**4-2.09**

At a meeting of the Labour Relations Committee, each party may call upon a resource person whose presence is necessary to discuss a subject on the agenda, provided that it advises the other party of the name of the resource person at least 2 working days in advance. **CHAPTER 5-0.00 EMPLOYMENT SYSTEM AND FRINGE BENEFITS****PART I EMPLOYMENT SYSTEM****5-1.00 STATUS UPON ENGAGEMENT****5-1.01**

A professional may be engaged with the status of a regular, substitute or supernumerary professional.

**5-1.02**

A regular professional is engaged in a manner other than temporary.

**5-1.03**

A substitute professional is engaged as such to replace a professional who is absent or on a leave.

**5-1.04**

A supernumerary professional is one who is engaged as such:

- a) in the case of a surfeit of work for a maximum period of 6 months, consecutive or not, or the equivalent per school year, unless there is an agreement between the Board and the Union before the period expires;
- b) in the case of a project or activities of a temporary nature for a maximum period of 12 months.

When the Board decides to maintain the same project or activities of a temporary nature for an additional period not exceeding 12 months, the supernumerary professional who held the position prior to its renewal shall benefit from a priority of engagement to the same position as a regular professional if he or she has not received a negative evaluation.

**5-1.05**

Notwithstanding the provisions of clause 5-1.04, in the case of a project to adapt programs of study to the specific needs of the Cree culture and language, a professional may be engaged for a period of over 12 months without, however, exceeding 36 months. Furthermore, the provisions prescribed in clause 2-1.04 do not apply to the professional hired pursuant to the provisions prescribed in Appendix I.

The Board shall consult the Union in order to determine the duration and terms and conditions of application in each case.

Where the Board decides to extend the period beyond 36 months, the professional who holds the position at the time of the extension shall continue to be assigned to that position and shall obtain the status of regular professional and tenure, subject to the following conditions:

- he or she has held the position for at least 2 years prior to the extension;
- he or she has not received a negative evaluation from the Board within the context of article 8-9.00.

In this case, the Board shall recognize the advantages and benefits that the professional concerned acquired with the Board.

Notwithstanding the foregoing, a project to adapt programs of study to the specific needs of the Cree culture and language whose 36-month period ends on or after March 1 may be extended until the end of the current school year without the professional being granted the status of regular professional.

## **5-2.00 REGULAR PROFESSIONAL POSITION TO BE FILLED**

### **5-2.01**

Nothing in this article shall have the effect of preventing the Board from first proceeding with transfers and reassignments under article 5-4.00.

### **5-2.02**

When the Board decides to fill a vacant full-time regular professional position or a new full-time regular professional position, it shall proceed in the following manner:

- a) it shall offer the position to a beneficiary of the James Bay and Northern Québec Agreement who is qualified and who meets the requirements of the position to be filled;
- b) failing to fill the position under subparagraph a), it shall offer the position to a nonbeneficiary who is qualified and who meets the requirements of the position to be filled.

### **5-2.03**

To fill a position under clause 5-2.02, the Board shall proceed according to the following order, which shall apply first to subparagraph a) then to subparagraph b) of clause 5-2.02:

- a) it shall assign one of its professionals on availability in its employ;

failing to fill the position according to subparagraph a), the Board shall post the position and shall then proceed in the following manner:

- b) it shall offer the position to the professional who benefits from a right to return under clause 5-6.15;

- c) it may assign a person already in its employ who has acquired tenure;
- d) it shall offer the position to a professional who has accumulated, over the last 36 months, the equivalent of 18 months of service with the Board as a professional;
- e) it shall offer the position to a candidate of its choice.

#### **5-2.04**

If the Board has not filled the position under clauses 5-2.02 and 5-2.03, it may submit a request indicating all relevant information to the Provincial Placement Bureau.

#### **5-2.05**

When the Board posts an offer of employment under this article, such an offer of employment must contain, among others, a summary description of the position, the status of engagement and the qualifications and requirements of the position.

This offer shall be posted for 10 working days and forwarded to the Union.

### **5-3.00      ENGAGEMENT**

#### **Section 1      General provisions**

##### **5-3.01**

The engagement of a regular professional shall be for a period which expires on June 30 of each year, subject to the other provisions of the Agreement.

Once the engagement of the regular professional terminates, it shall be renewed for another year (July 1 to June 30), subject to the other provisions of the Agreement.

##### **5-3.02**

However, a regular professional shall undergo a probation and adaptation period for up to 12 months as of the date of his or her entry into service at the Board. During that period, the Board may decide to terminate the engagement of the professional by means of a written notice of at most 14 days prior to the end of his or her employment with the Board; the notice must contain the reason or reasons for the decision to terminate the engagement.

The probation and adaptation period shall be reduced to 6 months in the case of a professional who held a position of supernumerary professional with the Board for a minimum of one year immediately preceding his or her assignment to a regular professional position.

Any absence on the part of the professional shall interrupt the probation and adaptation period and shall extend the latter for a period equal to the absence.

For the purposes of applying this clause, the Board shall provide a professional with a written performance evaluation prior to the end of the first 6 months of his or her probation and adaptation period. Failing that, any decision to terminate the employment of a professional after the first 6 months in service must be preceded by at least 2 evaluations submitted to the professional at a minimum 45-day interval.

Notwithstanding the preceding paragraphs, the probation and adaptation period of a regular professional may be less than that prescribed therein, if the professional receives a positive evaluation and his or her immediate superior recommends him or her to the Board.

The Union or the professional cannot submit a grievance against the Board under this clause, except in the case where he or she maintains that the procedure prescribed in this regard was not followed, excluding any reason or sufficient reason underlying the decision to terminate the engagement.

### **5-3.03**

Notwithstanding the provisions of clause 5-3.02, the regular professional engaged in the context of priority of employment and security of employment measures shall not undergo a probation and adaptation period.

### **5-3.04**

The engagement of a substitute professional or a supernumerary professional shall be for a specific period.

### **5-3.05**

The engagement of every professional shall be made by written contract, before the entry into service, on the form provided in Appendix A. A copy of the contract of engagement in full shall be forwarded to the Union, the union delegate and the professional within 30 days after it is signed.

The delay provided for in clause 9-2.03 shall begin as of the reception of the contract by the Union.

### **5-3.06**

Within 10 days of the signing of the contract of engagement prescribed in clause 5-3.05 or of the date of the entry into service if the latter is prior to the date on which the contract of engagement is signed, the Board shall inform the professional in writing, as well as the Union and the union delegate, of the following subjects and, subsequently, of any change which occurs in the subjects listed below:

- a) the employment group to which he or she belongs and, where applicable, the sector of activities of his or her employment group;
- b) the department to which he or she belongs;

- c) a nonexhaustive list of his or her duties;
- d) his or her place of work;
- e) the name of his or her immediate superior;
- f) his or her placement;
- g) an indication of whether he or she performs his or her duties during the day, evening, or day and evening.

In the case of a substitute or supernumerary professional, the Board shall inform the professional in writing of the approximate number of hours, days, weeks or months included in the term of his or her engagement.

### **5-3.07**

A professional must produce an attestation of his or her training (qualifications) and experience and any other document required by the Board at the time of his or her engagement. Failure to produce the attestations within 30 days of the signing of his or her contract of engagement shall constitute cause for the Board to cancel his or her engagement, unless he or she is unable to do so due to circumstances beyond his or her control.

The professional shall be obliged to declare to the Board any severance pay which he or she received under an employment security plan applicable in the education sector.

The Board may cancel the engagement at any time in the case of fraud or false statement. The burden of proof lies with the Board.

## **Section 2 Priority of engagement to fill a professional supernumerary position or to replace a professional**

### **5-3.08**

When the Board decides to fill a professional supernumerary position or to replace a professional on leave or who is absent under the Agreement, it shall offer the position or the available hours to another professional already in its employ provided that the other professional is in the same employment group or, where applicable, same sector of activity. The hours thus offered must be compatible, while meeting the needs, with the working hours of the professional who replaces or fills the position, must not have the effect of exceeding the number of hours prescribed in article 8-1.00 and cannot constitute active service for the purposes of acquiring tenure under clause 5-6.02.

When 2 professionals satisfy the requirements of the position, the Board shall offer the position to the professional who has completed the most working hours at the Board as a professional.

**5-3.09**

Failing to fill the supernumerary professional position or to carry out the replacement under the preceding clause and where the position to be filled or the replacement is for a period of more than 6 months, the Board shall offer the position to a supernumerary or replacement professional who was laid off or not reengaged during the 2 years preceding the date of the job opening if he or she meets the requirements of the position.

Where 2 or more professionals meet the requirements of the position, the Board shall offer the position to the professional who has completed the most working hours with the Board as a professional.

**5-3.10**

Notwithstanding clauses 5-3.08 and 5-3.09, the professional shall benefit from a priority of engagement as a replacement or a supernumerary professional hired under clause 5-1.03 and subparagraph a) of clause 5-1.04, if the same position is renewed by the Board or if the Board decides to again replace the absent professional in the same school year or in the school year immediately following the end of his or her engagement.

The priority prescribed in this clause is exercised subject to the right of the Board to engage in priority a beneficiary of the James Bay and Northern Québec Agreement or to use a professional on availability under clause 5-6.27.

**5-3.11**

The professional shall benefit from clauses 5-3.08 and 5-3.10 unless he or she received a negative evaluation before the expiry of his or her first contract of engagement with the Board as a substitute or supernumerary professional.

**5-4.00 ASSIGNMENTS****Section 1 Assignment, reassignment and transfer****5-4.01**

The professional in the employ of the Board on the date of the coming into force of the Agreement shall maintain his or her assignment, subject to the provisions of this article.

To this end, it shall take into account, among others, the needs of the school system, of its school organization, the type of students, the characteristics of the positions to be filled, the qualifications, competency and preferences of the professionals in its employ and, if necessary, seniority.

Moreover, the assignment ensuing from a transfer must comply with the rules prescribed hereinafter.

#### **5-4.03**

The Board may reassign a professional after having consulted him or her. The professional concerned shall be advised in writing at least one week in advance.

#### **5-4.04**

A professional may request a reassignment or transfer for a valid reason. The Board shall give its response in writing.

This response shall not give rise to the grievance procedure under Chapter 9-0.00.

#### **5-4.05**

However, the professional concerned who, following such a reassignment or transfer, believes that the Board has abused its authority, particularly with respect to the criteria prescribed in clause 5-4.02 may, in this case, submit a grievance under Chapter 9-0.00.

#### **5-4.06**

The Board may transfer a professional after having consulted him or her. The professional concerned shall be advised in writing at least 30 days in advance. The notice shall indicate his or her placement and salary in the new employment group.

#### **5-4.07**

Nothing in this article can have the effect of authorizing a professional not to comply with the Board's decision.

However, a professional may refuse a transfer if the maximum of the salary scale of the employment group to which he or she would be transferred is less than that of his or her current salary scale or if his or her salary as of July 1 would be less than the salary he or she would receive on that same July 1 if he or she were not transferred.

#### **5-4.08**

The Board cannot lend the services of a professional to another employer without first having obtained the consent of the professional concerned.

#### **5-4.09**

A professional may refuse his or her reassignment if he or she does not have the minimum required qualifications in the Classification Plan for the sector of activities concerned.

A professional may refuse a transfer if he or she does not have the minimum required qualifications in the Classification Plan for the employment group.

#### **5-4.10**

The transferred professional shall be remunerated in accordance with the provisions prescribed to that effect in article 6-6.00.

#### **5-4.11**

If the Board intends to introduce changes of an organizational nature which could result in reassignments or transfers, the group of professionals affected shall be consulted beforehand. The consultation shall deal with the content of the new positions, the reassignments and transfers involved and the terms and conditions of the reassignment or transfer.

If the changes result in reassignments or transfers involving a move under article 2 of Appendix B, the Board shall consult the Union at least 4 months in advance.

#### **5-4.12**

A professional reassigned or transferred under this article shall be entitled to the moving expenses paid by the Board as outlined in article 1, the second paragraph of article 2, articles 6 to 12 and article 14 of Appendix B, under the conditions stipulated and, where applicable, the application of the provisions of clauses 10-3.01 to 10-3.03.

The professional who benefits from moving expenses under this clause shall be entitled from his or her board to:

- a) a maximum of 3 working days without loss of salary for the sale of his or her residence which constitutes his or her domicile;
- b) a maximum of 3 working days without loss of salary to look for a dwelling unless it is provided by the Board; the 3-day maximum shall not include the duration of the return trip;
- c) a maximum of 3 working days without loss of salary to cover moving and settling in; the leave prescribed in subparagraph f) of clause 7-4.01 shall be included in the leave prescribed in this clause.

#### **5-4.13**

The tenured professional who is reassigned or transferred to a locality situated more than 50 kilometres from his or her usual and regular place of work must be notified to this effect by the Board before June 1 of the school year preceding that to which the reassignment or transfer applies. The notice shall indicate the effective date of the professional's reassignment or transfer, which date cannot be earlier than August 1 following the notice, the locality to which he or she is thus reassigned or transferred and, in the case of a transfer, it shall also indicate his or her placement and salary in the new employment group.

The professional reassigned or transferred to another locality under the preceding paragraph is the professional who has the least seniority in his or her employment group or, where applicable, in his or her sector of activity in his or her original place of assignment.

The professional thus reassigned or transferred shall benefit, within 12 months of the reassignment, from a right to return if his or her position or another position in the same employment group is available in his or her original place of assignment.

When the Board intends to reassign or transfer a professional to another locality, it must first proceed with the consultations prescribed in clause 5-4.03, 5-4.06 or 5-4.11. The decision of the Board must be based on the reasons prescribed in clause 5-4.02.

The professional reassigned or transferred under the preceding paragraphs may refuse the reassignment or transfer and thus terminate his or her employment by sending a written notice to the Board to this effect before July 1 following the date of the notice prescribed in the first paragraph of this clause. The professional shall then receive severance pay equal to 6 months' salary. For the purpose of calculating the severance pay, the salary shall be that the professional received on the last workday preceding his or her departure from the Board. Unless there is a written agreement to the contrary with the Board, the date on which the professional terminates his or her employment cannot be deferred later than the effective date of his or her reassignment or transfer as indicated in the notice that the Board sent him or her under the preceding paragraph.

## **Section 2    Temporary assignment to a senior staff position**

### **5-4.14**

The professional who has accepted to be assigned on a temporary basis to a senior staff position shall receive, during the time he or she holds the position, the salary he or she would have received as the incumbent of the position.

### **5-4.15**

The professional shall be reinstated in his or her position upon the request of the Board or at his or her own request no later than 15 days after having received or made the request in writing.

### **5-4.16**

Subject to clauses 5-4.14 and 5-4.15, a professional assigned temporarily to a senior staff position shall continue to pay his or her union dues and to benefit from the provisions of the Agreement, with the exception of benefits related to overtime.

Except in the case of a replacement of a senior staff member who is temporarily absent, a temporary assignment to a senior staff position cannot exceed 12 months, unless there is an agreement with the Union.

**5-5.00 NONREENGAGEMENT, RESIGNATION AND BREACH OF CONTRACT****Section 1 Nonreengagement****5-5.01**

Once the Board has decided, by a resolution adopted at a regularly held meeting of the Council of Commissioners or the executive committee of the Board, not to engage a full-time regular professional for the following year (July 1 to June 30), it must, before June 1 preceding that year, inform him or her by letter sent by registered or certified mail, delivered by hand or served by bailiff of its intention to this effect. The written notice must contain the reason(s) for the Board's decision, but no action may be taken as a result of the reasons thus given in good faith.

**5-5.02**

If the reason that the Board intends to invoke to support the nonreengagement is the surplus of personnel, the Board shall consult the Labour Relations Committee no later than May 15. The consultation shall not be subject to the provisions of the regular procedure prescribed in Chapter 4-0.00, unless it involves clause 4-2.10.

