The use of such a room may be withdrawn for administrative or pedagogical needs provided that the board give the union a fifteen (15)-working day notice. In this case, the board shall provide another available room, if any, according to the terms and conditions to be agreed between the board and the union, which must not be more onerous in general to the union than those which were in force before the use of the room was withdrawn.

3-6.00 UNION DUES**3-6.01**

An amount equal to the dues established by a union by-law or resolution shall be deducted at each pay period. 3-6.02

Any change in the union dues shall take effect no later than thirty (30) days after the board receives a copy of a by-law or resolution to this effect. The change in the dues may occur twice in the same fiscal year. Any other change must first be agreed upon by the union and the board.

3-6.03

The board shall deduct from the bus driver's salary an amount equal to the special dues set by the union provided that it has received an advance notice of at least sixty (60) days. The terms and conditions for the deduction of these dues must first be agreed upon by the union and the board.

3-6.04

Every month, the board shall forward to the union or a representative designated by it, the dues collected during the preceding month as well as the list of the contributing bus drivers' names and the amount paid by each. If the board provides the list of names in alphabetical order or forwards the dues more frequently, it shall continue to do so. The board and the union may agree that the board provide other information pertaining to the remittance of dues.

3-6.05

The union shall assume the case of the board and shall indemnify it against any claim that could be made by one or more bus drivers regarding the membership fees and union dues or their equivalent deducted from their salary under this article.

3-7.03

The fact that a bus driver is refused, expelled or resigns from the union shall in no way affect his or her employment ties with the board.

3-7.04

For the purposes of applying this article, the board shall give the bus driver hired after the date of the coming into force of the agreement an application form for membership in the union and the authorization form for the deduction of membership fees, if need be, in accordance with the aforementioned union system. A bus driver shall complete the form and the board shall return it to the union within fifteen (15) days of his or her hiring. The union shall provide the board with the said forms.

3-8.00 DOCUMENTATION**3-8.01**

In addition to the documentation provided according to the other provisions of the agreement, the board and the union shall provide the documentation mentioned in this article.

3-8.02

- d) the changes of address and telephone number of bus drivers brought to its attention;
- e) any other information not mentioned in this article but which the board and the union agree to add.

3-8.04

At the same time, the board shall forward to the union a copy of all the directives dealing with the application of the agreement and addressed directly or through the immediate superior to a bus driver, a group of bus drivers or to all the bus drivers.

3-8.05

The board shall forward to the union a copy of all by-laws or resolutions, within fifteen (15) days of their adoption, concerning a bus driver, a group of bus drivers or all the bus drivers to whom the agreement applies.

The union shall provide the board with the names of its representatives within fifteen (15) days of their appointment as well as their job titles, the name of the committee prescribed in the agreement or set up by virtue of the agreement on which they sit, where applicable, and their address for official union correspondence, and shall advise the board of any change.

3-8.07

The board shall forward to the union the names of the bus drivers who obtain a leave of absence without salary of more than one month or a leave mentioned in article 5-4.00 and shall indicate the anticipated duration of the absence. The union shall be notified of any extension.

CHAPTER 4-0.00 MECHANISMS FOR CONSULTATION AND INFORMATION**4-1.00 LABOUR RELATIONS COMMITTEE****4-1.01**

Within thirty (30) days of the written request of the board or union, the parties shall form an advisory committee called the "Labour Relations Committee".

4-1.02

This committee shall have equal representation and shall be composed, at most, of two (2) union representatives and two (2) board representatives. The fact that a party on the committee designates fewer than two (2) representatives shall not limit the number of representatives to which the other party is entitled under this clause, it being specified that each party shall have one vote only.

4-1.03

The committee shall establish its rules of procedure and shall determine the number of meetings.

4-1.04

The committee shall study, at the request of either party, any issue relating to the bus drivers' working conditions and any other matter specifically referred to it in accordance with the agreement.

Without limiting the scope of the foregoing, the committee shall discuss any issue submitted dealing with the behaviour and discipline of students in the bus.

The committee may submit recommendations to the board on matters within its competence. A copy of every recommendation shall be forwarded to the union at the same time.

4-1.05

At a subsequent meeting of the Labour Relations Committee, the union representatives may ask the board representatives to explain a decision of the board regarding a subject which was previously discussed by the Labour Relations Committee and any other decision concerning or affecting the bus drivers covered by the agreement.

4-2.00 INFORMATION**4-2.01**

At least once per fiscal year, the board shall convene its bus drivers, as a group or by district, to an information meeting concerning the policies and major objectives which concern them; the meeting shall normally be held outside working hours at a time determined by the board. Every bus driver who attends the meeting shall be paid at his or her hourly rate for the duration of the meeting. If, among the bus drivers present at the meeting, there is no union delegate, the union may designate a representative to attend the meeting without loss of salary, including premiums, where applicable, or reimbursement.

4-2.02

Within sixty (60) days of the date of the coming into force of the agreement, the board shall send the union a copy of the organization chart in effect.

CHAPTER 5-0.00 SOCIAL SECURITY**5-1.00 SPECIAL LEAVES****5-1.01**

The board shall permit a bus driver to be absent from work without loss of salary on the following occasions:

- a) his or her marriage or civil union: a maximum of seven (7) consecutive days, working days or not, including the day of the wedding or civil union;
- b) the marriage or civil union of his or her father, mother, son, daughter, brother, sister: the day of the event;
- c) the death of his or her spouse, of his or her child, his or her spouse's child living under the same roof: seven (7) consecutive days, working days or not, commencing on the date of death¹ or including the day of the commemorative service, at the option of the bus driver. If the bus driver takes his or her leave commencing on the date of death¹, he or she may keep only one (1) of these days to attend the commemorative service;
- d) the death of his or her father, mother, brother, sister: a maximum of five (5) consecutive days, working days or not, commencing on the date of death¹ or including the commemorative service, at the option of the bus driver. - e) the death of his or her spouse's minor child not living under the same roof, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandfather, grandmother, granddaughter, grandson: a maximum of three (3) consecutive days, working days or not, commencing on the date of death¹ or including the day of the commemorative service, at the option of the bus driver. If the bus driver takes his or her leave commencing on the date of death¹, he or she may keep only one (1) of these days to attend the commemorative service.

In the event of the death of his or her spouse's child not living under the same roof, the bus driver may be absent for a minimum of two (2) days without loss of salary, supplements or premiums for regional disparities as prescribed in the Act respecting labour standards (CQLR, chapter N-1.1);

- f) the change of domicile: the moving day; however, a bus driver shall not be entitled to more than one day off per year for this purpose;

¹ The obligation to take the leave commencing on the date of death does not apply to the bus driver who has ended his or her workday. In such a case, the leave commences on the day following the date of death.

- g) a maximum of three (3) working days per year to cover any other event considered as an act of God (disaster, fire or flood) which obliges a bus driver to be absent from work or any other reason which obliges the bus driver to be absent from work for which the board and the union agree to grant permission for absence without loss of salary.

In the case where a person referred to in subparagraph c), d) or e) of this clause is receiving end-of-life care and medical assistance in dying as defined in the Act respecting end-of-life care (CQLR, chapter S-32.0001), the bus driver who submits a request shall be entitled to a leave as of the day preceding the death. In this case, the bus driver shall so notify the board in writing as soon as possible.

A bus driver may be entitled to these leaves if he or she is still connected by marriage, civil union or common-law partnership when a leave is requested.

5-1.02

The bus driver shall only be entitled to a special leave, without loss of salary, in the cases described in subparagraphs c), d) and e) of clause 5-1.01 if he or she attends the commemorative service; if it takes place at a distance of more than two hundred and forty (240) kilometres from the bus driver's domicile, the latter shall be entitled to one additional day or to two (2) additional days if the commemorative service takes place at a distance of more than four hundred and eighty (480) kilometres from his or her domicile.

The bus driver can opt to use one or both days, where applicable, only once to attend a commemorative service.

5-1.03

In all cases, the bus driver must notify his or her immediate superior and produce, upon written request, the proof or the attestation of these facts, whenever possible.

5-1.04

The bus driver who is called to act as a juror or as a witness in a case where he or she is not a party shall benefit from a leave of absence without loss of salary. However, he or she must give the board, when he or she receives it, the monetary compensation paid to him or her for services as a juror or a witness.

5-1.05

Furthermore, the board shall, when requested, allow a bus driver to be absent without loss of salary during the time when:

- a) the bus driver sits for official entrance or achievement examinations in an educational institution recognized by the Ministère;

- b) the bus driver, by order of the public health department, is placed in quarantine in his or her dwelling as a result of a contagious disease affecting a person living in the same dwelling;
- c) the bus driver, at the specific request of the board, undergoes a medical examination in addition to that required by law.

Leaves for Family Responsibilities

5-1.06

Subject to the other provisions of the agreement and in accordance with section 79.7 of the Act respecting labour standards (CQLR, chapter N-1.1), a bus driver may be absent from work for up to ten (10) days per year to carry out obligations relating to the care, health or education of his or her child or spouse's child or because of the state of health of a relative or any other person for whom the bus driver acts as a caregiver, as attested to by a professional working in the health and social services sector governed by the Professional Code (CQLR, chapter C-26).

For the purposes of applying this clause, the notion of relative is that defined in section 79.6.1 of the Act respecting labour standards (CQLR, chapter N-1.1).

Six (6) of the ten (10) days thus used shall be deducted from the credit of seven (7) days obtained under paragraph A) of clause 5-3.39 or shall be without salary if the bank of sick-leave days is exhausted. The other days shall be without salary.

5-1.07

The board may also allow a bus driver to be absent without loss of salary for any other reason not prescribed in this article and which it deems valid.

5-1.08

The board shall allow a bus driver to be absent without salary for one of the events prescribed in sections 79.8 to 79.12 of the Act respecting labour standards (CQLR, chapter N-1.1) according to the terms and conditions prescribed in sections 79.13 to 79.16.

5-1.09

The bus driver must inform the board of the reasons for his or her absence as soon as possible and provide proof thereof.

5-1.10

During the leave without salary prescribed in clause 5-1.08, the bus driver shall accumulate his or her seniority and experience and shall continue to participate in the applicable basic health insurance plan by paying his or her share of the premiums. The bus driver may also continue to participate in the other complementary insurance plans that are applicable to him or her by submitting a request at the beginning of the leave and by paying all the premiums.

5-1.11

At the end of the leave without salary prescribed in clause 5-1.08, the bus driver may be reinstated in his or her position or, where applicable, a position that he or she would have obtained under the provisions of the agreement. In the case where the position was abolished or the bus driver was displaced, he or she shall be entitled to the benefits that he or she would have had had he or she been at work.

Moreover, the bus driver who returns from the leave without salary, but has no position shall resume the assignment that he or she occupied upon his or her departure, if the duration foreseen for the assignment extends after the end of the leave. If the assignment is completed, the bus driver shall be entitled to any other assignment according to the provisions of the agreement.

5-2.00 NONWORKING DAYS WITH PAY**5-2.01**

Bus drivers shall be entitled to eleven (11) nonworking days with pay per school year.

The days shall be paid at the same time to all bus drivers at a time or times to be agreed between the union and the board at the beginning of each school year.

5-3.00 LIFE, HEALTH AND SALARY INSURANCE PLANS¹**General Provisions****5-3.01**

A bus driver shall be eligible to participate in the insurance plans in the event of death, illness or disability as of the date on which the plans described below come into force if he or she is in service on that date, if not, as of the date on which he or she is hired by the board, and until his or her retirement date. The board shall pay the contribution to the basic health insurance plan payable for every bus driver.

5-3.02

For the purposes of this article, "dependent" means the bus driver's spouse or dependent child. The dependent child is defined as follows: a child of a bus driver, of his or her spouse or of both, or a child living with the bus driver for whom adoption procedures have been undertaken, unmarried or not joined in civil union and living or domiciled in Canada, who depends on the bus driver for his or her financial support and who is under eighteen (18) years of age; every child twenty-five (25) years of age or under who is a duly registered student attending a recognized institution of learning on a full-time basis, or a child of any age, who became totally disabled before reaching his or her eighteenth (18th) birthday or before reaching his or her twenty-sixth (26th) birthday, if he or she was a duly registered student attending a recognized institution of learning on a full-time basis and has remained continuously disabled ever since.

5-3.03

"Disability" means any state of incapacity resulting from an illness, including a surgical procedure directly related to family planning, an accident subject to article 7-4.00 or an absence prescribed in clause 5-4.18, which requires medical care and which renders the bus driver totally unable to perform the usual duties of his or her position.

5-3.04

"Period of disability" means any continuous period of disability or any series of successive periods of disability separated by fewer than thirty-two (32)² days of actual full-time work or availability for such full-time work, unless the bus driver establishes in a satisfactory manner that a subsequent period of disability is due to an illness or accident in no way related to the cause of the preceding disability.

¹ For clauses 5-3.11, 5-3.19, 5-3.21, 5-3.25, 5-3.28 and 5-3.30, see Appendix 5: Computerized Billing of Group Insurance Premiums.

² Read "eight (8) days" instead of "thirty-two (32) days" if the continuous period of disability which precedes his or her return to work is equal to or less than three (3) calendar months.

5-3.05

A period of disability resulting from self-inflicted illness or injury, alcoholism or drug addiction, active participation in any riot, insurrection or criminal act or service in the armed forces shall not be recognized as a period of disability for the purposes of this article.

Notwithstanding the foregoing, in the case of alcoholism or drug addiction, for purposes of this article, the period of disability during which the bus driver receives medical treatment or care in view of his or her rehabilitation shall be considered as a period of disability.

5-3.06

The provisions of the life and salary insurance plans in the former collective agreement shall remain in force under the conditions prescribed therein until the date of the coming into force of the agreement.

The provisions of the health insurance plan in the former collective agreement shall be renewed in this agreement and shall continue to apply until the date specified by the Insurance Committee of the Centrale.

5-3.07

The life insurance plan described in this agreement shall apply on the date of the coming into force of the agreement.

Subject to clause 5-3.44, the salary insurance plan described in this agreement shall apply on the date of the coming into force of the agreement.

The new health insurance plan shall come into force on the date prescribed by the Insurance Committee of the Centrale.

5-3.08

As a counterpart to the board's contribution to the insurance benefits prescribed hereinafter, the full amount of the rebate allowed by Employment and Social Development Canada (ESDC) in the case of a registered plan shall be the exclusive property of the board.

Insurance Committee of the Centrale**5-3.09**

The Insurance Committee of the Centrale must prepare a schedule of conditions, if necessary, and obtain for all the participants in the plans a group insurance policy for the basic health insurance plan and one or more group insurance policies for the other plans.

5-3.10

The Insurance Committee of the Centrale may maintain from year to year for the retired bus drivers, with appropriate amendments, the basic plan coverage without any contribution on the part of the board provided that:

- a) the bus drivers' contribution to the plan and the board's corresponding contribution be determined while excluding any cost resulting from the extension of coverage applying to retired bus drivers;
- b) all disbursements, contributions and rebates pertaining to retired bus drivers be computed separately and any additional contribution which may be payable by the bus drivers by virtue of the extension to retired bus drivers be clearly identified as such.

5-3.11¹

The insurer selected for all plans must have its head office in Québec and must be a single insurer or a group of insurers acting as a single insurer. For the purposes of selecting an insurer, the Insurance Committee of the Centrale may request bids or proceed according to any other method that it determines.

5-3.12

The Insurance Committee of the Centrale must carry out a comparative analysis of all bids received, where applicable, and after making its choice, provide the QESBA and the Ministère with a report on such analysis and a statement giving reasons for its choice.

5-3.13

Each plan shall have only one premium calculation method, whether it be a predetermined amount or an invariable percentage of salary.

5-3.14

Any change in premiums resulting from a change to the plan may only take effect on January 1 following a written notice to the board sent at least sixty (60) days in advance.

5-3.15

The benefit of exemption from a plan must be the same for all plans as regards its starting date and it must be total. Moreover, it cannot begin prior to the first complete pay period following the fifty-second (52nd) consecutive week of total disability.

¹ See Appendix 5: Computerized Billing of Group Insurance Premiums.

5-3.16

There can be no more than one update campaign per three (3) years for all plans; the campaign shall be carried out by the insurer directly with the participants in a manner to be determined and the changes shall come into force on January 1 following at least a sixty (60)-day advance written notice sent to the board.

5-3.17

Dividends or rebates to be paid as a result of favourable experience with the plans constitute funds entrusted to the management of the Insurance Committee of the Centrale. Fees, salaries, expenses or disbursements incurred for the implementation and application of the plans constitute liens on these funds.

The balance of funds shall be used by the committee to meet the increases in the premium rates, to improve existing plans or to be repaid directly to the participants by the insurer according to the formula determined by the committee or to grant a waiver of premiums. In this latter case, the waiver must be for at least four (4) months and it must be effective as of January 1 or end on December 31. The waiver must be preceded by at least a sixty (60)-day advance notice sent to the board.

For the purposes of this clause, the basic plan must be handled separately from the complementary plans.

5-3.18

The Insurance Committee of the Centrale shall provide the Ministère and the QESBA with a copy of the schedule of conditions, the group policy and a detailed statement of the operations carried out under the policy as well as a statement of the payments received as dividends or rebates and how they were used.

The committee shall also provide, at a reasonable cost, any additional useful and relevant statements or statistics which may be requested by the QESBA or the Ministère concerning the basic health insurance plan.

Intervention of the Board**5-3.19¹**

The board shall facilitate the implementation and application of the plans, in particular by:

- informing new bus drivers;

¹ See Appendix 5: Computerized Billing of Group Insurance Premiums.

- registering new bus drivers;
- forwarding to the insurer the application forms and the pertinent information required by the insurer to maintain a participant's file up-to-date;
- deducting the premium from the bus driver's salary;
- forwarding the deducted premiums to the insurer;
- providing bus drivers with the forms required for participation in the plan, claims and benefits or other forms supplied by the insurer;
- conveying information normally required of the employer by the insurer for settling certain compensations;
- forwarding to the insurer the names of bus drivers who indicated to the board that they intend to retire.

5-3.20

The Ministère and the QESBA, on the one hand, and the Centrale, on the other hand, agree to set up a committee to assess the administrative problems raised by the application of the insurance plans. Moreover, any change concerning the administration of the plans must be approved by the committee before it comes into effect. If such a change obliges the board to hire supernumerary personnel or requires overtime, the costs shall be assumed by the union (Appendix 6: Technical Committee on Insurance).

Complementary Insurance Plans to Which the Board Does Not Contribute

5-3.21¹⁺²

- A) The Insurance Committee of the Centrale shall determine the provisions of no more than three (3) complementary personal insurance plans. The cost of the plans shall be borne entirely by the participants.
- B) Every policy must include, among others, the following stipulations:
 - a) the provisions of subparagraphs b) to k) of clause 5-3.30;
 - b) the participation of a new bus driver eligible for a complementary plan shall take effect within thirty (30) days of the request if it is made within thirty (30) days of the entry into service of the bus driver;

¹ See Appendix 5: Computerized Billing of Group Insurance Premiums.

² See Appendix 6: Technical Committee on Insurance.

- c) if the request is made thirty (30) days after his or her entry into service, the participation of a new bus driver eligible for a complementary plan shall take effect on the first day of the full pay period following the date on which the board receives the notice of acceptance sent by the insurer.
- C) In the case of boards which have, on the date of the coming into force of the agreement, optional complementary personal insurance plans other than those established by the Centrale, the following provisions apply:
- a) the personal insurance policies and the resulting administrative measures for boards are maintained;
 - b) any change to one of the plans or policies must be made in accordance with the provisions concerning the provincial complementary plans by adapting them accordingly;
 - c) the union may choose to replace all the existing local plans by the provincial complementary plans. In this case, a notice of modification must be forwarded to the board at least sixty (60) days before it comes into force.

Life Insurance Plan

5-3.22

Each bus driver shall benefit, without contribution on his or her part, from an amount of life insurance equal to six thousand four hundred dollars (\$6 400).

5-3.23

This amount shall be reduced by fifty percent (50%) for the bus driver who occupies a position which includes less than twenty-four (24) hours of its regular workweek.

Basic Health Insurance Plan

5-3.24

The plan covers, as per the terms set down by the Insurance Committee of the Centrale, all drugs sold by a licensed pharmacist or a duly authorized physician as prescribed by a physician or a dentist.

Moreover, if the committee deems it appropriate, the plan may cover all other expenses related to the treatment of the illness.

5-3.25¹

The board's contribution to the health insurance plan on behalf of each bus driver cannot exceed the lesser of the following amounts:

- a) in the case of a participant insured for himself or herself and his or her dependents:
 - as of April 1, 2023: three hundred sixty-three dollars and eighty cents (\$363.80) per year plus tax, where applicable;
 - as of April 1, 2024: eight hundred forty-five dollars and seventy cents (\$845.70) per year plus tax, where applicable;
- b) in the case of an individually insured participant:
 - as of April 1, 2023: one hundred forty-five dollars and sixty cents (\$145.60) per year plus tax, where applicable;
 - as of April 1, 2024: three hundred sixty-eight dollars and forty cents (\$368.40) per year plus tax, where applicable.
- c) the maximum amount of basic health insurance coverage of the insured participant.

5-3.26

In the event that the Québec Health Insurance Plan is extended to cover drugs, the amounts prescribed in clause 5-3.25 shall be reduced by two thirds (2/3) of the yearly costs of the drug benefits included in this plan.

5-3.27

The health insurance benefits shall be reduced by the benefits payable under any other public or private, individual or group plan.

5-3.28²

Participation in the health insurance plan shall be compulsory but a bus driver may, by giving prior written notice to the board stating the name of the insurer and the policy number, refuse or cease to participate in the health insurance plan provided that he or she establish that he or she and his or her dependents are insured under a group insurance plan affording similar benefits.

¹ See Appendix 5: Computerized Billing of Group Insurance Premiums.

² See Appendix 5: Computerized Billing of Group Insurance Premiums.

A bus driver on a leave without salary shall remain covered by the health insurance plan. In this case, he or she must pay the total amount of the premiums due, including the board's share, plus applicable taxes.

