine the net benefit by deducting from his/her net salary the amount of the benefit of the CNESST, and the amount thus obtained shall be treated as gross taxable income, from which the College deducts all contributions and dues required by law or the collective agreement. The College shall then pay the employee such new income plus the amount of the CNESST's benefits. Under no circumstances may the benefit paid by the College be less than the net amount of the income replacement indemnity determined by the CNESST.

As a counterpart, benefits paid by the CNESST for said period shall accrue to the College and the employee must, if applicable, sign the forms necessary to permit reimbursement;

- iv. during the period in which benefits are paid in accordance with paragraph b) of this clause, the benefits shall be reduced by the initial amount of any basic disability benefit payable under the QPP, the AIAOD (CQLR, chapter A-3.001), the SAAQ and the retirement plan, regardless of subsequent increases in the basic benefit arising from indexation;
- v. the employee's bank of days of sick leave shall not be affected by such an absence and the employee shall be deemed to be receiving salary insurance benefits.

For the purposes of implementing paragraphs i. and iii. of this clause, the net salary shall be the gross salary reduced by federal and provincial income tax deductions and contributions to the QPP, the QPIP, the EIP and, if applicable, by contributions to the insurance plans and union dues.

**7-14.33**

All benefits shall terminate, at the latest, with the payment due for the last week of the month during which the employee retires.

**7-14.34**

If applicable, the amount of the benefit shall be divided as follows: for each working day of disability during a regular workweek, one fifth (1/5<sup>th</sup>) of the benefit payable for a full week.

**7-14.35**

Salary insurance shall be payable during a strike or lockout if the period of disability began before the start of the strike or lockout. However, any period of disability beginning during a strike or lockout shall not entitle the disabled employee to benefits until the strike or lockout ends, at which time a medical certificate must be submitted to the College.

**7-14.36**

Benefits payable as days of sick leave or under the salary insurance plan shall be made directly by the College, subject, however, to the employee providing the supporting documents as required.

However, no benefit shall be paid by the College as long as the employee has not supplied it with the necessary information or, if applicable, the written authorization so that the College may obtain it from another party.

Similarly, the College shall be under no obligation to pay any benefit when the employee neglects to take the necessary steps to obtain the benefits payable by virtue of a law, by a government agency.

Finally, when a benefit provided for by law is made payable retroactively, the employee must reimburse said amount to the College.

**7-14.37**

The College may, at any time, require an employee who is absent because of a disability to provide a medical certificate giving the nature and duration of the disability. However, the cost of such a certificate shall be borne by the College if the employee is absent for less than four (4) days. The College may also require an examination of the employee concerned in connection with any absence.

When the employee returns to work, the College may require that he/she undergo a medical check-up in order to establish that he/she has recovered sufficiently to return to work.

Upon the employee's request, the College shall send the attending physician the results of the medical examinations issued by the physician selected by the College.

Should the opinion of the physician chosen by the College differ from that of the physician consulted by the employee, the latter shall have the right to an examination by a physician chosen jointly by both physicians. The conclusions of this third (3<sup>rd</sup>) physician shall be final.

The cost of the examination provided for in the three (3) preceding paragraphs, as well as transportation costs if the employee has to travel more than fifty kilometres (50 km) from his/her place of employment, shall be paid by the College.

The College must keep medical certificates or the results of medical examinations confidential.

#### **7-14.38**

When benefits are withheld because of presumed absence or termination of disability, the employee may appeal the decision in accordance with the normal grievance and arbitration procedures.

#### **7-14.39**

- a) When applicable, on July 1 of each year, the College shall credit each full-time employee covered by this article with seven (7) days of sick leave. The days thus granted shall be non-cumulative but shall have cash surrender value on June 30 of each year when not used during the year, by virtue of the collective agreement and on the basis of one two hundred sixtieth (1/260<sup>th</sup>) of the salary applicable to this date per day not used, the proportion of one two hundred sixtieth (1/260<sup>th</sup>) of the salary applying for a fraction of an unused day. Such payment shall be made, if applicable, no later than September 1 of each year.
- b) However, during the employee's first (1<sup>st</sup>) year of service, except in the case of an employee who is relocated in accordance with the job security provisions, the College shall add a credit of six (6) days of sick leave without cash surrender value.
- c) An employee who has accumulated thirteen (13) days or less of sick leave on June 1 may, by sending written notice to the College before this date, choose not to cash in on June 30 some or all of the balance of the seven (7) days granted in accordance with paragraph a) of this clause and unused by virtue of this article. An employee who so chooses shall add on June 30 some or all of the balance of these seven (7) days, which shall then cease to have cash surrender value, to the days of sick leave already accumulated.
- d) During the month of June, an employee may choose to convert all or part of the balance on June 30 of the seven (7) days of sick leave granted by virtue of paragraph a) of this clause and unused by virtue of this section into vacation time. This conversion shall be possible provided that the provisions of clause 7-6.05 are respected.

**7-14.40**

If an employee becomes covered by this article in the course of a contract year, the number of days credited for the year involved as per paragraph a) of clause 7-14.39 shall be reduced in proportion to the number of full months of service<sup>1</sup>.

Similarly, if an employee leaves his/her job in the course of a contract year, or if he/she is not yet in active service for a part of the year, the number of days credited to him/her as per paragraph a) of clause 7-14.39 shall be reduced in proportion to the number of full months of service<sup>1</sup>.

For the purposes of implementing this clause, the following leaves shall not result in any reduction of days credited for the year in question:

- maternity leave as provided for in clause 7-9.06 or 7-9.07;
- extension of maternity leave as provided for in clause 7-9.09 for up to six (6) weeks;
- special leave as provided for in clauses 7-9.18 and 7-9.19;
- paternity leave as provided for in clause 7-9.21 or 7-9.22;
- adoption leave as provided for in clauses 7-9.30, 7-9.31 or 7-9.32.

The days of sick leave used by an employee to make up for the waiting period shall not be recoverable by the College even if the employee was disabled for a period of time that would normally result in its ability to recover the sick leave credits.

For the purposes of applying this clause, the parties may decide on different terms and conditions by way of a local arrangement.

**7-14.41**

In the case of a part-time employee, the number of days credited shall be reduced in proportion to his/her regular workweek with respect to that of a full-time employee of the College.

**7-14.42**

Persons receiving disability payments on the date the collective agreement comes into force shall remain covered under the plan in effect at the beginning of the disability period, with the stipulation that this clause shall not entail an increase in the benefits provided for under this salary insurance plan, especially with regard to the amount and duration of the benefits.

**7-14.43**

The employee who benefited from days of sick leave with cash surrender value shall retain the right to the reimbursement of the value of the payable days accumulated as at January 1, 1973, in accordance with the provisions of the previous collective agreement, with the stipulation that, even if no new day is credited, the percentage of days with cash

surrender value shall be determined by taking into account the years of service prior to and after January 1, 1973.