**5-5.03**

The regular professional may, if he or she believes that the procedure prescribed in the Agreement has not been followed for the nonreengagement, submit a grievance according to the arbitration procedure prescribed in the Agreement.

Moreover, the professional may contest the validity of the reason or reasons given for the nonreengagement. However, the professional may only do so if he or she has completed 2 periods of service of 8 months or more, or 3 periods of 8 months if there has been a change of employer, each of which is included in a separate year of engagement over a continuous 5-year period on behalf of school service centres or school boards, a school administered by a government ministry or another teaching institution designated by the Ministère.

**5-5.04**

The grievance contesting the nonreengagement of a regular professional must be submitted directly to arbitration by the Union or the professional according to the procedure prescribed in the Agreement no later than July 31 following the date of termination of employment; the grievance must be given hearing priority.

**5-5.05**

A professional who has not acquired his or her tenure under subparagraph a) of clause 5-6.02 may be nonreengaged by the Board under clause 5-5.01 if his or her nonreengagement allows the assignment or relocation of a professional on availability at the Board or referred by the Provincial Placement Bureau. The professional so assigned or relocated must meet the requirements of the position.

This professional shall not be subject to the other provisions of article 5-6.00. However, he or she may be entitled to priority of employment under the conditions stipulated.

**Section 2    Resignation****5-5.06**

The professional shall be bound by his or her contract of engagement under article 5-3.00 and may only be released from his or her engagement before its termination as prescribed under the Agreement.

**5-5.07**

The professional who wishes to resign must notify the Board in writing at least 60 days before the date of his or her departure.

**5-5.08**

The professional may resign without giving the notice prescribed in clause 5-5.07, but he or she must give a written notice to the Board, as soon as possible, for one of the following reasons:

- a) any change in the spouse's place of residence which obliges him or her to change locality and which is situated at more than 65 kilometres;
- b) pregnancy;
- c) following the death of the spouse;
- d) other circumstances not prescribed in this section that are totally beyond the control of the professional and that require him or her to resign;
- e) obtaining another position in the public or parapublic sector;
- f) any other reason deemed valid by the Board.

In these cases, the Board shall accept the professional's resignation and shall waive all recourse against him or her.

**Section 3 Breach of contract****5-5.09**

Any one of the following cases shall constitute a breach of contract:

- a) a professional who exercises an exclusive type of profession and whose permit to practise is withdrawn or who is expelled under the *Professional Code* (CQLR, chapter C-26);
- b) a professional who fails to report for work without a valid reason within the 10 working days following the date on which he or she should have reported for work;
- c) a professional who, benefiting from a leave terminating at the end of the school year, does not inform the Board of his or her return to service within the time limits agreed to between the Board and the professional concerned.

**5-5.10**

Any breach of contract shall have the effect of permitting the Board to terminate the engagement of a professional at any time.

**5-5.11**

The termination of engagement for any one of the reasons prescribed in clause 5-5.09 shall not constitute a disciplinary measure as defined in article 5-9.00.

**Section 4 Maintaining membership to a professional corporation****5-5.12**

The professional who is a member of a professional corporation on the date of the coming into force of the Agreement or who obtains a position after the date of the coming into force of the Agreement must, when membership to a professional corporation is required under his or her employment category, maintain membership to the corporation.

- a) Upon signature of the Agreement, the professional who is a member of a professional corporation whose membership is required under his or her employment category, shall provide the Board with a written proof of membership within 90 days.
- b) Each year, within 30 days of confirmation of membership renewal to his or her corporation, the professional shall transmit written proof to the Board. Failing this, the Board shall inform the professional. Upon a written request made within 10 days of receiving the notice, the professional may obtain a new deadline from the Board. The Board and the Union may agree on different terms and conditions.

A professional who does not ask for or has not obtained a new deadline to provide proof of membership to a professional corporation is deemed to be in breach of contract within the meaning of section 3 of the present article.

- c) A professional who is transferred to a position that does not require membership to a professional corporation shall be entitled to maintain membership to his or her professional corporation.

## **5-6.00 PRIORITY AND SECURITY OF EMPLOYMENT**

### **Section 1 General provisions**

#### **5-6.01**

For the purpose of this article:

- a) the Board shall determine the specific linguistic requirements of a position;
- b) the professional on a leave with or without salary shall be deemed as belonging to the employment group and sector of activities, where applicable, in which he or she was classified before his or her leave;
- c) the professional who carries out the duties dealing with more than one employment group shall be deemed as classified in the employment group in which he or she carries out duties during the major portion of his or her time;
- d) where a board offers the professional a position, it must inform him or her by letter sent by registered or certified mail, delivered by hand, by fax, or served by bailiff. The date on the post office receipt for the letter shall constitute prima facie proof for calculating the time limits;
- e) the Board shall forward to the Union before June 15 the list of professionals nonreengaged or placed on availability;
- f) the professional on availability at the time of the coming into force of the Agreement shall benefit from the provisions of this article which concern the professional on availability.

### **Section 2 Tenure**

#### **5-6.02**

For the purpose of this article:

- a) the tenured professional is a full-time regular professional who has completed at least 2 full years of continuous service with the Board as a full-time regular professional or as a full-time regular employee in another position at the Board since the date on which he or she last entered the service of the Board.

- b) the leave for union activities, the parental leave, the disability leave covered by the salary insurance plan, the disability leave due to a work accident or an occupational disease, the leave for educational purposes as well as any other leave for which the Agreement provides the payment of salary shall constitute service for the purpose of acquiring tenure;
- c) the nonreengagement because of surplus followed by a reengagement by the Board during the following school year shall proportionally delay the acquisition of tenure during the period his or her service is interrupted;
- d) insofar as there is no break in his or her employment ties, the acquisition of tenure for a professional shall be delayed proportionally in the case of an interruption of his or her service for reasons other than those prescribed in subparagraph b) of this clause.

### **Section 3    Reduction of personnel**

#### **5-6.03**

For the purpose of application of this section, the professionals who are beneficiaries of the James Bay and Northern Québec Agreement are deemed to have more seniority than the professionals who are not beneficiaries of the James Bay and Northern Québec Agreement.

When the Board intends to reduce its regular professional personnel, it shall consult the Labour Relations Committee no later than May 15 preceding the reduction of personnel.

The Board shall be deemed to have consulted the Labour Relations Committee to this effect if none of the representatives of the professionals on the Labour Relations Committee attend the committee meeting, except if the representatives of the professionals are absent due to reasons beyond their control and for which the burden of proof lies with the Union.

#### **5-6.04**

The Board may reduce the number of regular professionals in its employ due to a decrease in the number of students, a substantial change in the services to be rendered or the termination of a special project according to the priorities established by the Board within the framework of its staffing plan submitted to the Labour Relations Committee for consultation within the time limit prescribed in clause 5-6.03. The consultation of the Labour Relations Committee shall not be subject to the provisions of the regular procedure prescribed in article 4-2.00, unless it involves clause 4-2.10.

#### **5-6.05**

When the Board must reduce its regular professional personnel within an employment group, it shall proceed in the following manner and in the order indicated, within the employment group or, where applicable, within a sector of activities of the employment group:

- a) by terminating the employment of part-time regular professionals according to the inverse order of seniority;

- b) by nonreengaging full-time regular professionals who have not acquired their tenure according to the inverse order of seniority;
- c) by placing on availability full-time regular professionals who have acquired their tenure according to the inverse order of seniority.

For the purpose of applying this clause, when 2 or more professionals have equal seniority, the professional who has the least years of experience shall be considered as having the least seniority.

#### **Section 4    Rights and obligations of the professional within the framework of priority of employment**

##### **5-6.06**

The non-tenured professional who has one year but less than 2 years of continuous service as a full-time regular professional with the Board shall benefit from the following:

- a) he or she must be informed by letter sent by registered or certified mail, delivered by hand, by fax, or served by bailiff of his or her nonreengagement due to surplus before June 1;
- b) the Board must forward without delay to the Provincial Placement Bureau his or her name and any pertinent information about him or her;
- c) his or her name shall remain entered on the lists of the Provincial Placement Bureau for a period not exceeding 2 years from the end of his or her engagement and, during that period, he or she shall benefit from priority of employment;
- d) if he or she is offered a full-time position by a school service centre or school board, he or she must accept it within 10 days of such a written offer; the fact that the Board attempts, without success, on 2 occasions to contact the professional by letter sent by registered or certified mail, delivered by hand, by fax, or served by bailiff to offer him or her a position shall constitute failure to accept;
- e) as of the date of refusal or failure to accept within the time allotted the position offered or failure to appear for an interview to which a school service centre or school board convenes him or her by letter sent by registered or certified mail, delivered by hand, by fax, or served by bailiff, the name of the professional shall be removed from the lists of the Provincial Placement Bureau; the removal of his or her name shall entail the cancellation of all the rights which he or she could have under the Agreement and the employment ties are definitively broken.

The nonreengaged professional due to surplus personnel shall make all necessary efforts to facilitate his or her relocation and provide, upon request, all information relevant to his or her nonreengagement, including fast and timely contact information.

## **Section 5 Rights and obligations of the professional within the framework of security of employment**

### **General provisions**

#### **5-6.07**

The placement on availability of a tenured professional shall be carried out in the following manner:

- a) he or she shall be informed by letter sent by registered or certified mail, delivered by hand or served by bailiff before the preceding June 1 of his or her placement on availability which shall begin on July 1;
- b) the Board must forward to the Provincial Placement Bureau without delay his or her name as well as pertinent information concerning him or her.

#### **5-6.08**

The professional on availability shall make all necessary efforts to facilitate his or her relocation and provide, upon request, all information relevant to his or her security of employment, including fast and timely contact information.

As of the beginning of his or her placement on availability, the professional on availability who is offered a full-time position must accept it within 10 days after he or she receives the written offer<sup>1</sup>.

#### **5-6.09**

If the full-time position offered to the professional includes at least the same number of hours as the position he or she held at the time of his or her placement on availability, he or she must accept it. In this case, his or her salary shall be adjusted in relation to the new number of hours of his or her regular workweek.

If the full-time position offered to the professional has fewer hours than the position he or she held at the time of his or her placement on availability, he or she must accept it. In this case, his or her salary as well as its progression shall be adjusted as if the professional's new position included the same number of hours as the position he or she held before his or her placement on availability.

The Board or another employer in the education sector which engages the professional may use him or her for duties compatible with his or her qualifications and experience for the difference in the number of hours between his or her new position and the position he or she held before his or her placement on availability.

---

<sup>1</sup> If the written offer is received between July 1 and August 15, the professional must accept it before the following August 25.

**5-6.10**

Refusal or failure to accept the offer of engagement within the time allotted shall constitute the resignation of the professional on availability and shall cause him or her to lose all the rights and privileges accorded to him or her by the Agreement and shall automatically entail the removal of the professional's name from the lists of the Provincial Placement Bureau. Moreover, in these cases, he or she shall not be entitled to the severance pay prescribed in clause 5-4.13 except if the position is situated at more than 50 kilometres from his or her principal place of work at the time of his or her placement on availability.

**5-6.11**

Except for the period from July 1 to August 15, the fact that a school service centre, school board or another employer in the education sector attempts, without success, on 2 occasions to contact the professional by letter sent by registered or certified mail, delivered by hand or served by bailiff in order to offer him or her a position shall constitute failure to accept.

**5-6.12**

Except for the period from July 1 to August 15, the professional on availability must appear for an interview with a school service centre, school board or another employer in the education sector when the Provincial Placement Bureau so requests by letter sent by registered or certified mail, delivered by hand or served by bailiff. In this case, he or she shall be entitled to the reimbursement of his or her travel and accommodation expenses, where applicable, according to the norms in force at his or her board.

To this end, the professional shall obtain an authorization to be absent without loss of salary upon presentation to the Board of the request for the interview.

**5-6.13**

The professional who is at fault under clause 5-6.11 or 5-6.12 shall be considered as having resigned from his or her Board. Moreover, in these cases, he or she shall not be entitled to the severance pay prescribed in clause 5-4.13.

**5-6.14**

If the professional accepts a full-time position offered under this section, he or she shall then be considered as having resigned from the Board where he or she is on availability as of his or her engagement by another school service centre, school board or by another employer in the education sector. Moreover, in this case, he or she shall not be entitled to the severance pay prescribed in clause 5-4.13.

**5-6.15**

The professional on availability relocated to another school service centre, school board or another employer in the education sector under clause 5-6.08 shall be entitled to return to his or her school service centre or school board of origin to a vacant position in the employment group in which he or she held the position at the time of his or her placement on availability if he or she meets the requirements of the position to be filled until September 1 following the date on which his or her placement on availability began.

**5-6.16**

The Board or another employer in the education sector which engages a professional on availability under this section shall recognize for him or her:

- a) the seniority recognized by the school service centre or school board where he or she was on availability;
- b) the days accumulated in his or her bank of nonredeemable sick-leave days;
- c) his or her tenure;
- d) his or her years of continuous service for the purpose of calculating the vacation period;
- e) his or her step, if he or she remains in the same employment group;
- f) the date on which he or she would have been entitled to an advancement in step.

**5-6.17**

The professional on availability who was relocated to another school service centre, school board or another employer in the education sector under clause 5-6.08 shall be assigned to a position in the employment group in which he or she was classified if he or she meets the requirements of the position to be filled or in another employment group for which he or she has the minimum required qualifications mentioned in the Classification Plan.

- a) The Board, the Ministère and the Centrale shall set up a committee to study the case of a professional or professionals affected by this clause. The Board, the Ministère and the Centrale shall each appoint a representative to the committee. The Board and the Ministère shall each have the right of veto on the committee.
- b) The committee shall ask the professional concerned to which region or regions he or she would like to be relocated.

- c) The committee shall relocate the professional concerned to the region chosen by the professional under subparagraph b), unless the representative of the Ministère on the committee decides that the relocation of a professional in a full-time position in another school service centre or school board in the region will be difficult. In this case, the committee shall decide to which region the professional shall be relocated.
- d) For the purpose of such a move, the professional shall benefit from the provisions of clauses 10-3.01 to 10-3.03 and, where applicable, from Appendix B.
- e) Clauses 5-6.08 to 5-6.17 and clause 5-6.27 shall apply to the professional thus relocated whose employment ties with the Board are maintained.
- f) As long as he or she has not been relocated, the professional concerned may choose to resign from the Board; in this case, he or she shall be entitled to severance pay prescribed in clause 5-4.13.

**Special provisions applicable to the professional who is a beneficiary of the James Bay and Northern Québec Agreement**

**5-6.19**

The professional who is a beneficiary of the James Bay and Northern Québec Agreement and who is placed on availability under this article shall benefit from the provisions of clauses 5-6.08 to 5-6.17 and clause 5-6.27.

**5-6.20**

Notwithstanding the provisions of clause 5-6.19, the professional who is a beneficiary of the James Bay and Northern Québec Agreement and who is placed on availability under this article may inform the Board in writing, before July 15 following his or her placement on availability, that he or she shall accept to be assigned only to the locality where he or she was assigned at the time of his or her placement on availability. In this case, the professional concerned shall benefit from the provisions of clauses 5-6.21 to 5-6.26 as of September 30 following his or her placement on availability, if he or she is still on availability as of that date.

**5-6.21**

The Board, the Ministère and the Centrale shall set up a committee to study the case of the professional or professionals referred to in clause 5-6.20. The Board, the Ministère and the Centrale shall each appoint a representative to the committee. The Board and the Ministère shall each have a right of veto on the committee.