5-3.29

A bus driver who has refused or ceased to be a participant in the plan may again become eligible thereto subject to the following condition:

- a) he or she must establish to the satisfaction of the insurer that it is no longer possible for him or her to continue to be covered as a dependent under the current group insurance plan or any other plan providing similar coverage.

When a bus driver submits an application to the insurer within thirty (30) days of the termination of his or her insurance coverage allowing him or her an exemption, coverage shall begin on the date on which his or her coverage is terminated. If the request is submitted thirty (30) days after the termination of his or her coverage, the insurance shall take effect on the first day of the pay period following the date on which the insurer receives the application.

In the case of any person who, prior to applying for health insurance, was not insured under this health insurance plan, the insurer is not responsible for any benefit which might be payable by a previous insurer under an extension or conversion clause or for any other reason.

5-3.30¹

Every policy must include, among others, the following stipulations:

- a) a specific provision with regard to the premium reduction which shall be allowed in the event that drugs prescribed by a physician are no longer considered admissible expenses under the health insurance plan;
- b) a guarantee to the effect that neither the factors of the retention formula nor the rates according to which the premiums are calculated may be increased prior to January 1 following the end of the first full policy year nor more often than every January 1 thereafter;
- c) the excess of premiums over benefits or reimbursements paid to the insured persons must be reimbursed by the insurer as dividends or rebates after deduction of the amounts agreed according to the predetermined retention formula;
- d) the premium for a pay period shall be computed on the basis of the rate applicable to the participant on the first day of that period;

¹ See Appendix 5: Computerized Billing of Group Insurance Premiums.

- e) no premium shall be payable for a pay period on the first day the bus driver is not a participant; also, the premium shall be payable in full for a pay period during which the bus driver's participation terminates;
- f) the insurer must also forward to the Ministère and the QESBA a copy of every communication of a general nature sent to the boards or the insured;
- g) the insurer shall be responsible for the keeping of files, analyses and claim settlements;
- h) the insurer shall provide the Insurance Committee of the Centrale with a detailed statement of all operations carried out under the policy as well as the reports, various statistics and any information which may be required to test the accuracy of the retention calculation;
- i) any change in the coverage and the resulting deduction at source for a bus driver already in the employ of the board, following the birth or adoption of a first child or a change in status, shall come into force on the date of the event if the request is made to the insurer within thirty (30) days of the event. Any change in health insurance coverage made thirty (30) days after the event shall come into force on the first day of the pay period following the date on which the insurer receives the application;
- j) if it is accepted by the insurer, any other change concerning the coverage and the resulting deduction at source for a bus driver already in the employ of the board shall take effect on the first day of the full pay period following the date on which the board receives the notice of acceptance sent by the insurer;
- k) the definitions of spouse and dependent child are identical to those in clauses 1-2.11 and 5-3.02 of the agreement.

Salary Insurance Plan

5-3.31

- A) Subject to the provisions of this article and article 7-4.00, every bus driver shall be entitled for every period of disability during which he or she is absent from work to:
 - a) up to the lesser of the number of sick-leave days accumulated to his or her credit or of five (5) working days: the payment of a benefit equal to the salary he or she would have received had he or she been at work;
 - b) upon termination of the payment of the benefit prescribed in subparagraph a), where applicable, but in no event before the expiry of a waiting period of five (5) working days from the beginning of the period of disability and for a period of up to fifty-two (52) weeks from the beginning of the period of disability: the payment of a benefit equal to eighty-five percent (85%) of the salary he or she would have received had he or she been at work;

- c) upon the expiry of the abovementioned period of fifty-two (52) weeks and for a further period of up to fifty-two (52) weeks: the payment of a benefit equal to sixty-six and two-thirds percent (66 2/3%) of the salary he or she would have received had he or she been at work.

For the purposes of calculating a benefit, the salary of the bus driver shall be the salary rate he or she would have received had he or she been at work. For the purposes of applying this clause, the salary includes the premiums for regional disparities under article 6-6.00, the premium prescribed in the Letter of Agreement Concerning Attraction and Retention Premium Paid for Certain Class Titles of Specialized Workmen to Counter Shortage under Appendix 15 and the lump sums payable for other absences prescribed in the collective agreement, except for inconvenience premiums. These premiums and lump sums must be of an annual or regular nature or be payable for work performed principally and customarily.

Notwithstanding the foregoing, during a temporary layoff done pursuant to article 7-2.00, the disability period and the salary insurance benefits shall be suspended. This suspension does not decrease the maximum period of one hundred and four (104) weeks of benefits.

- B) During a disability period, a regular bus driver absent for at least twelve (12) weeks who provides a medical certificate from his or her attending physician may, with the board's consent, return to work on a gradual basis. In this case:
 - a) the board and the bus driver, accompanied by his or her union delegate or representative, if he or she so desires, shall establish the period during which the bus driver will return to work on a gradual basis, which shall not exceed twelve (12) weeks and shall determine the time during which the bus driver must work;
 - b) during the period of gradual return to work, the bus driver is still considered on a disability leave, even if he or she is working;
 - c) while at work, the bus driver must be able to perform all of his or her usual duties and functions according to the proportion agreed to;
 - d) the period of gradual return to work must be immediately followed by the bus driver's return to work for the duration of his or her regular workweek;
 - e) the preceding provisions shall not have the effect of extending the maximum period of one hundred and four (104) weeks of benefits.

In exceptional cases, the board and the bus driver may agree on a gradual return to work before the thirteenth (13th) week.

During the period of gradual return to work, the bus driver shall be entitled to his or her salary for the proportion of time worked and to the benefit payable to him or her for the proportion of time not worked. The proportions shall be calculated on the basis of the bus driver's regular workweek.

Upon the expiry of the period initially set for the gradual return, if the bus driver is unable to return to work for the duration of his or her regular workweek, the board and the bus driver may agree on another period of gradual return while complying with the other conditions prescribed in this clause; failing agreement, the bus driver shall continue his or her disability period.

5-3.32

As long as benefits remain payable, including the waiting period, if any, the disabled bus driver shall continue to participate in the Government and Public Employees Retirement Plan (RREGOP) and to avail himself or herself of the insurance plans. However, he or she must pay the required contributions, except that, upon termination of the payment of the benefit prescribed in subparagraph a) of paragraph A) of clause 5-3.31, he or she shall benefit from a waiver of his or her contributions to the pension plan without losing his or her rights. The provisions relating to the waiver of contributions are an integral part of the pension plan provisions and the resulting cost shall be shared in the same manner as that of any other benefit.

The board may not dismiss a bus driver for the sole reason of his or her physical or mental impairment as long as the latter can receive benefits as a result of the application of clause 5-3.31 or article 7-4.00.

5-3.33

The benefits paid under clause 5-3.31 are reduced by the initial amount of any basic disability benefit paid to a bus driver under a federal or provincial law, except those paid under the Employment Insurance Act (S.C. 1996, c. 23), regardless of subsequent increases in basic benefits arising from indexation.

When a disability benefit is paid by the Société de l'assurance automobile du Québec (SAAQ), the bus driver's gross taxable income is established as follows: the board shall deduct the equivalent of all amounts required by law from the basic salary insurance benefit; the net benefit thus obtained shall be reduced by the amount of benefit received from the SAAQ and the difference is brought to the bus driver's gross taxable income from which the board shall deduct all the amounts, contributions and dues required by law and the agreement.

A bus driver who receives benefits from the SAAQ shall have one tenth (1/10) of a day deducted by the board from the bank of sick-leave days per day used under subparagraph a) of paragraph A) of clause 5-3.31.

As of the sixty-first (61st) day from the beginning of a disability, the bus driver who is presumed to be entitled to disability benefits under a federal or provincial law, with the exception of the Employment Insurance Act (S.C. 1996, c. 23) must, upon written request by the board, accompanied by the appropriate forms, request such benefits from the organization concerned and comply with all the obligations ensuing from such a request. However, the reduction of benefits prescribed in clause 5-3.31 is made only when the bus driver is recognized as eligible and effectively begins to receive such benefits prescribed by law. In the case where a benefit prescribed by law is granted retroactively to the first day of the disability, the bus driver shall reimburse the board, where applicable, for the portion of the benefit prescribed under clause 5-3.31 as a result of the application of the first paragraph of this clause.

Every bus driver who receives a disability benefit paid under a federal or provincial law, with the exception of the Employment Insurance Act (S.C. 1996, c. 23) must, in order to be entitled to his or her salary insurance benefits under clause 5-3.31, notify the board of the amount of the weekly disability benefits paid to him or her. Furthermore, he or she must give his or her written authorization to the board so that the latter may obtain all the necessary information from the organizations, in particular the SAAQ or Retraite Québec, which administer a disability insurance plan under which he or she receives benefits.

5-3.34

Payment of the benefit shall terminate at the latest on the date the bus driver begins his or her retirement.

5-3.35

No benefit shall be paid during a strike or lockout except for a period of disability that began before and for which the bus driver has provided the board with a medical certificate. If the disability began during a strike or lockout and still exists at the end of the strike or lockout, the period of disability prescribed in clause 5-3.31 begins on the date of the bus driver's return to work.

5-3.36

Payment of benefits payable as sick-leave days or under the salary insurance plan shall be made directly by the board provided that the bus driver submit the supporting documents required under clause 5-3.37.

5-3.37

The board may require that the bus driver who is absent because of disability provide a written certificate for absences of fewer than four (4) days or a medical certificate attesting to the nature and duration of the disability. However, the cost of such a certificate shall be borne by the board if the bus driver is absent for fewer than four (4) days. The board may also require an examination of the bus driver concerned in connection with any absence. The cost of the examination as well as the bus driver's transportation costs when the examination requires him or her to travel more than forty-five (45) kilometres from his or her domicile shall be borne by the board.

Upon the bus driver's return to work, the board may require the bus driver to submit to a medical examination in order to establish whether he or she is sufficiently recovered to resume his or her work. The cost of the examination as well as the bus driver's transportation costs when the examination requires him or her to travel more than forty-five (45) kilometres from his or her domicile shall be borne by the board. If, in this case, the opinion of the physician chosen by the board differs from the bus driver's physician, the board and the union may, within thirty (30) days, agree on the choice of a third physician. If no agreement is reached within the said time limit, the board's physician and the bus driver's physician shall agree on the choice of a third physician within a reasonable time limit.

If the board refuses, due to the inexistence or termination of disability, the parties may, within thirty (30) days of the board's decision, agree in writing to call upon a third physician to settle the dispute. Where applicable, the board and the union shall, within thirty (30) days of the board's decision, agree on the choice of a third physician; failing agreement, the physician chosen by the board and the physician consulted by the bus driver shall agree without delay on the choice of a third physician. While awaiting the decision of the third physician, the bus driver shall be deemed to be disabled. The cost of the examination shall be assumed equally by the board and the union including the bus driver's transportation costs when the examination requires him or her to travel more than forty-five (45) kilometres from his or her domicile.

The third physician shall, without restricting the scope of his or her mandate and in keeping with the code of ethics, take into account the opinions of the two (2) physicians and his or her decision cannot be appealed.

The board or its designated authority must treat the medical certificates and medical examination results in a confidential manner.

5-3.38

When payment of benefits is refused by reason of presumed nonexistence or termination of any disability, the bus driver may appeal the decision according to the procedure for settling grievances and arbitration prescribed in Chapter 9-0.00.

5-3.39

- a) On July 1 of every year, the board shall credit each bus driver covered by this article with seven (7) days of sick leave. The seven (7) days thus granted shall be noncumulative but, when not used during the year, shall be redeemable on June 30 of each year under the provisions of this article at the salary rate in effect on that date per day or fraction of a day not used.
- b) Moreover, in the case of a bus driver's first year of service, the board shall add a credit of six (6) nonredeemable sick-leave days.

The bus driver hired during a fiscal year who was granted fewer than six (6) nonredeemable sick-leave days shall be entitled on July 1 of the following fiscal year, if he or she remains in the service of the same board, to the difference between six (6) days and the number of nonredeemable sick-leave days granted to him or her on the effective date of his or her hiring.

- c) The bus driver who has thirteen (13) or fewer days of sick leave accumulated to his or her credit on June 1 may, upon a written notice to the board prior to that date, choose not to redeem on June 30 the balance of the seven (7) days granted under paragraph a) of this clause and not used under this article. The bus driver, having made this choice, shall add on June 30 the balance of these seven (7) days, which are now nonredeemable, to the nonredeemable sick-leave days already accumulated.

5-3.40

If a bus driver becomes covered by this article in the course of a fiscal year or if he or she leaves his or her employment during the year except for paid leave, the number of days credited for the year in question shall be reduced in proportion to the number of complete months of service, it being specified that "complete month of service" means a month of service during which the bus driver is in service for half or more of the working days contained in that month.

Nevertheless, if a bus driver has used, in accordance with this agreement, some or all of the sick-leave days that the board credited to him or her on July 1 of one year, no claim shall be made as a result of the application of this clause.

5-3.41

Subject to clause 5-3.42, disabilities for which payment is being made on the date of the coming into force of the agreement shall be covered under the plan prescribed in this article. The effective date of the beginning of the disability period determines both the duration and the benefits to which the bus driver concerned may be entitled according to the provisions of clause 5-3.31. The disabled bus driver who is not entitled to any benefits on the date of the coming into force of the agreement shall be covered by the new plan upon his or her return to work when he or she commences a new disability period.

5-3.42

The bus driver who benefited up to June 30, 1998 from a bank of nonredeemable sick-leave days under the pertinent provisions of a board regulation shall retain the use the bank of sick-leave days in accordance with the provisions of the said regulation¹.

¹ See Appendix 7: Use of Bank of Sick-leave Days.

The bus driver may also use his or her nonredeemable sick-leave days to his or her credit, at a rate of one day per day, to extend his or her disability leave upon expiry of the benefits prescribed in subparagraph c) of paragraph A) of clause 5-3.31. In addition, these days may also be used to extend a maternity leave.

5-3.43

The sick-leave days to a bus driver's credit shall remain to his or her credit and the days used shall be deducted from the total accumulated. The sick-leave days shall be used in the following order:

- a) the redeemable days credited under clause 5-3.39 of the agreement;
- b) after having used up the days in the preceding paragraph, the nonredeemable days under a previous regulation or the agreement, to the bus driver's credit.

5-3.44

Every bus driver who benefits from paragraph a) of clause 5-3.39 may use, subject to the provisions of the following paragraph, up to two (2) days per year for personal business upon a notice to the board of at least twenty-four (24) hours.

The days thus used shall be deducted from the credit of seven (7) days obtained by the application of paragraph a) of clause 5-3.39.

The days prescribed in the first paragraph of this clause must be taken in half-days or full days.

5-3.45

The board shall prepare a statement of the bus driver's bank of sick-leave days on June 30 of each year and shall so inform him or her within the sixty (60) calendar days that follow.

5-4.00 PARENTAL RIGHTS

Section I General Provisions

5-4.01

Maternity leave, paternity leave or adoption leave allowances shall be paid only as a supplement to parental insurance benefits or Employment Insurance benefits, as the case may be, or, in the cases prescribed hereinafter, as payments during a period of absence caused by a pregnancy for which the Québec Parental Insurance Plan and the Employment Insurance Plan provide no benefit.

However, maternity leave, paternity leave or adoption leave allowances shall be paid only during the weeks the bus driver receives or would receive, after submitting an application for benefits, benefits under the Québec Parental Insurance Plan or Employment Insurance Plan.

In the case where the bus driver shares the adoption or parental benefits prescribed by the Québec Parental Insurance Plan or the Employment Insurance Plan with his or her spouse, allowances shall be paid only if the bus driver actually receives a benefit under either one of the plans during the maternity leave prescribed in clause 5-4.05, paternity leave prescribed in clause 5-4.26 or the adoption leave prescribed in clause 5-4.38.

5-4.02

Where both parents are women, the allowances and benefits granted to the father shall be granted to the mother who did not give birth.

5-4.03

The board shall not reimburse a bus driver for an amount that could be claimed from the bus driver by the Minister of Employment and Social Solidarity under the Act respecting parental insurance (CQLR, chapter A-29.011).

Moreover, the board shall not reimburse a bus driver for an amount that could be claimed from the bus driver by Employment and Social Development Canada (ESDC) under the Employment Insurance Act (S.C. 1996, c. 23).

The basic weekly salary¹, the deferred basic weekly salary and severance payments shall not be increased or decreased by the amounts received under the Québec Parental Insurance Plan or the Employment Insurance Plan.

5-4.04

Unless there are specific provisions to the contrary, this article cannot result in granting a bus driver a monetary or nonmonetary benefit, which he or she would not have had had he or she remained at work.

Section II Maternity Leave

5-4.05

The maternity leave of a pregnant bus driver referred to in clause 5-4.12 is twenty-one (21) weeks which, subject to clause 5-4.08 or 5-4.09, must be taken consecutively.

¹ "Basic weekly salary" means the bus driver's regular salary including the regular salary supplement for a regularly increased workweek as well as the premiums for responsibility, but excluding other premiums and without any additional remuneration even for overtime.

The maternity leave of the pregnant bus driver referred to in clause 5-4.14 or 5-4.15 is twenty (20) weeks which, subject to clauses 5-4.08 and 5-4.09, must be taken consecutively.

The bus driver eligible for benefits under the Québec Parental Insurance Plan or the Employment Insurance Plan, but who has not completed twenty (20) weeks' service as prescribed in clauses 5-4.12 and 5-4.14 is also entitled to a leave of twenty-one (21) weeks or twenty (20) weeks, as the case may be.

The bus driver referred to in clause 5-4.15 is entitled to a twenty (20)-week leave if she has not completed twenty (20) weeks' service as prescribed in that clause.

A bus driver who becomes pregnant while on leave without salary or part-time leave without salary prescribed in this article is also entitled to maternity leave and to the allowances prescribed in clause 5-4.12, 5-4.14 or 5-4.15, as the case may be.

Should the bus driver's spouse die, the remainder of the maternity leave and the rights and benefits attached thereto shall be transferred to the bus driver.

5-4.06

A bus driver shall also be entitled to the maternity leave in cases where there is a miscarriage after the beginning of the twentieth (20th) week prior to the expected date of delivery.

5-4.07

The distribution of maternity leave, before and after delivery, shall be decided by the bus driver and shall include the day of delivery. The leave shall be concurrent with the period during which benefits are paid under the Act respecting parental insurance (CQLR, chapter A-29.011) and must begin no later than the week following the start of benefits payment under the Québec Parental Insurance Plan.

5-4.08 Suspension of Maternity Leave

A bus driver may suspend her maternity leave and return to work if she has sufficiently recovered from delivery but the child is unable to leave the health institution.

Moreover, when a bus driver has sufficiently recovered from delivery but the child is hospitalized after leaving the health institution, the bus driver may suspend her maternity leave, after agreement with the board, and return to work for the period during which the child is hospitalized.

The leave may be suspended only once in the cases mentioned in the preceding paragraphs. It is completed when the child is brought home.

5-4.09 Division of Maternity Leave

At the bus driver's request, a maternity leave may be divided into weeks if her child is hospitalized or for a situation, other than illness related to pregnancy, referred to in sections 79.1 and 79.8 to 79.12 of the Act respecting labour standards (CQLR, chapter N-1.1).

The maximum number of weeks during which the maternity leave may be suspended corresponds to the number of weeks during which the child is hospitalized. For other possible divisions, a maximum number of weeks during which the leave may be suspended is prescribed in the Act respecting labour standards (CQLR, chapter N-1.1) for such a situation.

During those suspensions, the bus driver is considered on leave without salary and shall not receive any allowances or benefits from the board. The bus driver is entitled to the benefits prescribed in clause 5-4.54 during those suspensions.

5-4.10

When the bus driver resumes the maternity leave suspended or divided under clause 5-4.08 or 5-4.09, the board shall pay the bus driver the allowance to which she would have been entitled had she not availed herself of the suspension or division. The board shall pay the allowance for the number of weeks remaining under clause 5-4.12, 5-4.14 or 5-4.15, as the case may be, subject to clause 5-4.01.

5-4.11 Advance Notice

To obtain maternity leave, a bus driver must give written notice to the board not less than two (2) weeks before the date of departure. The notice must be accompanied by a medical certificate or a written report signed by a midwife attesting to the pregnancy and the expected date of delivery.

Less than two (2) weeks' notice may be given if a medical certificate attests that the bus driver must stop working earlier than expected. In case of unforeseen events, the bus driver shall not be required to give notice, subject to submitting a medical certificate to the board stating it is necessary to stop working immediately.

Cases Eligible for the Québec Parental Insurance Plan

5-4.12

A bus driver who has accumulated twenty (20) weeks of service¹ and who is eligible for benefits under the Québec Parental Insurance Plan shall receive, during her twenty-one (21) weeks of maternity leave, an allowance based on the following formula²:

- 1) sum of
 - a) the amount equal to one hundred percent (100%) of the bus driver's basic weekly salary up to two hundred twenty-five dollars (\$225); and
 - b) the amount equal to eighty-eight percent (88%) of the difference between the bus driver's basic weekly salary and the amount determined under subparagraph a) above; and
- 2) from which sum, the amount of maternity or parental benefits that the bus driver is receiving or would receive under the Québec Parental Insurance Plan after submitting an application is deducted.

The allowance is based on the Québec Parental Insurance Plan benefits to which a bus driver is entitled, without taking into account the amounts subtracted from those benefits for repayment of benefits, interest, penalties and other amounts recoverable under the Act respecting parental insurance (CQLR, chapter A-29.011).

However, if the allowance paid under the Québec Parental Insurance Plan is modified as a result of a change in information provided by the board, the latter shall adjust the allowance accordingly.

A bus driver who works for more than one employer shall receive an allowance equal to the difference between the amount determined under subparagraph 1) of the first paragraph of this clause and the amount of the Québec Parental Insurance Plan benefit corresponding to the proportion of the basic weekly salary paid by the board compared to the total basic weekly salaries paid by all the employers. For that purpose, the bus driver shall submit to each of her employers a statement of the weekly salary paid by each employer, together with the amount of benefits payable under the Act respecting parental insurance (CQLR, chapter A-29.011).