This value shall be determined on the basis of the employee's salary on January 1, 1973 and shall bear interest at the rate of five per cent (5%) compounded annually. These provisions shall not, however, change the value already set by virtue of a previous agreement for days of sick leave with cash surrender value.

The value of an employee's days of sick leave with cash surrender value may be used to pay for the cost of buying back previous years of service as provided for in the provisions relating to retirement plans (TPP and RREGOP).

#### **7-14.44**

An employee's bank of days of sick leave with cash surrender value as of January 1, 1973, may also be used, at a rate of one (1) day per day, for purposes other than illness when the previous collective agreements allowed such use.

By the same token, an employee's days of sick leave with cash surrender value as of January 1, 1973, may also be used, at the rate of one (1) day per day, for purposes other than illness, that is:

- in the case of progressive preretirement as provided for in clause 7-13.25;
- in case parental leave as provided for in article 7-9.00; or
- to extend the employee's disability leave upon expiry of the benefits provided for in paragraph c) of clause 7-14.28.

An employee may also use his/her accumulated days of sick leave without cash surrender value, at the rate of one (1) day per day, to extend his/her disability leave upon expiry of the benefits provided for in paragraph c) of clause 7-14.28.

The employee's bank of days of sick leave with cash surrender value as of January 1, 1973, shall be deemed to have been used on this date, when used by virtue of this clause or the other clauses of this article.

#### **7-14.45**

An employee who, in accordance with the provisions of clause 38.00 of the 1972-1975 collective agreement, has chosen not to use his/her days with cash surrender value shall be considered to have maintained this choice for the duration of this collective agreement.

#### **7-14.46**

The days of sick leave to an employee's credit on April 1, 1983, shall remain to his/her credit and the days used shall be deducted from the total accumulated. The days of sick leave shall be used in the following order:

1. Days with cash surrender value credited by virtue of clause 7-14.39 of the collective agreement.

2. Once the days mentioned in paragraph 1 have been used, the other days with cash surrender value to the employee's credit as provided for in clause 7-14.45.
3. Once the days mentioned in paragraphs 1 and 2 have been used, the days without cash surrender value to the employee's credit.

If no decision is rendered within the deadline provided in paragraph 3. of the preceding clause, or in the case of a refusal on behalf of the College, the reclassification request shall be referred to the local classification committee.

Unless the parties agree, the local classification committee will meet within ten (10) working days following the College's response to the employee, or following the deadline provided for in paragraph 3. of the preceding clause.

**9-7.03**

The local classification committee is composed of a maximum of two (2) representatives of the Union and of a maximum of two (2) representatives of the College.

Subject to the provisions of this article, the local classification committee is self-sufficient with regards to its operating procedure.

An agreement reached at the local classification committee binds the parties and the concerned employee.

**9-7.04**

No decision made by the College or agreement made in committee may cause the payments of retroactive amounts more than ninety (90) days from receiving the request for reclassification.

**9-7.05**

For lack of a settlement of the reclassification request after the first meeting of the local classification committee, the request shall then become a classification grievance dully submitted to the College.

**9-7.06**

If the Union wishes to submit the grievance to an arbitration procedure, it must notify in writing the College and the first arbitrator on the list in article 9-2.00 within thirty (30) working days following the first meeting of the local classification committee. The Union shall send the classification grievance to the first arbitrator at the same time as the notice.

**9-7.07**

At all times before the decision is rendered by the arbitrator, the parties are at liberty to meet again through the local classification committee to discuss the dispute.

**9-7.08**

The date and location of the arbitration hearing and the choice of arbitrator shall be set in accordance with the provisions of article 9-2.00, subject to the necessary adaptations.

However, the arbitrator shall be chosen from the following list:

Beaupré, René

Ferland, Gilles

The provincial parties may agree to modify this list of arbitrators.

### **9-7.09**

The Union shall send the arbitrator, no later than ten (10) working days prior to the day of the hearing, a copy of the grievance set out in clause 9-7.05, the form and the College's response provided for in clause 9-7.01. The Union informs the College that this has been done.

### **Powers and responsibilities of the arbitrator**

#### **9-7.10**

The arbitrator who recognizes a grievance submitted in accordance with this article shall only have the power to grant the monetary compensation equivalent to the difference between the salary of the employee and the higher salary corresponding to the duties which the employee has proven in arbitration that he/she actually performs.

#### **9-7.11**

This monetary compensation must not be allocated later than the date of the arbitrator's decision and must be determined by the application of the rules governing promotion or transfer provided for in article 6-4.00.

Also, there shall be no retroactive payment under this paragraph when more than ninety (90) days have elapsed from the date of the reception of the reclassification request by the College.

#### **9-7.12**

The arbitrator, in order to fulfil his/her mandate, must refer to the classification plan and establish the agreement between the duties performed by the employee and those outlined in the classification plan.

If the arbitrator cannot establish the agreement mentioned above because no class of employment in the classification plan corresponds to the employee's duties, the following provisions shall apply:

1. Within twenty (20) working days following the arbitrator's decision, the provincial parties shall meet in order to determine a monetary compensation within the salary scales provided for in the collective agreement and shall agree, if applicable, on the class of employment of said compensation for purposes of the application of clause 9-7.15.

2. In the absence of an agreement, the Union concerned by the arbitration decision may request that the arbitrator determine the monetary compensation by finding in this collective agreement a salary which is closer to a salary accompanying duties similar to those of the employee concerned, in the sectors provided for in the Act respecting the process of negotiation of the collective agreements in the public and parapublic sectors (CQLR, chapter R-8.2).

### **Other provisions**

#### **9-7.13**

Notwithstanding clause 9-6.06, the parties may agree to submit a classification grievance filed to arbitration mediation under the provisions of the 2005-2010 collective agreement or provisions of previous collective agreements to the procedure provided for in this article.

#### **9-7.14**

If the College recognizes a classification grievance and decides to maintain the characteristics of the position, the incumbent shall be deemed to meet the qualifications and conditions required by the College and provided for in clause 5-2.02 regarding the position in question. In such case, the provisions of clause 9-7.15 shall apply.

#### **9-7.15**

When the College decides to maintain the characteristics of a position that entitle the incumbent to compensatory benefits following an arbitrator's decision or an agreement between the local parties, said incumbent shall obtain the position.

Should the College decide to comply with this clause, the employee who temporarily held the position shall benefit from the salary associated with said position.

#### **9-7.16**

The arbitration sentence shall be enforceable and binding. It may provide reimbursement of the amounts as set out in clause 9-2.15.

### **Article 9-8.00 - Dispute Prevention and Grievance Procedure Committee**

#### **9-8.01**

The committee shall be a permanent parity committee made up of representatives of both parties. The role of the committee shall be to prevent disputes and discuss grievances, except the classification grievances set out in article 9-7.00.