The committee shall apply to the professional concerned, after having consulted him or her, one of the following options:

- a) a retraining program of a maximum duration of one year to allow the professional concerned to fill a preidentified full-time position in the Board in his or her locality insofar as such a position may be made available;
- b) a retraining program of a maximum duration of one year to allow the professional concerned to fill a preidentified full-time position with another employer in his or her locality insofar as such a position may be made available;
- c) severance pay under clause 5-4.13;
- d) any other solution or program agreed to by all the members of the committee, including the representative of the union group.

#### **5-6.22**

In the case of subparagraph a) or b) of clause 5-6.21, the professional who remains on availability for the duration of the program, shall be required to follow the program and cannot receive severance pay.

#### **5-6.23**

Unless the committee decides otherwise, the professional who has not successfully completed the program prescribed in either subparagraph a) or b) of clause 5-6.21 shall be deemed to have resigned from the Board; in this case, he or she shall lose all the benefits of the Agreement, including the right to severance pay.

#### **5-6.24**

The professional who has successfully completed the program prescribed in either subparagraph a) or b) of clause 5-6.21 must accept the preidentified full-time position with the Board or with another employer, as the case may be, if the position is available.

If the preidentified position is not available, the committee shall meet in order to discuss the professional's case and to find a solution.

#### **5-6.25**

The amounts used for the purpose of a retraining program shall not be deducted from the amounts allocated under article 7-10.00, unless all the members of the committee agree.

#### **5-6.26**

In the case of subparagraph d) of clause 5-6.21 or the second paragraph of clause 5-6.24, the committee shall establish the terms and conditions applicable to the professional.

**5-6.27 Utilization of the professional on availability**

For as long as the professional on availability is not assigned to a full-time position in his or her Board or is not relocated to another school service centre, school board or another employer in the education sector, he or she shall be required to carry out the duties compatible with his or her qualifications or experience assigned to him or her. In this case, the professional on availability may be assigned, as a priority, duties of a temporarily vacant position at the Board or at another school service centre or school board.

With the consent of the professional on availability, the Board may lend his or her services to another employer. The consent of the professional referred to in clause 5-6.18 shall not be required if he or she is on a loan of service in another school service centre or school board situated at 50 kilometres or less from the locality to which he or she is relocated.

As long as he or she is on availability, the professional shall remain covered by the Agreement.

**Section 6 Moving expenses****5-6.28**

Unless he or she can benefit from the federal mobility assistance program to look for employment, the professional engaged by another school service centre, a school board or an employer in the education sector under this article shall be reimbursed by the school service centre, school board or employer which engages him or her for the moving expenses prescribed in Appendix B under the conditions prescribed if his or her employment entails his or her moving according that appendix.

The professional shall also receive from the Board or another employer in the education sector that engages him or her:

- a) a maximum of 3 working days without loss of salary for the sale of his or her residence which constitutes his or her domicile;
- b) a maximum of 3 working days without loss of salary to look for lodging; the 3-day maximum shall not include the duration of the return trip;
- c) a maximum of 3 working days without loss of salary to cover moving and settling in.

**Section 7 Job contract (contracting out)****5-6.29**

Every contract between the Board and a third party cannot have the effect of reducing the number of full-time regular professional positions in the employment group concerned at the Board or causing the placement on availability or the nonreengagement because of surplus, within the meaning of this article, of a full-time regular professional in the employment group concerned.

## **Section 8 Placement**

### **5-6.30 Placement Committee**

For each professional placed on availability, a Placement Committee shall be created by the Board. The Ministère is a full participant of the committee. The committee shall work to facilitate the relocation of each professional placed on availability.

### **5-6.31 Provincial Placement Bureau**

The Fédération des centres de services scolaires du Québec and the Ministère agree to set up a Provincial Placement Bureau. The Bureau shall have the following responsibilities:

- 1) To collect and make available to the school service centres and school boards the data related to security of employment, vacant positions, nonreengaged professional due to surplus personnel, or professionals placed on availability. Copies of the collected data shall also be sent to the FPPE.
- 2) To provide, in accordance with clause 5-2.04, candidates for each regular professional position to be filled.
- 3) To ensure the exchange of all information relevant to the security of employment.

## **Section 9 Replacement**

### **5-6.32**

- A) Notwithstanding the provisions of the present chapter, the Board may engage or assign, in the context of subparagraph a) of clause 5-6.21, a professional who is a beneficiary of the James Bay and Northern Québec Agreement and who is qualified to fill the position held by a professional who is not a beneficiary of the James Bay and Northern Québec Agreement.

The professional replaced under the preceding paragraph shall be the one who has the least seniority from among the professionals who are not beneficiaries of the James Bay and Northern Québec Agreement in the employment group or, where applicable, in a sector of activities of the employment group in the locality where the replacement is carried out. The professional shall benefit from the following provisions:

- 1) The Board shall assign the professional to a vacant position in the same employment group in his or her locality or, as the case may be, to a vacant position in another employment group in the same locality if he or she meets the requirements of the position.

- 2) The Board shall assign the professional to a vacant position in the same employment group or, where applicable, a vacant position in another employment group in another locality if he or she meets the requirements of the position.

#### **Section 4 Insurance Committee of the Centrale**

##### **5-10.18**

The Insurance Committee of the Centrale must prepare a schedule of conditions, if necessary, and obtain, for all the participants in the plans, a group insurance policy for the basic health insurance plan and one or more group insurance policies for the other plans.

##### **5-10.19**

The Insurance Committee of the Centrale may maintain from year to year for retirees, with appropriate amendments, the basic plan coverage without any contribution on the part of the Board provided that:

##### **5-10.20**

The insurer selected for all plans must have its head office in Québec and must be a single insurer or a group of insurers acting as a single insurer. For the purpose of selecting the insurer, the Insurance Committee of the Centrale may request bids or proceed according to any other method that it determines.

##### **5-10.21**

The Insurance Committee of the Centrale must carry out a comparative analysis of all bids received, if applicable, and after making its choice, provide the Fédération des centres de services scolaires du Québec and the Ministère with a report on the analysis and a statement giving reasons for its choice.

There can be no more than one update campaign per 3 years, for all plans; the campaign shall be carried out by the insurer directly with the participants, in a manner to be determined, and the modifications shall come into force on January 1 following a written notice sent to the Board at least 60 days in advance.

**5-10.26**

Dividends or rebates to be paid, as a result of favourable experience with the plans, shall constitute funds entrusted to the management of the Insurance Committee of the Centrale. Fees, salaries, expenses or disbursements incurred for the implementation and application of the plans shall constitute liens on these funds.

The balance of funds shall be used by the committee to meet the increases in the rates of premiums, to improve existing plans, or to be repaid directly to the participants by the insurer according to the formula determined by the committee or to grant a waiver of premiums. In this latter case, the waiver must be for at least 4 months and it must take effect as of January 1 or end on December 31. The waiver must be preceded by a notice of at least 60 days to the Board.

For the purpose of this clause, the basic plan must be handled separately from the complementary plans.

### **5-10.29**

The Ministère, the Fédération des centres de services scolaires du Québec and the Centrale agree to set up a committee to assess the administrative problems raised by the application of insurance plans. Moreover, any change to the administration of the plans must first be the subject of an agreement by the committee before it comes into effect. If such a change obliges the Board to hire supernumerary personnel or requires overtime, the costs shall be assumed by the Union.

The committee prescribed in the preceding paragraph shall also have the mandate to ensure that the study is completed and, where applicable, that the computerized billing system is implemented including the listing of the personal insurance premiums and that the general property insurance premiums (fire, accident and miscellaneous risk) are deducted at source in the same manner.

## **Section 6 Standard life insurance plans**

### **5-10.30**

The full-time professional shall benefit, without contribution on his or her part, from an amount of life insurance equal to \$6 400.

The amount shall be \$3 200 for the professional referred to in subparagraph b) of clause 5-10.01.

## Section 7 Salary insurance plan

### 5-10.31

A) Subject to the provisions of this section and subject to article 5-12.00, every professional shall be entitled, for every period of disability during which he or she is absent from work, to:

- a) up to the lesser of the number of sick-leave days accumulated to his or her credit or of 5 working days: the payment of a benefit equal to the salary he or she would have received had he or she been at work;
- b) upon termination of the payment of the benefit prescribed in subparagraph a), if applicable, but in no event before the expiry of a waiting period of 5 working days from the beginning of the period of disability and for a period of up to 52 weeks from the beginning of the period of disability: the payment of a benefit equal to 85% of his or her salary;
- c) upon the expiry of the abovementioned period of 52 weeks and for a further period of up to 52 weeks: the payment of a benefit equal to 66 2/3% of his or her salary.

B) Return on a gradual basis

During a disability period, on the written recommendation of the attending physician, the Board and the regular professional who has been absent for at least 12<sup>1</sup> weeks may agree to a return to work on a gradual basis. The period of disability already begun shall continue during the period of gradual return to work but the period during which some or all of the benefits are payable shall not exceed 104 weeks. In this case:

- a) the medical certificate must stipulate that the period of gradual return to work must be immediately followed by the professional's return to work on a full-time basis;
- b) the Board and the professional accompanied by his or her union delegate or representative, if he or she so desires, shall establish the period during which the professional will return to work on a gradual basis, which shall not exceed 12<sup>2</sup> weeks, and shall determine the proportion of time worked;
- c) while at work, the professional must be able to perform all of his or her duties according to the proportion agreed to.

---

<sup>1</sup> The Board and the regular professional who is absent may in exceptional cases agree to a gradual return to work before the 12-week period.

<sup>2</sup> The Board and the regular professional who is absent may in exceptional cases agree to a gradual return to work exceeding 12 weeks.

During the period of gradual return to work, the professional shall be entitled to his or her salary for the proportion of time worked and to the benefit payable to him or her for the proportion of time not worked. These proportions shall be calculated on the basis of the number of hours worked in relation to the regular workweek stipulated in article 8-1.00.

Upon the termination of the period initially set for the gradual return, if the professional is unable to return to work on a full-time basis, the Board and the professional may agree on another period of gradual return while respecting the other conditions prescribed in this paragraph.

C) Assignment of temporary duties

In order to ease the return to work, upon written recommendation from the primary care physician, the Board and the professional may agree on the assignment of duties compatible with the qualifications and experience of the professional within his or her professional category. To this end, a union representative may accompany the professional.

The duties the Board assigns to the professional are duties that he or she can perform within the limits of his or her capacities.

During the period when temporary duties are assigned to the professional, he or she receives his or her regular salary.

A request for assignment to temporary duties must be completed at the latest during the 80<sup>th</sup> week following the beginning of the disability.

These temporary duties cannot be assigned for a period exceeding 12 weeks and, in no circumstances, can this period result in a new period of disability.

**5-10.32**

Pursuant to clause 5-10.31, the professional's salary for the purpose of calculating the benefit shall be the salary rate he or she would receive if he or she were in service, subject to article 6-10.00, including, where applicable, premiums for regional disparities, the premium for psychologists provided for in Appendix R and the additional remuneration related to the recognition of a Master's degree, with the exception of any inconvenience premium. For the professionals who are eligible and whose workweek includes fewer hours than that prescribed in article 8-1.00, the amount of the benefit shall be calculated in proportion to the time worked in relation to the regular workweek.

**5-10.33**

As long as benefits remain payable, including the waiting period, if any, the disabled professional shall continue to participate in the Government and Public Employees Retirement Plan (RREGOP), Pension Plan (TPP), the Civil Service Superannuation Plan (CSSP), the Pension Plan of Certain Teachers (PPCT) or the Pension Plan of Management Personnel (PPMP) and to avail himself or herself of the insurance plans. However, he or she must pay the required contributions, except that, upon termination of the payment of the benefit prescribed in subparagraph a) of paragraph A) of clause 5-10.31, he or she shall benefit from a waiver of his or her contributions to his or her pension plan (RREGOP, TPP, CSSP, PPCT or PPMP) without losing any rights. Provisions relating to the waiver of contributions shall form an integral part of the pension plan provisions and the resulting cost shall be shared in the same manner as that of any other benefit.

The Board may not cancel or fail to renew the contract of the professional for the sole reason of his or her physical or mental impairment as long as the latter can receive salary insurance or work accident benefits as a result of the application of clause 5-10.31 or article 5-12.00 and then of clause 5-10.44. However, the fact that a professional does not avail himself or herself of clause 5-10.44 cannot prevent the Board from cancelling or not renewing the contract of the professional.

**5-10.34**

- A) The benefits paid under clause 5-10.31 are reduced by the initial amount of all disability benefits paid to a professional under a provincial or federal law, except those paid under the *Employment Insurance Act* (S.C. 1996, c. 23), regardless of subsequent increases in basic benefits arising from indexation.
- B) When a disability benefit is paid by the Société de l'assurance automobile du Québec (SAAQ), the professional's gross taxable income shall be established as follows: the Board shall deduct the equivalent of all amounts required by law from the basic salary insurance benefit; the net benefit thus obtained shall be reduced by the amount of benefit received from the SAAQ and the difference is brought to the professional's gross taxable income from which the Board shall deduct all the amounts, contributions and dues required by law and the Agreement.
- C) The Board shall deduct 1/10 of a day from the bank of sick-leave days per day used under subparagraph a) of paragraph A) of clause 5-10.31 in the case of the professional who receives benefits from the SAAQ.

- D) As of the 61<sup>st</sup> day from the beginning of a disability, the professional who is presumed to be entitled to a disability benefit under a provincial or federal law, with the exception of the *Employment Insurance Act* (S.C. 1996, c. 23), must, upon written request by the Board, accompanied by the appropriate forms, request such a benefit and comply with all the obligations ensuing from such a request. However, the reduction of the benefit prescribed in clause 5-10.31 is made only from the moment when the professional is recognized as eligible and effectively begins to receive the benefit prescribed by law. In the case where a benefit prescribed by law is granted retroactively to the first day of the disability, the professional shall undertake to reimburse the Board, as the case may be, for the portion of the benefit prescribed under clause 5-10.31, as a result of the application of the first paragraph of this clause.
- E) Every professional who receives a disability benefit paid under a provincial or federal law, with the exception of the *Employment Insurance Act* (S.C. 1996, c. 23), must, in order to be entitled to his or her salary insurance benefits under clause 5-10.31, notify the Board of the amount of the weekly disability benefit paid to him or her. Furthermore, he or she must give his or her written authorization to the Board so that the latter may obtain all the necessary information from the organizations, in particular the SAAQ or Retraite Québec, which administer a disability benefit plan under which he or she receives benefits.

**5-10.35**

The payment of the benefit shall terminate at the latest on the date the professional begins his or her retirement.

**5-10.36**

No benefit shall be paid during a strike or lockout except for a period of disability that began before and for which the professional has provided the Board with a medical certificate. If the disability began during a strike or lockout and still exists at the end of the strike or lockout, the period of disability prescribed in clause 5-10.31 shall begin on the date on which the professional returns to work.

**5-10.37**

Benefits payable as sick-leave days or under the salary insurance plan shall be made directly by the Board, subject, however, to the professional providing the supporting documents required in clause 5-10.38.

**5-10.38**

At any time, the authority designated by the Board may require that the professional who is absent because of disability provide a medical certificate attesting to the nature and duration of the disability. However, the cost of such a certificate shall be paid by the Board if the professional is absent for less than 4 days. The authority designated by the Board may also require the professional concerned to submit to an examination in connection with any absence. The cost of the examination as well as the professional's transportation costs when the examination requires him or her to travel more than 45 kilometres from his or her place of work shall be paid by the Board.

Upon the professional's return to work, the authority designated by the Board may require him or her to submit to a medical examination in order to establish whether he or she is sufficiently recovered to resume his or her work. The cost of the examination as well as the professional's transportation costs when the examination requires him or her to travel more than 45 kilometres from his or her place of work shall be paid by the Board. If the professional's physician and the Board's physician disagree, the Board and the Union shall choose a 3<sup>rd</sup> physician within 30 days of the date on which the disagreement is made known. Failing an agreement within the time limit prescribed, the Board's physician and the professional's physician shall agree, within a reasonable time limit, on the choice of a 3<sup>rd</sup> physician whose decision cannot be appealed.