¹ The absent bus driver shall accumulate service if her absence is authorized, particularly for disability, and includes benefits or remuneration.

² This formula was used to take into account the fact that, in such a case, the bus driver is exempt from contributing to the pension plans, the Québec Parental Insurance Plan and the Employment Insurance Plan.

5-4.13

The board may not offset, by the allowance that it pays to the bus driver on maternity leave, the reduction in the benefits under the Québec Parental Insurance Plan attributable to the salary earned from another employer.

Notwithstanding the provisions of the preceding paragraph, the board shall pay the compensation if the bus driver proves that the salary earned from another employer is usual salary by means of a letter to that effect from the employer paying it. If the bus driver proves to the board that only part of the salary earned from another employer is usual, compensation shall be limited to that part.

The employer paying the usual salary prescribed in the preceding paragraph must, at the bus driver's request, produce such a letter.

The total amounts received by the bus driver during her maternity leave as Québec Parental Insurance Plan benefits, allowances and salary cannot exceed the gross amount determined in subparagraph 1) of the first paragraph of clause 5-4.12. The formula must be applied to the sum of the basic weekly salaries received from the board as prescribed in clause 5-4.12 or, where applicable, from her employers (including the board).

Cases Ineligible for the Québec Parental Insurance Plan but Eligible for the Employment Insurance Plan**5-4.14**

A bus driver who has accumulated twenty (20) weeks of service¹ and who is eligible for benefits under the Employment Insurance Plan, but is not eligible for benefits under the Québec Parental Insurance Plan is entitled to receive, during her twenty (20)-week maternity leave, an allowance based on the following formula:

- A) For each week of the waiting period prescribed by the Employment Insurance Plan, an allowance calculated as follows²:

sum of

- a) the amount equal to one hundred percent (100%) of the bus driver's basic weekly salary up to two hundred twenty-five dollars (\$225); and

¹ The absent bus driver shall accumulate service if her absence is authorized, particularly for disability, and includes benefits or remuneration.

² This formula was used to take into account the fact that, in such a case, the bus driver is exempt from contributing to the pension plans, the Québec Parental Insurance Plan and the Employment Insurance Plan.

- b) the amount equal to eighty-eight percent (88%) of the difference between the bus driver's basic weekly salary and the amount determined under subparagraph a) above.
- B) For each week following the period prescribed in paragraph A), an allowance based on the following formula:
- 1) sum of
 - a) the amount equal to one hundred percent (100%) of the bus driver's basic weekly salary up to two hundred twenty-five dollars (\$225); and
 - b) the amount equal to eighty-eight percent (88%) of the difference between the bus driver's basic weekly salary and the amount determined under subparagraph a) above;
- and
- 2) from which sum, the amount of maternity or parental benefits that the bus driver is receiving or would receive under the Employment Insurance Plan after submitting an application is deducted.

The allowance is based on the Employment Insurance benefits to which a bus driver is entitled, without taking into account the amounts subtracted from those benefits for repayment of benefits, interest, penalties and other amounts recoverable under the Employment Insurance Plan.

However, if the allowance paid under the Employment Insurance Plan is modified as a result of a change in information provided by the board, the latter shall adjust the allowance accordingly.

A bus driver who works for more than one employer shall receive an allowance equal to the difference between the amount determined under subparagraph 1) of paragraph B) of this clause and the amount of the Employment Insurance benefits corresponding to the proportion of the basic weekly salary paid by the board compared to the total basic weekly salaries paid by all the employers. For that purpose, the bus driver shall submit to each of her employers a statement of the weekly salary paid by each employer, together with the amount of benefits paid by ESDC.

Moreover, should ESDC reduce the number of weeks of Employment Insurance benefits to which the bus driver would have been entitled had she not received Employment Insurance benefits before her maternity leave, the bus driver shall continue to receive, for a period equivalent to the weeks subtracted by ESDC, the allowance prescribed in the first paragraph of subparagraph B) as if the bus driver had received Employment Insurance benefits during that period.

Clause 5-4.13 applies to this clause with the necessary changes.

Cases Ineligible for both the Québec Parental Insurance Plan and the Employment Insurance Plan

5-4.15

A bus driver excluded from receiving benefits under the Québec Parental Insurance Plan and the Employment Insurance Plan shall also be excluded from receiving any allowance prescribed in clauses 5-4.12 and 5-4.14.

However, a bus driver who has accumulated twenty (20) weeks of service¹ is entitled to an allowance based on the following formula for twelve (12) weeks, if she is not receiving benefits under a parental rights plan established by another province or territory:

sum of

- a) the amount equal to one hundred percent (100%) of the bus driver's basic weekly salary up to two hundred twenty-five dollars (\$225); and
- b) the amount equal to eighty-eight percent (88%) of the difference between the bus driver's basic weekly salary and the amount determined under subparagraph a) above.

The fourth paragraph of clause 5-4.13 applies to this clause with the necessary changes.

5-4.16

In the cases prescribed in clauses 5-4.12, 5-4.14 and 5-4.15:

- A) No allowance may be paid during a period of vacation for which the bus driver is paid.
- B) In the case of a bus driver eligible for benefits under the Québec Parental Insurance Plan, the allowance owing shall be paid at two (2)-week intervals. Unless the bus driver is paid weekly, the first payment being due, only fifteen (15) days after the board obtains proof that she is receiving benefits under the Québec Parental Insurance Plan.

In the case of the bus driver eligible for benefits under the Employment Insurance Plan, the allowance owing for the first two (2) weeks shall be paid by the board in first two (2) weeks of the leave. Unless the bus driver is paid weekly, the allowance owing after that date shall be paid at two (2)-week intervals, the first payment being due, in the case of a bus driver eligible for benefits under the Employment Insurance Plan, only fifteen (15) days after the board obtains proof that she is receiving Employment Insurance benefits.

¹ The absent bus driver shall accumulate service if her absence is authorized, particularly for disability, and includes benefits or remuneration.

For purposes of subparagraph B), a statement of benefits, a stub and information provided by the Ministère de l'Emploi et de la Solidarité sociale or ESDC in an official statement shall be considered proof.

- C) Service shall be calculated with all the employers in the public and parapublic sectors (education, public service, health and social services), health and social services agencies, all bodies for which, by law, the salary standards and scales are determined according to conditions defined by the government, the Office franco-québécois pour la jeunesse, the Société de gestion du réseau informatique des commissions scolaires (GRICS) and any other body listed in Schedule C of the Act respecting the process of negotiation of the collective agreements in the public and parapublic sectors (CQLR, chapter R-8.2).

Moreover, the requirement of twenty (20) weeks' service under clauses 5-4.12, 5-4.14 and 5-4.15 shall be deemed to have been met, where applicable, when the bus driver has satisfied that requirement with any of the employers mentioned in the preceding paragraph.

- D) The basic weekly salary of a bus driver whose workweek includes less than twenty-four (24) hours is the average basic weekly salary for the twenty (20) weeks preceding her maternity leave. If, during that period, the bus driver had received benefits based on a certain percentage of her regular salary, it is understood that her basic weekly salary for her maternity leave shall be based on the basic weekly salary on which the benefits were determined.

In addition, any period during which a bus driver on special leave prescribed in clause 5-4.22 is not receiving any benefits from the Commission des normes, de l'équité, de la santé et de la sécurité du travail (CNESST) shall be excluded for the purposes of calculating her average basic weekly salary.

If the period of twenty (20) weeks preceding the maternity leave of a bus driver whose workweek includes less than twenty-four (24) hours includes the date on which the salary rates and scales are increased, the basic weekly salary shall be based on the salary rate in effect on that date. If, however, the maternity leave includes that date, the basic weekly salary shall be adjusted on that date according to the applicable salary scale adjustment rate.

Any layoff during the twenty (20) weeks preceding a bus driver's maternity leave shall be excluded for the purposes of calculating her average basic weekly salary.

The provisions of subparagraph D) constitute one of the express stipulations mentioned in clause 5-4.04.

- E) In the case of a bus driver who is laid off temporarily, the maternity leave benefit to which she is entitled under the agreement and which is paid by the board shall end on the date of the layoff.

Subsequently, if the bus driver is reinstated in her position or is recalled, as the case may be, in accordance with the provisions of the agreement, the maternity leave benefit shall be reestablished as of the date on which she is reinstated in her position or a job under her right of recall.

In both cases, the weeks for which the bus driver received the maternity leave benefits as well as the weeks during the layoff period shall be deducted from the number of weeks to which she is entitled under clause 5-4.12, 5-4.14 or 5-4.15, as the case may be, and the maternity leave benefits shall be reestablished for the number of weeks remaining under clause 5-4.12, 5-4.14 or 5-4.15, as the case may be.

5-4.17

During maternity leave and the extensions prescribed in clause 5-4.18, a bus driver shall receive the following benefits, provided she is normally entitled to them:

- life insurance;
- health insurance, if she pays her portion of the premiums;
- accumulation of vacation time or payment of compensatory amounts;
- accumulation of sick-leave days;
- accumulation of seniority;
- accumulation of experience;
- right to apply for a posted position and to obtain it in accordance with the provisions of the agreement as if she were at work.

A bus driver may carry forward not more than four (4) weeks' annual vacation if they fall within her maternity leave and if, not later than two (2) weeks before the expiry of the leave, she notifies the board in writing of the date on which the vacation is to be taken.

5-4.18 Extension of the Maternity Leave

If the birth occurs after the due date, the bus driver is entitled to extend the maternity leave for the length of time the birth is overdue, except if she still has at least two (2) weeks of maternity leave left after the birth.

The maternity leave may also be extended if the state of health of the child or of the bus driver requires it. The duration of extended maternity leave shall be specified in the medical certificate provided by the bus driver.

During those extensions, the bus driver is considered on leave without salary and shall not receive any allowance or benefit from the board. The bus driver is entitled to the benefits prescribed in clause 5-4.17 during the first six (6) weeks and subsequently in clause 5-4.54 during those extensions.

5-4.19

Maternity leave may be for a shorter period than that prescribed in clause 5-4.05. A bus driver who returns to work within two (2) weeks of the birth must, at the board's request, submit a medical certificate attesting that she has sufficiently recovered to return to work.

5-4.20

In the fourth (4th) week before the end of a maternity leave, the board must send the bus driver a notice indicating the date of expiry of the leave.

The bus driver to whom the board has sent such a notice must report for work on the date of expiry of the maternity leave, unless the leave is extended in the manner prescribed in clause 5-4.52.

A bus driver who does not comply with the preceding paragraph shall be deemed to be on leave of absence without salary for a period not exceeding four (4) weeks. A bus driver who does not report for work at the end of that period is deemed to have resigned.

5-4.21

Upon returning from maternity leave, the bus driver shall be reinstated in her position. If the position has been abolished, the bus driver is entitled to the benefits she would have received had she been at work at that time.

Section III Special Pregnancy and Breastfeeding Leaves**Temporary Assignment and Special Leave****5-4.22**

A bus driver may request to be assigned temporarily to another position that is permanently vacant or temporarily unoccupied in the same class of employment or, if she agrees and subject to the provisions of the agreement, in another class of employment, in the following cases:

- a) she is pregnant and her working conditions involve risks of infectious diseases or physical dangers for her or her unborn child;
- b) her working conditions involve dangers for the child whom she is breastfeeding.

The bus driver must submit a medical certificate to that effect as soon as possible.

When the board receives a request for a preventive reassignment, it shall immediately inform the union of the name of the bus driver and the reasons supporting the request for preventive reassignment.

A bus driver assigned to another position shall retain the rights and benefits related to her regular position.

If she is not immediately reassigned, the bus driver is entitled to special leave beginning immediately. Unless a temporary assignment occurs subsequently to put an end to the special leave, the special leave ends, for a bus driver who is pregnant, on the date of delivery and, for a bus driver who is breastfeeding, at the end of the period of breastfeeding. However, for bus drivers eligible for benefits payable under the Act respecting parental insurance (CQLR, chapter A-29.011), the special leave shall end the fourth (4th) week prior to the expected date of delivery.

During the special leave prescribed in this clause, compensation is governed by the provisions of the Act respecting occupational health and safety (CQLR, chapter S-2.1) concerning preventive reassignment of pregnant or breastfeeding employees.

However, upon a written request to that effect, the board shall pay the bus driver an advance on the allowance receivable, calculated on the basis of the payments that may be anticipated. If the CNESST pays the anticipated allowance, the reimbursement shall be deducted from that amount. If not, the reimbursement shall be made under clause 6-3.03 until the debt is fully paid. However, if the bus driver exercises the right to apply for a review of the CNESST decision or to contest the decision before the Tribunal administratif du travail, reimbursement may not be claimed before the administrative review of the CNESST or, where applicable, the decision of the Tribunal administratif du travail has been made.

Other Special Leaves

5-4.23

A bus driver is also entitled to a special leave in the following cases:

- a) when a complication in the pregnancy or a risk of miscarriage requires a work stoppage for a period prescribed by a medical certificate; the special leave may not be extended beyond the beginning of the fourth (4th) week before the expected date of delivery;
- b) upon presentation of a medical certificate prescribing the duration when a natural or induced miscarriage occurs before the beginning of the twentieth (20th) week preceding the expected date of delivery;
- c) for medical visits related to the pregnancy carried out by a health professional and attested to by a medical certificate or a written report signed by a midwife.

5-4.24

For the visits prescribed in subparagraph c) of clause 5-4.23, the bus driver shall be granted a special leave with full salary for a maximum of five (5) days which may be taken in half-days.

During the special leaves granted under this section, the bus driver is entitled to the benefits prescribed in clause 5-4.17, provided she is normally entitled to them, and in clause 5-4.21 of Section II. In addition, a bus driver covered by subparagraphs a), b) and c) of clause 5-4.23 may opt for the benefits under the sick-leave plan or the salary insurance plan. However, in the case of subparagraph c) of clause 5-4.23, the bus driver must first have exhausted the five (5) days prescribed in the preceding paragraph.

Section IV Paternity Leave

5-4.25 Paternity Leave - Maximum Duration of Five (5) Days

A bus driver shall be entitled to leave with salary for a maximum of five (5) working days at the time of the birth of his child. The bus driver shall also be entitled to such leave if his spouse miscarries after the beginning of the twentieth (20th) week prior to the due date. This leave may be taken discontinuously and must be taken between the beginning of the actual delivery and the fifteenth (15th) day after the mother or child returns home.

One (1) of the five (5) days may be taken for the child's christening or registration.

A female bus driver whose spouse delivers a child shall also be entitled to such leave if she is deemed to be one of the child's mothers.

5-4.26 Paternity Leave - Maximum Duration of Five (5) Weeks

Upon the birth of his child, a bus driver shall also be entitled to a paternity leave of no more than five (5) weeks which, subject to clauses 5-4.27 and 5-4.28, must be taken consecutively. This leave must end no later than at the end of the seventy-eighth (78th) week following the week of the child's birth. The paternity leave of the bus driver eligible for benefits under the Québec Parental Insurance Plan or the Employment Insurance Plan shall coincide with the period during which paternity benefits granted under either plan are paid and must begin no later than the week following the beginning of the benefits payment.

A female bus driver whose spouse delivers a child shall also be entitled to this leave if she is deemed to be one of the child's mothers.

5-4.27 Suspension of Paternity Leave

When the child is hospitalized, the bus driver may interrupt his paternity leave prescribed in clause 5-4.26, upon agreement with the board, and return to work for the duration of the hospitalization.

5-4.28 Division of Paternity Leave

At the bus driver's request, the paternity leave prescribed in clause 5-4.26 may be divided into weeks before the expiry of the first sixty-five (65) weeks, if his child is hospitalized or due to a situation covered by sections 79.1 and 79.8 to 79.12 of the Act respecting labour standards (CQLR, chapter N-1.1).

The maximum number of weeks during which the paternity leave is suspended corresponds to the number of weeks during which the child is hospitalized. For any other possible divisions, the maximum number of weeks during which the leave may be suspended is prescribed in the Act respecting labour standards (CQLR, chapter N-1.1) for such a situation.

During those suspensions, the bus driver is considered on leave without salary and shall not receive any allowances or benefits from the board. The bus driver is entitled to the benefits prescribed in clause 5-4.54 during those suspensions.

Upon the employee's request and, if the board agrees, the paternity leave may be divided into weeks before the expiry of the first sixty-five (65) weeks. The 2nd and 3rd paragraphs of this clause do not apply to this paragraph.

5-4.29

The bus driver who takes a paternity leave under clauses 5-4.25 and 5-4.26 shall receive the benefits prescribed in clause 5-4.17, provided he is normally entitled to them and in clause 5-4.21.

5-4.30 Extension of Paternity Leave

A bus driver who, before the expiry date of his paternity leave prescribed in clause 5-4.26, sends his board a notice accompanied by a medical certificate attesting that the state of health of the child requires it, is entitled to extend his paternity leave for the duration indicated in the medical certificate.

During the extended leave, the bus driver is considered on leave without salary and shall not receive any allowances or benefits from the board. The bus driver is covered by clause 5-4.54 during that period.

5-4.31 Cases Eligible for the Québec Parental Insurance Plan or the Employment Insurance Plan

During the paternity leave prescribed in clause 5-4.26, the bus driver who has accumulated twenty (20) weeks' service¹ shall receive an allowance equal to the difference between his basic weekly salary and the amount of benefits that he is receiving or would receive had he submitted an application for benefits under the Québec Parental Insurance Plan or the Employment Insurance Plan.

5-4.32

The second, third and fourth paragraphs of clause 5-4.12 or 5-4.14, as the case may be, and clause 5-4.13 apply to this clause with the necessary changes.

5-4.33

A bus driver excluded from receiving paternity benefits under the Québec Parental Insurance Plan or parental benefits under the Employment Insurance Plan shall receive, during the paternity leave prescribed in clause 5-4.26, an allowance equal to his basic weekly salary, if the bus driver has accumulated twenty (20) weeks' service².

5-4.34

Clause 5-4.16 applies to a bus driver who receives benefits prescribed in clause 5-4.31, 5-4.32 or 5-4.33 with the necessary changes.

5-4.35

When a bus driver resumes the paternity leave suspended or divided under clause 5-4.27 or 5-4.28, the board shall pay the bus driver the allowance to which he would have been entitled had he not availed himself of the suspension or division. The board shall pay the allowance for the number of weeks remaining under clause 5-4.26, subject to clause 5-4.01.

5-4.36**Paternity Leaves**

- a) A bus driver must send the board, as soon as possible, a notice prior to the leave prescribed in clause 5-4.25.

¹ The absent bus driver shall accumulate service if his absence is authorized, particularly for disability, and includes benefits or remuneration.

² The absent bus driver shall accumulate service if his absence is authorized, particularly for disability, and includes benefits or remuneration.

- b) The leave of absence mentioned in clause 5-4.26 shall be granted upon a written request submitted at least three (3) weeks in advance. The time limit may be shorter, if the birth occurs prior to the anticipated date.

The request must indicate the expected expiry date of the leave.

The bus driver must report for work upon the expiry of his paternity leave prescribed in clause 5-4.26, unless the leave was extended in the manner prescribed in clause 5-4.52.

The bus driver who does not comply with the preceding paragraph is deemed on leave without salary for a period not exceeding four (4) weeks. At the end of that period, the bus driver who has not reported for work is deemed to have resigned.

Section V Adoption Leave and Leave for Adoption Purposes

5-4.37 Adoption Leave - Maximum Duration of Five (5) Days

A bus driver is entitled to a paid leave of a maximum duration of five (5) working days for the adoption of a child other than his or her spouse's child. The leave may be discontinuous, but it may not be taken more than fifteen (15) days after the child's arrival home or with the parent with a view to adopt the child.

One of the five (5) days may be used for the baptism or registration.

5-4.38 Adoption Leave - Maximum Duration of Five (5) Weeks

A bus driver who adopts a child, other than his or her spouse's child, is entitled to a maximum of five (5) weeks of adoption leave which, subject to clauses 5-4.42 and 5-4.43, must be taken consecutively. The leave must end no later than at the end of the seventy-eighth (78th) week following the week of the child's arrival home.

The leave of the bus driver eligible for benefits under the Québec Parental Insurance Plan or the Employment Insurance Plan shall be concurrent with the period during which exclusive adoption benefits are paid under either plan and must begin no later than the week following the start of benefits payment.

The leave of a bus driver who is ineligible for benefits under the Québec Parental Insurance Plan must be taken after the child's arrival home or with the parent with a view to adopt the child.

During the adoption leave prescribed in this clause, the bus driver who has accumulated twenty (20) weeks' service¹ shall receive an allowance equal to the difference between his or her basic weekly salary paid at two (2)-week intervals or at one (1)-week intervals if he or she is paid weekly and the amount he or she receives or would receive, if he or she applied for benefits under the Québec Parental Insurance Plan or the Employment Insurance Plan.

If the bus driver is entitled to the premium for regional disparities under the agreement, he or she shall also receive the premium during his or her adoption leave prescribed in this clause.

5-4.39

For the purposes of applying clauses 5-4.37 and 5-4.38, the child's arrival is recognized if the following two conditions are met: the child has physically arrived at the family home or has been entrusted to the parent who intends to adopt the child. The employee must provide the employer with proof of his or her intention to adopt the child. The proof may vary depending on the type of adoption in accordance with the Québec Parental Insurance Plan or the Employment Insurance Plan requirements.

5-4.40 Leave Without Salary for Adoption Purposes

A bus driver shall be entitled to a leave without salary of a maximum duration of ten (10) weeks to adopt a child, other than the spouse's child, beginning on the date on which the bus driver assumes full legal responsibility for the child. To obtain a leave, a bus driver must submit a written request to the board at least two (2) weeks in advance.

The bus driver who travels outside Québec in order to adopt a child, other than his or her spouse's child, shall be granted, for that purpose and upon a written request submitted to the board two (2) weeks in advance, where possible, a leave of absence without salary for the time necessary for such travel.

However, the leave shall end no later than the week following the start of benefits payment under the Québec Parental Insurance Plan and the provisions of clause 5-4.38 apply.