Following submission of a grievance, both parties must meet to discuss said grievance in accordance with the provisions set out in the second (2<sup>nd</sup>) paragraph of clause 9-8.02.

#### **9-8.02**

Within thirty (30) days following the date the collective agreement comes into force, each party shall nominate three (3) representatives and inform the other party in writing. At the same time, the parties shall appoint substitutes. The latter shall be entitled to sit only if the

representatives are absent or unable to act, or if there is an agreement to the contrary between the parties.

The Committee must meet within five (5) working days following the request of one (1) of the parties or agree on another procedure. However, the committee must meet at least once a semester in order to prevent disputes or solve grievances before the hearing. Furthermore, the committee must schedule one annual meeting to update the grievances that are active and have been filed for arbitration.

Each party can, if so desired, include one (1) outside consultant as a member of the committee.

The committee's operating procedure may be reviewed each year by the parties.

### **9-8.03**

The employee whose dispute is brought before the committee must receive written notice in advance from the College. At his/her request, and provided that he/she is present at the set time, the employee shall be heard by the committee.

An agreement reached by the committee shall bind the parties concerned. An employee covered by such an agreement cannot avail himself/herself of the arbitration procedure and shall be bound by the aforesaid agreement or ruling (grievance committee no longer exist in collective agreement).

**CHAPTER 10 - GENERAL PROVISIONS****Article 10-1.00 - Outside Contracts****10-1.01**

The College may use outside contracts as long as this action does not result in the laying off or placing on availability of the regular employees of the College or of reducing the number of hours of a regular employee working in the department in question.

**10-1.02**

The College shall consult the Union by means of the LRC before granting or renewing an ongoing outside contract for three (3) months or more.

At the LRC meeting, the parties may examine alternatives in which regular employees do the work.

The College shall send the Union a copy of the outside contract as soon as it is awarded.

However, contracts granted for the renovation and construction of buildings shall be exempted from this compulsory consultation.

**Article 10-2.00 - Modifications of Working Conditions****10-2.01**

The College may modify existing working conditions not provided for in this collective agreement. It is agreed, however, that, if an employee feels wronged by these modifications, he/she may file a grievance; in this case, it will be the College's responsibility to demonstrate that the employee's working conditions are normal.

**10-2.02**

Any specific working condition altering the working conditions provided for in the collective agreement, agreed upon or to be agreed upon, orally or in writing, between the employees and the College and which would be binding on one or several of the employees, shall be null and void.

**10-2.03**

Letters of agreement concluded by the parties while the collective agreement is in force shall only become effective upon signature by the provincial parties.

**Article 10-3.00 - Publication****10-3.01**

The provincial employer party shall electronically publish the French text consistent with the collective agreement and of the classification plan in effect, as well as the English version of these documents.

Within one hundred twenty (120) days following the signature of the collective agreement, the provincial employer party shall deliver to the provincial union party in hard copy format, the French text consistent with the collective agreement and the classification plan in effect. The number of copies delivered shall be equal to ten per cent (10%) of the number of FTE equivalent by Francophone college on the effective date of the collective agreement, but no less than twenty (20) copies by Francophone college.

Moreover, the provincial employer party shall deliver to the provincial union party in hard copy format two hundred (200) additional copies of the French text consistent with the collective agreement and the classification plan in effect.

At the same time, in the case of Anglophone colleges or campuses, the provincial employer party shall deliver to the provincial union party, in hard copy format, copies of the English version of the collective agreement and the classification plan corresponding to the official French text in effect. The number of copies delivered shall be equal to ten per cent (10%) of the number of FTE equivalent by Anglophone college or campus on the effective date of the collective agreement, but no less than twenty (20) copies by Anglophone college or campus.

**10-3.02**

The provincial parties agree to grant leave to two (2) employees for the purpose of verifying the English version of the legal French text of the collective agreement. The duration of this leave shall be a maximum of five (5) working days, the conditions and duration of the leave to be determined by the provincial parties.

**Article 10-4.00 - Non-Discrimination****10-4.01**

It is agreed that neither the College, the Union or their respective representatives may threaten, coerce, harass or discriminate against an employee on the basis of his/her race, colour, religious beliefs or lack thereof, sex, sexual orientation, language, age except as provided for by law, civil status, nationality, social origin, social condition, physical handicap or means of dealing with a physical handicap, political opinions, or because he/she has exercised a right granted by the collective agreement or by the law.

**Article 10-5.00 - Sums to be Recovered****10-5.01**

If the College has overpaid an employee, it shall send him/her written notice to this effect with a copy to the Union. The College may only establish the terms and conditions of repayment after agreement with the employee; in the absence of an agreement and after consultation with the Union, the College shall proceed.

However, it may not deduct more than seven per cent (7%) of the employee's gross salary from his/her pay, until the amount has been completely recovered. The employee must pay the interest normally required by a local Caisse populaire for a loan of the same amount for the duration of the reimbursement, as of the thirtieth (30<sup>th</sup>) day of the claim.

**10-5.02**

If the College, for any reason, has not paid all the amounts due to an employee, it shall pay the employee these amounts, as well as the interest that it would normally pay on a loan of the same amount at a local Caisse populaire, as of the thirtieth (30<sup>th</sup>) day following the date on which the sum is due.

**10-5.03**

The parties may, by way of a local arrangement, decide to amend or replace this article.

**Article 10-6.00 - Equal Access to Employment****10-6.01**

The College may set up an advisory committee concerning equal access to employment comprised of support personnel, teachers, professionals and administrators whose mandate is:

- b) to study all related problems.

**Article 10-7.00 - Violence in the Workplace****10-7.01**

Violence in the workplace consists of behaviours, acts or threats from a person or group of persons which compromise, whether intentionally or not, the psychological or physical security of a person or group of persons.

**10-7.02**

The College and the Union agree that violence in the workplace constitutes a reprehensible act and shall strive to eliminate its practice.

**10-7.03**

The College may appoint a committee to counter all forms of harassment, whose mandate is as follows:

- a) to take recommendations on all matters relating to harassment;
- b) to provide the appropriate means of information;
- c) to provide, if applicable, procedures for recourse.

**10-7.04**

This committee may include representatives from the following groups: support personnel, teachers, professionals, administrators and students.

The committee shall be set up at the request of any one of these groups and shall determine its own operating procedure.

**Article 10-8.00 - Technological Changes****10-8.01**

The parties shall understand by technological changes the introduction or addition of machinery, equipment or material, or their modification, which cause a substantial change in current work techniques, methods or procedures which require particular qualifications or, if applicable, preliminary training or professional development.

**10-8.02**

In no event may technological changes have the effect of preventing an employee from holding any position in the class of employment for which he/she is already qualified, provided that he/she agrees to and succeeds in the necessary professional development.

**10-8.03**

The College shall, no later than June 1 of each year, submit to the Union its plans for technological changes during the following contract year for the purpose of consultation. This consultation shall take place within the framework of the LRC and shall be completed no later than July 1.