The Board and its designated authority must treat the medical certificates and medical examination results in a confidential manner.

**5-10.39**

When payment of benefits is refused by reason of presumed nonexistence or termination of any disability, the professional may appeal the decision according to the procedure for settling grievances.

**Section 8 Sick-leave days****5-10.40**

- A) Where applicable, on July 1 of every year, the Board shall credit each professional whose regular workweek includes the number of hours prescribed in article 8-1.00 and who is covered by this article with 7 sick-leave days. The days thus granted shall be noncumulative but, when not used during the year, shall be redeemable on June 30 of each year under subparagraph a) of paragraph A) of clause 5-10.31 or another provision of the Agreement, at the rate of 1/260.9 of the salary applicable on that date per day not used, the proportion of 1/260.9 of the salary applying to the fraction of a day not used.

However, the professional on a leave of absence without salary, a leave of absence with salary for educational purposes, a preretirement leave or the benefits prescribed in subparagraph c) of paragraph A) of clause 5-10.31 shall be credited for a fraction of the 7 days of sick leave equal to the fraction of time he or she is in service.

However, if the professional continues to receive the benefits prescribed in subparagraph b) of paragraph A) of clause 5-10.31 on the first day of the work year, he or she shall, where applicable, be credited for a fraction of the 7 days of sick leave insofar as he or she resumes his or her service with the Board.

- B) Moreover, in the case of a first year of service of a regular professional who is not relocated in the context of security of employment, the Board shall add a credit of 6 nonredeemable sick-leave days.

If a professional was engaged in the course of a year and was granted fewer than 6 nonredeemable sick-leave days, he or she shall be entitled, on the first day of the following work year, if he or she remains in the service of the same board, to the difference between 6 days and the number of nonredeemable sick-leave days granted to him or her on the effective date of his or her engagement.

- C) The professional who has 13 or fewer days of sick leave accumulated to his or her credit on June 1 may, by a written notice to the Board prior to that date, choose not to redeem on June 30 the balance of the 7 days granted under paragraph A) of this clause and not used under the Agreement. The professional, having made such a choice, shall add on June 30 the balance of these 7 days, which are now nonredeemable, to the sick-leave days already accumulated.

However, the professional may opt to not redeem the balance or part of the balance on June 30 of his or her 7 days granted under paragraph A) and to add them to his or her vacation days. Clauses 7-7.04 to 7-7.07 shall apply in this case.

#### **5-10.41**

If a professional becomes covered by this article in the course of a school year or if he or she leaves his or her position during the year, the number of days credited for the year in question shall be reduced in proportion to the number of complete months of service, it being specified that "complete month of service" means a month of service during which the professional is in service for half or more of the working days contained in that month.

Nevertheless, if a professional has used, under the Agreement, some or all of the sick-leave days that the Board credited to him or her on July 1 of one year, no claim shall be made for the days thus used.

#### **5-10.42**

In the case of a professional whose regular workweek includes fewer hours than the workweek prescribed in article 8-1.00, the number of days credited shall be calculated in proportion to the number of hours worked in relation to the number of hours prescribed in article 8-1.00.

**5-10.43**

- A) The professional who receives, on the date of the coming into force of the Agreement, benefits under subparagraph b) or c) of paragraph A) of clause 5-10.31 of the 2010-2015 Agreement binding and its extensions, shall continue to be governed by those provisions for the duration of the disability period already begun, it being understood that the salary rate used to calculate his or her benefits shall be the rate applicable to him or her under the Agreement.
- B) The effective date of the beginning of a period of disability shall not be modified by the coming into force of the new plan.
- C) The disabled professional who is not entitled to any benefit on the date of the coming into force of the Agreement shall be covered by the new plan as of his or her return to work when he or she begins a new period of disability.
- D) Notwithstanding the foregoing, the professional who is disabled on the date of the coming into force of the Agreement shall benefit from the provisions concerning gradual return to work prescribed in paragraph B) of clause 5-10.31.

**5-10.44**

The sick-leave days to a professional's credit before the signing of the Agreement shall remain to his or her credit and the days used shall be deducted from the total accumulated. The sick-leave days shall be used in the following order:

- a) the redeemable days credited under clause 5-10.40;
- b) after having used up the days mentioned in a), the other redeemable days to the professional's credit;
- c) after having used up the days mentioned in a) and b), the nonredeemable days to the professional's credit.

**5-11.00 HEALTH AND SAFETY****5-11.01**

The Board and the Union shall collaborate through the Labour Relations Committee to maintain working conditions that take into account the health, safety and physical well-being of professionals.

**5-11.02**

The Board and the Union may agree to set up a specific health and safety committee.

**5-11.03**

The professional must:

- a) take the necessary measures to protect his or her health, safety or physical well-being;
- b) see that he or she does not endanger the health, safety or physical well-being of other persons who are on the work premises or near the work premises;
- c) undergo health examinations required for the application of the law and the regulations applicable to the Board.

**5-11.04**

The Board must take the measures necessary to protect the health and ensure the safety and well-being of professionals as prescribed by law and the regulations which are applicable to it; it must, in particular:

- a) see that the buildings under its jurisdiction are equipped and laid out in such a way as to protect the professionals;
- b) ensure that the organization of the work and the methods and techniques used to carry out the work are safe and do not endanger the health of professionals;
- c) provide suitable lighting, ventilation and heating;
- d) provide safety equipment and ensure that it is kept in good condition;
- e) allow a professional while in the employ of the Board to undergo medical examinations required for the application of the law and the regulations applicable to the Board.

**5-11.05**

Placing individual or group safety means and equipment at the disposal of professionals in order to meet their specific needs, when it becomes necessary under the law and regulations applicable to the Board, must not reduce in any way the efforts required by the Board, the Union and the professionals to eliminate at the source dangers to their health, safety and physical well-being.

**5-11.06**

When a professional exercises the right of refusal prescribed in the *Act respecting occupational health and safety* (CQLR, chapter S-2.1), he or she must notify his or her immediate superior or an authorized representative of the Board immediately.

As soon as he or she is notified, the immediate superior or, where applicable, the authorized representative of the Board shall convene the union representative mentioned in clause 5-11.10, if he or she is available or, in the case of an emergency, the union delegate; the purpose of the summons shall be to assess the situation and the corrective measures that the immediate superior or the authorized representative of the Board intends to apply.

For the purpose of the meeting following the summons, the union representative mentioned in clause 5-11.10 or, where applicable, the union delegate, may temporarily interrupt his or her work without loss of salary or reimbursement.

#### **5-11.07**

The right of a professional mentioned in clause 5-11.06 shall be exercised subject to the relevant provisions of the law and the regulations concerning occupational health and safety applicable to the Board and subject to the terms and conditions specified, where applicable.

#### **5-11.08**

The Board cannot impose a nonreengagement, a disciplinary or discriminatory measure due to the fact that the professional exercised in good faith the right prescribed in clause 5-11.06.

#### **5-11.09**

Nothing in the Agreement shall prevent the union representative referred to in clause 5-11.10 or, where applicable, the union delegate from being accompanied by a union adviser at the meeting prescribed in clause 5-11.06; however, the Board or its representatives must be informed of the presence of the adviser before the meeting is held.

#### **5-11.10**

The Union may expressly designate one of its representatives to the Labour Relations Committee or, where applicable, to the specific health and safety committee prescribed in clause 5-11.02 to deal with health and safety matters; the representative may be absent temporarily from his or her work, after having informed his or her immediate superior, without loss of salary or reimbursement in the following cases:

- a) to attend a meeting prescribed in the third paragraph of clause 5-11.06;
- b) to accompany an inspector of the Commission des normes, de l'équité, de la santé et de la sécurité du travail during an inspection visit to the Board in connection with a matter dealing with the health, safety or physical well-being of a professional.

This article applies to the professional who suffers a work accident or incurs an occupational disease covered by the *Act respecting industrial accidents and occupational diseases* (CQLR, chapter A-3.001).

**5-12.02**

The provisions of this article corresponding to specific provisions of the *Act respecting industrial accidents and occupational diseases* (CQLR, chapter A-3.001) apply insofar as those provisions of the Act are applicable to the Board.

- d) equivalent employment: a position of a similar nature to that held by the professional when he or she suffered the employment injury, from the standpoint of the qualifications required, wages, fringe benefits, duration and working conditions;

### **Miscellaneous provisions**

#### **5-12.04**

The professional must inform the Board of the details concerning the work accident or employment injury before leaving the establishment where he or she works, if he or she is able to do so, if not, as soon as possible. Moreover, he or she shall provide a medical certificate to the Board as prescribed by law, if the employment injury which he or she suffers renders him or her unable to perform his or her duties after the day on which it manifested itself.

#### **5-12.05**

The Board shall inform the Union of every work accident or occupational disease which a professional has suffered or contracted as soon as it is brought to its attention.

#### **5-12.06**

The professional may be accompanied by the union delegate to any meeting with the Board concerning an employment injury which he or she has suffered; in this case, the union delegate may temporarily interrupt his or her work, without loss of salary or reimbursement, after having obtained the authorization of his or her immediate superior; the authorization cannot be refused without a valid reason.

#### **5-12.07**

The Board must immediately give first aid to a professional who has suffered an employment injury and, if need be, provide transportation to a health establishment, to a health professional or to the professional's residence as required by his or her condition.

#### **5-12.08**

The Board may require that a professional who has suffered an employment injury undergo an examination by a health professional that it designates in accordance with the law.

## Group plans

### 5-12.09

The professional who suffers an employment injury entitling him or her to an income replacement indemnity shall remain covered by the life insurance plan prescribed in clause 5-10.30 and by the health insurance plan prescribed in clause 5-10.09.

The professional shall benefit, without losing any rights, from the waiver of his or her contributions to the pension plan (TPP, CSSP, RREGOP, PPMP or PPCT). The provisions concerning the waiver of the contributions shall form an integral part of the provisions of the pension plans and the resulting costs shall be shared as is the case with any other benefit.

The waiver shall no longer apply when the employment injury has consolidated or the professional is assigned temporarily as prescribed in clause 5-12.15.

### 5-12.10

In the case where the date of consolidation of the employment injury is prior to the 104<sup>th</sup> week following the date of the beginning of the continuous period of absence due to an employment injury, the salary insurance plan prescribed in clause 5-10.31 shall apply, subject to the second paragraph of this clause, if the professional is still disabled within the meaning of clause 5-10.03 and, in this case, the date of the beginning of the absence shall be considered as the date of the beginning of the disability for the purpose of applying the salary insurance plan, particularly clauses 5-10.31 and 5-10.44.

On the other hand, for the professional who would receive from the Commission des normes, de l'équité, de la santé et de la sécurité du travail an income replacement indemnity which is less than the benefit which he or she would have received as a result of the application of clause 5-10.31, the salary insurance plan prescribed in this clause shall apply to make up the difference if the professional is still disabled within the meaning of clause 5-10.03 and, in such a case, the date of the beginning of the absence shall be considered as the date of the beginning of the disability for the purpose of applying the salary insurance plan, particularly clauses 5-10.31 and 5-10.44.

### 5-12.11

The bank of sick-leave days of a professional shall not be reduced for the days for which the Commission des normes, de l'équité, de la santé et de la sécurité du travail has paid an income replacement indemnity until the date of consolidation of the employment injury as well as for the absences prescribed in clause 5-12.21. Moreover, the professional's bank of sick-leave days shall not be reduced for the part of the workday during which an employment injury renders him or her unable to perform his or her duties.

**Salary****5-12.12**

For as long as a professional is entitled to the income replacement indemnity but no later than the date of consolidation of the employment injury he or she has suffered, he or she shall be entitled to his or her salary as if he or she were at work subject to the following provisions. His or her gross taxable salary shall be determined in the following manner: the Board shall deduct the equivalent of all amounts required by law and the Agreement, where applicable; the net salary thus obtained shall be reduced by the income replacement indemnity and the difference shall be brought to a gross taxable salary on the basis of which the Board shall deduct all amounts, contributions and benefits required by law and the Agreement.

The application of this clause cannot have the effect of granting a professional who is so entitled a salary higher than that he or she would have received had he or she remained at work.

For the purpose of this clause, the salary to which the professional is entitled shall include, where applicable, premiums for regional disparities.

**5-12.13**

Subject to clause 5-12.12, the Commission des normes, de l'équité, de la santé et de la sécurité du travail shall reimburse the Board the amount corresponding to the income replacement indemnity paid by the Commission des normes, de l'équité, de la santé et de la sécurité du travail.

The professional must sign the forms required for the reimbursement. Such a waiver shall be valid only for the period during which the Board has agreed to pay the benefits.

**Right to return to work****5-12.14**

A professional who is informed by his or her physician of the date of consolidation of the employment injury he or she has suffered and of the fact that he or she will retain a certain degree of functional disability, or that he or she will retain no such disability, shall pass on the information to the Board without delay.

**5-12.15**

The Board may temporarily assign work to a professional while awaiting the professional to again become able to resume his or her position or a suitable or equivalent position even if his or her employment injury has not consolidated, the foregoing as prescribed by law.

**5-12.16**

Once his or her employment injury has consolidated, the professional shall resume his or her position or another position to which he or she is reassigned or transferred by the Board in accordance with the other provisions of the Agreement. If the position has been abolished, the professional shall be entitled to the benefits he or she would have had had he or she been at work.

**5-12.17**

A professional who, although unable to resume his or her duties because of an employment injury but who may be able to use his or her remaining ability and his or her qualifications to work, shall be entitled to hold, under clause 5-12.18, an equivalent or suitable available position that the Board intends to fill, provided that he or she is able to do so.

**5-12.18**

The exercise of the right mentioned in clause 5-12.17 shall be subject to the terms and conditions which follow:

- a) if it involves a professional position or another position:
  - the professional shall submit his or her application in writing;
  - the professional has the required qualifications and meets the other requirements determined by the Board;
  - the applicable Agreement so permits;
- b) the right of the professional can only be exercised during the 2 years immediately following the beginning of his or her absence or in the year following the date of consolidation according to the later date.

**5-12.19**

The professional who obtains a position referred to in clause 5-12.17 shall benefit from an adaptation period of 30 working days; at the end of that period, the professional cannot keep the position if the Board deems he or she is unable to perform his or her duties adequately. In such a case, the professional shall be considered as not having exercised the right prescribed in clause 5-12.17.

**5-12.20**

Notwithstanding any provision to the contrary, the professional who obtains a position referred to in clause 5-12.17 shall receive the salary related to his or her new position.

**5-12.21**

Once the professional who has suffered an employment injury returns to work, the Board shall pay him or her the salary within the meaning of the *Act respecting industrial accidents and occupational diseases* (CQLR, chapter A-3.001), including the premiums for regional disparities to which he or she is entitled, where applicable, for each day or part of day during which he or she must be absent from work to receive treatment or undergo medical examinations related to the employment injury or to carry out an activity of his or her personal rehabilitation program.

**5-13.00 PARENTAL RIGHTS<sup>1</sup>****Section 1 General provisions****5-13.01**

The maternity leave allowances prescribed in section 2, the paternity leave allowances or the adoption leave allowances prescribed in section 4 shall only be paid as a supplement to parental insurance benefits or to employment insurance benefits, as the case may be, or in the cases prescribed hereafter as payments during a period of absence for which the Québec Parental Insurance Plan (QPIP) and the Employment Insurance Plan (EIP) do not apply.

Allowances for the maternity leave, paternity leave and the adoption leave are only paid, however, during the weeks when the professional receives QPIP or EIP benefits or would receive upon request.