During the leave of absence, the bus driver shall be entitled to the benefits prescribed in clause 5-4.54.

5-4.41

During the adoption leave prescribed in clause 5-4.37, 5-4.38 or 5-4.49, a bus driver shall be entitled to the benefits prescribed in clause 5-4.17, provided he or she is normally entitled to them. At the end of the leave, he or she shall be reinstated in his or her position, but if the position was abolished, the bus driver is entitled to the benefits he or she would have received had he or she been at work at that time.

¹ The absent bus driver shall accumulate service if his or her absence is authorized, particularly for disability, and includes benefits or remuneration.

5-4.42 Suspension of Adoption Leave

If the child is hospitalized, the bus driver may suspend his or her adoption leave prescribed in clause 5-4.38, after agreement with the board and return to work for the period during which the child is hospitalized.

5-4.43 Division of Adoption Leave

At the bus driver's request, an adoption leave prescribed in clause 5-4.38 may be divided into weeks before the expiry of the first sixty-five (65) weeks if his or her child is hospitalized or due to a situation covered by sections 79.1 and 79.8 to 79.12 of the Act respecting labour standards (CQLR, chapter N-1.1).

The maximum number of weeks during which the adoption leave is suspended corresponds to the number of weeks during which the child is hospitalized. For any other possible divisions, the maximum number of weeks during which the leave may be suspended is prescribed in the Act respecting labour standards (CQLR, chapter N-1.1) for such a situation.

During those suspensions, the bus driver is considered on leave without salary and shall not receive any allowances or benefits from the board. The bus driver is entitled to the benefits prescribed in clause 5-4.54 during those suspensions.

Upon the employee's request and, if the board agrees, the adoption leave may be divided into weeks before the expiry of the first sixty-five (65) weeks. The 2nd and 3rd paragraphs of this clause do not apply to this paragraph.

5-4.44

When the bus driver resumes the adoption leave suspended or divided under clauses 5-4.42 and 5-4.43, the board shall pay the bus driver the allowance to which he or she would have been entitled had he or she not availed himself or herself of the suspension or division for the number of weeks remaining under clause 5-4.38, subject to clause 5-4.01.

5-4.45 Extension of Adoption Leave

A bus driver who forwards to the board, prior to the expiry date of his or her adoption leave prescribed in clause 5-4.38, a notice accompanied by a medical certificate attesting that the health of his or her child so requires, is entitled to an extended adoption leave. The duration shall be specified in the medical certificate.

During the extended leave, the bus driver is considered on leave without salary and shall not receive any allowances or benefits from the board. The bus driver shall be covered by clause 5-4.54 during that period.

5-4.46

The second, third and fourth paragraphs of clause 5-4.12 or 5-4.14, as the case may be, and clause 5-4.13 apply to this clause with the necessary changes.

5-4.47 Cases Eligible for the Québec Parental Insurance Plan or the Employment Insurance Plan

During the adoption leave provided for in clause 5-4.38, the bus driver who has accumulated twenty (20) weeks' service¹ shall receive an allowance equal to the difference between his or her basic weekly salary and the amount of benefits he or she is receiving or would receive, upon request, under the Québec Parental Insurance Plan or the Employment Insurance Plan.

The allowance is based on the benefits under the Québec Parental Insurance Plan or the Employment Insurance Plan, as the case may be, to which a bus driver is entitled, without taking into account the amounts subtracted from those benefits for repayment of benefits, interest, penalties and other amounts recoverable under the Québec Parental Insurance Plan or the Employment Insurance Plan.

However, if the Québec Parental Insurance Plan or Employment Insurance Plan benefit is modified as a result of a change in information provided by the board, the latter shall adjust the benefit accordingly.

A bus driver who works for more than one employer shall receive an allowance equal to the difference between one hundred percent (100%) of the basic weekly salary paid by the board and the amount of the Québec Parental Insurance Plan or Employment Insurance Plan benefit corresponding to the proportion of the basic weekly salary paid by the board compared to the total basic weekly salaries paid by all the employers. For that purpose, the bus driver shall submit to each of her employers a statement of the weekly salary paid by each employer, together with the amount of benefits payable under the Québec Parental Insurance Plan or the Employment Insurance Plan.

The board may not offset, in the allowance it pays to the bus driver on adoption leave, the reduction in the Québec Parental Insurance Plan or Employment Insurance Plan benefits attributable to the salary earned from another employer.

Notwithstanding the provisions of the preceding paragraph, the board shall pay the allowance if the bus driver proves that the salary earned from another employer is usual salary by means of a letter to that effect from the employer paying it. If the bus driver proves that only part of the salary earned from another employer is usual, compensation shall be limited to that part.

The employer paying the usual salary prescribed in the preceding paragraph must, at the bus driver's request, produce such a letter.

¹ The absent bus driver shall accumulate service if his or her absence is authorized, particularly for disability, and includes a benefit or remuneration.

The total amounts received by the bus driver during his or her adoption leave as Québec Parental Insurance Plan or Employment Insurance Plan benefits, allowances and salary may not exceed one hundred percent (100%) of the basic weekly salary paid by the board or, where applicable, employers.

5-4.48 Cases Ineligible for both the Québec Parental Insurance Plan and the Employment Insurance Plan

A bus driver who is not entitled to adoption benefits under the Québec Parental Insurance Plan or parental benefits under the Employment Insurance Plan who adopts a child other than his or her spouse's child shall receive, during the adoption leave provided for in clause 5-4.38, an allowance equal to his or her basic weekly salary, if he or she has accumulated twenty (20) weeks' service¹.

5-4.49 Leave for the Purposes of Adopting the Spouse's Child

A bus driver who adopts his or her spouse's child is entitled to a maximum of five (5) working days of leave, of which only the first two (2) shall be paid.

The leave may be discontinuous but it may not be taken more than fifteen (15) days of filing adoption papers.

5-4.50

Clause 5-4.16 applies to the bus driver who is entitled to the compensation prescribed in clause 5-4.38, 5-4.46 or 5-4.48 with the necessary changes.

5-4.51

Adoption Leaves

- a) A bus driver must send the board, as soon as possible, a notice prior to the leave mentioned in clause 5-4.37.
- b) The leave of absence mentioned in clause 5-4.38 shall be granted upon a written request submitted at least three (3) weeks in advance. The time limit may be shorter, if the birth occurs prior to the anticipated date.

The request must indicate the expected expiry date of the leave.

The bus driver must report for work on the date of expiry of the adoption leave prescribed in clause 5-4.38, unless the leave is extended in the manner prescribed in clause 5-4.52.

¹ The absent bus driver shall accumulate service if his or her absence is authorized, particularly for disability, and includes benefits or remuneration.

A bus driver who does not comply with the preceding paragraph shall be deemed to be on leave of absence without salary for a period not exceeding four (4) weeks. The bus driver who does not report for work at the end of that period is deemed to have resigned.

Section VI Full-time Leaves of Absence Without Salary or Part-time Leaves of Absence Without Salary for Maternity, Paternity or Adoption

5-4.52

A) Upon a written request submitted to the board at least three (3) weeks in advance in the case of a full-time leave without salary and at least thirty (30) days in advance in the case of a part-time leave without salary, the bus driver shall be entitled to one of the following leaves:

- 1) a leave without salary for two (2) years immediately following the maternity leave prescribed in clause 5-4.05;
- 2) a leave without salary for two (2) years immediately following the paternity leave prescribed in clause 5-4.26. However, the leave must not extend beyond the one hundred and twenty-fifth (125th) week following the birth;
- 3) a leave without salary for two (2) years immediately following the adoption leave prescribed in clause 5-4.38. However, the leave must not extend beyond the one hundred and twenty-fifth (125th) week following the child's arrival home.

During the leave without salary, the bus driver shall be entitled, upon a written request submitted at least thirty (30) days in advance, to one of the following changes only once:

- i) from a leave without salary to a part-time leave without salary or vice-versa, as the case may be;
- ii) from a part-time leave without salary to a different part-time leave without salary.

A full-time bus driver who does not take the leave without salary shall be entitled to a part-time leave without salary determined over a maximum two (2)-year period. However, the leave must not extend beyond the one hundred and twenty-fifth (125th) week following the birth or the child's arrival home.

A part-time bus driver shall also be entitled to the part-time leave without salary. However, the other provisions of the agreement concerning the determination of the number of working hours shall continue to apply.

A bus driver who does not take the full-time or part-time leave of absence without salary may take the leave unused by his or her spouse either as full-time or part-time leave of absence without salary in accordance with the necessary formalities.

If the bus driver's spouse is not employed in the public or parapublic sector, the bus driver may avail himself or herself of one of the above leaves, at a time of his or her choosing, within the two (2) years following the birth or adoption, without however exceeding the set limit of two (2) years from the date of birth or adoption.

- B) The bus driver who does not use the leave prescribed in paragraph A) may benefit after the birth or adoption of his or her child from a leave without salary for a maximum period of sixty-five (65) continuous weeks which begins at the time the bus driver chooses and ends no later than seventy-eight (78)¹ weeks after the birth or, in the case of an adoption, seventy-eight (78)¹ weeks after he or she assumes full legal responsibility for the child.

During any of the leaves mentioned in this clause, the bus driver shall retain the right, if he or she has such a right, to use the days of sick leave provided for in article 5-3.00.

In the case of one of the leaves mentioned above, the request must indicate the date of return to work. The request for the part-time leave of absence without salary must indicate the schedule of the leave. If the board does not agree on the number of days of leave per week, the bus driver shall be entitled to a maximum of two and a half (2 1/2) days of leave per week or the equivalent, for a maximum of two (2) years. If the board does not agree on the schedule, it shall decide on the distribution.

5-4.53

Upon the bus driver's request, the full-time leave without salary prescribed in clause 5-4.52 may be divided into weeks prior to the end of the first sixty-five (65) weeks.

The leave may be divided if the bus driver's child is hospitalized or due to a situation covered by sections 79.1 and 79.8 to 79.12 of the Act respecting labour standards (CQLR, chapter N-1.1).

The maximum number of weeks during which the leave may be suspended is equal to the number of weeks during which the child is hospitalized. For any other possible divisions, the maximum number of weeks during which the leave may be suspended is prescribed in the Act respecting labour standards (CQLR, chapter N-1.1) for such a situation.

During those suspensions, the bus driver is considered on leave without salary and shall not receive any allowances or benefits from the employer. The bus driver is covered by clause 5-4.52 during those suspensions.

Upon the bus driver's request and, if the board agrees, the full-time leave without pay may be divided into weeks before the expiry of the first sixty-five (65) weeks. The 2nd and 3rd paragraphs of this clause do not apply to this paragraph.

¹ Subject to the provisions of the Act respecting labour standards (CQLR, chapter N-1.1).

5-4.54

During the leave of absence without salary, the bus driver shall accumulate seniority and retain experience. He or she shall continue to participate in the applicable basic health insurance plan by paying his or her portion of the premiums for the first sixty-five (65) weeks of leave and all premiums for the remainder of the leave. Moreover, he or she may continue to participate in applicable supplemental insurance plans, provided he or she so requests at the beginning of the leave and pays all premiums.

During the part-time leave of absence without salary, the bus driver shall also accumulate his or her seniority on the same basis as prior to the leave and, for the proportion of hours worked, he or she shall be governed by the rules applicable to a bus driver who holds a part-time position.

Subject to a specific provision of the agreement, during the full-time or part-time leave of absence without salary, the bus driver shall accumulate his or her experience for the purposes of determining his or her salary up to the first sixty-five (65) weeks of a leave of absence without salary or a part-time leave of absence without salary.

5-4.55

A bus driver may take his or her postponed annual vacation immediately before his or her full-time or part-time leave of absence without salary, provided there is no interruption with his or her paternity leave, maternity leave or adoption leave, as the case may be.

5-4.56

A bus driver who has been notified four (4) weeks in advance by the board of the date of expiry of a leave must give advance notice of his or her return to work at least two (2) weeks before the expiry of the said leave. If he or she has not reported for work on the prescribed date of return, he or she is deemed to have resigned.

5-4.57

A bus driver who wishes to end his or her leave without salary before the scheduled expiry date must give written notice of his or her intent to return to work at least twenty-one (21) days in advance. In the case of a leave without salary exceeding sixty-five (65) weeks, such a notice shall be submitted at least thirty (30) days in advance.

Upon his or her return from the leave without salary or part-time leave without salary, the bus driver shall be entitled to a position assigned under article 7-3.00.

5-4.58

A full-time or part-time leave of absence without salary for a maximum of one year shall be granted to a bus driver whose minor child experiences socioemotional problems or whose minor child is handicapped or ill and who requires his or her care. In this case, the last paragraph of clause 5-4.52 shall apply except for the maximum duration of the leave without salary, which may not exceed one year.

Section VII Miscellaneous Provisions**5-4.59**

Allowances or benefits prescribed in this article and paid prior to a strike or lockout shall continue to be paid during the strike or lockout.

5-4.60

If it can be established before an arbitrator that a bus driver on probation has taken a maternity leave or a full-time or part-time leave of absence without salary to extend a maternity leave and that the board has terminated her employment, it shall be up to the board to prove that the bus driver was dismissed for reasons other than for taking maternity leave or the full-time or part-time leave of absence without salary.

5-4.61

The bus driver who is entitled to a premium for regional disparities under the agreement shall receive the premium during her maternity leave prescribed in Section II.

In addition, the bus driver who is entitled to a premium for regional disparities under the agreement shall receive the premium during the weeks she receives an allowance, as the case may be, prescribed in clause 5-4.26 or 5-4.38.

The total amounts received by the bus driver as Employment Insurance benefits and allowances cannot exceed ninety-five percent (95%) of her basic salary.

5-5.00 PARTICIPATION IN PUBLIC AFFAIRS**5-5.01**

The board recognizes the same rights for a bus driver to participate in public affairs as those recognized for all citizens.

5-5.02

A regular bus driver who is a candidate in a municipal, school, provincial or federal election shall obtain, upon request, a leave of absence without salary which could extend from the declaration of the elections to the tenth (10th) day which follows the election day.

5-5.03

A regular bus driver who does not report to work within the time allotted shall be considered as having resigned, unless the reason for which he or she does not report to work is one of the reasons for absence prescribed in the agreement. In that case, the bus driver must notify the board and, except if it is impossible for him or her to report to work on the first working day following such a leave, he or she shall be considered as having resigned as of that day.

5-5.04

A regular bus driver elected in a municipal or school election or to the board of directors of a hospital or a local community service centre may benefit from a leave of absence without salary in order to carry out the duties of his or her position according to the terms and conditions prescribed by the board; the board cannot refuse the leave without a valid reason.

5-5.05

The regular bus driver elected in a provincial or federal election shall remain on leave without salary for the duration of his or her mandate.

5-5.06

Within the twenty-one (21) days following the expiry of his or her mandate, the bus driver must inform the board of his or her decision to return to work; failing this, he or she shall be considered as having resigned.

5-7.00 HUMAN RESOURCES DEVELOPMENT AND PROFESSIONAL INDUCTION

Section 1 Human Resources Development

5-7.01

The board and the union recognize the importance of ensuring human resources development and bus drivers recognize the importance of updating their skills in accordance with the provisions of this article.

5-7.02

For the purposes of applying this article, the expression "human resources development" means any type of professional improvement or training related to the objectives, directions, needs and priorities of the board (school, office, department or centre) and to the bus drivers' needs to update and develop their skills.

5-7.03

Human resources development is the responsibility of the board. The board shall develop various programs based on its objectives, directions, needs and priorities.

These programs enable a bus driver to acquire skills or techniques, modify work habits in order to better perform his or her duties, update skills to meet other requirements determined by the board to be eligible to apply for other positions or prepare him or her for duties he or she may seek to perform at the board.

5-7.04

The board shall, after consultation with the union, draw up human resources development programs. Subsequently, the board shall present its objectives, directions, needs and priorities to the Labour Relations Committee.

5-7.05

The members of the Labour Relations Committee may be called upon to:

- a) inform the board of the bus drivers' needs to update and develop skills;
- b) participate in the implementation of programs;
- c) participate in the planning of activities;
- d) make appropriate recommendations to the board, particularly concerning the distribution and use of the human resources development budget, including the percentage allotted for the replacement of bus drivers.

5-7.06

When a board requests a bus driver to take part in development activities, it must reimburse him or her for the costs according to the norms it establishes, upon presentation of an attestation to the effect that he or she has taken part in the activities. In the case where a bus driver receives an allowance or any other amount from another source, he or she must remit any amount thus received to the board.

5-7.07

When, at a bus driver's request, the board authorizes him or her to participate in development activities, it may reimburse the costs upon presentation of an attestation to the effect that he or she has taken part in the activities. In the case where a bus driver receives an allowance or any other amount from another source, he or she must remit any amount thus received to the board.

5-7.08

The bus driver who, at the request of the board, participates in human resources development activities during his or her regular work hours shall be considered at work during that period.

5-7.09

The courses offered by the board, with the exception of popular education courses, shall be free of charge for bus drivers wishing to take them provided that:

- a) they offer to those who take them an opportunity for professional improvement or an increase in their educational qualifications;
- b) they are designed to enable a bus driver to acquire skills or techniques, modify his or her work habits in order to better perform his or her duties or prepare him or her for duties which he or she may seek to perform at the board;
- c) registration from the general public has priority;
- d) such a benefit does not oblige the board to organize courses;
- e) these courses be taken outside the bus driver's work hours.

5-7.10

For the purpose of applying this section, the board shall have, for each fiscal year of the agreement, an amount equal to one hundred dollars (\$100) per full-time equivalent (FTE¹). This number is determined at the beginning of each fiscal year.

The amount mentioned in the preceding paragraph shall be increased by fifty percent (50%) for a bus driver working in a school board situated in region # 01 (Bas-Saint-Laurent, Gaspésie, Îles-de-la-Madeleine), region # 08 (Abitibi-Témiscamingue and Nord-du-Québec) or region # 09 (Côte-Nord) in accordance with Appendix 14 of the agreement.

¹ For the purposes of this section, FTE means the summation of the workweek hours for all bus drivers divided by the regular workweek of thirty-eight hours and forty-five minutes (38 h 45 min) as prescribed for heavy vehicle drivers in accordance with the latest available data.

The amounts not used or committed during a fiscal year shall be added to those provided for the following fiscal year.

5-7.11

Once every three (3) years, a bus driver shall be paid at the single rate to undergo six (6) hours of training required for renewal of a competency certificate¹.

To this effect, the board shall have an annual amount of six thousand five hundred dollars (\$6 500) distributed among school boards according to the number of bus drivers determined at the beginning of each fiscal year.

Any amounts not used or committed during a fiscal year shall be added to those prescribed for the following fiscal year.

5-7.12

For each fiscal year of the agreement, the board shall have available an amount equal to ninety dollars (\$90) per bus driver whose regular workweek includes the number of hours prescribed in 8-2.01 to provide training to all bus drivers working with students with handicaps, social maladjustments or learning difficulties. For any other bus driver working for the board, the amount allocated shall be adjusted proportionally to the regular hours prescribed in his or her regular workweek. The amount shall be calculated at the beginning of each fiscal year.

The board is responsible for determining a bus driver's participation in the activities prescribed in this clause.

Section 2 Professional Induction

5-7.13

For each fiscal year of the agreement, the board shall have available an amount equal to ninety dollars (\$90) per bus driver whose regular workweek includes the number of hours prescribed in clause 8-2.01 to promote professional induction. For any other bus driver working for the board, the amount allocated shall be adjusted proportionally to the regular hours prescribed in his or her workweek. The amount shall be calculated at the beginning of each fiscal year.

The board and the union are responsible for determining a temporary bus driver's participation in the professional induction activities.

¹ A competency certificate is valid for a period of three (3) years as of the date of its issue.

5-8.00 CIVIL RESPONSIBILITY**5-8.01**

The board shall assume the case of every bus driver whose responsibility might be at issue because of actions committed as a result of or in the course of the performance of his or her duties as a bus driver.

5-8.02

The board agrees to indemnify the bus driver against any liability imposed by a final judgement for loss or damage resulting from actions, other than in the case of serious fault or gross negligence, committed by the bus driver as a result of or in the course of the carrying out of his or her duties or in applying clause 5-8.05 as a bus driver but only up to the amount for which the bus driver is not already indemnified by another source, provided that:

- a) the bus driver has given the board a written account of the facts surrounding any claim made against him or her as soon as it is reasonably possible;
- b) the bus driver has not admitted responsibility with regard to such a claim;
- c) the bus driver surrender to the board, up to an amount equal to the loss or damage assumed by it, his or her rights to recourse against the third party and that he or she sign all the documents required by the board for this purpose.

5-8.03

The bus driver shall have the right to engage an attorney, at his or her own expense, and to have him or her assist the attorney chosen by the board.

5-8.04

As soon as the civil responsibility of the board is admitted or established by a final judgement, the board shall indemnify the bus driver for the total or partial loss, theft or destruction of his or her personal belongings which are normally used for the performance of his or her duties at the request of the board except in the case of serious fault or gross negligence on the bus driver's part. In the case where a bus driver holds an insurance policy that covers the total or partial loss, theft or destruction of such belongings, the board shall only pay the bus driver the excess of the actual loss incurred after the compensation is paid by the insurer.

5-8.05

Clause 5-8.01 applies in all cases where a bus driver is called upon as a result of or in the course of the performance of his or her duties to administer first aid to a student or to a bus driver.

5-9.02

The board may also grant a part-time leave without salary to a regular bus driver for a reason it deems valid. The leave shall be for a maximum duration of twelve (12) consecutive months and may be renewed. At the time of the leave, the pertinent provisions of the agreement shall apply to the bus driver concerned on a prorated basis.

5-9.03

The board shall grant a leave without salary to enable a regular bus driver to accompany his or her spouse whose place of work changes temporarily or permanently for a period not exceeding twelve (12) months.

5-9.04

The board shall grant a regular bus driver a full-time or part-time leave of absence without salary for studies leading to a diploma in an officially recognized institution for a period not exceeding twelve (12) consecutive months.

However, the board shall not be required to grant for or during the same period more than one leave of absence at a time. Moreover, the board may refuse a request if it is unable to find a replacement, where applicable.