**10-8.04**

This notice shall include the items mentioned in clause 10-8.04; it shall be followed by a consultation of the Union within the framework of the LRC, which will end no later than thirty (30) days after sending the notice.

**Article 10-9.00 - Transmission of Written Notices****10-9.01**

For the purposes of applying this collective agreement, the use of a fax or e-mail shall constitute a valid means of transmitting written notices. This shall apply in cases where the collective agreement refers to a specific mode of transmission.

**Article 10-10.00 - Appendices****10-10.01**

The appendices form an integral part of the collective agreement.

**Article 10-11.00 - Duration of the Collective Agreement****10-11.01**

The collective agreement shall take effect on the date of its signature, unless otherwise agreed, until March 31, 2020. It shall remain in effect until it is renewed.

It shall have no retroactive effect unless otherwise provided for.

**APPENDIX****APPENDIX "A"****MOVING COSTS****1.01**

The provisions of this appendix shall apply to any employee who, by virtue of the provisions concerning job security, is subject to a relocation which involves a change in domicile.

When the distance between the previous place of work and the new place of work is more than fifty kilometres (50 km), the moving expenses provided in this appendix shall apply if the employee moves.

**1.02**

The allowances provided for below shall be paid by the College of origin, upon presentation of supporting evidence. The College of origin agrees to pay the authorized expenses within thirty (30) days.

**1.03**

Any employee to whom a position is offered and who, by accepting such an offer, must move shall be entitled to take leave from work:

- a) without loss of pay for a maximum of three (3) working days, excluding the time required for a return trip, in order to look for a new home. In such cases, the College of origin shall reimburse the cost of a return trip for the employee and his/her spouse, as well as their living expenses for a period not exceeding three (3) days, in accordance with the regulations concerning travel costs in effect at the College of origin;
- b) without loss of pay, for three (3) working days, in order to move into the new home. In such a case, the employee's travel and living expenses and those of his/her dependents shall be reimbursed in accordance with the regulations concerning travel costs in effect at the College of origin.

**1.04**

The College of origin shall assume, upon presentation of supporting evidence, the costs incurred for the transportation of the furniture and personal effects of the employee concerned, including packing and unpacking and the costs of the insurance premium, or the costs of towing a mobile home, on the condition that he/she supplies, in advance, at least two (2) detailed bids for the costs to be incurred.

**1.05**

However, the College of origin shall not pay the cost of transporting the employee's personal vehicle, unless the location of his/her new residence is inaccessible by road. Moreover, the cost of transporting a boat, canoe, etc., shall not be reimbursed.

**1.06**

When the move from one home to another cannot take place as a direct result of reasons beyond the employee's control, other than the construction of a new residence, the College of origin shall pay the costs of storing the employee's furniture and personal effects and those of his/her dependents for a period not to exceed two (2) months.

**1.07**

The College of origin shall pay a moving allowance of seven hundred fifty dollars (\$750) to any transferred employee who maintains a residence, or two hundred dollars (\$200) to any employee who does not maintain a residence, in compensation for the related moving expenses (carpets, draperies, disconnecting and installing electrical appliances, cleaning, babysitting fees, etc.), unless said employee is assigned to a location where complete facilities are made available to him/her.

**1.08**

The College of origin shall pay the equivalent of one (1) month's rent to the employee who must leave a dwelling without a written lease. If there is a lease, the College of origin shall reimburse, up to a maximum of three (3) month's rent, the employee who must break his/her lease when the owner demands compensation. In both cases, the employee must attest that the landlord's request is well-founded and produce supporting evidence.

**1.09**

If the employee chooses to sublet his/her dwelling himself, reasonable costs for advertising the sublet shall be assumed by the College of origin.

**1.10**

The College of origin shall pay the employee who must sell his/her house (principal residence) the following:

- a) the real estate agent's fees, upon presentation of the following documents:
  - the contract with the real estate agent immediately after its drawing up;
  - the sales contract;
  - the statement of the agent's fees;
- b) the penalty for breach of mortgage at real cost, if applicable;
- c) the proprietor's transfer tax at real cost, if applicable.

The College of origin shall pay the employee who has sold his/her house because of a relocation and who purchases a new one in order to set up residence in the area of his/her new posting, the cost of notarized deeds that the employee must pay.

#### **1.11**

When the relocated employee's house is not sold by the time he/she must assume his/her obligations regarding his/her new place of residence, even though it has been put up for sale at a reasonable price, the costs of keeping the unsold house shall not be reimbursed but, if applicable, the College of origin shall reimburse the following expenses upon presentation of supporting evidence, for a period not exceeding three (3) months:

- a) municipal and school taxes;
- b) the interest on the mortgage;
- c) the cost of the insurance premium.

#### **1.12**

When the move from one home to another cannot take place directly because of uncontrollable reasons, other than the construction of a new residence, the College of origin shall reimburse the employee for his/her living expenses and those of his/her family in accordance with the regulations concerning travel expenses in effect at the College, normally for a period not exceeding two (2) weeks.

#### **1.13**

If the move is delayed with the authorization of the College of origin and if the family of the employee who is married or joined in civil union is not relocated immediately, the College of origin shall assume the employee's travel costs to visit his/her family every two (2) weeks, if the distance to be covered is equal to or less than a five hundred kilometres (500 km) round trip, and once a month if the return distance to be covered exceeds five hundred kilometres (500 km) round trip, up to a maximum of one thousand six hundred kilometres (1 600 km) round trip.

#### **1.14**

In the case where a relocated employee chooses not to sell his/her house (principal residence), he/she may benefit from the provisions of this clause.

In order to avoid a double financial burden for the employee-owner due to the fact that his/her principal residence is not rented at the time he/she assumes his/her new accommodation obligations in the new location, the College of origin shall pay him/her, for the period during which his/her house is not rented, the amount of his/her new rent, for up to three (3) months, upon presentation of supporting evidence.

Moreover, the College of origin shall reimburse him/her, upon presentation of supporting evidence, for:

- the reasonable advertising costs;
- the cost of no more than two (2) trips incurred for the renting of his/her house, in accordance with the regulations concerning travel costs in effect at the College of origin.

**APPENDIX "D"****SALARY RATE FOR STUDENT EMPLOYEES**

As of December 20, 2015, the salary rate of the student employee shall be set at the first (1<sup>st</sup>) step of the salary scale or equal to the salary rate of the employment class that includes his/her duties and for which he/she has been hired.

The applicable salary rates and scales for each class title are those set out in Appendices "B" and "C".

The amounts due, as set out in the preceding paragraphs, to the student employee working or having worked for the College since December 20, 2015 shall be paid by the College at the latest on September 15, 2016.