In the event the professional shares the adoption or parental allowances prescribed by the QPIP or the EIP with his or her spouse, the allowance will only be paid if the professional actually receives an allowance from one of these plans during the maternity leave as prescribed in clause 5-13.05, the paternity leave as prescribed in paragraph B) of clause 5-13.23 or during the adoption leave as prescribed in paragraph C) of clause 5-13.27.

**5-13.02**

When both parents are women, the allowances and benefits granted to the father are then granted to the woman who did not give birth to the child.

**5-13.03**

- A) The Board shall not reimburse the professional for the amounts that could be claimed by the Minister of Labour, Employment and Social Solidarity under the *Act respecting parental insurance* (CQLR, chapter A-29.011).

---

<sup>1</sup> At the time of signature of the Agreement, the professionals who are entitled to any of the provisions in article 5-13.00 of the 2015-2020 Agreement shall remain governed by these provisions.

Similarly, the Board shall not reimburse the professional for the amounts that Employment and Social Development Canada (ESDC) could require him or her to pay under the *Employment Insurance Act* (S.C. 1996, c. 23).

- B) The basic weekly salary<sup>1</sup>, deferred basic weekly salary and severance payments shall not be increased or decreased by the amounts received under the QPIP or the EIP.

#### 5-13.04

Unless there is a specific provision to the contrary, this article cannot result in granting a professional a benefit, monetary or not, which he or she would not have had, had he or she remained at work.

### Section 2 Maternity leave

#### 5-13.05

- A) The maternity leave of a pregnant professional:
- admissible to QPIP benefits is 21 weeks;
  - admissible to Employment Insurance Plan benefits is 20 weeks;
  - not admissible to QPIP or Employment Insurance Plan benefits is 20 weeks.

The weeks of the maternity leave must be consecutive, subject to paragraphs A) and B) of clause 5-13.09.

- B) The professional who becomes pregnant while she is on a leave without salary or a part-time leave without salary prescribed in this article shall also be entitled to the maternity leave, as prescribed in paragraph A) and to the benefits prescribed in clauses 5-13.10, 5-13.11 and 5-13.13, as the case may be.
- C) Should the professional's spouse die, the remainder of the 20 weeks of maternity leave and the rights and benefits attached thereto shall be transferred to the professional.
- D) The professional whose pregnancy is terminated after the beginning of the 20<sup>th</sup> week preceding the due date shall also be entitled to the maternity leave.

---

<sup>1</sup> "Basic weekly salary" means the regular salary of the professional including the regular salary supplement for a regularly increased workweek as well as the premiums for responsibility to the exclusion of the others without any additional remuneration even for overtime.

**5-13.06 Distribution of maternity leave**

The distribution of the maternity leave, before and after the birth, shall be decided by the professional and shall include the day of the birth. However, in the case of the professional admissible to the QPIP, the leave takes place at the same time as the period of benefits granted under the *Act respecting parental insurance* (CQLR, chapter A-29.011) and must begin at the latest the week following the start of benefit payment under the EIP.

**5-13.07 Advance notice**

To obtain maternity leave, a professional must give written notice to the Board at least 2 weeks before the date of departure. Such a notice must be accompanied by a medical certificate or a written report signed by a midwife attesting to the pregnancy and the due date.

The time limit for giving prior notice may be less if a medical certificate attests that the professional must leave her job sooner than expected. In the case of an unforeseen event, the professional shall be exempted from the formality of the notice provided that she gives the Board a medical certificate stating that she had to leave her job immediately.

**5-13.08 Extension of the maternity leave**

If the birth occurs after the due date, the professional is entitled to extend the maternity leave for the length of time the birth is overdue, except if she still has at least 2 weeks of maternity leave left after the birth.

The professional may also extend her maternity leave if her state of health or that of her child requires it. The duration of extended maternity leave shall be specified in the medical certificate provided by the professional.

During those extensions, the professional is considered on leave without salary and shall not receive any allowance or benefit from the Board. During these periods, the professional is entitled to the benefits prescribed in clause 5-13.15 and 5-13.16 for the first 6 weeks and in clause 5-13.34 thereafter.

**5-13.09 Suspension and division of the maternity leave****A) Suspension of the maternity leave**

A professional who has sufficiently recovered from delivery but whose child must remain in the health establishment may interrupt her maternity leave by returning to work. The leave is resumed when the child arrives at the family residence.

Moreover, when the professional has sufficiently recovered from delivery but the child is hospitalized after leaving the health institution, she may suspend her maternity leave, upon agreement with the Board, and return to work for the period during which the child is hospitalized.

B) Division of the maternity leave

- a) Upon request from the professional, the maternity leave may be divided into weeks if her child is hospitalized or due to circumstances other than an illness related to her pregnancy and referred to in sections 79.1 and 79.8 to 79.12 of the *Act respecting labour standards* (CQLR, chapter N-1.1);
- b) The maximum number of weeks during which the maternity leave may be suspended corresponds to the number of weeks of the child's hospitalization. For other possibilities of division, the maximum number of weeks during which the maternity leave can be suspended is that which is prescribed in the *Act respecting labour standards* (CQLR, chapter N-1.1) for such a situation.

During such suspensions, the professional is considered on leave without salary and shall not received any allowances or benefits from the Board. She is entitled to benefits prescribed in clause 5-13.34.

C) Resuming of the suspended or divided maternity leave

When the professional resumes the suspended or divided maternity leave under paragraphs A) or B) of this clause, the Board pays the professional the allowance to which she would have been entitled had she not availed herself of the suspension or division; this allowance is paid for the number of weeks remaining under clauses 5-13.10, 5-13.11 or 5-13.13, as the case may be, subject to clause 5-13.01.

### 5-13.10 Cases eligible for the Québec Parental Insurance Plan

A professional who has accumulated 20 weeks of service<sup>1</sup> and who is eligible for benefits under the QPIP shall receive during her 21 weeks of maternity leave, an allowance based on the following formula<sup>2</sup>:

- 1) sum of:
  - a) the amount equal to 100% of the professional's basic weekly salary up to \$225;
  - b) and the amount representing 88% of the difference between the professional's basic weekly salary and the amount established in subparagraph a);
- 2) and, by subtracting from this sum the amount of maternity or parental benefits she is receiving, or would receive after submitting an application, from the QPIP.

---

<sup>1</sup> The professional who is absent shall accumulate service if her leave is authorized, particularly for disability, and includes benefits or remuneration.

<sup>2</sup> This formula was used to take into account the fact that, in such a case, the professional is exempt from contributing to the pension plans, the QPIP and EIP.

The allowance is based on the QPIP benefits to which a professional is entitled, without taking into account the amounts subtracted from those benefits for repayment of benefits, interest, penalties and other amounts recoverable under the *Act respecting parental insurance* (CQLR, chapter A-29.011).

However, if there is a change to the QPIP benefits following a modification to the information provided by the Board, the latter shall correct the benefit amount accordingly.

A professional who works for more than one employer shall receive an allowance equal to the difference between the amount established by the Board in accordance with 1) of the present clause and the amount of the QPIP benefit corresponding to the proportion of the basic weekly salary paid by the Board compared to the total basic weekly salaries paid by all the employers. For that purpose, the professional shall submit to each of her employers a statement of the weekly salary paid by each employer, together with the amount of benefits payable under the *Act respecting parental insurance* (CQLR, chapter A-29.011).

#### **5-13.11 Cases not eligible for the Québec Parental Insurance Plan (QPIP) but eligible to the Employment Insurance Plan (EIP)**

A professional who has accumulated twenty weeks of service<sup>1</sup> and who is eligible for EIP benefits, but is not eligible for QPIP benefits, shall be entitled to receive during the 20 weeks of her maternity leave an allowance calculated with the following formula:

- A) for each week of the waiting period stipulated in the EIP, an allowance calculated with the following formula<sup>2</sup>;
- sum of:
- a) the amount equal to 100% of the professional's basic weekly salary up to \$225;
  - b) and the amount representing 88% of the difference between the professional's basic weekly salary and the amount established in subparagraph a);
- B) for each week following the period provided for in paragraph A), an allowance based on the following formula:
- 1) a sum of:
    - a) the amount equal to 100% of the professional's basic weekly salary up to \$225;
    - b) and the amount equal to 88% of the difference between the professional's basic weekly salary and the amount established in subparagraph a);

---

<sup>1</sup> The professional who is absent shall accumulate service if her leave is authorized, in particular in the case of a disability, and involves benefits or wages.

<sup>2</sup> This formula was used to take into account the fact that, in such a case, the professional is exempt from contributing to the pension plans, the QPIP and EIP.

- 2) and, by subtracting from this sum the amount of maternity or parental benefits she is receiving, or would receive after submitting an application, from the EIP.

The allowance shall be calculated on the basis of the employment insurance benefits that a professional is entitled to receive without taking into account the amounts deducted from such benefits because of the reimbursement of benefits, interest, penalties and other amounts recoverable under the EIP.

However, if there is a change to the EIP benefits following a modification to the information provided by the Board, the latter shall correct the benefit amount accordingly.

A professional who works for more than one employer shall receive an allowance which shall be equal to the difference between the amount established by the Board in accordance with 1) of the present clause and the amount of benefits from the Employment Insurance Plan corresponding to the proportion of basic weekly salary it pays her in relation to the total basic weekly salaries paid by all the employers. To this end, the professional shall provide each of her employers with a statement of the weekly salaries paid by each of them and the rate of benefits paid to her by ESDC.

Moreover, if ESDC reduces the number of weeks of employment insurance benefits to which the professional would otherwise have been entitled if she had not availed herself of the employment insurance benefits before her maternity leave, the professional shall continue to receive, for a period equivalent to the weeks deducted by ESDC, the additional allowance in accordance with section B) of the present clause as if she had, during that period, availed herself of the employment insurance benefits.

### **5-13.12**

The Board may not offset, by the allowance that it pays to the professional on maternity leave, the reduction to the QPIP or EIP benefits attributable to the salary earned from another employer.

Notwithstanding the provisions of the preceding paragraph, the Board shall pay the compensation if the professional proves that the salary earned from another employer constitutes usual salary by means of a letter to this effect from the employer who pays the usual salary. If the professional proves that only a portion of the salary is usual, the compensation shall be limited to that portion.

The employer who pays the usual salary prescribed in the preceding paragraph must, at the professional's request, produce such a letter.

The total amounts received by the professional during her maternity leave in QPIP or EIP benefits, in allowances and in salary may not however exceed the gross amount established in accordance with 1) of clause 5-13.10 or in under paragraph 1) of clause 5-13.11. This formula shall be applied to the total basic weekly salaries received from the Board or, where applicable, from her employers.

**5-13.13 Cases not eligible for the Québec Parental Insurance Plan and the Employment Insurance Plan**

The professional not eligible to receive benefits under the QPIP and the EIP shall also be excluded from receiving any allowance prescribed in clauses 5-13.10 and 5-13.11.

However, the professional who has accumulated 20 weeks of service shall be entitled to an allowance calculated according to the following formula for a period of 12 weeks if she is ineligible for benefits from a parental rights plan established by another province or territory:

a sum of:

- a) the amount equal to 100% of the professional's basic weekly salary up to \$225;
- b) and the amount equal to 88% of the difference between the professional's basic weekly salary and the amount established in subparagraph a).

The total amounts received by the professional during her maternity leave as QPIP or EIP allowances and salary may not however exceed the gross amount established in the 2<sup>nd</sup> paragraph of this clause. This formula shall be applied to the total amount of basic weekly salaries received from the Board in accordance with clause 5-13.10 or 5-13.11 or, where applicable, from her employers.

**5-13.14 In the cases prescribed in clauses 5-13.10, 5-13.11 and 5-13.13**

- A) No allowance may be paid during the vacation period for which a professional is paid.
- B) The allowance shall be paid every 2 weeks by the Board; however, in the case of the professional eligible to QPIP or EIP benefits, the first instalment need only be paid 15 days after the Board receives proof that the professional is receiving benefits from one of the 2 plans. For purposes of this paragraph, shall be considered as admissible proof a statement of benefits, a stub as well as information provided by the Ministère du Travail, de l'Emploi et de la Solidarité sociale or by ESDC to the Board by means of an official statement.
- C) Service shall be calculated with all the employers in the public and parapublic sectors (Civil Service, Education, Health and Social Services), regional health and social services agencies, bodies whose employees are subject to conditions of employment or salary scales or standards which are determined by the government, the Office franco-québécois pour la jeunesse, the Société de gestion du réseau informatique des commissions scolaires (GRICS) and any other body referred to in Schedule C of the *Act respecting the process of negotiation of the collective agreements in the public and parapublic sectors* (CQLR, chapter R-8.2).

Moreover, the requirement of 20 weeks service contained in clauses 5-13.10, 5-13.11 and 5-13.13 shall be deemed to have been met, where applicable, when the professional meets the requirement with one of the employers mentioned in this paragraph.

- D) The basic weekly salary of the professional whose workweek includes fewer hours than that prescribed in article 8-1.00 shall be the average basic weekly salary that she received during the last 20 weeks preceding her maternity leave.

If, during that period, the professional received benefits based on a certain percentage of her regular salary, it shall be understood that, for calculation purposes, her basic weekly salary during her maternity leave shall be the basic salary on the basis of which the benefits were established.

However, any period during which the professional on a special leave prescribed in clause 5-13.20 does not receive any benefits from the Commission des normes, de l'équité, de la santé et de la sécurité du travail (CNESST) shall be excluded for the purpose of calculating her basic average weekly salary.

If the 20-week period preceding the maternity leave of the professional whose workweek has fewer hours than that prescribed in article 8-1.00 includes the date of the increase of the salary rates and scales, the basic weekly salary shall be calculated on the basis of the salary rate in force on that date. If, on the other hand, the maternity leave includes that date, the basic weekly salary changes as of that date according to the adjustment formula of the applicable salary scale.

The provisions of the current paragraph constitute one of the specific conditions prescribed by clause 5-13.04.

- E) In the case where the nontenured regular professional is nonreengaged because of surplus, the maternity leave benefits to which she is entitled under the Agreement and paid by the Board shall terminate as of the date of the nonreengagement.

Subsequently, in the case where the professional is reengaged under the priority of employment prescribed in clause 5-6.06, the maternity leave benefits shall be reestablished as of the date of the reengagement.

In this case, the weeks during which the professional received maternity leave benefits and the weeks included in the period during which she was nonreengaged shall be deducted from the number of weeks to which the professional is entitled under clause 5-13.10, 5-13.11 or 5-13.13, as the case may be, and the maternity leave benefits shall be reestablished for the number of weeks left to cover under clause 5-13.10, 5-13.11 or 5-13.13, as the case may be.

### **5-13.15**

During the maternity leave and the first 6 weeks of the extensions prescribed in clause 5-13.08, the professional, insofar as she is normally entitled to it, shall benefit from the following:

- life insurance plan;
- health insurance plan, by paying her share;
- accumulation of vacation or payment made in lieu thereof;
- accumulation of sick-leave days;

- accumulation of seniority;
- accumulation of experience;
- accumulation of continuous service for the purpose of security of employment;
- right to apply for a position that is posted and to obtain it under the Agreement as if she were at work.

**5-13.16**

The professional may defer a maximum of 4 weeks' annual vacation if it falls within her maternity leave and if she notifies the Board in writing of the date of the deferral no later than 2 weeks before the termination of the maternity leave.

**5-13.17**

The maternity leave may last for less than the duration prescribed in clause 5-13.05. If the professional returns to work within the 2 weeks of the birth, she must, at the Board's request, produce a medical certificate confirming that she is sufficiently recovered to resume work.

**5-13.18**

During the 4th week preceding the termination of the maternity leave, the Board must send the professional a notice indicating the anticipated termination date of the leave.

The professional to whom the Board has sent such a notice must report to work upon the termination of the maternity leave, unless the leave is extended as prescribed in clause 5-13.33.