If more than one request for a leave of absence without salary is submitted for the same period, the regular bus driver who has the most seniority shall have priority.

5-9.05

The board shall grant a regular bus driver a full-time or part-time leave without salary of a minimum duration of one month, without exceeding twelve (12) consecutive months. The regular bus driver may benefit from such a leave every time he or she has accumulated at least five (5) years of seniority.

The granting of the leave shall be subject to the provisions of the second and third paragraphs of clause 5-9.04.

5-9.06

The request to obtain or renew every leave without salary must be made at least thirty (30) days prior to the beginning of the leave; the request shall be made in writing and must specify the reasons as well as the dates of the beginning and end of the leave. Moreover, any request for a part-time leave without salary must specify the schedule of the leave.

5-9.07

In the case where a part-time leave without salary is prescribed in this article, there must be an agreement between the board and the bus driver on the schedule of the leave and on the other terms and conditions of application.

5-9.08

During his or her absence, the bus driver's seniority shall be calculated in accordance with article 8-1.00 of the agreement; he or she shall continue to participate in the basic health insurance plan and shall pay all the required premiums and contributions as well as the applicable taxes on that amount. He or she may also continue to participate in the other insurance plans described in article 5-3.00 of the agreement and in the complementary plans, provided that he or she pay the entire amount of the premiums and contributions required if the regulations of the said plans permit.

5-9.09

The bus driver may, on reasonable grounds, terminate any leave without salary before the date foreseen, upon presentation of at least a thirty (30)-day advance written notice.

5-9.10

On the bus driver's return, he or she shall be reinstated in the position held upon his or her departure, subject to article 7-2.00 of the agreement.

5-9.11

If a bus driver resigns during or at the end of a leave of absence, he or she shall reimburse the board for any amount paid for and in the name of the bus driver.

5-9.12

The bus driver who uses the leave of absence for purposes other than those for which he or she obtained it shall be considered as having resigned as of the beginning of the leave of absence.

5-10.00 LEAVE WITH DEFERRED SALARY**5-10.01**

The leave with deferred salary plan allows a bus driver to have his or her salary spread over a determined period in order to benefit from a leave with salary; the plan can only apply in accordance with the law or the regulations.

The leave shall not have the effect of paying the bus driver benefits upon retirement nor of deferring income tax.

5-10.02

For the purposes of this article, the word "contract" means the contract mentioned in Appendix 11 of the agreement.

5-10.03

Only regular bus drivers shall be eligible for a leave with deferred salary plan.

A bus driver receiving salary insurance benefits or on a leave without salary at the time of the coming into force of the contract shall not be eligible for the plan. Subsequently, the provisions of the contract for such situations apply.

5-10.04

Upon a bus driver's written request, the board may grant him or her a leave with deferred salary.

5-10.05

The leave shall apply only for the period of the contract and duration of the leave as determined in the following table and according to the percentages of salary paid during the contract:

Duration of leave	Duration of participation in plan (contract)			
	24 months	36 months	48 months	60 months
6 months	75.00%	83.33%	87.50%	90.00%

Should a salary adjustment be based on the adjustment clause, overrate and overscale clauses are applied instead on March 31 of the period concerned compared to the preceding March 30 to take into account the adjustment.

6-2.09 Indexation techniques

Salary scale rates are expressed on an hourly basis. When general indexation parameters or other forms of salary scale or rate adjustments are applied, these are applied on the hourly rate and are rounded to the nearest cent.

For the purposes of publishing the collective agreement, the number of weeks to be considered in calculating the annual rate is 52.18. The annual rate is rounded to the nearest dollar.

The class titles referred to in clause 6-2.10 shall be increased as described in that clause.

When rounding to the nearest cent, the following applies:

- When the decimal point is followed by three digits or more, the third and subsequent digits are dropped if the third digit is less than five. If the third digit is equal to or greater than five, the second digit is carried to the higher unit and the third and subsequent digits are dropped.

When rounding to the nearest dollar, the following applies:

- When the decimal point is followed by one digit or more, the first and subsequent digits are dropped if the first digit is less than five. If the first digit is equal to or greater than five, the dollar is carried to the higher unit and the first decimal and subsequent decimals are dropped.

6-2.10 Establishment of salary scales and rates applicable to the following special cases

The method described in clause 6-2.10 shall be used where an indexation parameter or any other form of adjustment is granted to maintain the link with the remuneration structure of all employees working in the health and social services, school service centres, school boards and colleges sectors.

6-2.11 Tow-clause jobs

The salary scale or rate applicable to each of the class titles identified in Appendix 18 is modified to ensure a gap between each step of the reference class title.

The salary scale or rate of a tow-clause job is established as follows:

$$\text{Step rate}_{n, \text{Tow-clause job}} = \text{Step rate}_{n, \text{Reference job}} \times \text{adjustment \%}$$

where n = step number

Rounded to the nearest cent.

The adjustment percentage is shown in Appendix 18.

Where a tow-clause class title only contains a single step, the adjustment is calculated from step 1 of the reference class title.

For trade apprentices, the rate of the reference title is the average single rate of the reference class titles.

The provisions of this clause shall not modify the number of steps of the tow-clause job.

6-3.00 PAYMENT OF SALARY

6-3.01

Bus drivers shall be paid by direct deposit every second Thursday. If a Thursday falls on a nonworking day with pay, bus drivers shall be paid on the preceding working day.

Before claiming the amounts paid in excess to a bus driver, the board shall reach an agreement with the bus driver and the union regarding the method of reimbursement. Failing an agreement, the board shall determine the terms and conditions of reimbursement which may include a deduction from the bus driver's pay. Such terms and conditions must not cause a bus driver to reimburse more than ten percent (10%) of his or her gross salary per pay.

6-3.04

The board shall inform the union and the bus driver concerned simultaneously of any cuts in salary ensuing from the application of the agreement.

6-3.05

In the event where the board omits in error to pay a bus driver on the date foreseen or pays him or her an amount which is less than the amount owing, the board shall, following a request from the bus driver concerned, take the necessary interim measures, without delay, to pay the amount owing.

6-3.06

However, if the bus driver contests a claim by means of a grievance, the amount shall not be recovered before the grievance is resolved if the bus driver submits a written request. However, once the grievance is resolved, the bus driver must, where applicable, reimburse the overpaid amount according to the provisions of this article.

6-4.02

In order to justify reimbursement, any travelling must be authorized by the competent authority.

6-4.03

The bus driver who uses his or her car shall be entitled to a reimbursement in accordance with the norms established by the board, which shall take into account the additional premium required in clause 6-4.08.

6-4.04

The other expenses (public transportation, taxis, parking, accommodations, meals) shall be reimbursed upon presentation of supporting vouchers in accordance with the norms established by the board.

6-4.05

Extracurricular bus trips and late buses are remunerated as follows:

- a) travel time is remunerated at the rate prescribed in clause 6-2.08;

The spouse and dependent child¹ and any other dependent as defined in the Taxation Act (CQLR, chapter I-3) provided that the latter resides with the bus driver. However, for the purpose of this article, the income earned from a job by the bus driver's spouse shall not nullify the latter's status as dependent.

The fact that a child attends a secondary school declared to be of public interest situated elsewhere than in the bus driver's place of residence shall not nullify his or her status as dependent if no public secondary school is accessible where the bus driver lives.

¹ Dependent child means a child of a bus driver, of a bus driver's spouse or of both or a child living with the bus driver and for whom adoption procedures have been undertaken, who is unmarried or not joined in civil union and living or domiciled in Canada, who depends on the bus driver for support and who is under eighteen (18) years of age; also any child who is twenty-five (25) years of age or less, who is a duly registered full-time student attending a recognized educational institution or a child of any age who became totally disabled prior to his or her eighteenth (18th) birthday or twenty-fifth (25th) birthday, if he or she was a full-time student attending a recognized educational institution and has remained continuously disabled since that time.

Moreover, the fact that a child attends preschool or elementary school, recognized of public interest, in a locality other than the bus driver's place of residence shall not remove his or her status of dependent when no school recognized of public interest, preschool or elementary, as the case may be, is accessible in the child's language of instruction (French or English) in the locality where the bus driver lives.

A child aged twenty-five (25) or younger is also considered as having the status of dependent, provided he or she meets the following three (3) conditions:

- the child attends, on a full-time basis, a post-secondary institution recognized of public interest elsewhere than in the place of residence of the bus driver working in a locality situated in sector III, IV, V or working in the locality of Fermont;
- the child had dependent status according to the aforementioned definition;
- the bus driver provided supporting documents to prove that the child is pursuing, on a full-time basis, a post-secondary education program, namely, proof of registration at the beginning of the term and proof of attendance at the end of the term.

The recognition of dependent status defined in the preceding paragraph enables a bus driver to retain his or her isolation and remoteness premium and the dependent child to benefit from the provisions related to outings.

However, the transportation costs allocated to a dependent child under other programs shall be deducted from the benefits related to outings to which the dependent child is entitled.

The details contained in the fourth paragraph do not apply to the provisions concerning food transportation and housing.

Point of Departure

Domicile in the legal sense of the word upon engagement insofar as the domicile is situated in one of the localities of Québec. This point of departure may be modified by an agreement between the board and the bus driver subject to it being situated in one of the localities of Québec.

The fact that a bus driver already covered by this article changes board shall not modify his or her point of departure.

Part-time bus drivers working in one of the aforementioned sectors shall receive a premium in proportion to the hours worked in relation to the regular workweek provided for in clause 8-2.01.

6-6.03

The amount of the isolation and remoteness premium shall be adjusted in proportion to the time worked by the bus driver in the board's territory included in one of the sectors described in clause 6-6.01.

A bus driver on maternity leave or a bus driver on adoption leave who remains in the territory during the leave shall continue to benefit from the provisions of this article.

Subject to the first paragraph of this clause, the board shall cease to pay the premium provided for in clause 6-6.02 if the bus driver and his or her dependents deliberately leave the territory during a paid leave or absence for more than thirty (30) days, except annual vacation, paid legal holidays, sick leave, maternity leave, adoption leave or leave due to a work accident.

6-6.04

If both members of a couple work for the same board or if both work for two (2) different employers in the public or parapublic sector, only one of the two may avail himself or herself of the premium applicable to the bus driver with dependents, if he or she has one or more dependents other than the spouse. If he or she has no dependent other than the spouse, each shall be entitled to the premium appearing in the "no dependents" scale, despite the definition of the term "dependent" found in clause 6-6.01.

Section III Other Benefits**6-6.05**

The board shall assume the following expenses incurred by every bus driver recruited in Québec at a distance of more than fifty (50) kilometres from the locality where he or she is required to perform his or her duties, provided that it be situated in one of the sectors described in clause 6-6.01:

- A) the transportation expenses of the transferred bus driver and his or her dependents;
- B) the cost of transporting his or her personal belongings and those of his or her dependents up to a maximum of:
 - 228 kg for each adult or each child twelve (12) years of age and over;
 - 137 kg for each child under the age of twelve (12);
- C) the cost of transporting the bus driver's furniture (including household utensils), if need be, other than those provided by the board;
- D) the cost of transporting the bus driver's vehicle, if need be, on land, by boat or by train;
- E) the cost of storing the bus driver's furniture, if need be.

The weight of 228 kg provided for in paragraph B) of this clause shall be increased by 45 kg per year of active service during which the bus driver remained in the territory in the employ of the board. This provision shall apply to the bus driver only. For the purposes of applying this paragraph, no active service shall be prorated for the bus driver whose regular workweek includes seventy-five percent (75%) or more of the hours prescribed in clause 8-2.01.

The expenses incurred between the point of departure and the place of assignment shall be paid by the board or shall be reimbursed upon presentation of supporting vouchers.

If a bus driver is recruited from outside Québec, these expenses shall be assumed by the board without exceeding the equivalent costs between Montréal and the locality where the bus driver is called to perform his or her duties.

If both spouses, within the meaning of clause 5-3.02, work for the same board, only one may avail himself or herself of the benefits granted under this section.

The bus driver shall not be reimbursed for the expenses mentioned in this clause if he or she is in breach of contract to go work for another employer before the sixty-first (61st) calendar day of his or her stay in the territory unless the union and the board agree otherwise.

6-6.06

If the bus driver eligible for the provisions of paragraphs B), C) and D) of clause 6-6.05 decides not to avail himself or herself of some or of all of them immediately, he or she shall remain eligible for the said provisions during the year following the date on which the assignment began.

6-6.07

These expenses shall be payable provided that the bus driver is not reimbursed by another plan, such as the federal mobility assistance program plan to look for employment or his or her spouse has not received an equivalent benefit from his or her board or from another source and solely in the following cases:

- A) the bus driver's first assignment: from the point of departure to the place of assignment;
- B) a subsequent assignment or transfer at the request of the board or the bus driver: from one place of assignment to another;
- C) breach of contract, resignation or death of the bus driver: from the place of assignment to the point of departure; in the case of sectors I and II, reimbursement shall only be made proportionately to the time worked in relation to a period of reference established at one year, except in the event of death;
- D) when a bus driver obtains a leave of absence for educational purposes: from the place of assignment to the point of departure; in this case, the expenses mentioned in clause 6-6.05 shall also be payable to the bus driver whose point of departure is situated at fifty (50) kilometres or less from the locality where he or she performs his or her duties.

These expenses shall be borne by the board between the point of departure and the place of assignment or shall be reimbursed upon presentation of supporting vouchers.

If a bus driver is recruited from outside Québec, these expenses shall be borne by the board without exceeding the equivalent costs between Montréal and the locality where the bus driver is called to perform his or her duties.

Section IV Outings

6-6.08

- A) The board shall pay directly or reimburse the bus driver recruited from more than fifty (50) kilometres from the locality where he or she performs his or her duties for the expenses inherent to the following outings for the bus driver and his or her dependents:
- a) the localities of Sector III, except for those listed in the next subparagraph, the localities of Sectors IV and V and Fermont: four (4) outings per year for bus drivers with no dependents and three (3) outings per year for bus drivers with dependents;
 - b) the localities of Clova, Havre-Saint-Pierre, Parent, Sanmaur and Îles-de-la-Madeleine: one outing per year.
- B) The initial place of recruitment shall not be modified due to the fact that the bus driver who is laid off within the framework of clause 7-2.01 and who is subsequently recalled to work has chosen to stay there during the period of unemployment.
- C) The fact that the bus driver's spouse works for the board or another employer in the public or parapublic sector must not grant the bus driver a number of outings paid by the board which is greater than that provided for in this article.
- D) These expenses shall be paid directly or reimbursed upon presentation of supporting vouchers for the bus driver and his or her dependents up to, for each, the equivalent of the price of a return flight from the locality of assignment to the point of departure situated in Québec or as far as Montréal.
- E) Every year, the bus driver who is reimbursed for the costs incurred for outings is entitled, on March 1, to a compensation benefit equal to fifty percent (50%) of the amount of the costs incurred for the third and fourth outings of the preceding calendar year. The benefit shall be paid during the pay period including March 1.

In the cases provided for in paragraphs A) and B) of this clause, an outing may be used by a nonresident spouse or family member to visit the bus driver living in one of the localities mentioned in clause 6-6.01.

6-6.09

If a bus driver or one of his or her dependents must immediately leave his or her place of work situated in one of the localities mentioned in clause 6-6.08 because of an illness, accident or complication related to pregnancy, the board shall pay for the cost of the return flight. The bus driver must prove that it was necessary for him or her to leave immediately. An attestation from the nurse or physician in the locality or, if the attestation cannot be obtained locally, a medical certificate from the attending physician shall be accepted as proof. The board shall also pay for the return flight of the person who accompanies the person who had to leave his or her workplace immediately.

The board shall authorize a bus driver to take a leave of absence without salary if one of his or her dependents must leave the locality immediately within the framework of the preceding paragraph to allow him or her to accompany his or her dependent, subject to the acquired rights related to special leaves.

The bus driver who originates from a locality situated more than fifty (50) kilometres from his or her place of assignment, who was recruited there and who gained the right to outings because he or she lived together in a conjugal relationship with a bus driver working in the public or parapublic sector shall continue to be entitled to the outings provided for in paragraphs A) and B) of this clause even if he or she loses the status of spouse within the meaning of the clause on insurance.

Section V Reimbursement of Transit Expenses

6-6.10

The board shall reimburse the bus driver, upon presentation of supporting vouchers, for the expenses incurred in transit (meals, taxis and hotels, if need be) for himself or herself and for his or her dependents when he or she is hired and on any authorized trip provided for in clause 6-6.08, provided that these expenses not be assumed by a carrier.

These expenses shall be limited to the amounts provided for in the policy established by the board applicable to all its bus drivers.

Section VI Death

6-6.11

In the event of the death of the bus driver or of one of his or her dependents, the board shall pay for the repatriation of the mortal remains. Moreover, in the event of the bus driver's death, the board shall reimburse the dependents for the expenses inherent to the return trip from the place of assignment to the burial place situated in Québec.

Section VII Food Transportation

6-6.12

The bus driver who cannot provide for his or her own food provisions in sectors V and IV and in the localities of Radisson, Mistissini, Oujé-Bougoumou, Chisasibi and Waswanipi because there is no food supplier in his or her locality shall be paid for food transportation expenses up to the following weights:

- seven hundred and twenty-seven (727) kilograms per year per adult and per child of twelve (12) years of age and over;

- three hundred and sixty-four (364) kilograms per year per child under twelve (12) years of age.

The benefit shall be granted according to one of the following formulas:

- a) the board shall take charge of the transportation from the source which is the most accessible or economical with regard to transportation and shall assume the cost directly;
- b) the board shall give the bus driver an allowance equivalent to the cost which he or she would have incurred according to the first formula. Beginning in the year 2000, a bus driver who is entitled to the reimbursement of food transportation costs shall also be entitled every year on March 1 to an additional allowance equal to sixty-six percent (66%) of the expenses incurred for food transportation for the preceding calendar year.

Section VIII Vehicle at a Bus Driver's Disposal

6-6.13

Wherever private vehicles are prohibited, vehicles placed at a bus driver's disposal may be the subject of a local arrangement between the board and the union.

Section IX Lodging

6-6.14

The obligations and practices of the board to provide lodging for the bus driver at the time of hiring shall be maintained only for the locations where they already existed.

The rent charged to the bus drivers who benefit from lodging in sectors V, IV, III and in Fermont shall be maintained at its June 30, 1998 rate.

At the union's request, the board shall explain its lodging policy. Moreover, at the union's request, it shall provide information on its existing maintenance practices.

Section X Provisions of Former Collective Agreements

6-6.15

In the event of benefits greater than the current plan for regional disparities resulting from the application of the former collective agreement or recognized administrative practices, they shall be renewed with the exception of the following elements of the agreement:

- retention premium;
- definition of "point of departure" found in clause 6-6.01;

- rates of premiums and the calculation of the premium for the bus driver in a part-time position provided for in Section II;
- reimbursement of expenses related to moving and outings of the bus driver recruited from outside Québec provided for in Sections III and IV;
- number of outings when the bus driver's spouse works for the board or an employer in the public or parapublic sector provided for in Section IV;
- food transportation prescribed in clause 6-6.12.

6-6.16

A bus driver working in the localities of Sept-Îles (including Clarke City) and Port-Cartier shall receive a retention premium equal to eight percent (8%) of the annual salary.

6-7.00 PREMIUM

6-7.01

Each premium, except for premiums expressed in percentages, shall be increased on the same date and with the same general salary increase parameters as prescribed in clauses 6-2.02 to 6-3.06 and, if applicable, in clause 6-2.07.

CHAPTER 7-0.00 MOVEMENT OF PERSONNEL**7-1.00 MOVEMENT OF PERSONNEL****7-1.01**

These provisions do not guarantee the number of working hours prescribed in the schedule.

Recall to Work at the Beginning of the School Year**7-1.02**

Subject to clause 7-2.02, the bus driver who is recalled to work at the beginning of the school year shall be reinstated in the position held at the end of the preceding school year. Any change in the duration of regular circuit not exceeding twenty (20) minutes per half-day shall not entail the abolition of the position, provided that the bus driver accepts. If the bus driver does not accept such a change, the conditions prescribed in clause 7-2.02 apply.

At least three (3) days before the bus drivers' annual meeting, the board shall submit a list of positions to the union.

In order to determine a work schedule for all positions, the following provisions apply:

- all the positions remain identical to those to the preceding school year until mid-October of the current year;
- the bus driver shall submit the duration of his or her regular circuit to the board no later than the end of September of each year. Any change in the duration of the regular circuit shall be made during the month of October;
- the hours carried out but not paid to the bus driver, following a change in the duration in the regular circuit, shall be paid no later the beginning of November;
- the bus driver may accept a modified position. Failing this, he or she may choose a vacant or newly created position or displace a bus driver under clause 7-2.02;
- the remaining vacant or newly created positions at the end of the procedure shall be assigned under clauses 7-1.04 and 7-1.05.

7-1.03

The districts listed in Appendix 13 for each school board continue to apply until such time as they are replaced by means of a local arrangement.

Vacant Position**7-1.04**

If a position becomes permanently vacant, the board shall have a period of thirty (30) days in which to decide to abolish or modify the position.

When the board decides to fill a permanently vacant position, it shall inform the union in writing and every bus driver within a period equal to at least one pay period.

7-1.05

- A) When the board decides to fill a permanently vacant or a newly created position, it shall proceed in the following order:
- a) it shall proceed according to seniority by district from among the regular bus drivers and the laid-off regular bus drivers who replied to the notice mentioned in clause 7-1.04;
 - b) it shall proceed according to seniority, in the board's territory, from among the regular bus drivers and the regular bus drivers laid off for less than twenty-four (24) months who replied to the notice mentioned in clause 7-1.04;
 - c) failing that, the board shall offer the position to a casual bus driver who has worked for the board for six (6) months within a period of ten (10) consecutive months and whose name is registered on the priority of employment list mentioned in clauses 7-1.11 to 7-1.16;
 - d) failing that, the board may hire a person of its choice.
- B) When the board decides to fill a temporarily vacant position or handle an increase in workload, it shall proceed in the following order:
- a) it shall recall according to seniority a regular bus driver laid off for less than twenty-four (24) months;
 - b) failing that, it shall hire a casual bus driver registered on the priority of employment list mentioned in clauses 7-1.11 to 7-1.16;
 - c) failing that, it shall hire a person of its choice.