**APPENDIX "E"****CREATION OF PART-TIME POSITIONS ON AN ANNUAL BASIS**

1. Each year, within the framework of the LRC discussions concerning the staffing plan, the parties shall identify past and present needs in terms of occasional tasks with a view to the eventual creation of part-time positions comprising a weekly average number of hours of work, on an annual basis.
2. At the end of the process, the College shall determine the number of positions to be created. The positions shall be created in accordance with the provisions of articles 5-1.00 and 5-2.00.
3. However, the number of part-time positions on an annual basis shall not exceed ten per cent (10%) of the total number of full-time positions, unless agreed otherwise between the parties.
4. A college that, at the signing of the collective agreement, has a number of part-time positions on an annual basis exceeding ten per cent (10%) shall be deemed to have reached an agreement to fill the existing positions. However, at the time of the departure of an employee holding such a position, should the College decide to fill said position, it must reach an agreement with the Union.
5. The weekly distribution of hours of work on an annual basis of such part-time positions shall be determined by the College after consulting the Union.
6. During periods not worked, the employee shall continue to participate in the basic health insurance plan and, if he/she so desires, in the life insurance plan, by paying his/her portion of the premiums before the beginning of the period not worked.

**APPENDIX "F"****LETTER OF AGREEMENT CONCERNING THE PROGRAM FOR THE PROVISIONAL  
REDUCTION OF WORKING TIME ON A VOLUNTARY BASIS (7-13.22 AND 7-13.23)**

The provincial parties encourage the local parties to sign the attached program for the provisional reduction of working time on a voluntary basis (7-13.22 and 7-13.23). The local parties may agree on different terms and conditions for the program.

AGREEMENT ENTERED INTO BETWEEN:

THE CEGEP:

---

Hereinafter referred to as the "College"

AND

THE UNION: \_\_\_\_\_  
Hereinafter referred to as the "Union",

concerning the program for the provisional reduction of working time on a voluntary basis  
(7-13.22 and 7-13.23)

Hereinafter referred to as the "Program".

**Notwithstanding clause 7-13.23, the following provisions shall apply:**

1. The aim of the Program is:
  - to allow employees additional free time, thus improving their quality of life at work, in accordance with their personal values;
  - to protect and promote employment;
  - to reduce costs.
2. The Program shall be voluntary.
3. The Program shall apply to all regular employees upon request. The College shall not refuse such a request without valid reason and it must bring the matter first to the LRC.
4. An employee who wishes to participate in the Program shall submit a written request to the College. This request must be submitted at least fifteen (15) working days prior to the proposed beginning of the Program and include its end date. The Union shall receive a copy of this request.

The Program shall last for twelve (12) months and shall be renewable under the terms of article 3.

5. Without being restrictive, the employee may choose one or the other of the following options:
  - a) the number of normal working hours shall be reduced by three (3) hours per week for employees with a thirty-five (35)-hour workweek, and by three and three-quarter (3.75) hours for employees working thirty-eight and three-quarter (38.75) hours per week. Working hours shall be spread evenly over the four (4) working days in accordance with the employee's work schedule;
  - b) the regular number of working days shall be reduced by one (1) for each two (2)-week period;
  - c) any other option agreed upon between the College and the Union, in which case they shall determine the extent of any benefits granted including the application of overtime.
6. The work schedule shall be set in accordance with the provisions of the collective agreement. Any dispute shall be brought to the LRC.
7. An employee benefiting from this Program may be called upon to do overtime.

In this case, overtime shall be taken to mean any work called for by the College and performed by a regular employee in excess of his/her regular workday as defined in the Program or his/her normal workweek, as defined in clauses 7-1.01 and 7-2.01.

8. An employee shall be entitled to any leaves provided for in article 7-5.00 as if he/she were not participating in the Program.
9. The number of days credited in accordance with paragraph a) of clause 7-14.39 shall not be reduced for employees participating in the Program.

For administrative purposes, those days shall be kept in reserve on the basis of the regular number of hours provided for in clause 7-1.01 of the collective agreement.

The days in reserve shall allow the employee participating in the Program to receive weekly remuneration corresponding to his/her reduced workweek. At the end of the contract year, clause 7-14.39 shall apply.

10. During the Program, the College shall continue to contribute to the employee's retirement plan as if the employee were not participating in the Program, insofar as the employee also pays his/her contribution.
11. The employee participating in the Program shall benefit from the number of statutory holidays provided for in clause 7-7.01. For administrative purposes, these days shall be converted to a bank of working hours as provided for in clause 7-1.01 of the collective agreement.

This bank of working hours shall allow the employee to receive weekly remuneration corresponding to his/her reduced workweek during a week during which he/she benefits from a statutory holiday. On June 30, the residual number of hours not taken shall be converted into additional vacation time.

12. The employee shall accumulate seniority as if he/she were not participating in the Program.
13. The employee may terminate his/her participation in the plan by submitting a written notice to the College at least thirty (30) days prior to his/her return, unless agreed otherwise between the parties.

**APPENDIX "M"****LETTER OF AGREEMENT CONCERNING SALARY RELATIVITIES****SIGNED ON APRIL 6, 2016 AND MODIFIED ON MAY 19, 2016**

## SALARY RELATIVITIES

## SECTION 1 GENERAL PROVISIONS

## 1. Date of Application

Unless specified otherwise, the provisions set out in this section shall come into effect on April 2, 2019<sup>1</sup>, for all class titles listed in Table 2<sup>2</sup>.

## 2. Salary Rates, Scales and Rankings

In the context of salary relativity, a new salary structure composed of salary rates and scales by ranking has been introduced. The structure is shown in Table 1 and replaces the reference scales and rates with ranking-based remuneration.

This salary structure replaces the salary rates and scales for the class titles included in collective agreements or in the nomenclature of class titles, wording, salary rates and scales in the health and social services sector<sup>3</sup>.

The salary structure presented in Table 1 applies to class titles<sup>4</sup> identified in Table 2 according to ranking and is subject to modifications agreed to by the parties, if applicable, before April 2, 2019. It also specifies if the class title is linked to a salary scale or a single rate.

As of April 2, 2019, the period of time spent in a step by an employee at ranking 19 and above shall be as follows, regardless of his/her category of employment:

- Six months of recognized experience in accordance with the provisions of the collective agreement in steps 1 to 8;
- One year of recognized experience in accordance with the provisions of the collective agreement in steps 9 to 18.

---

<sup>1</sup> However, for school board teachers, these shall apply as of the 142<sup>nd</sup> day of the 2018-2019 school year.

<sup>2</sup> This grammatical note about the exclusive use of the masculine gender in class titles is not applicable in English.

<sup>3</sup> For class titles with a single rate on April 1, 2019, the reference rate shall be the single rate corresponding to the ranking shown in Table 1.

<sup>4</sup> In the interpretation and application of this document, should there be discrepancies in the wording of a class title, the class title number shall prevail.

### 3. Method of Indexation

Salary rates are expressed in an hourly basis except for those applicable to regular teachers and aeronautics teachers which are expressed in an annual basis.