The professional who does not comply with the preceding paragraph shall be considered as being on a leave of absence without salary for a maximum period of 4 weeks. At the end of that period, the professional who has not reported back to work shall be considered as having resigned.

**5-13.19**

When she returns from her maternity leave, the professional shall return to her position or, where applicable, to a position she has requested during her leave, as set out in the Agreement. If the position has been abolished, the professional shall be entitled to the benefits she would have had had she been at work at that time.

### Section 3 Special leaves regarding pregnancy and breastfeeding

#### 5-13.20 Temporary assignment and special leave

- A) The professional may request to be temporarily assigned to another position, whether vacant or temporarily vacant, in the same employment group or, if she agrees and subject to the provisions of the Agreement, another employment group, in the following cases:
- a) she is pregnant and her working conditions expose her or her unborn child to infectious diseases or to physical dangers;
  - b) her working conditions involve dangers for her child whom she is breastfeeding;
  - c) she works regularly at a cathode-ray tube terminal.

The professional must present a medical certificate to this effect as soon as possible.

- B) When the Board receives a request for a preventive reassignment, it shall immediately inform the Union giving the name of the professional and the reasons supporting the request.
- C) The professional so assigned to another position shall retain the rights and privileges of her regular position.
- D) If the assignment is not carried out immediately, the professional shall be entitled to a special leave to begin immediately. Unless a temporary assignment arises afterward to cancel the special leave, the special leave shall terminate, for the pregnant professional, on the date of the birth and, for the professional who is breastfeeding, at the end of the period during which the child is breastfed. However, for the professional eligible to benefits under the *Act respecting parental insurance* (CQLR, chapter A-29.011) the special leave shall end as of the 4<sup>th</sup> week prior to the expected delivery date.
- E) During the special leave prescribed in this clause, the professional shall be governed, with regard to her allowance, by the provisions of the *Act respecting occupational health and safety* (CQLR, chapter S-21) concerning the preventive reassignment of the employee who is pregnant or who is breastfeeding.

However, following a written request to this effect, the Board shall pay the professional an advance on the benefit to be received on the basis of the anticipated benefits. If the CNESST pays the anticipated payment, the reimbursement shall be deducted from that amount. If not, the reimbursement shall be made under clause 6-11.09.

However, if the professional exercises her right to apply for a review of the CNESST decision or to contest it before the Tribunal administratif du travail, the reimbursement may not be claimed until the administrative review decision of the CNESST has been rendered or, where applicable, the decision of the Tribunal administratif du travail has been rendered.

- F) In addition to the preceding provisions, at the professional's request, the Board must study the possibility of temporarily changing the duties, without loss of rights, of the professional assigned to a cathode-ray tube terminal so as to reduce her working time at the terminal to a maximum of 2 hours per half-day and assign her to other duties which she is reasonably capable of performing for the remainder of her working time.

### **Other special leaves**

#### **5-13.21**

The professional shall also be entitled to a special leave in the following circumstances:

- a) when a complication in the pregnancy or a risk of miscarriage requires a work stoppage for a period prescribed by a medical certificate; the special leave cannot be extended beyond the beginning of the 4<sup>th</sup> week preceding the due date;
- b) upon presentation of a medical certificate prescribing the duration, when a natural or legally induced miscarriage occurs before the beginning of the 20<sup>th</sup> week preceding the due date;
- c) for visits with a health care professional related to the pregnancy and attested to by a medical certificate or a written report signed by a midwife. The professional shall then benefit from a special leave without loss of salary for a maximum of 4 days which may be taken in half-days.

#### **5-13.22**

During the special leaves granted under this section, a professional shall be entitled to the benefits prescribed in clauses 5-13.15 and 5-3.16, insofar as she is normally entitled to them, and in clause 5-13.19. The professional covered by clause 5-13.21 may also avail herself of the benefits of the sick-leave plan or the salary insurance plan. In the case of subparagraph c) of clause 5-13.21, the professional must first have used the 4 days prescribed therein.

### **Section 4 Other parental leaves**

#### **Paternity leave**

#### **5-13.23**

- A) Paternity leave with salary for 5 working days

The professional whose spouse gives birth shall be entitled to a leave with salary for a maximum period of 5 working days. The professional shall also be entitled to the leave if the pregnancy is terminated after the beginning of the 20<sup>th</sup> week preceding the due date. The leave may be discontinuous but must be taken between the beginning of the delivery and the 15<sup>th</sup> day following the mother's or child's return to the family residence.

One of the 5 days may be used for the child's baptism or registration.

During this leave, the professional is entitled to the benefits prescribed in clauses 5-13.15 and 5-13.16, provided he is normally entitled to them, and in clause 5-13.19.

A female professional whose spouse delivers a child is also entitled to such leave if she is designated as one of the child's mothers.

The professional shall notify the Board as soon as possible of the date on which he plans to take the paternity leave.

B) Paternity leave for 5 weeks

Upon the birth of his child, a professional is also entitled to a paternity leave for a maximum of 5 weeks, which, subject to paragraphs D) and E), must be taken consecutively. This leave must end no later than at the end of the 52<sup>nd</sup> week following the week of the child's birth.

The leave of the professional eligible for QPIP or EIP benefits shall be concurrent with the period during which benefits are paid under one of these plans and must begin no later than the week following the start of such benefit payments.

A female professional whose spouse delivers a child is also entitled to such leave if she is designated as one of the child's mothers.

The paternity leave is granted upon written request submitted by the professional at least 3 weeks in advance. The time limit can be reduced if the birth occurs before the due date.

The request shall indicate the date of expiry of the leave.

The professional must report for work on the date of expiry of the paternity leave unless the leave is extended under clause 5-13.33.

The professional who does not comply with the preceding paragraph is deemed to be on leave of absence without salary for no more than 4 weeks. If the professional does not report for work at the end of that period, he or she is deemed to have resigned.

C) Extension of the paternity leave

A professional who, before the expiry date of the paternity leave provided for under the preceding paragraph B), sends his Board a notice accompanied by a medical certificate attesting that the state of health of the child requires it, is entitled to extend his paternity leave for the duration indicated in the medical certificate.

During the extended leave, the professional is considered on leave without salary and shall not receive any allowances or benefits from the Board. The professional is entitled to benefits prescribed in clause 5-13.34 during this period.

D) Suspension of the paternity leave

When the child is hospitalized, the professional may interrupt the paternity leave provided for under the preceding paragraph B) upon agreement with the Board, and return to work for the duration of the hospitalization.

E) Division of the paternity leave

Upon request from the professional, the paternity leave provided for under the preceding paragraph B) may be divided if his child is hospitalized or due to circumstances referred to in sections 79.1 and 79.8 to 79.12 of the *Act respecting labour standards* (CQLR, chapter N-1.1).

The maximum number of weeks during which the paternity leave may be suspended corresponds to the number of weeks of the child's hospitalization. For other possibilities of division, the maximum number of weeks during which the paternity leave may be suspended is that which is prescribed in the *Act respecting labour standards* (CQLR, chapter N-1.1) for such a situation.

During such suspensions, the professional is considered on leave without salary and shall not received any allowances or benefits from the Board. He is entitled to benefits prescribed in clause 5-13.34.

F) Resuming of the suspended or divided paternity leave

When the professional resumes the suspended or divided paternity leave under paragraphs D) and E), the Board shall pay the professional the allowance to which he or she would have been entitled had he or she not availed himself or herself of the suspension or division for the number of weeks remaining under paragraph B) of this clause, subject to clause 5-13.01.

G) During the 5-week paternity leave, the professional shall be entitled to the benefits provided for in clauses 5-13.15 and 5-13.16, providing he is normally entitled to them, and in clause 5-13.19.

**5-13.24 Cases eligible for the Québec Parental Insurance Plan or the Employment Insurance Plan**

A) During the 5 weeks of paternity leave provided for in paragraph B) of clause 5-13.23, the professional who has accumulated 20 weeks of service shall receive an allowance equal to the difference between his basic weekly salary and the amount of QPIP or EIP benefits he is receiving or would receive, upon request.

B) The allowance is based on the QPIP or EIP benefits, as the case may be, to which a professional is entitled, without taking into account the amounts subtracted from such benefits for repayment of benefits, interest, penalties and other amounts recoverable under the *Act respecting parental insurance* (CQLR, chapter A-29.011) or the EIP.

However, if there is a change to the QPIP or EIP benefits following a modification to the information provided by the Board, the latter shall correct the benefit amount accordingly.

A professional who works for more than one employer shall receive an allowance equal to the difference between 100% of his basic weekly salary paid by the Board and the amount of QPIP or EIP benefits corresponding to the proportion of the basic weekly salary paid by the Board compared to the total basic weekly salaries paid by all the employers. For that purpose, the professional shall submit to each of his employers a statement of the weekly salary paid by each employer together with the amount of benefits payable under the *Act respecting parental insurance* (CQLR, chapter A-29.011) or by ESDC.

- C) The Board may not offset, by the allowance that it pays to the professional on paternity leave, the reduction in the QPIP or EIP benefits attributable to the salary earned from another employer.

Notwithstanding the provisions of the preceding subparagraph, the Board shall pay the allowance if the professional proves that the salary earned from another employer is usual salary by means of a letter to that effect from the employer paying it. If the professional proves that only part of the salary earned from another employer is usual, compensation shall be limited to that part.

The employer paying the usual salary provided for in the preceding subparagraph must, at the professional's request, produce such a letter.

The total amounts received by the professional during his paternity leave as QPIP or EIP benefits, allowances and salary may not exceed the basic weekly salary paid by the Board or, where applicable, his employers.

**5-13.25 In the cases prescribed in paragraph B) of clause 5-13.23, in paragraph A) of clause 5-13.24 and in clause 5-13.26**

Clause 5-13.14 shall apply to the present clause adapted as required.

**5-13.26 Cases ineligible for both the Québec Parental Insurance Plan and the Employment Insurance Plan**

A professional who is not eligible for QPIP paternity benefits or to EIP parental benefits shall receive, during the paternity leave provided for in paragraph B) of clause 5-13.23, a benefit equal to his basic weekly salary if this professional has completed 20 weeks of service.

**Adoption leave and leave without salary for adoption purposes****Adoption leave****5-13.27****A) Leave for the adoption of a child other than his or her spouse's child**

A professional shall be entitled to a leave with salary for a maximum of 5 working days for the adoption of a child other than the child of his or her spouse. The leave may be discontinuous but it may not be taken more than 15 days following the child's arrival home.

One of these 5 days may be taken for the child's baptism or registration.

The professional shall notify the Board as soon as possible of the date on which he or she plans to take the leave.

During the leave, the professional shall be entitled to the benefits provided for in clauses 5-13.15 and 5-13.16, insofar as she or he is normally entitled to them, and in clause 5-13.19.

**B) Leave for the adoption of a spouse's child**

A professional who legally adopts his or her spouse's child is entitled to a maximum of 5 working days of leave, of which only the first 2 shall be paid.

The leave may be discontinuous but it may not be taken more than 15 days following the filing of the application for adoption.

The professional shall notify the Board as soon as possible of the date on which he or she plans to take the leave.

During the leave, the professional is entitled to the benefits prescribed in clauses 5-13.15 and 5-13.16, insofar as she or he is normally entitled to them, and in clause 5-13.19.

**C) Adoption leave of 5 weeks**

A professional who legally adopts a child, other than his or her spouse's child, shall be entitled to a maximum of 5 weeks of adoption leave which, subject to paragraphs E) and F) of this clause, must be taken consecutively. The leave must end at the latest at the end of the 52<sup>nd</sup> week following the child's arrival home.

The leave of the professional eligible for QPIP or EIP benefits shall be concurrent with the period during which benefits are paid under one of these plans and must begin no later than the week following the start of such benefit payments.

The leave of a professional who is ineligible for QPIP or EIP benefits must be taken after the order of placement of the child, or the equivalent in the case of an international adoption, in accordance with the adoption plan or at another time agreed upon with the Board.

The adoption leave is granted upon written request submitted by the professional at least 3 weeks in advance.

The request shall indicate the date of expiry of the leave.

The professional must report for work on the date of expiry of the leave unless the leave is extended under clause 5-13.33.

A professional who does not comply with the preceding paragraph is deemed to be on leave of absence without salary for no more than 4 weeks. If a professional does not report for work at the end of that period, he or she is deemed to have resigned.

**D) Extension of the adoption leave**

A professional who, before the expiry date of his or her adoption leave under the preceding paragraph C), sends the Board a notice accompanied by a medical certificate attesting that the state of health of the child requires it, is entitled to extend his or her adoption leave for the duration indicated in the medical certificate.

During the extended leave, the professional is considered on leave without salary and shall not receive any allowances or benefits from the Board. The professional is entitled to benefits prescribed in clause 5-13.34 during this period.

**E) Suspension of the adoption leave**

When the child is hospitalized, the professional may interrupt his or her adoption leave under the preceding paragraph C), upon agreement with the Board, and return to work for the duration of the hospitalization.

**F) Division of the adoption leave**

Upon request from the professional, the adoption leave provided for under the preceding paragraph C) may be divided into weeks if his child is hospitalized or due to circumstances referred to in sections 79.1 and 79.8 to 79.12 of the *Act respecting labour standards* (CQLR, chapter N-1.1).

The maximum number of weeks during which the adoption leave may be suspended corresponds to the number of weeks of the child's hospitalization. For other possibilities of division, the maximum number of weeks during which the adoption leave may be suspended is that which is prescribed in the *Act respecting labour standards* (CQLR, chapter N-1.1) for such a situation.

During such suspensions, the professional is considered on leave without salary and shall not received any allowances or benefits from the Board. He is entitled to benefits prescribed in clause 5-13.34 during this period.

**G) Resuming of the suspended or divided paternity leave**

When the professional resumes the suspended or divided adoption leave under paragraphs E) and F), the Board pays the professional the allowance to which he or she would have been entitled had he or she not availed himself or herself of the suspension or division; this allowance is paid for the number of weeks remaining under paragraph C) of this clause, subject to clause 5-13.01.

**H) During the leave provided for under paragraph C) of this clause, the professional is entitled to the benefits prescribed in clauses 5-13.15 and 5-13.16, insofar as he or she is normally entitled to them, and in clause 5-13.19.****5-13.28 Cases eligible for the Québec Parental Insurance Plan or the Employment Insurance Plan**

A) During the 5 weeks of adoption leave provided for in paragraph C) of clause 5-13.27, the professional who has completed 20 weeks of service shall receive an allowance equal to the difference between his or her basic weekly salary and the amount of QPIP or EIP benefits he or she is receiving or would receive upon request.

B) The allowance is based on the QPIP or EIP benefits, as the case may be, to which a professional is entitled, without taking into account the amounts subtracted from those benefits for repayment of benefits, interest, penalties and other amounts recoverable under the *Act respecting parental insurance* (CQLR, chapter A-29.011) or the Régime d'assurance-emploi.

However, if there is a change to the QPIP or EIP benefits following a modification to the information provided by the Board, the latter shall correct the benefit amount accordingly.

A professional who works for more than one employer shall receive an allowance equal to the difference between his or her basic weekly salary paid by the Board and the amount of the QPIP or EIP benefits corresponding to the proportion of the basic weekly salary paid by the Board compared to the total basic weekly salaries paid by all the employers. For that purpose, the professional shall submit to each of her employers a statement of the weekly salary paid by each employer, together with the amount of benefits payable under the *Act respecting parental insurance* (CQLR, chapter A-29.011) or the EIP.

C) The Board may not offset, by the allowance that it pays to the professional on adoption leave, the reduction in the QPIP or EIP benefits attributable to the salary earned from another employer.