A bus driver can refuse if the assignment is situated at more than fifty (50) kilometres by road from his or her domicile.

7-1.06

Any temporarily or permanently vacant position that is filled must not have the effect of increasing student transportation costs.

Distribution of Extracurricular Bus Trips and Late Buses**7-1.07**

Regular bus drivers interested in carrying out extracurricular bus trips or late buses must so request the board at the beginning of the school year. The bus drivers must express their choice, which choice shall apply for the entire school year.

The board shall forward this information to the union and to the bus drivers concerned.

7-1.08

Barring an emergency or an unforeseen event, the trips shall be distributed among the bus drivers at least one week in advance.

7-1.09

The board shall assign an extracurricular bus trip or late bus to the bus driver who has the most seniority from among the bus drivers registered by district mentioned in clause 7-1.03.

Notwithstanding the first paragraph of this clause, the board shall not be required to assign an extracurricular bus trip to a regular bus driver, if such a trip interferes, in whole or in part, with the bus driver's regular circuit.

7-1.10

The trips shall be assigned by district in an equitable manner by rotation according to seniority.

Priority of Employment List**7-1.11**

When the board decides to fill a temporarily or permanently vacant position or to handle an increase in workload under subparagraph c) of paragraph A) or subparagraph b) of paragraph B) of clause 7-1.05, it shall offer the position or employment in the event of an increase in workload to a bus driver according to the duration of employment from among those registered on the priority of employment list who meet the required qualifications and the other requirements determined by the board.

Bus drivers registered on the priority of employment list must inform the board at the beginning of each school year of their choice of district or districts where they wish to work. However, such a choice must not have the effect of increasing student transportation costs.

7-1.12

The duration of employment shall be calculated in years and days.

A casual bus driver who works at least 180 days in a given year shall be credited one year of employment. The duration of employment of a bus driver who works fewer than 180 days shall be calculated in proportion to the days worked.

7-1.13

In order for a bus driver to be eligible for placement on a priority of employment list, he or she must meet the following criteria:

- A) have worked as a casual bus driver for at least seventy-five (75) days during the preceding ten (10) months, regardless of the number of hours worked each day;
- B) have the required qualifications;
- C) have received a satisfactory evaluation.

7-1.14

The name of a bus driver may be struck from the priority of employment list for one of the following reasons:

- a) refusal of an offer of employment under subparagraph b) of paragraph B) of clause 7-1.05 except for:
 - 1) a maternity leave, an adoption leave or a paternity leave covered by the Act respecting labour standards (CQLR, chapter N-1.1);
 - 2) a disability or work accident within the meaning of the agreement;
 - 3) a position within the Centrale des syndicats du Québec, the Fédération du personnel de soutien scolaire or the union;
 - 4) a reason agreed to by the board and the union;
- b) failure to report to work on the date agreed to by the bus driver and the employer without a reason deemed valid by the board;
- c) obtaining a regular position;
- d) not having worked for eighteen (18) months;

e) more than one unsatisfactory evaluation:

- in the case of an unsatisfactory evaluation, the bus driver who believes that the reason invoked by the board is excessive may submit a grievance;
- however, the board can invoke an unsatisfactory evaluation only in the twelve (12) months of such an unsatisfactory evaluation.

7-1.15

The list shall be updated on July 1 of each year according to the duration of employment accumulated on June 30 of each year. A copy shall be sent to the union before July 31.

7-1.16

A local arrangement, within the meaning of article 10-2.00 of the agreement, may replace or modify the provisions dealing with the priority of employment list.

7-2.00 LAYOFF

Temporary Layoff

7-2.01

The board shall determine the approximate duration of each temporary layoff.

However, temporary layoffs during the summer shall be situated between the last day of class of one year and the first day of class of the following school year.

The board shall also determine the order in which the temporary layoffs shall be carried out.

The board shall inform the bus drivers concerned of the date and the approximate duration of the layoff at least one month prior to the effective date of the layoff. A copy of the notice shall be sent simultaneously to the union.

Abolition of a Position

7-2.02

In the event of the abolition of a position, the bus driver concerned may displace a bus driver with less seniority in his or her district or in another district, provided this does not have the effect of increasing student transportation costs. The provisions of this paragraph also apply to a displaced bus driver.

7-2.03

If a displaced bus driver is unable to obtain a position under the preceding clause, he or she shall be laid off.

7-2.04

The board shall inform the bus driver whose position is abolished at least fifteen (15) days prior to his or her layoff.

7-2.05

A laid-off bus driver must inform the board of any change of address or telephone number. Failing such a notice, the board shall not be responsible if it is unable to reach the bus driver concerned.

7-3.00 AMALGAMATION, ANNEXATION OR RESTRUCTURING**7-3.01**

During the fiscal year preceding an amalgamation (including the disappearance of one school board to the benefit of one or more other school boards), an annexation or restructuring, the board may not abolish positions which would result in one or more layoffs of bus drivers if the cause of the abolition results from the amalgamation, annexation or restructuring.

However, as of the fiscal year of the amalgamation, annexation or restructuring, a new school board, an annexing school board or a restructured school board may abolish positions resulting in one or more layoffs of regular bus drivers.

7-4.00 WORK ACCIDENTS AND OCCUPATIONAL DISEASES**7-4.01**

The following provisions apply to a bus driver who suffers a work accident or incurs an occupational disease covered by the Act respecting industrial accidents and occupational diseases (CQLR, chapter A-3.001).

A bus driver who suffered a work accident before August 19, 1985 and who is still absent for that reason shall remain covered by the Workmen's Compensation Act (R.S.Q., c. A-3); moreover, the bus driver shall benefit, by making the necessary changes, from clauses 7-4.14 to 7-4.18 inclusively of this article.

7-4.02

The provisions of this article corresponding to specific provisions of the Act respecting industrial accidents and occupational diseases (CQLR, chapter A-3.001) apply insofar as the provisions of the Act apply to the board.

Definitions**7-4.03**

For the purposes of this article, the following terms and expressions mean:

- a) work accident: a sudden and unforeseen event, attributable to any cause, which happens to a bus driver, arising out of or in the course of his or her work and resulting in an employment injury to him or her;
- b) consolidation: the healing or stabilization of an employment injury following which no improvement of the state of health of the injured bus driver is foreseeable;
- c) health establishment: a public establishment within the meaning of the Act respecting health services and social services (CQLR, chapter S-4.2);
- d) employment injury: an injury or a disease arising out of or in the course of a work accident, or an occupational disease, including recurrence, relapse or aggravation.

An injury or a disease which is solely due to gross and voluntary negligence on the part of the bus driver who suffers or contracts such injury or disease shall not be an employment injury unless it results in the bus driver's death or it permanently and severely affects his or her physical or mental well-being;

- e) occupational disease: a disease arising out of or in the course of his or her work and characteristic of that work or directly related to the risks peculiar to that work;
- f) health professional: a professional in the field of health within the meaning of the Health Insurance Act (CQLR, chapter A-29).

Miscellaneous Provisions**7-4.04**

A bus driver must inform the board of the details concerning a work accident or employment injury before leaving work, if he or she is able to do so or, if not, as soon as possible. Moreover, the bus driver shall provide the board with a medical certificate as prescribed by law, if the employment injury which he or she suffered renders him or her unable to perform his or her duties after the day on which it manifested itself.

7-4.05

The board shall inform the union of every work accident or occupational disease which a bus driver has suffered or contracted as soon as it is brought to its attention.

7-4.06

A bus driver may be accompanied by a union representative to any meeting with the board concerning an employment injury which he or she suffers; in this case, the union representative may temporarily interrupt his or her work, without loss of salary, including applicable premiums, if any, or reimbursement, after having obtained permission from his or her immediate superior; permission cannot be refused without a valid reason.

7-4.07

The board must immediately give first aid to a bus driver who has suffered an employment injury and, if need be, provide transportation to a health establishment, a health professional or to the bus driver's residence as required by his or her condition.

The cost of transportation of the bus driver shall be assumed by the board, which shall reimburse it, if such is the case, to the person who incurred it.

The bus driver shall choose the health establishment, if possible. If the bus driver is unable to express his or her choice, he or she must accept the health establishment chosen by the board. However, the bus driver who was unable to express his or her choice may be transferred to another health establishment of his or her choice, as prescribed by law.

The bus driver shall be entitled to receive care from the health professional of his or her choice.

7-4.08

Notwithstanding clause 5-3.37, the board may require that a bus driver who has suffered an employment injury undergo an examination by a health professional that it designates and gives its reasons for doing so, as prescribed by law. The cost of the examination and travel expenses shall be assumed by the board in accordance with the norms prescribed in clause 6-4.01.

Group Plans**7-4.09**

The bus driver who suffers an employment injury entitling him or her to an income replacement indemnity shall remain covered by the life insurance plan described in clauses 5-3.22 and 5-3.23 and by the health insurance plan described in clause 5-3.24.

The bus driver shall benefit, without losing any rights, from the waiver of his or her contributions to the pension plan (RREGOP). The provisions concerning the waiver of such contributions are an integral part of the pension plan provisions and the resulting costs shall be shared as is the case with any other benefit.

The waiver mentioned in the preceding paragraph shall no longer apply when the employment injury has consolidated.

7-4.10

In the case where the date of consolidation of the employment injury is prior to the 104th week following the date of the beginning of the continuous period of absence due to an employment injury, the salary insurance plan prescribed in clause 5-3.31 shall apply, subject to the second paragraph of this clause, if the bus driver is still disabled within the meaning of clause 5-3.03 and, in this case, the date of the beginning of such absence shall be considered as the date of the beginning of the disability for the purposes of applying the salary insurance plan, particularly clauses 5-3.31 and 5-3.42.

On the other hand, for the bus driver who would receive from the CNESST an income replacement indemnity which is less than the benefit which he or she would have received as a result of the application of clause 5-3.31, the salary insurance plan prescribed in this clause shall apply to make up the difference if the bus driver is still disabled within the meaning of clause 5-3.03 and, in this case, the date of the beginning of such an absence shall be considered as the date of the beginning of the disability for the purposes of applying the salary insurance plan, particularly clauses 5-3.31 and 5-3.42.

7-4.11

A bus driver's bank of sick-leave days shall not be reduced for the days for which the CNESST has paid an income replacement indemnity until the employment injury has consolidated and for the absences prescribed in clause 7-4.18. The same applies for the part of the day on which the employment injury occurred.

Salary

7-4.12

The board shall pay the bus driver who has suffered an employment injury an income replacement indemnity to which he or she is entitled by law if he or she is unable to perform his or her duties as a result of the injury.

For the purposes of this clause, the salary to which the bus driver is entitled includes, where applicable, the premiums for regional disparities prescribed in article 6-6.00.

7-4.13

The parties agree that the CNESST shall reimburse the board the amount corresponding to the income replacement indemnity to which a bus driver who has suffered an employment injury is entitled.

The bus driver who, following a notice, must appear before a Bureau d'évaluation médicale (BEM) or the Tribunal administratif du travail obtains permission from the board to be absent from work without loss of salary for the time deemed necessary by the competent authority. The bus driver must notify his or her immediate superior at least forty-eight (48) hours prior to the date of the absence and produce proof to this effect, if required by the employer.

The bus driver must sign the forms required for such reimbursement. This waiver shall only be valid for the period during which the board has agreed to pay the benefits.

Right to Return to Work**7-4.14**

A bus driver who is informed by his or her physician of the date of consolidation of the employment injury he or she has suffered and of the fact that this bus driver will retain a certain degree of functional disability or that he or she will retain no such disability shall pass on the information to the board without delay.

7-4.15

The bus driver whose employment injury has consolidated and who is again able to carry out the duties of the position he or she held prior to his or her absence shall be entitled to return to his or her position.

7-4.16

The bus driver referred to in the preceding clause who is unable to return to his or her position either because it was abolished or the bus driver was displaced as a result of the application of the agreement, shall be entitled to return to an available equivalent position that the board intends to fill, insofar as he or she is entitled to obtain that position as a result of the application of Chapter 7-0.00.

7-4.17

If the board does not allow a bus driver to exercise the rights mentioned in clauses 7-4.15 and 7-4.16 because the bus driver would have been displaced, laid off, fired, dismissed or would have otherwise lost his or her employment had he or she been at work, the relevant provisions of the agreement shall apply as if the bus driver had been at work at the time of such events; moreover, the exercise of these rights cannot have the effect of cancelling or deferring any suspension imposed under article 8-4.00 of the agreement.

7-4.18

Once the bus driver who has suffered an employment injury returns to work, the board shall pay him or her the salary for each day or part of day during which the bus driver must be absent from work to receive treatment or undergo medical examinations related to the employment injury or to carry out an activity under his or her personal rehabilitation program.

7-5.00 CONTRACTING OUT**7-5.01**

The parties recognize the importance of finding alternatives to reduce contracting out and subcontracting. The quality of services, the quality of life at work, improved work relations and budgetary context must be considered to achieve this objective.

7-5.02

Contracting out must not cause any layoff or reduce the hours of a regular bus driver of the board.

The board cannot contract out on an ongoing basis in a district defined in clause 7-1.03, if it can recall a bus driver from that district or another district laid off for less than twenty-four (24) months from that district or another district, and who is entitled thereto, provided that this does not entail an increase in student transportation costs.

7-5.03

When the board intends to contract out work on an ongoing basis which can be performed under one of the classes of employment of the Classification Plan, it must so inform the union in advance.

7-5.04

The Labour Relations Committee shall study the reasons underlying the proposal submitted by the board under the preceding clause. It shall find alternatives that favour the performance of work by bus drivers. These alternatives shall be submitted to the board before it renders its decision.

In the context of this work, the Labour Relations Committee shall determine the information that it needs and its work schedule.

7-5.05

Any contracting out on an ongoing basis must include a clause specifying the expiry of the contract at the end of the fiscal year if the rules prescribed in clauses 7-5.01 to 7-5.04 have not been respected.

If the rules prescribed in clauses 7-5.01 to 7-5.05 have not been respected, the board must terminate the contract at the end of the fiscal year.

7-5.06

The bus driver must possess the required qualifications and meet the other requirements determined by the board for the position concerned.

7-5.07

The board can only use taxi or sedan transportation, when required. In the case of a grievance, the burden of proof rests with the union.

7-5.08

At the union's request, the board shall provide it with pertinent information concerning the contracting out of student transportation services in effect.

CHAPTER 8-0.00 WORKING CONDITIONS AND FRINGE BENEFITS**8-1.00 SENIORITY****8-1.01 Date of the Coming into Force of the Agreement**

The bus driver in the employ of the board on the date of the coming into force of the agreement shall maintain the seniority already acquired on that date and the seniority rank determined using the calculation prescribed in article 8-1.00 of the 2010-2015 collective agreement.

Within sixty (60) days of the coming into force of the agreement, the board shall forward to the union the official seniority list in effect on that date. The seniority specified on that list cannot be contested by means of a grievance, notwithstanding any provision to the contrary.

8-1.02 Seniority Rank

A regular bus driver's seniority corresponds to that recognized on the preceding June 30 and expressed in years, months and days. On the date of the coming into force of the agreement, seniority shall be converted into a seniority rank determined under this article and cannot be amended, subject to clauses 8-1.03 and 8-1.04.

8-1.03 Determination of the Seniority Rank of a Bus Driver Acquiring the Status of Regular Bus Driver

When a bus driver acquires regular bus driver status after the date of the coming into force of the agreement, the board shall determine the seniority he or she has accumulated on June 30 of the preceding year.

Any period worked for the board before acquiring the status of bus driver covered by clause 1-2.08 or 1-2.09 and article 10-4.00 of a former collective agreement shall be recognized as seniority, retroactively to the first hiring date, unless there is a work interruption of more than twenty-four (24) months, in which case the time worked before the interruption is not counted. The period worked shall be prorated to the regular work hours.

On the date on which the bus driver acquires regular bus driver status, the board shall place him or her on the official seniority list based on his or her seniority rank. However, when the bus driver covered by the first paragraph has not accumulated any seniority on June 30 of the preceding year, the board shall place the bus driver at the bottom of the official seniority list.

The board shall inform a bus driver in writing of his or her seniority expressed in years, months and days and seniority rank and shall forward a copy to the union. The bus driver who believes that there is an error in the seniority calculation may submit a grievance in accordance with the grievance and arbitration procedure within forty-five (45) days of the notice forwarded by the board.

The bus driver who belongs to a group of employees other than the one mentioned above and who obtains a position of bus driver shall be placed at the bottom of the official seniority list. However, his or her seniority corresponds, for any purpose other than movement of personnel and security of employment, to his or her period of employment with the board.

8-1.04 Loss of Seniority and Seniority Rank

A regular bus driver shall lose his or her seniority and seniority rank in the following cases:

- A) permanent termination of employment;
- B) layoff for a period of over twenty-four (24) months;
- C) refusal or negligence to return to work without a justifiable reason within ten (10) days of a recall to work by registered letter or fax sent to his or her last known address.

8-1.05

On June 30 of each fiscal year, the board shall update the seniority list for all regular bus drivers already registered on the official list by granting each regular bus driver an additional year of seniority (not prorated).

8-1.06

The board shall forward a copy to each bus driver.

8-1.07

The seniority list shall become official forty-five (45) days after the union receives it, subject to the changes resulting from a grievance submitted before the list becomes official. However, a revision can be requested after the list becomes official but cannot have any retroactive effect prior to filing the grievance on action taken by virtue of this list.

8-2.00 WORKWEEK AND WORKING HOURS

8-2.01

Subject to clause 8-3.01, the regular workweek shall be from Monday to Friday. The duration of the regular workday shall be determined by the board and shall include the time required by the bus driver to carry out the regular circuit assigned and the time required to prepare and inspect the bus.

8-2.02

Once established, the regular workweek shall be confirmed in writing to each bus driver.

8-2.03

If an event, beyond the bus driver's control, entails an increase in the time normally required to carry out a regular circuit, the additional hours shall be remunerated at the basic hourly rate for a maximum of forty (40) hours. After forty (40) hours, the additional hours shall be remunerated at the basic hourly rate increased by half.

8-3.00 WORK YEAR**Number of Workdays****8-3.01**

The number of workdays of a bus driver shall be equal to the number of days of class during which students are present in school in accordance with the school calendar determined yearly by the board.

8-3.02

When a class day is cancelled, the salary of bus drivers who have been paid will not be reduced on that day. If such a class day is made up on a pedagogical day, bus drivers shall be remunerated for said day of work according to the regular hourly rate.

8-4.00 DISCIPLINARY MEASURES**8-4.01**

Every disciplinary measure and the reasons therefor must be set forth in a written notice addressed to the bus driver concerned. A copy of such a notice must be forwarded to the union within three (3) working days of the sending of the disciplinary measure to the bus driver concerned.

8-4.02

Except in the case of an indefinite suspension or a dismissal based on a moral or criminal issue, any final decision to dismiss or suspend indefinitely a bus driver must be preceded, subject to the fourth paragraph of this clause, by a meeting between the board, the union and the bus driver concerned. During this meeting, the board shall inform the union and the bus driver of the reasons for such a measure. To this end, the bus driver must receive at least a forty-eight (48)-hour written notice before the meeting specifying the hour and the place where he or she must report and indicating the reason for the summons as well as the fact that he or she must be accompanied by a union representative. A copy of such a notice shall also be forwarded to the union at the same time.

In the case of an indefinite suspension or dismissal based on a moral or criminal issue, the meeting between the board, the bus driver and the union shall be convened within forty-eight (48) hours of the board's initial decision.

Following any meeting held by virtue of this clause, the board must inform the bus driver of its final decision, by written notice, within the time limit mentioned in clause 8-4.11. A copy of the notice shall also be sent to the union within the same time limit.

The fact that the union or the bus driver does not attend the meeting duly summoned shall not prevent the board from instituting procedures or imposing a disciplinary measure.

8-4.03

Subject to clause 8-4.02, the board shall summon a bus driver who is suspended; in this case and in the case where the board decides to summon a bus driver regarding every other disciplinary measure which concerns him or her, the bus driver must receive at least a forty-eight (48)-hour written notice specifying the hour and place where he or she must report and indicating the reason for the summons as well as the fact that he or she must be accompanied by a union representative. A copy of this notice shall be transmitted to the union at the same time.

The fact that the union or the bus driver does not attend the meeting duly summoned shall not prevent the board from instituting procedures or imposing a disciplinary measure.

A disciplinary measure handed directly to a bus driver does not constitute a summons as defined in the preceding provisions.

8-4.04

The bus driver may, after having made an appointment, consult his or her official file twice a year, accompanied if he or she so desires by his or her union representative; moreover, upon the bus driver's specific written authorization in each case, the union representative may consult the official file of a bus driver on two (2) other occasions during the year.

8-4.05

The bus driver who is subject to a disciplinary measure may submit a grievance. However, the bus driver who is the subject of a dismissal or indefinite suspension may submit his or her grievance directly to arbitration within thirty (30) working days of the receipt of the notice informing him or her of the board's final decision, insofar as the meeting prescribed in clause 8-4.02 has taken place.

8-4.06

A suspension shall not interrupt the bus driver's seniority. During the suspension, the bus driver shall maintain his or her contribution to the various contributory plans prescribed in the agreement.

8-4.07

In the event of arbitration, the board must establish that the disciplinary measure was imposed for fair and sufficient reason.

8-4.08

The board may invoke an infraction that has been placed in the official file and for which a disciplinary measure has been issued only within twelve (12) months of such infraction.

However, if more than one infraction of the same nature was committed within the twelve (12) months, each of the infractions including the first one mentioned in the preceding paragraph may only be invoked within the twenty-four (24) months of each of them. Any disciplinary measure that is void shall be withdrawn from the file.