When general indexation parameters or other forms of improvements to salary rates or scales must be applied, these are applied to the base rate and rounded to the nearest cent for the hourly rate, and to the nearest dollar for the annual rate.

In the published collective agreements, the weekly rates are rounded to the nearest cent and the annual rates to the nearest dollar. The numbers of weeks used to calculate the annual rate is 52.18.

Notwithstanding the preceding two sub-paragraphs, the class titles referred to in paragraphs 5.1 to 5.4 of this section shall be increased as described in these items.

When rounding to the nearest cent, the following shall apply:

- When the decimal point is followed by three digits or more, the third digit and the following ones are removed if the third digit is lower than five. If the third digit is equal to or higher than five, the second digit is carried to the nearest higher digit and the third and following digits are removed.

When rounding to the nearest dollar, the following shall apply:

- When the decimal point is followed by one digit or more, the first digit and the following ones are removed if the first digit is lower than five. If the first digit is equal to or higher than five, the dollar is carried to the nearest higher unit and the first decimal and following ones are removed.

### 4. Exceptions

The provisions set out in the third and fourth sub-paragraphs of article 2 in Section 1 and in article 3 of Section 2 shall not apply to the following class titles<sup>1</sup>:

3-2244	Respiratory Therapist
3-2247	Clinical Teacher (Respiratory Therapy)
3-2246	Technical Coordinator (Respiratory Therapy)
3-2248	Assistant Head Respiratory Therapist
3-3445	Nursing Assistant Team Leader
3-3455	Nursing Assistant
3-2473	Nurse (Institut Pinel)
3-2459	Nurse Team Leader
3-2471	Nurse

<sup>1</sup> Provisions for these class titles are set out in the agreements ratified by the sector-based union parties which stipulate other conditions for the dates of application and integration.

## 5. Establishing Salary Rates and Scales Applicable to Particular Cases

### 5.1 Regular School Board Teachers and College Professors

At the renewal of each collective agreement, the method described hereafter shall be used for the first period in which an indexation parameter is granted in order to maintain consistency with the remuneration structure for all employees in the health and social services, school board and college sectors.

For other periods of a collective agreement where an indexation parameter or another type of increase to the salary scale is applicable, the rounding technique of the annual rate shall be that which is set out in the last sub-paragraph of article 3 in this section.

#### School Boards

- the salary scale applicable to regular school board teachers has been established according to the following method:
  - o The annual rate for step 17 corresponds to the maximum hourly rate of ranking 22 multiplied by 1 826.3;
  - o Steps 1 to 16 are calculated as follows:

$$\text{Annual Rate of Step (n)} = \frac{\text{Annual Rate of Step (n + 1)}}{1.0425}$$

where n = step number

Thereafter, each annual rate is rounded to the nearest dollar.

- Notwithstanding the fourth sub-paragraph of article 2 in Section 1, the period of time spent in a step by an employee shall be one year of recognized experience in accordance with the provisions of the collective agreement.

#### Colleges

- The salary scale applicable to regular college professors has been established according to the following method:
  - o The annual rate for step 1 corresponds to the annual rate for step 1 for regular school board teachers;
  - o The annual rate for step 17 corresponds to the maximum hourly rate of ranking 23 multiplied by 1 826.3;
  - o Annual rates for steps 2 to 16 have not been calculated using a specific formula and have been adjusted in accordance with general increase parameters.

Thereafter, each annual rate is rounded to the nearest dollar.

Colleges – Particularity for professors with a master's degree and those with 19 or more years of schooling and with a doctorate:

- The annual rate for step 18 corresponds to the annual rate for step 17 multiplied by 1.0163;
- The annual rate for step 19 corresponds to the annual rate for step 18 multiplied by 1.0163;
- The annual rate for step 20 corresponds to the annual rate for step 19 multiplied by 1.0163.

Thereafter, each annual rate is rounded to the nearest dollar.

Step 18 is accessible to holders of a master's degree in the discipline taught or in a discipline relevant to and useful for teaching the discipline specified in the contract.

Steps 18, 19 and 20 are accessible to professors who have 19 or more years of schooling and a doctorate.

Notwithstanding the fourth sub-paragraph of article 2 in Section 1, the period of time spent in a step shall be as follows:

- Six months of recognized experience in accordance with the provisions of the collective agreement in steps 1 to 4;
- One year of recognized experience in accordance with the provisions of the collective agreement in steps 5 to 20.

## 5.2 Teachers Other than Regular School Board Teachers and Regular College Professors

The salary rates and scales applicable to teachers other than regular school board teachers and regular college professors have been established according to the method set out in Table 3.

## 5.3 Integration Officers (3-2688), Educators (3-2691) and Living Unit or Rehabilitation Supervisors (3-2694)

Class 3 classification for class titles 3-2688 and 3-2691, class 2 salary scale for class title 3-2694, and class 3 salary scales for class titles 3-2688, 3-2691 and 3-2694 are abolished as shown in Table 4, Section A.

## a) Class 1

The salary scale applicable to class 1 for class titles 3-2688 and 3-2691 is that which is set according to their respective ranking in Table 2.

## b) Class 2

Integration Agents (3-2688) and Educators (3-2691)

Steps 2 to 13 applicable to class 2 for class titles 3-2688 and 3-2691 are, respectively, steps 1 to 12 of the salary scale and are applicable to class 1 of the same class title.

Step 1 applicable to class 2 has been established as follows:

$$\text{Step 1, Class 2} = \text{Step 1, Class 1} / (\text{Mean Intermediary Step, Class 1})$$

Everything is rounded to the nearest cent.

The mean intermediary step is established as follows:

$$\text{Intermediary Step, Class 1} = \left( \frac{\text{Maximum Step, Class 1}}{\text{Minimum Step, Class 1}} \right)^{\frac{1}{\text{Number of Steps, Class 1-1}}}$$

The period of time spent at this step is annual.

Living Unit or Rehabilitation Supervisors (3-2694)

The employee paid according to the class 2 salary scale has been integrated into the class 1 salary scale in accordance with the integration method set out in article 3 of Section 2.

## c) Class 3

Integration Officers (3-2688) and Educators (3-2691)

The employee paid according to the class 3 salary scale has been integrated into the class 2 salary scale in accordance with the integration method set out in article 3 of Section 2.

Living Unit or Rehabilitation Supervisors (3-2694)

The employee paid according to the class 3 salary scale has been integrated into the class 1 salary scale in accordance with the integration method set out in article 3 of Section 2.

#### 5.4 Tow-clause Jobs

The salary rate or scale applicable to each of the class titles identified in Table 5 has been modified to ensure a variance with each step of the reference class title.

The salary rate or scale for a tow-clause job is as follows:

$$\text{Step Scale}_{n, \text{ Tow-clause Job}} = \text{Step Scale}_{n, \text{ Reference Job}} \times \text{Adjustment \%}$$

where n = Step Scale

Everything is rounded to the nearest cent.