Notwithstanding the provisions of the preceding paragraph, the Board shall pay the allowance if the professional proves that the salary earned from another employer is usual salary by means of a letter to that effect from the employer paying it. If the professional proves that only part of the salary earned from another employer is usual, compensation shall be limited to that part.

The Board paying the usual salary prescribed in the preceding paragraph must, at the professional's request, produce such a letter.

The total amounts received by the professional during his or her adoption leave as QPIP or EIP benefits, allowances and salary may not exceed the basic weekly salary paid by the Board or, where applicable, his or her employers.

**5-13.29 In the cases provided for in paragraph C) of clause 5-13.27, in paragraph A) of clause 5-13.28 and in clause 5-13.30**

Clause 5-13.14 shall apply to the present clause by making the necessary changes.

**5-13.30 Cases ineligible for both the Québec Parental Insurance Plan and the Employment Insurance Plan**

A professional, who is not entitled to adoption benefits under the QPIP or parental benefits under the EIP, who adopts a child other than his or her spouse's child shall receive, during the adoption leave provided for in paragraph C) of clause 5-13.27, a benefit equal to his or her basic weekly salary if he or she has completed 20 weeks of service.

**Leave without salary for adoption purposes**

**5-13.31**

A professional is entitled to a leave without salary of a maximum duration of 10 weeks to adopt a child, other than the spouse's child, beginning on the date on which the professional assumes full legal responsibility for the child. To be granted, the leave must be requested in writing to the Board at least 2 weeks in advance.

**5-13.32**

The professional who travels outside Québec in order to adopt a child, other than his or her spouse's child, shall be granted, for that purpose and upon a written request submitted to the Board 2 weeks in advance, where possible, a leave of absence without salary for the time necessary for such travel.

However, the adoption leave ends no later than the week following the start of QPIP or EIP benefit payments, as the case may be, and the provisions under paragraph C) of clause 5-13.27 shall apply.

During the leave of absence, the professional is entitled to the benefits prescribed in clause 5-13.34.

**Leave of absence without salary and part-time leave of absence without salary for maternity, paternity or adoption purposes****5-13.33**

A) A professional is entitled to a 2-year leave without salary when this leave is taken immediately after one of the following leaves:

- a) the maternity leave prescribed in clause 5-13.05;
- b) the paternity leave prescribed in paragraph B) of clause 5-13.23;

However, the leave shall not exceed the 125<sup>th</sup> week following the child's birth.

- c) the adoption leave prescribed in paragraph C) of clause 5-13.27.

However, the leave shall not exceed the 125<sup>th</sup> week following the child's arrival at home.

The professional whose workweek includes the number of hours prescribed in article 8-1.00 and who does not avail himself or herself of the leave of absence without salary shall be entitled to a part-time leave of absence without salary established over a maximum period of 2 years which shall not exceed the 125<sup>th</sup> week following the child's birth or arrival at home.

To obtain a leave without salary, the professional must submit a written request to the Board no later than 3 weeks in advance. In the case of part-time leave without salary, the request must be made no later than 30 days in advance. All requests must include the return date and the schedule of the leave.

For the duration of the leave, the professional shall be authorized, following a written request submitted to the Board at least 30 days in advance, to avail himself or herself once of one of the following changes:

- from a leave without salary to a part-time leave without salary or the reverse, as the case may be;
- from part-time leave without salary to a different part-time leave without salary.

The professional and the Board shall agree on the date on which the change shall take effect.

The professional whose workweek includes fewer hours than the regular workweek prescribed in article 8-1.00 shall also be entitled to the part-time leave without salary which shall not exceed the 125<sup>th</sup> week following the child's birth or arrival at home. However, the other provisions of the Agreement concerning the determination of the number of working hours shall continue to apply.

In the case of a professional whose regular work week includes the number of hours prescribed in article 8-1.00 who takes part-time leave without salary, in the event of disagreement from the Board as to the number of days of leave in the week, the professional is entitled to a maximum of 2.5 days per week or the equivalent, for a maximum of 2 years. The Board and the professional agree on the schedule of the leave. If there is a disagreement on this schedule, the Board will set the schedule. If the professional is not satisfied with the distribution of the leave as decided by the Board, he or she may choose to cancel the leave.

In the case of a professional whose regular work week includes fewer hours than prescribed in article 8-1.00 who takes part-time leave without salary, the Board and the professional agree on the schedule of the leave. If there is a disagreement, the Board will set the schedule. If the professional is not satisfied with the distribution of the leave as decided by the Board, he or she may choose to cancel the leave.

The professional who does not avail himself or herself of the leave without salary or the part-time leave without salary may, for the portion of the leave which his or her spouse has not taken, benefit, at his or her choice, from a leave without salary or part-time leave without salary by following the formalities prescribed.

If the professional's spouse is not an employee of the public or parapublic sector, the professional may avail himself or herself of a leave prescribed above at the time he or she chooses within 2 years of the birth or adoption without however exceeding the 2-year time limit following the birth or adoption.

During a part-time leave without salary, the professional shall retain the right, if he or she has such a right, to use the days of sick leave provided for in article 5-10.00.

- B) The professional who does not use the leave prescribed in the preceding paragraph A) may benefit after the birth or adoption of his or her child from a leave without salary for a maximum period of 52 continuous weeks which begins at the time the professional chooses and ends no later than 70 weeks after the birth or, in the case of an adoption, 70 weeks after he or she assumes full legal responsibility for the child.

#### **5-13.34**

During a leave of absence without salary, the professional shall accumulate his or her seniority, retain his or her experience and continue to participate in the applicable basic health insurance plan provided that he or she pay his or her premium contribution for the first 52 weeks of the leave and the total amount of the required premiums for the following weeks. Moreover, the professional may also continue to participate in the other insurance plans applicable to him or her if he or she so requests at the beginning of the leave and pays the total amount of the premiums.

During the part-time leave without salary, the professional shall accumulate his or her seniority on the same basis as prior to the leave and for the proportion of hours worked, he or she shall be governed by the provisions applicable to the professional whose workweek includes fewer hours than the regular workweek prescribed in article 8-1.00.

Notwithstanding the preceding paragraphs, the professional shall accumulate his or her experience, for the purposes of determining his or her salary, up to the first 52 weeks of a leave without salary or part-time leave without salary.

**5-13.35**

The professional may take his or her deferred annual vacation period immediately prior to his or her leave without salary or part-time leave without salary provided that there be no discontinuity with his paternity leave, her maternity leave or his or her leave for adoption, as the case may be.

**5-13.36**

The professional to whom the Board has sent a 4-week notice indicating the termination date of the leave of absence without salary must submit a notice of his or her return at least 2 weeks before the termination of the leave. If the professional does not report for work on that date, he or she is deemed to have resigned.

The professional who wishes to terminate his or her leave of absence without salary before the anticipated date must submit a written notice to this effect at 21 days prior to his or her return. In the case of a leave without salary exceeding 52 weeks, the notice shall be submitted at least 30 days in advance.

**5-13.37**

Upon request from the professional, the leave without salary may be divided before the termination of the first 52 weeks if the child is hospitalized or due to circumstances referred to in sections 79.1 and 79.8 to 79.12 of the *Act respecting labour standards* (CQLR, chapter N-1.1).

The maximum number of weeks during which the leave without salary may be suspended corresponds to the number of weeks of the child's hospitalization. For other possibilities of division, the maximum number of weeks during which the leave may be suspended is that which is prescribed in the *Act respecting labour standards* (CQLR, chapter N-1.1) for such a situation.

During such suspensions, the professional is considered on leave without salary and shall not received any allowances or benefits from the Board. He or she shall be entitled to benefits under clause 5-13.34 during this suspension.

**5-13.38**

On returning to the Board from a leave without salary or a part-time leave without salary, the professional shall be reinstated in his or her position. If the position is abolished, the professional shall be entitled to the benefits he or she would have had had he or she been at work at that time.

**5-13.39 Leaves for parental responsibilities**

A leave without salary or a part-time leave without salary for a maximum of one year shall be granted to a professional whose minor child experiences socioemotional problems or is handicapped or ill and who requires his or her care. The Board and the professional shall agree on the terms and conditions of the leave. Failing agreement, the Board shall determine the terms and conditions of the leave. If the professional is not satisfied with the terms and conditions determined by the Board, he or she may renounce such a leave.

**Section 5 Miscellaneous provisions****5-13.40 Premium for regional disparities**

The professional who is entitled to a premium for regional disparities prescribed in the Agreement shall receive the premium during her maternity leave prescribed in section 2.

Notwithstanding the foregoing, the total amount received by the professional in employment insurance benefits, allowances and premiums cannot exceed 95% of the amount that constitutes her basic salary and the premium for regional disparities.

The professional who benefits from the leave for adoption prescribed in paragraph C) of clause 5-13.27 and the professional who benefits from the paternity leave under paragraph B) of clause 5-13.23 shall be entitled, during the weeks he or she is receiving benefits, to 100% of the premium for regional disparities during one of these leaves.

**5-13.41**

Any allowance or benefit referred to in this article for which payment began before a strike or lockout shall continue to be paid during the strike or lockout.

**5-13.42**

If it is established before an arbitrator that a regular professional who has not completed the probation period prescribed in clause 5-5.03 benefited from a maternity leave or a leave without salary or part-time leave without salary to extend a maternity leave and that the Board nonreengaged her, the latter must prove that it terminated her employment for reasons other than her having benefited from the maternity leave or the leave without salary or part-time leave without salary.

**5-13.43**

Should any changes occur in the QPIP, to the *Employment Insurance Act* (S.C. 1996, c. 23), to the *Act respecting labour standards* (CQLR, chapter N-1.1) with respect to parental rights, it is understood that the parties shall meet to discuss the possible impact of these changes on the present parental rights.

**5-14.00 NONDISCRIMINATION****5-14.01**

There shall be no threat, constraint or discrimination on the part of the Board or the Union against a professional because of race, colour, sex, pregnancy, sexual orientation, civil status, religion, political opinions, language, nationality, ethnic or national origin, social condition, the fact that he or she is a handicapped person or that he or she uses means to alleviate his or her handicap.

Notwithstanding this clause, the Board may adopt programs, such as hiring, training, professional improvement, promotion programs, etc. designed to improve the situation of the beneficiaries of the James Bay and Northern Québec Agreement. Any distinction, exclusion or preference established by these programs shall be considered nondiscriminatory.

**5-14.02**

No threat, constraint, discrimination or unjust distinction shall be exercised against a board representative, a union delegate or union representative in the course of or as a result of the performance of his or her duties in that capacity.

**5-14.03**

There shall be no intimidation, reprisals or discrimination against a professional because of the fact that he or she exercises a right or recourse prescribed by law or the Agreement.

**5-15.00 EQUAL OPPORTUNITY****5-15.01**

The Board which decides to implement a voluntary equal opportunity program, other than a program referred to in clause 5-14.01, shall consult the Union, through the Labour Relations Committee, on the contents of the program.

**5-15.02**

The consultation shall focus on the following:

- a) the possibility of setting up an equal opportunity advisory committee grouping together all categories of personnel, it being specified that only one equal opportunity committee may exist at the Board and that the Union shall appoint its representative to that committee.

Should such a committee be set up, consultation on the items in the following subparagraphs b) and c) shall be carried out by the committee;

- b) the diagnostic analysis, where applicable;

- c) the contents of the equal opportunity program, namely:
- the objectives sought,
  - the corrective measures,
  - the time frame,
  - the control mechanisms allowing the evaluation of the progress made and problems encountered.

### **5-15.03**

In the context of the consultation prescribed in clause 5-15.02, the Board shall forward relevant information to the Union within a reasonable time limit.

### **5-15.04**

In order to be valid, any equal opportunity measure which has the effect of subtracting from, modifying or adding to a provision of the Agreement must be the subject of a written agreement under clause 9-7.03.

### **5-15.05**

The provisions of this article shall not apply to a program referred to in clause 5-14.01.

## **5-16.00 Psychological harassment in the workplace**

### **5-16.01**

Psychological harassment means any vexatious behaviour in the form of repeated and hostile or unwanted conduct, verbal comments, actions or gestures that affects a professional's dignity or psychological or physical integrity and that results in a harmful work environment for the professional. For greater certainty, psychological harassment includes such behaviour in the form of such verbal comments, actions or gestures of a sexual nature.

A single serious incidence of such behaviour that has a lasting harmful effect on a professional may also constitute psychological harassment (*Act respecting labour standards* (CQLR, chapter N-1.1)).

### **5-16.02**

The professional has a right to a work environment free from psychological harassment.

**5-16.03**

The Board shall take reasonable action to prevent psychological harassment and, whenever it becomes aware of such behaviour, to put a stop to it. It must, in particular, adopt and make available to its professionals a psychological harassment prevention and complaint processing policy that includes, in particular, a section on behaviour that manifests itself in the form of verbal comments, actions or gestures of a sexual nature.

**5-16.04**

A professional who claims harassment may call upon the Board to try and find a solution to his or her allegations.

The Board shall follow the process and procedures prescribed in its policy in order to deal with these allegations. During any meeting with the employer, within the context of this clause, the professional may be accompanied, if he or she so desires, by a union representative.

**5-16.05**

Any grievance regarding psychological harassment in the workplace shall be submitted to the Board by the plaintiff or the Union with the consent of the plaintiff according to the procedure provided for in articles 9-1.00 and 9-2.00.

However, such a grievance may be filed within 2 years of the last incidence of such offending behaviour.

**5-16.06**

The names of the persons concerned and the circumstances related to the harassment situation must be treated in a confidential manner, except if such information is required for the inquiry related to the grievance or the application of a measure taken under this Agreement.

**5-16.07**

A grievance dealing with psychological harassment shall be given hearing priority.

**5-16.08**

Notwithstanding clause 4-2.02, a grievance concerning psychological harassment in the workplace shall not be submitted to the Labour Relations Committee for consultation.

**5-17.00 ATTRACTION AND RETENTION MEASURE****Continuation of benefits when changing employer****5-17.01**

A tenured regular professional may obtain a full-time leave of absence without salary for one year to work in another service centre or school board by providing a written notice of 30 working days. The leave of absence without salary must be authorized by the Board.

At the end of a period of professional integration (equal to the duration of the leave without salary provided by the service centre or school board of origin), the professional shall have his or her tenure status recognized by his or her new employer and the professional is deemed to have resigned from his or her service centre or school board of origin.

For vacation purpose, the professional's years of continuous service shall be recognized by the service centre or school board as of the year of transfer.

**5-17.02**

No later than 60 days before the end of the professional integration period, the new employer shall inform the professional of its decision to keep the professional in its employ.

The professional shall keep the right to return to his or her initial service centre or school board with a written notice of 30 days before the end of his or her leave of absence without salary.

**5-17.03**

The change from one service centre to another service centre or school board shall be on a voluntary basis and shall not confer the right to any benefit other than those provided in the present article.

**5-17.04**

The professional shall have the right to avail himself or herself of this attraction and retention measure only once in his or her career.

**5-17.05**

No grievance may be filed under the present article as regards the refusal by the Board to maintain the professional to his or her position at the end of the professional integration period. Only the deadlines and notices provided for in the present article may be the object of a grievance.

Such a grievance is comparable to a continuous grievance and shall have no retroactive effect prior to the date on which the grievance was submitted.

The arbitrator to whom such a grievance is referred shall have the power to rule on the classification and on the monetary compensation to be paid.