8-4.09

No disciplinary measure rescinded by the board may be invoked against a bus driver; the same shall apply to a disciplinary measure declared unjustified by a tribunal or an arbitrator and the facts giving rise thereto.

8-4.10

The provincial negotiating parties agree to grant priority to dismissal cases when preparing the arbitration roll.

8-4.11

Any disciplinary measure imposed more than thirty (30) days following the incident resulting in such a measure or after the board's cognizance of such an incident shall be null, void and illegal for the purposes of the agreement. However, in the case of changes in an indefinite suspension, the thirty (30)-day limit shall not apply at the time of the change.

8-4.12

In the case of dismissal, if there is an appeal through the grievance procedure, the board shall not pay the bus driver concerned the amounts accumulated in the pension fund nor those accumulated in the bank of sick-leave days for as long as the grievance has not been settled. The bus driver shall continue to benefit from the health and life insurance plans, provided that the amounts accumulated to his or her credit cover both his or her contribution and that of the board. Failing this, the bus driver must pay the full premiums in advance.

8-5.00 HEALTH AND SAFETY**8-5.01**

The board and the union shall collaborate through the Labour Relations Committee or a specific health and safety committee to maintain working conditions that respect the health, safety and physical well-being of bus drivers.

8-5.02

The bus driver must:

- a) take the necessary measures to protect his or her health, safety and physical well-being;
- b) see to it that he or she does not endanger the health, safety and physical well-being of other persons who are on the work premises or near the work premises;
- c) undergo health examinations required by law and the regulations applicable to the board and those prescribed in clause 10-7.01.

8-5.03

Insofar as it is prescribed by law and the regulations which are applicable to it, the board must take the measures necessary to protect the health and ensure the safety and physical well-being of bus drivers; it must, in particular:

- a) see to it that the buses under its jurisdiction are equipped and laid out in such a way as to protect the bus drivers;
- b) ensure that the organization of the work and the methods and techniques used to carry out the work are safe and do not endanger the health of bus drivers;
- c) provide suitable lighting and heating;
- d) provide safe material and ensure that it is kept in good condition;
- e) allow a bus driver to undergo health examinations required by law and the regulations applying to the board.

8-5.04

When it becomes necessary by law and the regulations applicable to the board to place safety means and equipment at the disposal of bus drivers in order to meet their specific needs, this must not reduce in any way the efforts required by the board, the union and the bus drivers to eliminate at the source dangers to their health, safety and physical well-being.

8-5.05

When a bus driver exercises the right of refusal provided in the Act respecting occupational health and safety (CQLR, chapter S-2.1), he or she must notify his or her immediate superior or a representative authorized by the board immediately.

As soon as the immediate superior is notified or, where applicable, the representative authorized by the board shall summon the union representative mentioned in clause 8-5.09 if he or she is available or, in the case of an emergency, the union delegate of the district concerned; the purpose of the summons is to assess the situation and the corrective measures that the immediate superior or authorized representative of the board intends to apply.

For the purposes of the meeting following the summons, the union representative or, where applicable, the union delegate may temporarily interrupt his or her work, without loss of salary or reimbursement.

8-5.06

The right of a bus driver mentioned in clause 8-5.05 shall be exercised subject to the relevant provisions of the law and the regulations concerning occupational health and safety applicable to the board and subject to the terms and conditions specified therein, where applicable.

8-5.07

The board cannot impose a layoff or a disciplinary or discriminatory measure due to the fact that the bus driver exercised a right prescribed in clause 8-5.05 in good faith.

8-5.08

Nothing in the agreement shall prevent the union representative or, where applicable, the union delegate from being accompanied by a union advisor at the meeting prescribed in clause 8-5.05; however, the board or its representative must be informed of the presence of the advisor before the meeting is held.

8-5.09

The union may specifically designate one of its representatives to the Labour Relations Committee or to the specific health and safety committee, where applicable, to deal with health and safety matters; the representative may be absent temporarily from work, after having informed his or her immediate superior, without loss of salary or reimbursement, in the following cases:

- a) to attend a meeting prescribed in the third paragraph of clause 8-5.05;
- b) to accompany an inspector of the CNESST during an inspection visit to the board in connection with a matter dealing with the health, safety and physical well-being of a bus driver.

8-5.10

The school administration shall assign staff to supervise school transportation upon student arrival and dismissal.

Staff members assigned to supervision shall assist the bus driver if a student's behaviour compromises transportation safety when students are getting on the bus at the educational institution.

If no staff member is assigned to supervision, the bus driver shall contact one of the persons designated by the administration.

The transportation policy applies to incidents occurring en route.

8-6.00 CLOTHING AND UNIFORMS**8-6.01**

The board shall provide its bus drivers, free of charge, with any uniform, special clothing or safety shoes which it requires them to wear due to the nature of their work as well as any special article or garment required by law and the regulations.

Moreover, the board and the union, if they deem it necessary for the performance of duties, may agree that the board provide the bus driver free of charge with any special article, uniform or clothing.

8-6.02

The special articles, clothing, uniforms or safety shoes supplied by the board shall remain its property and may only be replaced upon the return of the old special article, clothing, uniform or safety shoes, unless the bus driver is prevented from doing so due to circumstances beyond his or her control. The board shall decide if a uniform, clothing, article or safety shoes must be replaced.

8-6.03

The upkeep of uniforms, clothing, special articles or safety shoes supplied by the board shall be the bus driver's responsibility except for special clothing such as overalls, smocks and other similar items which are used exclusively on the premises and for working purposes.

8-6.04

Any grievance concerning the application of this article shall be referred to the grievance procedure without assessors.

8-7.00 TECHNICAL CHANGES**8-7.01**

For the purposes of this article, a technical change means a change made to the operations resulting from the introduction or addition of new machinery, equipment or apparatus or its modification, thereby modifying the duties entrusted to a bus driver.

The bus driver whose duties are modified because of the introduction of a technical change shall receive, when needed, appropriate training in keeping with his or her skills. The board shall assume the cost of the training and shall normally be dispensed outside a bus driver's working hours. The hours shall be remunerated at the bus driver's basic hourly rate.

8-7.02

The board shall inform the union in writing of its decision to introduce a technical change at least thirty (30) days before the date foreseen for the implementation of such a change.

8-7.03

The notice mentioned in the preceding clause contains the following information:

- a) nature of the change;
- b) date foreseen for the implementation;
- c) bus drivers concerned.

CHAPTER 9-0.00 SETTLEMENT OF GRIEVANCES, ARBITRATION AND DISAGREEMENT**9-1.00 PROCEDURE FOR SETTLING GRIEVANCES****9-1.01**

A bus driver who has a problem concerning his or her working conditions which may give rise to a grievance, must discuss it with his or her immediate superior in order to attempt to solve it, accompanied if he or she wishes, by his or her union delegate or representative. However, the fact that the bus driver has not followed this procedure shall not cause the bus driver to lose any rights.

9-1.02

It is the express intent of the parties to settle all grievances regarding the application and interpretation of the agreement within the shortest possible time.

9-1.03

In the case of grievances, the board and the union shall agree to comply with the following procedure:

a) Step One

The bus driver shall submit the grievance, in writing, to the authority designated by the board or to the board if there has been no such designation, and the union, where applicable, files a copy with the chief records clerk using the electronic form of the Greffe¹, within ninety (90) days of the date of the event that gave rise to the grievance. The union must indicate on the grievance the date of the 50th working day following the date of the notice of grievance.

Any grievance pertaining to psychological harassment must be submitted within two (2) years of the last incidence of such behaviour.

After registering the notice of grievance, the Greffe immediately acknowledges receipt to the union. A copy of the acknowledgment of receipt and the notice of grievance is sent without delay to the Centrale, the QESBA, the Ministère and the board concerned.

The representatives of both the union and the board must meet to study the grievance within ten (10) working days of its receipt.

¹ In the event of a computer problem preventing the use of the electronic form, the union may forward the notice of grievance by registered mail to the address of the Greffe indicated in clause 9-2.01 or by fax. In such a case, a copy of the notices must be sent simultaneously to the board.

However, the fact that this procedure has not been followed shall cause neither the bus driver nor the union to lose any rights.

In order to participate in such a meeting, three (3) union representatives may be released without loss of salary or reimbursement by the union.

The board shall give its written reply to the union within the twenty (20) working days following the receipt of the grievance and shall forward a copy to the bus driver. This notice must clearly indicate, for information purposes and without prejudice, the main reasons for the decision.

b) Step Two

In the case of an unsatisfactory written reply, no reply or if the board's reply was not forwarded to the union within the time limit prescribed, the grievance is deemed to be submitted to arbitration fifty (50) working days from its filing by the union.

9-1.04

The union may file and submit a grievance on behalf of a bus driver, a group of bus drivers or all bus drivers. In this case, the union must comply with the procedure prescribed in clause 9-1.03.

9-1.05

The time limits referred to in this article shall be compulsory, unless there is a written agreement to the contrary. Failure to comply with the time limits prescribed in this article shall render the grievance null, void and illegal for the purposes of the agreement.

However, the rejection of a grievance cannot as such be considered as an acknowledgment by the union of the board's allegations and cannot be invoked as a precedent.

9-1.06

The grievance notice shall contain a summary account of the facts so as to be able to identify the problem raised. The notice shall also contain, for information purposes and without prejudice, the clauses concerned and the corrective measures required.

No grievance must be rejected because of faulty drafting. The grievance may be amended provided that the amendment does not alter the nature of the grievance.

If such an amendment is submitted within the five (5) working days preceding the hearing date, the board shall obtain, upon request, a postponement.

9-1.07

A bus driver must in no way be penalized, harassed or disturbed due to his or her involvement in a grievance.

9-2.00 ARBITRATION PROCEDURE**9-2.01**

For the term of this agreement, the chief arbitrator of the Greffe des tribunaux d'arbitrage du secteur de l'éducation (Records Office) is Mr. André G. Lavoie, Esq¹.

Any grievance submitted to arbitration shall be decided by an arbitrator included in the list determined by the parties in accordance with Appendix 21, and submitted to the Greffe des tribunaux d'arbitrage du secteur de l'éducation (Records Office).

However, the arbitrator shall proceed with the arbitration with assessors if, when the grievance is entered on the monthly arbitration roll or within the fifteen (15) days that follow, there is a request to this effect by the representatives of the Centrale, the QESBA and the Ministère.

9-2.02

In the event of an arbitration with assessors, an assessor shall be appointed by the Centrale and another appointed jointly by the QESBA and the Ministère within the time limit prescribed in the last paragraph of clause 9-2.01 to assist the arbitrator and represent each party during the hearing of the grievance and the deliberation.

The assessor thus appointed shall be deemed competent to sit whatever his or her past or present activities, interests in the dispute or duties in the union, board or elsewhere.

9-2.03

Upon his or her appointment, the chief arbitrator, before acting, shall take an oath or shall pledge on his or her honour, before a Superior Court judge, to perform his or her duties as prescribed by law and the agreement.

Upon his or her appointment, each arbitrator shall take an oath or shall pledge on his or her honour before the chief arbitrator for the term of the agreement to render his or her decisions in conformity with the law and the agreement.

¹ Address of the chief arbitrator:
Greffe des tribunaux d'arbitrage du secteur de l'éducation
Édifice Marie-Guyart
1035, rue De La Chevrotière, 1^{er} étage, bureau 120
Québec (Québec) G1R 5A5

9-2.04

The chief arbitrator or, in his absence, the chief records clerk under the authority of the chief arbitrator shall:

- a) prepare the monthly arbitration roll in the presence of the representatives of the parties to the provincial agreement;
- b) appoint an arbitrator in accordance with clause 9-2.01;
- c) set the time, date and place of the first arbitration session; arbitration sessions, in the case of school boards located outside Québec City and Montréal, shall take place, at the parties' request, in the territory of the school board concerned;
- d) indicate for each grievance whether the arbitration is referred to a single arbitrator or an arbitrator assisted by assessors in accordance with the procedure described in this article or to an arbitrator appointed in accordance with the accelerated procedure described in Appendix 4.

The Records Office shall notify the arbitrators, the assessors, the parties concerned, the Centrale, the QESBA and the Ministère. The same applies to an arbitrator appointed to hear a grievance in accordance with the accelerated arbitration procedure described in Appendix 4 or to act as a mediator within the context of prearbitration mediation.

9-2.05

Subsequently, the arbitrator shall set the time, date and place of the subsequent sessions and shall so inform the Records Office; the Records Office shall notify the assessors, the parties concerned, the Centrale, the Ministère and the QESBA. The arbitrator shall also set the time, date and place of the deliberation sessions and shall so inform the assessors.

9-2.06

If an arbitrator is unable to act because he or she resigns, refuses to act or for other reasons, the arbitrator shall be replaced according to the procedure established for the original appointment.

If an assessor is unable to act because he or she resigns, refuses to act or for other reasons, the party which designated him or her shall appoint a replacement.

9-2.07

An arbitrator may proceed with the arbitration if the party that the assessor represents does not designate a replacement within the time limits he or she prescribes.

9-2.08

The arbitrator shall ensure compliance with the operating rules of the Records Office and, notably, those found in Appendix 4.

9-2.09

At any time, before the end of the hearings, the provincial negotiating union party, the QESBA and the Ministère may individually or collectively intervene and may make any representation to the arbitrator that they deem appropriate or relevant.

However, if one of the parties mentioned in the preceding paragraph wishes to intervene, it must so inform the other parties.

9-2.10

The arbitration sessions shall be public. The arbitrator may, however, on his or her own initiative or at the request of one of the parties, order the sessions to be held in camera.

9-2.11

The arbitrator may deliberate in the absence of an assessor who does not attend after having been convened in accordance with clause 9-2.05 at least seven (7) days in advance.

9-2.12

The arbitrator must render his or her decision within forty-five (45) days of the end of the hearing, except in the case of written notes, in which case the board and the union may agree to extend the time limit. However, the decision shall not be null for the sole reason that it was rendered after the expiry of the time limits.

The chief arbitrator may not assign a grievance to an arbitrator who has not rendered a decision within the time limit allotted as long as the decision has not been rendered.

9-2.13

The arbitration decision shall state the reasons therefor and shall be signed by the arbitrator.

The assessor may draft a separate report which shall be attached to the decision.

The arbitrator shall file the original signed copy of the decision at the Records Office.

The Records Office, under the responsibility of the arbitrator or the chief arbitrator, shall forward a copy of the said decision to the assessors, the parties involved, the Centrale, the Ministère and the QESBA and shall file for and on behalf of the arbitrator two (2) certified copies with the Minister of Labour.

9-2.14

At any time before the final decision, an arbitrator may render any provisional or interlocutory decision which he or she deems fair and useful.

The arbitration decision shall be final, executory and shall bind the parties.

When the decision includes a time limit in which to comply with an obligation, the time limit shall begin on the day the decision was sent by the Records Office, unless the arbitrator decides otherwise in the decision.

9-2.15

An arbitrator may not, by his or her decision, subtract from, add to or modify the clauses of the agreement.

9-2.16

Subject to articles 2-1.00, 9-1.00 and 9-2.00, a grievance filed by a bus driver who is no longer in the employ of the board or by the union for a bus driver who is no longer in the employ of the board shall be considered as validly submitted to arbitration, provided that the facts which gave rise to the grievance occurred during the period of employment or as a result of his or her departure and entitles him or her to a monetary claim.

9-2.17

As regards a disciplinary measure, the arbitrator may uphold, modify or annul the decision of the board. Any compensation must take into account the amounts earned by the said bus driver during the period in which he or she should not have been suspended or dismissed.

9-2.18

The chief arbitrator shall choose the chief records clerk.

9-2.19

The board and the union may agree in writing that grievances be subject to the mediation-arbitration procedure provided for in Appendix 2. Failing this, grievances shall be subject to the arbitration procedure prescribed in this article.

9-2.20**A) Arbitrators and Mediators' Fees and Expenses**

In the case of arbitration, the fees and expenses shall be paid by the party that submitted the grievance if it is rejected and by the party to which the grievance was submitted if it is upheld.

If the grievance is partially upheld, the arbitrator shall determine the proportion of the fees and expenses payable by each party.

Notwithstanding the foregoing, in the case of a grievance contesting a dismissal, the arbitrator's fees and expenses shall be assumed by the Ministère.

If the grievance is settled, regardless of the number of grievances concerned and the nature of the settlement, the amount payable in cancellation fees as well as the arbitrator's fees and expenses, if any, shall be assumed equally by the parties or according to the terms and conditions of settlement.

At the request of either party, the arbitrator who takes note of the settlement may agree on a different distribution.

If the grievance is unresolved, the party that withdraws or accedes to it shall assume the amount payable in cancellation fees.

In the case of a deferral, the amount payable in cancellation fees, if any, shall be assumed by the party that requested the deferral or shall be shared equally in the case of a joint request.

Should a hearing be cancelled, the amount payable in cancellation fees is four hundred dollars (\$400) and applies only if the cancellation request is made to the arbitrator thirty (30) days or less prior to the hearing date.

In any type of mediation, the mediator's fees and expenses shall be shared equally by the parties. If the mediator is mandated to act as an arbitrator in the same file, the fees and expenses charged as an arbitrator shall be assumed according to the rules prescribed in this clause. The terms and conditions related to the amount payable in arbitration cancellation fees apply, if any, to mediation.

B) Expenses of the Records Office

The expenses of the Records Office and the salaries of the Records Office personnel shall be borne by the Ministère.

The arbitration hearings and deliberations shall be held on premises free of rental costs.

C) Terms and Conditions

Paragraph A) of this clause shall only apply to a grievance filed as of February 1, 2006. Any grievance filed before that date shall continue to be covered by clause 9-2.21 of the 2000-2002 collective agreement.

9-2.21

The assessors shall be remunerated and their expenses reimbursed by the party they represent.

9-2.22

The stenography costs shall be assumed by the party which requires it.

If there is a transcript of the official stenographic notes, a copy thereof shall be forwarded by the stenographer, without cost, to the arbitrator and assessors before the beginning of the deliberations.

9-2.23

At the request of a party or on his or her own initiative, an arbitrator shall forward or otherwise serve any order or document and may summon a witness as provided for in the Labour Code (CQLR, chapter C-27).

9-3.00 DISAGREEMENT**9-3.01**

Any disagreement defined in clause 1-2.15 which may arise during the term of the agreement shall be referred to the Labour Relations Committee.

CHAPTER 10-0.00 MISCELLANEOUS PROVISIONS**10-1.00 CONTRIBUTIONS TO A SAVINGS INSTITUTION OR CREDIT UNION****10-1.01**

The union shall notify the board of its choice of a single savings institution or credit union for its members. It shall forward to the board a standard form authorizing deduction.

10-1.02

The board shall collaborate in facilitating this operation.

10-1.03

Thirty (30) days after the savings institution or credit union has forwarded the authorizations for deductions to the board, the latter shall deduct from each salary payment of the bus driver who has signed such an authorization the amount that he or she has indicated as a deduction for deposit in the said savings institution or credit union.

10-1.04

Thirty (30) days after a bus driver's written notice to this effect, the board shall cease to deduct the bus driver's contribution to the savings institution or credit union.

10-1.05

The amounts thus deducted at source shall be forwarded to the savings institution or credit union concerned within eight (8) days of their deduction.

10-1.06

The list of changes to be made in deductions shall be accepted only between October 1 and 31 and between February 1 and 28 of each year.

10-1.07

Article 10-1.00 applies, by making the necessary changes, to the bus driver who wishes to purchase government savings bonds.

10-2.00 LOCAL ARRANGEMENTS**10-2.01**

The board and the union may agree on local arrangements according to the following procedure.

10-2.02

No local arrangement may directly or indirectly modify a provision of the agreement which cannot be the subject of a local arrangement.

Between the date of the coming into force of the agreement and the replacement of a local arrangement, the parties agree to conform to the provisions of the former local arrangement.

10-2.03

Failing a local arrangement on a subject for which the agreement or the law so provides, the provisions of the agreement apply.

10-2.04

The board or the union may give an eight (8)-day written notice of its intention to meet the other party for the purposes of discussing the replacement of one or more provisions of the agreement which could be the subject of local arrangements.

10-2.05

To be considered valid, any agreement constituting a local arrangement under this article must meet the following requirements:

- a) it must be in writing;
- b) the board and the union must sign it through their authorized representatives;
- c) any article thus modified must appear in the agreement;
- d) it must be filed in accordance with the provisions of the Labour Code (CQLR, chapter C-27);
- e) the date of the application of the agreement must be stipulated therein and may in no case be prior to the date of the coming into force of the agreement and, unless otherwise indicated, this agreement shall be in effect until it is replaced or, at the latest, until the coming into force of new stipulations negotiated and agreed at the provincial level.

10-2.06

No provision of this article may give rise to the right to strike or to lockout nor may it lead to a dispute as defined in the Labour Code (CQLR, chapter C-27).

10-2.07

Any local arrangement may be cancelled or replaced by a written agreement between the board and the union. Such an agreement must fulfill the requirements of clause 10-2.05.

10-2.08

At the union's request, the board shall release, without loss of salary or reimbursement, a maximum of two (2) bus drivers designated by the union in order to participate in the joint meetings required to discuss the provisions arising from this article. The bus driver must notify his or her immediate superior before leaving.

10-3.00 DISTRIBUTION AND TRANSLATION OF AGREEMENT**10-3.01**

As soon as possible after the coming into force of the agreement, the provincial negotiating employer group shall make available on the CPNCA site the agreement and the Classification Plan.

10-3.02

The French text shall constitute the official text of the agreement. However, the provincial negotiating parties shall agree to an English version of the agreement for administrative purposes.

10-3.03

The text of the agreement and the Classification Plan shall be translated into English at the expense of the CPNCA. The English version must be made available to English-speaking bus drivers and to the union as quickly as possible.

10-3.04

The board must, in each of its buildings, place at the disposal of bus drivers a computer so that they may consult the agreement and the Classification Plan on the CPNCA site.

10-4.00 COMING INTO FORCE OF THE AGREEMENT**10-4.01**

The agreement shall come into force on the date it is signed and shall have no retroactive effect other than that prescribed in clause 10-4.06.

10-4.02

The agreement shall expire on March 31, 2028.