The adjustment percentage is shown in Table 5.

Where a tow-clause job title includes a single step, the adjustment has been calculated from step 1 of the reference class titles.

For trade apprentices, the rate of the reference title corresponds to the single rate average for the reference class titles.

The provisions of this paragraph are not meant to modify the number of steps for the tow-clause job.

## Section 2 TRANSITIONAL PROVISIONS

### 1. Maintaining Classifications

The present section is not meant to modify an employee's classification at the time of his/her integration, other than for the class titles listed in Section A of Table 4. Consequently, a grievance may not be filed in these instances.

### 2. Interpretation

Any relevant provision of the collective agreement shall be adjusted accordingly. The present section shall take precedence over any provision of a collective agreement that contravenes this section.

### 3. Integration Rules

An employee shall be integrated into the new salary scale of his/her class title at the step with the salary rate equal or immediately higher to his/her salary rate before integration. However, the following exceptions shall apply:

- College professors, high school teachers and lawyers from the health and social services sector (3-1114) shall be integrated at the step they held the day before said integration;
- The weekly supplement of \$172 as of March 31, 2015, increased by the applicable increase parameters, paid to the Outpost/Northern Clinic Nurse (3-2491) shall be taken into account at the integration of the employee holding this type of employment at ranking 22.
- Salary relativity advances paid in the form of premiums, internal market compensatory premiums or temporary premiums to employees with class titles identified in Table 6 shall be taken into account for the integration of employees holding these class titles at the appropriate ranking.

In the event that an employee's salary rate is higher than the maximum rate or single salary rate according to his/her ranking, the rules for off-rates or off-scales set out in the collective agreement shall apply.

Integrations arising from the present provisions are not meant to modify the period of time spent at a step for the purpose of advancement in salary steps of the collective agreements.

### 4. Collective Agreement Appendices for College Professors

Appendix VI-3 of the Collective Agreement Binding the Fédération nationale des enseignantes et enseignants du Québec (FNEEQ-CSN) and the Comité patronal de négociation des collèges (CPNC) and Appendix VI-2 of the Collective Agreement Binding the Fédération des enseignantes et enseignants des cégeps (FEC-CSQ) and the CPNC are repealed.

### 5. Letter of Agreement on Salary Relativity

Any letter of agreement related to salary relativity set out in the collective agreement is repealed.

## 6. Updating Some Provisions Regarding Salary Premiums or Scales

### 6.1 Class titles that have received advances on salary relativity

Salary relativity advances paid in the form of premiums, internal market compensatory premiums or temporary premiums to employees with class titles identified in Table 6 shall be repealed as of April 2, 2019.

### 6.2 Weekly supplement of \$172 for the Outpost/Northern Clinic Nurse

The weekly supplement of \$172 as of March 31, 2015, increased by the applicable increase parameters, shall no longer be paid to the Outpost/Northern Clinic Nurse (3-2491) as of April 2, 2019.

### 6.3 Classification and Salary Scales Without Incumbent

Given that the 2014-2015 data indicate that there are no incumbents for the class titles listed in Table 4, Section B, the parties recognize that these could not be evaluated to determine a ranking.

7. The classification plans or their equivalent shall be adjusted in order to reflect the present provisions.

8. Exceptionally, each premium and each allocation expressed in dollars in effect on April 1, 2019, shall be increased by 2.0% on April 2, 2019<sup>1</sup>. However, the following fixed premiums shall not be increased in this manner:

- Seniority (health and social services);
- Caretaker assigned to a school equipped with a steam-heating system (English Montreal School Board);
- Day caretaker usually assigned to a second school (English Montreal School Board);
- Cleaning of boiler pipes (English Montreal School Board).

---

<sup>1</sup> For school board teachers, the date of application shall be the 142<sup>nd</sup> day of work for the 2018-2019 school year. For college professors, the increase shall take place on April 2, 2019.

**APPENDIX "O"****APPENDIX CONCERNING THE WORKING CONDITIONS APPLICABLE TO ATTENDANTS FOR DISABLED STUDENTS**

1. The present appendix modifies certain provisions provided for in the collective agreement when applied to *Attendants for disabled students*.

2. Clause 1-1.19 is replaced by the following:

**1-1.19 Casual employee**

Employee hired as attendant for disabled students

3. List of applicants

3.1. In May of each contract year, the College shall invite employees who wish to work as an attendant to so inform the College in writing.

For this purpose, the College shall post a notice on its display boards for ten (10) working days. Copy of this notice shall be forwarded to the Union.

3.2. In June of each contract year, the College shall make a list of the interested applicants that meet the qualifications required in the classification plan for this class of employment who wish to work as attendants.

4. Determining projects for attendants

4.1. Before the start of each semester, the College shall determine the work schedules, taking into account the following elements:

- a. Support needs for students;
- b. The provisions related to the work schedules provided for in paragraph 6 of this Appendix;
- c. More than one attendant can assist the same student during a given semester;
- d. A project for attendants can include more than one student.

4.2. The College shall consult the Union about the work schedules by means of the LRC.

## 5. Granting projects for attendants

- 5.1. Among the applicants entered on the list referred to in clause 3.2, the College shall select the employee who meets the qualifications required in the classification plan for this class of employment and at the conditions required by the College and in the order of priority set out in items 1., 2. and 3. of the present clause. When more than one employee has the same priority, the College shall select the employee with the most seniority or, if applicable, the most time worked or paid on May 15 for the fall semester or on December 15 for the winter semester as a casual or replacement employee as provided for in clauses 1-1.19 of the collective agreement and of this Appendix with the exception of the time worked or paid before an interruption in the employment relationship of more than one (1) year:
  1. An employee subject to a layoff by the College who is on the Placement Office's list, provided he/she has more seniority than a regular part-time employee of the College;
  2. A part-time regular employee;
  3. An employee who has worked as a casual or replacement employee under clauses 1-1.19 of the collective agreement and of this appendix for the equivalent of 90 days worked or paid within the 24 months preceding May 15 for the fall semester or December 15 for the winter semester.
- 5.2. Notwithstanding the aforementioned, exceptionally, the College can keep an attendant with a student or restrain its choice to the list of applicants as provided for in clause 3.2 if this is justified by a recommendation of a health professional or by the intervention plan.
- 5.3. When granting projects for attendants, the College shall ensure, if applicable, that the employee's work schedules are compatible.
- 5.4. A part-time employee shall lose the possibility of applying under clause 3.2 upon reception of a notice from the College that indicates the reasons.
- 5.5. Following the granting of a project for an attendant and until the deadline to drop courses without failure determined by the Minister at each semester, the College may reduce the number of working hours of the attendant concerned by giving a notice of two (2) working days.
- 5.6. Within three (3) working days following the deadline to drop courses without failure determined by the Minister at each semester, if, for reason of a beneficiary student lowering his/her attendance rate, an attendant finds himself/herself with reduced working hours before said date, the College shall determine the work schedules subject to clauses 5.2 and 5.3 and take into account the needs of the beneficiary

students. This schedule shall be established for the duration of the semester. The College shall consult the Union about the work schedules by means of the LRC.