However, the working conditions provided for in the agreement continue to apply until a new collective agreement is signed.

10-4.03

Within sixty (60) days of the date of the coming into force of the agreement, bus drivers employed by the board shall be entitled to receive the amounts prescribed in clause 10-4.06.

10-4.04

Within one hundred and twenty (120) days of the date on which the agreement comes into force, the board shall provide the union with a list of bus drivers who have left its employment between April 1, 2023 and the date on which the agreement comes into force, including the latest known address.

The bus driver whose employment ended between April 1, 2023 and the date on which the agreement comes into force must submit a written request to the board for payment of the amount owing under clause 10-4.06 within one hundred and twenty (120) days of the date on which the union receives the list. In the event of the bus driver's death, the request may be made by his or her beneficiaries.

The amounts prescribed in clause 10-4.06 shall be paid within sixty (60) days of receiving the request.

10-4.05

The board shall pay bus drivers the retroactive amounts owing and shall provide them with a statement of the payment calculations, with a copy to the union.

10-4.06

The bus driver employed by the board between April 1, 2023 and the date on which the agreement comes into force is entitled to a retroactive amount equal to the difference, if it is positive, between the salary or, as the case may be, the amount to which he or she would have been entitled taking into account his or her active service or the number of hours remunerated during that period in accordance with the following provisions:

5-3.31, 5-4.00, 6-2.00, 6-6.00, 7-4.12

and

the amounts already paid by the board between April 1, 2023 and the date on which the agreement comes into force.

10-4.07

The board shall apply the new salary rate prescribed in clause 6-2.07 within forty-five (45) days of the date on which the agreement is signed.

10-4.08

The time limits prescribed in the grievance procedure shall be extended until such time as the provincial negotiating employer group has made available on the CPNCA site the official text of the agreement.

10-4.09

Strikes and lockouts shall be prohibited as of the date of the coming into force of the agreement and as long as the right to strike and to lockout has not been acquired in accordance with the Labour Code (CQLR, chapter C-27).

10-5.00 APPENDICES**10-5.01**

The appendices are an integral part of the agreement, unless provided otherwise.

10-6.00 INTERPRETATION OF TEXTS (PROTOCOL)**10-6.01**

For the purposes of this agreement, the use of a fax shall constitute, in every case, a valid mode of transmission of a written notice.

APPENDIX 1**PARENTAL RIGHTS****Amendments Made to Parental Rights**

Should amendments be made to the Québec Parental Insurance Plan, the Employment Insurance Act (S.C. 1996, c. 23) or the Act respecting labour standards (CQLR, chapter N-1.1) with respect to parental rights, the parties agree to meet to discuss the possible implications of the amendments on the current parental rights plan.

APPENDIX 2 MEDIATION ARBITRATION

1. Pursuant to clause 9-2.19, the board and the union agree, in writing, on a mediation-arbitration procedure and shall so advise the Records Office as soon as possible; they shall indicate, if applicable, any previous grievance or grievances for which the mediation-arbitration procedure was used. Starting with this agreement, all grievances shall be submitted to the mediation-arbitration procedure.
2. The parties agree on the person who must act as mediator-arbitrator from the list of arbitrators found in the agreement and shall so advise the Records Office. Failing agreement, the mediator-arbitrator shall be appointed, at the request of either party, by the chief arbitrator from the same list.
3. The mediator-arbitrator shall attempt to help the parties find a solution. To this end, he or she shall be able to use the powers of conciliation.

If a settlement is reached at this stage, it shall be confirmed in writing and shall bind the parties.

4. Failing a settlement, the mediator-arbitrator must dispose of the grievance in accordance with the clauses of article 9-2.00 which are not incompatible with this appendix.

APPENDIX 3

AMALGAMATION, ANNEXATION OR RESTRUCTURING OF SCHOOL BOARDS

The provincial employer group hereby agrees that, in the event of an official decision concerning an amalgamation, annexation or restructuring of English-language school boards, a meeting shall be held with the provincial negotiating union group to discuss the terms and conditions for the transfer and reassignment of bus drivers.

APPENDIX 4**ARBITRATION OF GRIEVANCES**

In order to improve the effectiveness of the arbitration system, to reduce costs and to enable the local parties to assume greater responsibility for arbitration files, the parties agree, while complying with the current arbitration procedures prescribed in the agreement, to set up a provincial committee for settling grievances and to implement two new methods for settling grievances, namely: prearbitration mediation and accelerated arbitration of a "small claims" nature.

I- MANDATE OF PROVINCIAL COMMITTEE FOR SETTLING GRIEVANCES

The provincial committee for settling grievances composed of one representative of the CPNCA and one representative of the Fédération du personnel de soutien scolaire (CSQ) shall have the following mandate:

- ▶ conduct operations aimed at the greatest possible reduction of the number of grievances accumulated according to the priorities and procedures determined by the committee;
- ▶ intervene, prior to entering a file, with the local parties in order to help them resolve the issue;
- ▶ guide the parties towards the appropriate method to resolve grievances;
- ▶ encourage a better use of the time allotted to hearings and a reduction in their duration.

II- PREARBITRATION MEDIATION

The board and the union may agree to proceed with prearbitration mediation in dealing with certain grievances. To do so, the parties shall forward a joint notice to the Records Office. The Records Office shall recommend to the parties a list of mediators chosen from the list determined by the parties in accordance with Appendix 21 and submitted to the Greffe. Once the parties have approved a name from that list, the Records Office shall set the date, as quickly as possible, of the first mediation session.

Only an employee of the board and an employee or an elected member of the union may represent the parties; they may, however, after having informed the other party, call upon an advisor.

The mediator shall attempt to help the parties reach a settlement. If a settlement is reached, the mediator shall take note thereof, draft it and file a copy at the Records Office. The settlement shall bind the parties.

The Records Office shall file two (2) certified copies with the Minister of Labour, Employment and Social Solidarity.

The procedure shall apply for every group of grievances agreed to by the board and the union.

In the event that a number of grievances included in the prearbitration mediation procedure are unresolved, those remaining shall be dealt with according to the arbitration procedure agreed to between the parties.

The mediator cannot act as an arbitrator in any grievance not settled at the prearbitration mediation stage, unless the parties agreed otherwise, in writing, prior to mediation.

The honoraria and expenses of the arbitrator who is mandated to act as a mediator shall be shared equally by the parties as is the case of an arbitration mandate.

III- ACCELERATED ARBITRATION PROCEDURE OF A "SMALL CLAIMS" NATURE

1- Admissible Grievances

Any grievance may be referred to this procedure provided that the parties (board and union) explicitly agree to do so. In this case, a notice signed jointly by the authorized representatives of the parties, attesting such an agreement, shall be forwarded to the Records Office.

Failure on the part of the board and the union to sign a joint notice of their intent to refer a grievance to the accelerated arbitration procedure, the board or the union may indicate separately such intent by forwarding a separate written notice to this effect to the Records Office along with a certified copy to the other party.

In this latter case, the written notice of the union and that of the board must both be received by the Records Office at least seven (7) days prior to entering the grievance in question on the arbitration roll.

2- Arbitrator

The arbitrator shall be appointed by the Records Office; he or she shall conduct an investigation, interrogate the parties and witnesses previously identified to the other party and may attempt to reconcile the parties either at their request or with their consent.

3- Representation

Only an employee of the board and an employee or an elected member of the union may represent the parties; they may, however, after having informed the other party, call upon an advisor.

4- Duration of Hearing

In general, a hearing usually lasts one hour.

5- Award

The arbitration award must contain a brief description of the dispute and a summary of the reasons supporting its conclusion (approximately two pages). This decision may not be cited or used by anyone as regards the arbitration of any other grievance, unless the grievance is related to an identical dispute between the same board and the same union and deals with the same facts and clauses.

The arbitrator shall render his or her decision and shall forward a copy to the parties within a maximum five (5)-working day time limit after the hearing. He or she shall also file the signed original copy at the Records Office.

6- Applicable Provisions of the Agreement

Articles 9-1.00 and 9-2.00 apply by adapting them to the accelerated arbitration procedure prescribed in this appendix, except for clause 9-2.02, the second paragraph of clause 9-2.06, clauses 9-2.07, 9-2.09, 9-2.11, the first paragraph of clause 9-2.12, the first, second and third subparagraphs of clause 9-2.13, the first paragraph of clause 9-2.14, and clauses 9-2.19, 9-2.21 and 9-2.22.

IV- OTHER MEASURES CONTRIBUTING TO REDUCING THE COSTS OF THE ARBITRATION SYSTEM AND TO INCREASING ITS EFFECTIVENESS

- A) In order to reduce the amounts earmarked for the expenses and honoraria of arbitrators and to resolve a greater number of grievances, the provincial parties agree to:
- ▶ encourage the local parties to use the prearbitration mediation procedure and the accelerated arbitration procedure of a "small claims" nature;
 - ▶ keep an updated list of joint requests of the local parties as regards prearbitration mediation and accelerated arbitration of a "small claims" nature;
 - ▶ submit the list on a regular basis to the chief arbitrator or chief records clerk to enable him or her to set the date of the first meeting.
- B) Holding of hearings prescribed under article 9-2.00:
- ▶ the attorneys assigned to every grievance file shall inform the arbitrator and each other of the nature of the preliminary methods they intend to raise one week prior to the hearing;
 - ▶ every hearing shall be scheduled for 9:30 a.m., the attorneys, assessors, where applicable, and the arbitrator must use the first half-hour for a private preparatory session.

The purpose of the preparatory session is to:

- improve the arbitration process, to better use the availability time invested therein and to accelerate the holding of hearings;
- allow the parties to declare, if not already done, the means they intend to use to plead the case other than those mentioned in the preliminary remarks;
- outline the dispute and identify the issues to be discussed in the course of the hearing;
- ensure the exchange of documentary evidence;
- plan the presentation of evidence to be produced in the course of the hearing;
- study the admissibility of certain facts;
- analyze any other question which could simplify or accelerate the hearings.

- g) forwarding to the insurer the names of bus drivers who have indicated to the board that they intend to retire.
 - B) In the case of general group insurance (FAMR) provided for in paragraph D) of clause 5-3.21, the board shall merely forward the deducted premiums to the insurer.
 - C. Clause 5-3.21 is modified by adding the following paragraph D):
 - 5-3.21 D) General Group Insurance (FAMR)

The Centrale may also determine the provisions of the general insurance plans (FAMR). The cost of the plans shall be borne entirely by the participants.

The bus drivers referred to in subparagraph a) of clause 5-3.01 may benefit from a deduction at source of the insurance premiums for the plans.

Only subparagraph k) of clause 5-3.30 applies to the general group insurance plans (FAMR)¹.
 - D. Subparagraph a) of paragraph B) of clause 5-3.21 is modified as follows:
 - 5-3.21 B) a) the provisions of subparagraphs b) to l) of clause 5-3.30;
 - E. Clause 5-3.25 is modified by adding the following subparagraph d):
 - 5-3.25 d) The board's contribution to the health insurance plan shall be sent to the insurer in two (2) installments each year:
 - i) the first installment shall cover the period from January 1 to June 30 and shall be established by the insurer for all bus drivers concerned for the pay period which includes April 1 and for whom such contribution must be made; the installment represents fifty percent (50%) of the board's contribution;
 - ii) the second installment shall cover the period from July 1 to December 31 and shall be established by the insurer for all bus drivers concerned for the pay period which includes November 1 and for whom such contribution must be made; the installment represents fifty percent (50%) of the board's contribution.

¹ FAMR: Fire, Accident and Miscellaneous Risk

F. The third paragraph of clause 5-3.28 is replaced with the following:

5-3.28 Notwithstanding clause 5-3.01, the bus driver on a leave without salary for twenty-eight (28) days or less shall remain covered by the plan. The insurer shall, upon the bus driver's return to work, adjust his or her premiums to take into account the total amount of the required premiums due during his or her leave, including the board's share.

Notwithstanding clause 5-3.01, the bus driver on a leave without salary for more than twenty-eight (28) days shall remain covered by the plan. The insurer shall claim directly from the bus driver the total amount of the premiums due, including the board's share.

G. Subparagraph k) of clause 5-3.30 becomes subparagraph l) of the same clause.

The new subparagraph k) of clause 5-3.30 is as follows:

5-3.30 k) the insurer shall determine the total amount of the bus driver's premiums for each pay period and shall transmit it to the board by computerized listing so that the board can make the deduction;

APPENDIX 6**TECHNICAL COMMITTEE ON INSURANCE**

The Ministère, the QESBA and the Centrale agree that the mandate of the committee provided for in clause 5-3.20 shall be to ensure the implementation of a system for the computerized billing and remittance of personal insurance premiums and for the deduction at source of general property insurance premiums (FAMR).

APPENDIX 7 USE OF BANK OF SICK-LEAVE DAYS¹

USE OF BANK OF SICK-LEAVE DAYS

An employee who (1) resigns or (2) retires and receives a pension may redeem the sick-leave days accumulated in his or her bank. The school board shall recognize each day accumulated in his or her bank as equal to a half-day (0.5) up to the maximum specified in the following table:

APPENDIX 8

PROGRESSIVE RETIREMENT PLAN

- 1) The progressive retirement plan, hereinafter called the "plan", is intended to enable a bus driver to reduce his or her time worked for a period of one (1) to five (5) years. The proportion of the number of hours worked per week must not be less than fourteen (14) hours.

Notwithstanding the preceding paragraph, the bus driver and the board may agree that the number of hours worked be scheduled other than on a weekly basis.

In accordance with the letter of intent prescribed in Appendix 22:

The bus driver may agree with his or her employer, in writing and more than six (6) months¹ before the end of the agreement, to extend said agreement. Any extension must be for a minimum of twelve (12) months and a maximum of sixty (60) months. Despite any extension, the total duration of the agreement cannot exceed seven (7) years.

- 2) Only the regular bus driver whose regular workweek is greater than fourteen (14) hours worked and who is a member of one of the pension plans currently in force (CSSP, RREGOP or TPP) may benefit from the plan, but only once.
- 3) For the purposes of this appendix, the agreement found herein is an integral part of the appendix.
- 4) To be eligible for the progressive retirement plan, the bus driver must first verify with Retraite Québec that in all likelihood he or she will be entitled to a pension on the date on which the agreement expires.

The bus driver shall sign the form required by Retraite Québec and shall forward a copy to the board.

Any change to the dates set for the start and end of the agreement must be approved beforehand by Retraite Québec.

- 5)
 - A) The bus driver who wishes to avail himself or herself of the plan must forward a written request to the board at least ninety (90) days in advance. This deadline may be shortened with the consent of the board.
 - B) The request must specify the period during which the bus driver intends to avail himself or herself of the plan as well as the distribution of the working time.

¹ If the expiry date of a progressive retirement agreement is scheduled for the date on which this amendment comes into force and within the nine (9) months of that date, there would be no deadline for the employee to agree with his or her employer to extend the agreement.

- C) The bus driver shall also forward to the board, at the same time as the request, an attestation from Retraite Québec confirming that in all likelihood he or she will be entitled to a pension on the date on which the agreement expires.
- 6) Approval of the request for the progressive retirement plan shall be subject to a prior agreement with the board, which shall take into account student transportation needs.
 - 7) During the progressive retirement period, the bus driver shall receive his or her salary, including the premiums to which he or she is entitled in proportion to the hours worked.
 - 8) During the progressive retirement period, the bus driver shall accumulate seniority and experience as if he or she had not availed himself or herself of the plan.
 - 9) During the progressive retirement period, the board shall pay its share of the contribution to the health insurance plan on the basis of the bus driver's time worked prior to the agreement. He or she shall pay his or her own contribution. For the term of the agreement, the bus driver shall be entitled to the life insurance plan to which he or she was entitled prior to the agreement.
 - 10) The board and the bus driver shall sign, where applicable, the agreement stipulating the terms and conditions relating to the progressive retirement plan.
 - 11) During the progressive retirement period, the pensionable salary for the purposes of the pension plans (CSSP, RREGOP and TPP) for the years or parts of years covered by the agreement is the salary which a bus driver would have received or for a period during which benefits under the salary insurance plan were paid to which he or she would have been entitled had he or she not availed himself or herself of the plan. - f) The board shall maintain its contribution to the Québec Pension Plan, Employment Insurance, Québec Health Insurance Plan and the Occupational Health and Safety Plan for the duration of the leave.

V- Retirement, Withdrawal or Resignation of the Bus Driver

In the event of the retirement, withdrawal or resignation of the bus driver, this contract shall expire on the date of such retirement, withdrawal or resignation under the conditions described hereinafter:

A) The bus driver has already taken a leave with deferred salary (salary paid in excess).

The bus driver shall reimburse¹ the board an amount equal to the difference between the salary received during the term of the contract and the salary to which he or she would be entitled for the same period had his or her leave not been remunerated.

The amount reimbursed shall not include any interest.

¹ The board and the bus driver may agree on the terms and conditions of reimbursement.

B) The bus driver has not taken a leave with deferred salary (salary not paid).

The board shall reimburse the bus driver, without interest, for the term of the contract, an amount equal to the difference between the salary to which he or she would have been entitled under the agreement had he or she not signed the contract and the salary received under this contract.

C) The leave with deferred salary is in progress.

The amount owing by one party or the other shall be calculated in the following manner:

Salary received by the bus driver during the term of the contract minus the salary to which he or she would have been entitled for the same period had his or her leave (elapsed period) not been remunerated. If the result obtained is positive, the bus driver shall reimburse the amount to the board; if the result obtained is negative, the board shall reimburse the amount to the bus driver.

The amount reimbursed shall not include any interest.

VI- Layoff or Dismissal

In the event of the layoff other than that associated with the school calendar or the dismissal of the bus driver, this contract shall expire on the effective date of the layoff or dismissal. The conditions provided for in subparagraph A), B) or C) of section V shall then apply.

However, the duration of this contract shall be extended in proportion to each layoff associated with the school calendar when it was not counted in establishing the duration of the contract in accordance with clause 5-10.05.

VII- Leave Without Salary

During the term of the contract, the total of one or more leaves without salary authorized in accordance with the collective agreement cannot exceed twelve (12) months. In this case, the duration of this contract shall be extended accordingly.

However, if the total of one or more leaves without salary exceeds twelve (12) months, the agreement shall expire on the twelfth (12th) month and the provisions of section V of this contract apply.

VIII- Death of the Bus Driver

In the event of the bus driver's death during the term of this contract, the contract shall expire on the date of the bus driver's death and the conditions provided for in section V shall apply by making the necessary changes. However, the board shall not make any monetary claim, if the bus driver is required to reimburse the board as a result of the application of the provisions of section V.

IX- Disability**A) Disability develops during the leave with deferred salary**

For the purposes of applying the provisions of clause 5-3.31, disability shall be considered as beginning on the date a bus driver returns to work and not during the leave with deferred salary.

However, the bus driver shall be entitled, during his or her leave with deferred salary, to the salary based on the percentage determined in this contract.

At the end of the leave, the bus driver who is still disabled shall be entitled to a salary insurance benefit resulting from the application of the provisions of clause 5-3.31 based on the salary determined in this contract. Should the bus driver still be disabled at the expiry of this contract, he or she shall receive a salary insurance benefit based on his or her regular salary.

B) Disability develops after the bus driver has taken his or her leave with deferred salary

The bus driver shall continue to participate in this contract and the salary insurance benefit resulting from the application of the provisions of clause 5-3.31 shall be based on the salary determined in this contract. Should he or she still be disabled at the expiry of this contract, he or she shall then receive a salary insurance benefit based on his or her regular salary.

C) Disability develops before the leave is taken and still exists at the time when the leave is supposed to take place

In this case, the bus driver concerned may avail himself or herself of one of the following choices:

1° He or she may continue to participate in this contract and defer the leave until such time as he or she is no longer disabled. The bus driver shall then receive his or her salary insurance benefit resulting from the application of the provisions of clause 5-3.31 based on the salary determined in this contract.

In the event that the disability still exists during the last year of the contract, the contract may then be interrupted as of the beginning of the last year until the end of the disability. During the interruption, the bus driver shall be entitled to the salary insurance benefit resulting from the application of the provisions of clause 5-3.31 based on his or her regular salary.

2° A bus driver may terminate the contract and thus receive the salary that has not been paid (subparagraph B) of section V). The salary insurance benefit resulting from the application of the provisions of clause 5-3.31 shall be based on his or her regular salary.

D) The disability lasts for more than two (2) years

At the end of the two (2)-year period, this contract shall expire and the conditions prescribed in section V shall then apply by making the necessary changes. However, the board shall not make any monetary claim, if the bus driver is required to reimburse the board as a result of the application of the provisions of section V.

X- Work Accident or Employment Injury

In the case of a work accident or employment injury, the bus driver may avail himself or herself of one of the following choices:

- 1° Interrupt the contract until he or she returns to work; however, the contract shall expire after a two (2)-year interruption.
- 2° Terminate the contract on the date of the employment injury or work accident.

Article 7-4.00 applies on the date of the employment injury or work accident.

Section V herein applies when the bus driver has availed himself or herself of his or her choice.

XI- Maternity Leave (twenty (20) or twenty-one (21) weeks), Paternity Leave (five (5) weeks) and Adoption Leave (five (5) weeks)

- 1° If the maternity, paternity or adoption leave takes place before or after the leave is taken, the bus driver shall interrupt his or her participation for a maximum period of twenty (20) weeks, twenty-one (21) weeks or five (5) weeks, as the case may be; the contract shall then be extended accordingly, the provisions of article 5-4.00 shall apply, and the benefits provided for in this article shall be established on the basis of the regular salary.
- 2° However, if the maternity, paternity or adoption leave takes place before the leave is taken, the bus driver may terminate this contract and thus receive the salary that has not been paid (subparagraph B) of section V). The benefits provided for in article 5-4.00 shall be based on his or her regular salary.

The amounts available for this project are of one thousand four hundred dollars (\$1 400) as of the 2023-2024 fiscal year, and for each of the fiscal years of the 2023-2028 collective agreement. These nonrecurring amounts shall be distributed among the boards according to the number of full-time equivalent bus drivers¹.