- 5.7. After the deadline to drop courses without failure determined by the Minister at each semester, for reason of reduced attendance or periodic absence from the attendant's student, the College may reduce the attendant's number of working hours to his/her student's number of course hours. In the case of reduced school attendance, the College shall provide a notice of five (5) working days to the attendant concerned.

When the preceding paragraph applies, the attendant shall be assigned, in accordance with his/her abilities:

1. to duties in his/her department;
2. failing which, to any duties determined by the College and provided for in Appendix "B" of the collective agreement.

6. Article 7-2.00 is replaced by the following:

#### **Article 7-2.00 - Work Schedules**

##### **7-2.01**

The regular workweek shall consist of five (5) consecutive workdays followed by two (2) consecutive days off.

- a) each work period shall include at least one (1) hour of work;
- b) on a daily basis, an individual work schedule shall never require more than ten (10) hours of availability;
- c) the employee shall be entitled to a break of at least twelve (12) hours between the end of his/her normal workday and the start of his/her next normal workday.

##### **7-2.03**

Before the deadline to drop courses without failure determined by the Minister at each semester, the College shall be entitled to modify the attendant's schedule by giving a prior notice of two (2) working days. After said date, the employee's work schedule can be modified following an agreement between the employee and the College. The modified work schedule shall be forwarded to the Union.

**7-2.04**

The College may schedule a split shift.

The term split shift is understood to mean a schedule that is interrupted by periods other than those scheduled for meals and breaks.

7. Article 6-8.00 is modified to add the following clause 6-8.06:

**6-8.06 Split shift premium**

The attendant whose work schedule set by the College exceeds a period of eight and one-half (8 ½) hours between the start and the end of his/her workday shall receive:

Rate 2015-04-01 to 2016-03-31 (\$)	Rate 2016-04-01 to 2017-03-31 (\$)	Rate 2017-04-01 to 2018-03-31 (\$)	Rate 2018-04-01 to 2019-04-01 (\$)	Rate as of 2019-04-02 (\$)
\$3.76/day	\$3.82/day	\$3.89/day	\$3.97/day	\$4.05/day

**APPENDIX "Y"****LETTER OF AGREEMENT CONCERNING CLASS TITLES WITHOUT RANKING**

  - C734 Stationary Engineer, class IX
  - C736 Stationary Engineer, class XI
  - C740 Stationary Engineer, class XV
  - C743 Stationary Engineer, class XVIII
  - C744 Stationary Engineer, class XIX
  
- Considering that the Comité patronal de négociation des collègues (CPNC) cannot modify the Classification Plan without consulting the provincial union party;
  
- Within 18 months following the signature of the collective agreement, the CPNC and the Fédération des employées et employés de service public (inc.) CSN on behalf of the unions representing college support personnel (FEESP) shall undertake:
  - To discuss the maintenance or abolishment of these class titles;
  
  - To justify the maintenance of the class titles that will not have been abolished by providing to the committee set out in the Letter of Agreement concerning the Implementation of Salary Relativities of April 2, 2019, which is part of the *Entente concernant les paramètres salariaux, les relativités salariales, les droits parentaux, les disparités régionales et la lettre d'intention relative au régime de retraite des employés du gouvernement et des organismes publics*, with the required information so that the 17 sub-factors set out in the *Système d'évaluation des emplois à 17 sous-facteurs* can be evaluated for each of these class titles in order to provide them with a ranking with a view to including them in the new salary structure as of April 2, 2019, if applicable.

**LETTER OF INTENT****LETTER OF INTENT CONCERNING THE GOVERNMENT AND PUBLIC EMPLOYEES  
RETIREMENT PLAN (RREGOP) FOR THE EMPLOYEES CONCERNED BY THIS PLAN  
BY VIRTUE OF THE RREGOP ACT**

**SIGNED ON APRIL 6, 2016 AND MODIFIED ON MAY 19, 2016**

**1. Legislative and Regulatory Amendments**

The Government shall adopt the necessary draft regulations and propose to the National Assembly the adoption of the legislative provisions to make the amendments set out in articles 2 to 5 to the Government and Public Employees Retirement Plan (RREGOP).

These amendments shall apply to all participants (active and inactive) and to all their years of service.

**2. Applicable Reduction in Case of Early Retirement**

For participants whose last day of work is July 1, 2020 or beyond, the applicable reduction for early retirement shall increase from 4.0% per year (0.33% per month) to 6% per year (0.5% per month).

**3. Eligibility for Pension Without Reduction**

For participants whose last day of work is July 1, 2019 or beyond, the eligibility age for pension without reduction shall increase from 60 to 61.

For participants whose last day of work is July 1, 2019 or beyond, a new criteria of eligibility to pension without reduction is added:

- Age and years of service totalling 90, if the participant is at least 60 years old.

**4. Transitional Provisions**

The provisions set out in articles 2 and 3 shall not apply to persons who, before the date of presentation to the National Assembly of the draft legislation arising from this agreement, had started reducing their work time by virtue of a progressive retirement agreement as set out in articles 85.5.1 to 85.5.5 of the RREGOP Act.

The same amendments shall not apply either to persons who have started reducing their work time through a progressive retirement agreement within 100 days following that date and to the extent that the reduction of their work time corresponds to at least 20% of a full-time employee's regular time.

**5. Maximum Number of Years of Service to Calculate Pension Benefits**

The maximum number of credited years of service that can be used for calculating pension benefits shall be increased gradually to reach 40 on December 31, 2018. Subject to the following, these years shall guarantee the same benefits as the previous ones:

- As of January 1, 2017, the number of credited years of service used for calculating pension benefits beyond 38 must be worked or redeemed. No redeeming of service prior to January 1, 2017 can cause the credited service used for calculating pension benefits to exceed 38 years on January 1, 2017.
- No retroactivity provision shall be permitted. Service exceeding the 38 credited years of service used for calculating pensions before January 1, 2017 shall not be recognized neither through a required contribution nor through a redemption.
- The pension reduction applicable as of the age of 65 years of age (RRQ coordination) shall not apply to the credited years of service used for calculating pension benefits exceeding 35 years.

Concerning the revaluation of pension credits, the increase from 38 to 40 in the maximum number of years of service shall not result in the increase or decrease of the number of years that would be revalued in the absence of this measure.

The amendments described in article 5 shall also apply to the Civil Service Superannuation Plan (CSSP), to the Teacher's Pension Plan (TPP) and to the Pension Plan for Some Teachers (régime de retraite de certains enseignants / RRCE).