If the arbitrator decides that the duties normally assigned to the professional belong to an employment group other than the one in which the Board has classified the professional, the Board may:

**7-1.07**

The Board may also grant a professional who has acquired his or her tenure under article 5-6.00 a part-time leave of absence without salary for a specific period for reasons it deems valid. the death of the minor child of his or her spouse when the child does not live in the same household: 3 consecutive days, working days or not, as of the date of the death or including the day of the commemorative service, at the option of the professional. If the professional takes his or her leave as of the date of the death, he or she may keep only one (1) of these days to attend the commemorative service;

the 2<sup>nd</sup> paragraph must allow the professional to benefit from a minimum leave of 2 days without loss of salary or premiums for regional disparities in accordance with the *Act respecting labour standards* (CQLR, chapter N-1.1);

- d) the death of his or her father, mother, father-in-law, mother-in-law, brother or sister: 5 consecutive days, working days or not, commencing on the date of the death or including the day of the commemorative service, at the option of the professional. If the professional takes his or her leave commencing on the date of the death, he or she may keep only one (1) of these days to attend the commemorative service; however, the leave shall be extended to 5 days if the grandfather or the grandmother lived on a permanent basis with the professional in one of the Cree communities. The granting of special leaves provided for in the 2<sup>nd</sup> paragraph of subparagraph c), and in subparagraphs d) and e), is conditional upon whether marriage or family ties still exist. For this reason, the leave shall be refused in the event of the dissolution of the marriage by divorce or annulment, the dissolution of the civil union by court judgement or notarized joint declaration or the definition of spouse no longer applies, except if the dissolution of one of the relationships (marriage, civil union or definition of spouse) is due to the death of the professional's spouse.

If the professional is assigned to one of the Cree communities and if he or she must travel outside of the community he or she shall also be entitled to 2 additional days instead of the additional days prescribed above.

The additional day(s) can only be used once, regardless of whether the professional uses them either on the date of the death or to attend the commemorative service.

In the case of a regular professional whose regular workweek has fewer hours than that prescribed in article 8-1.00, the number of days shall be established in proportion to the time he or she works in relation to the hours prescribed in article 8-1.00.

The days thus used shall be deducted from the credit of the redeemable sick-leave days or from the other redeemable days credited to the professional, at the choice of the professional, or shall be taken without salary if he or she has no more redeemable sick-leave days to his or her credit.

**7-4.06**

The Board may also allow a professional to be absent without loss of salary for any other reason not prescribed in this article which it deems valid.

**Section 2 Leaves for family and parental responsibilities****7-4.08**

Under the same conditions, he or she shall also be entitled to use these days to perform duties related to the state of health of a relative<sup>1</sup> or any other person for whom the professional acts as caregiver, as attested to by a professional working in the health and social services sector governed by the *Professional Code* (CQLR, chapter C-26).

Days taken for this purpose shall be deducted, up to 6 days, from the professional's annual bank of sick-leave days and, failing that, the leave shall be without salary. The leave can also be divided into half-days.

---

<sup>1</sup> For the purposes of applying this clause, the notion of relative is that defined in section 79.6.1 of the *Act respecting labour standards* (CQLR, chapter N-1.1).

Upon the professional's return to work at the end of the leave without salary, he or she shall be assigned in the same position held before the leave. A professional's individual work schedule may be changed for reasons of a pedagogical or administrative nature or for reasons related to student services after consulting him or her. The professional concerned shall be advised 2 weeks before the change takes effect.

**8-2.03**

Travelling time in the service of the Board must be considered as work time if the professional is authorized to travel from one place of work to another within the locality to which he or she is assigned. If the professional is required to travel outside the locality to which he or she is assigned, such travel shall be governed by the policies of the Board. Such a policy shall be submitted to the Labour Relations Committee for prior consultation.

**8-2.04**

In the case of a professional whose workweek includes split workdays on a regular basis which oblige him or her to work in the evening within his or her regular schedule, the Board shall ensure the professional a rest period of 12 consecutive hours between the end of his or her working day and the beginning of the next, unless a different agreement is reached with the professional.

**8-3.03**

The professional who works overtime shall obtain a compensatory leave for the number of hours worked.

**8-3.04**

The Board and the professional shall agree on the terms of application of the preceding clause by taking into account the requirements of the department; failing an agreement between the Board and the professional within 60 days of the date on which the overtime was carried out on the time when the leave may be taken, the overtime shall be remunerated at the regular rate.

When the Board and the professional have agreed on the time when the leave may be taken but it cannot in effect be taken at the time agreed to due to the needs of the department or uncontrollable circumstances, overtime shall then, at the professional's choosing, be remunerated at the regular rate or taken in time; in this latter case, the Board and the professional shall agree on the time when the leave may be taken.

**8-3.05**

Except with the consent of the competent authority, a compensatory leave for overtime cannot be deferred from one work year to another and any balance due for overtime shall then be paid.

**8-3.06**

**8-5.00 EXTENT OF RESPONSIBILITY****8-5.01**

The Board shall recognize that the professional activities performed by the professional shall not include responsibilities entrusted exclusively to management or senior staff within the meaning of the *Labour Code* (CQLR, chapter C-27).

**8-6.00 PROFESSIONAL RESPONSIBILITY****8-6.01**

A professional may sign a document prepared by him or her in the performance of his or her duties and of which he or she is the sole author. However, use of the contents of the document shall remain the responsibility of the Board. Should the contents of a document signed by the professional be used, his or her signature must appear on the document or he or she must be credited as its author.

**8-6.02**

Notwithstanding the preceding clause, no professional shall be bound to sign a document that, in all professional conscience, he or she cannot endorse, nor shall he or she be compelled to make changes to a document which he or she has signed and which he or she believes to be correct from the professional point of view.

The Board shall undertake to assume the case of every professional whose civil responsibility might be at issue by the actual performance of his or her duties during the working day or outside the working day when the professional is carrying out activities expressly authorized by the competent authority and shall agree to make no claim against the professional in this respect except in the case of serious fault or gross negligence on the part of the professional when he or she has been found guilty of such by a tribunal.

**8-7.02**

As soon as the civil responsibility of the Board has been recognized by the latter or has been established by a tribunal, the Board shall indemnify every professional for the total or partial loss, theft or destruction of personal belongings which by their nature are normally used at or brought to the place of work, unless the professional has shown gross negligence; in the event that the loss, theft or destruction is already covered by insurance held by the professional, the compensation paid shall be equal to the loss actually sustained by the professional.

**8-7.03**

The professional shall have the right to engage a lawyer, at his or her own expense, and to have him or her assist the lawyer chosen by the Board.

**8-8.00 PRACTICE OF THE PROFESSION****8-8.01**

The occupation of a professional shall consist in the performance of activities of counselling, coordination, animation or administration in a given sector of activities.

In keeping with the activities performed by the professionals, the Board shall facilitate professional autonomy and cooperation conducive to the achievement of the objectives as defined by the Board.

In this respect, the Board may, in particular, establish a policy or directive after consultation with the Labour Relations Committee or agree to a project proposed by professionals regarding meetings of professionals within the same discipline or of different disciplines. The aim of the meetings shall be to share knowledge and ideas in order to improve the planning of, carrying out of and follow-up to professional activities.

**8-8.02**

The Board must, insofar as possible, ensure the professional the working premises and material and technical conditions adapted to the characteristics of his or her duties and the requirements of confidentiality and, in particular, provide him or her with adequate secretarial services.

Upon prior notice of 3 working days sent to the director of the school or centre, the Board shall provide the professional with adequate premises to perform his or her duties, insofar as such premises are available.

**8-8.03**

The professional shall respect the rules generally recognized in the discipline concerned and the applicable ethical norms.

The Board shall recognize that the professional must respect the confidentiality of information provided or obtained under the seal of professional secrecy within the framework of the performance of his or her duties, unless the disclosure of the information is required or authorized by law.

**8-8.06**

The Board cannot oblige a professional to identify the individuals who have provided information confidentially on the basis of which the professional prepared a report, unless the disclosure of the information is required or authorized by law.

**8-8.07**

When a professional is called as a witness in a civil or criminal court regarding facts brought to his or her attention in the context of his or her duties and that he or she thus foresees having to invoke professional secrecy, he or she may be accompanied by a lawyer chosen and paid by the Board.

The comments, together with the evaluation, shall be inserted into the professional's file.

**CHAPTER 9-0.00 GRIEVANCES, ARBITRATION AND DISAGREEMENTS****9-1.00 GENERAL PROVISIONS****9-1.01**

In order to promote the resolution of grievances and disagreements, the Union and the Board agree to meet before filing a grievance. This objective of this meeting is to hear the persons and the parties concerned, to define the problem, and to find satisfactory solutions for all parties.

In this case, the Board and the Union agree that the deadline prescribed in clause 9-2.03 shall begin the day following this meeting.

Moreover, for the purpose of this meeting, the Board shall bear, if need be, the travel and living expenses incurred in accordance with the regulation concerning travel expenses in effect at the Board for the persons working for the Board and who must attend the meeting. Similarly, the time spent for this meeting is not reimbursable by the Union.

The fact that the meeting is not held does not entail the loss of the right to submit a grievance. Even though a grievance has been submitted for arbitration, the Union and the Board may meet at any time before the hearing date to find satisfactory solutions and to try and solve the grievance.

**9-1.02**

The time limits prescribed in this chapter shall be compulsory, unless there is a written agreement for an extension between the Board and the Union.

The Board and the Union may agree in writing not to abide by the deadline prescribed in article 9-2.00 when the grievance has already been discussed by the parties.

**9-1.03**

For the purpose of submitting a grievance in writing, the professional or the Union shall use the form below.

**9-1.04**

To submit an arbitration notice, the Union uses the electronic form from the Greffe de l'éducation.

**9-1.05**

However, the professional concerned who wishes to submit an arbitration notice in accordance with clauses 5-5.04, 5-9.05 or 5-16.05, must give written notice to that effect to the Board, the chief arbitrator and the Union. This notice must include a copy of the grievance and be transmitted by certified or registered mail, or by fax.

**9-1.06**

The date the grievance was sent as it appears on the electronic form is considered as prima facie proof used to calculate the time limits provided for in article 9-3.00.

The date of the signature on the receipt for the documents sent by certified or registered mail, or on the confirmation for a fax is considered as prima facie proof used to calculate the time limits provided for in articles 9-2.00 and 9-3.00.

**9-1.07**

The date the grievance was sent as it appears on the electronic form is considered proof used to calculate the time limits provided for in article 9-3.00.

**9-2.00 PROCEDURE FOR SETTLING GRIEVANCES****9-2.01**

Any professional accompanied or not by his or her union delegate may, if he or she so desires, attempt to solve his or her problem with the designated authority before submitting the notice of grievance.

**9-2.02**

In order to settle as quickly as possible every grievance which may arise during the life of the Agreement, the Board and the Union shall agree to comply with the procedure prescribed in this article.

**9-2.03**

A grievance may be submitted to the Board by a professional or the Union on the professional's behalf or on its own behalf.

The notice of grievance must be forwarded by registered or certified mail, delivered by hand or by fax or otherwise transmitted to the authority designated by the Board within 90 days of the date of the event which gave rise to the grievance.

**9-2.04**

The notice of grievance must contain a summary of the facts which gave rise to the grievance, the name of the professional or professionals immediately involved, if applicable. For information purposes, the notice of grievance must include the clauses of the Agreement on which it is based and, without prejudice, the required corrective measure or measures.

The Union shall indicate on the grievance the date of the 21<sup>st</sup> day following the date the notice of grievance was sent.

In the case of a classification grievance or a grievance concerning the placement of a professional, the notice of grievance must include, without prejudice, mention of the employment group and step sought, as the case may be.

The procedure prescribed in the present article shall not apply to grievances contesting a nonreengagement (5-5.04), disciplinary measures (5-9.00) as well as a placement on availability (9-3.03) as these grievances shall be sent directly to arbitration.

**9-2.05**

The formulation of the grievance may be amended after it has been submitted but on the condition that the amendment do not change the subject of the grievance.

**9-2.06**

If the parties do not find a solution within 21 days from the filing of the notice of grievance, the latter shall be deemed to become the notice of arbitration on that same date.

**9-3.00 REGULAR ARBITRATION PROCESS****9-3.01**

If no solution is found by the parties within the 21 days prescribed in clause 9-2.06, the notice of grievance shall be deemed to become a notice of arbitration on the date prescribed under the 2<sup>nd</sup> paragraph of clause 9-2.04.

The Union shall advise, as soon as possible, the chief arbitrator of any withdrawal or any agreement concluded.

**9-3.02**

After recording the notice of arbitration, the records office shall immediately acknowledge receipt of the notice to the Union, the Board, the FCSQ, the Ministère, the FPPE and the Centrale.

**9-3.03**

Notwithstanding the provisions in clauses 9-1.02 and 9-3.01, the time limit in which to submit to arbitration a grievance contesting the placement on availability of any full-time professional shall be extended until November 1.

Notwithstanding the provisions in clause 5-5.04, the time limit shall also apply when submitting a grievance directly to arbitration contesting the nonreengagement due to surplus of personnel.

However, a grievance submitted to arbitration must be decided upon by an arbitrator whose name appears in the previous clause, assisted by 2 assessors, if, at the time of the preparation of the monthly arbitration roll or within the 15 days that follow, the representative of the Centrale so requests or if the representative of the FCSQ and the representative of the Ministère so request jointly.

**9-4.03**

Any arbitrator appointed under this clause shall be deemed competent to act as an arbitrator and shall decide, in conformity with previous agreements, including provisions in lieu of agreements and any legal grievance arising from clauses and articles of said agreements and provisions. The preceding provisions shall not remove from the jurisdiction of other arbitrators any grievance referred to them by the chief arbitrator before the date of the coming into force of the current Agreement.

For the purpose of applying the preceding paragraph, any grievance which legally arose before the expiry of the 2015-2020 Agreement and which was submitted to arbitration after its expiry, but within the time limits prescribed shall be held as validly submitted to arbitration. To this end, the Board, the FCSQ and the Ministère shall not raise the objection of nonarbitrability on the grounds of the nonexistence of working conditions after the expiry of the Agreement.

**9-4.04**

In the event of arbitration with assessors, each party concerned by the grievance designates his or her assessor and informs the records office within 30 days of entering the grievance on the arbitration roll.

Every management or union assessor thus appointed shall be deemed competent to sit, whatever his or her past or current activities, interests in the litigation or functions in the Union, the Board or elsewhere.

**9-4.05**

As of his or her appointment, the chief arbitrator, before acting, shall take an oath or shall pledge on his or her honour before a judge of the Superior Court to perform his or her duties in conformity with the law, the provisions of the Agreement and according to equity and good conscience.

As of his or her appointment, every arbitrator shall take an oath or shall pledge on his or her honour before the chief arbitrator, for the life of the Agreement, to render his or her decisions in conformity with the law, the provisions of the Agreement and according to equity and good conscience. Where applicable, the arbitrator shall receive, at the beginning of each arbitration, the same oaths or pledges on their honour from the 2 assessors appointed to assist him or her and to carry out their duties in conformity with the law, the provisions of the Agreement, equity and good conscience.

**9-4.06**

The chief arbitrator or, in his or her absence, the chief records clerk, under the authority of the chief arbitrator, shall:

- 1) prepare the monthly arbitration roll in the presence of representatives of the parties at the national level;
- 2) appoint an arbitrator from the list reproduced in clause 9-4.01;
- 3) set the time, date and place of the first arbitration session;
- 4) indicate for each grievance, the chosen arbitration process.

The records office shall notify the arbitrators, the parties concerned, the FCSQ, the Ministère, the FPPE, the Centrale and, where applicable, the assessors.

**9-4.07**

Every grievance shall be heard in the locality of Oujé-Bougoumou. However, a hearing may take place in another locality situated in the territory of the Board, if the parties so agree.

Upon request from the Board, the parties may agree that certain hearings or a portion thereof, for example, testimony of witnesses, may take place outside the territory of the Board in order to expedite the hearing.

As regards the accelerated arbitration procedure and prearbitration mediation, the parties shall decide on the location of the arbitration hearing in the territory of the Board.

#### **9-4.08**

The arbitrator shall set the time and date of the additional session or sessions, where applicable, and shall so inform the records office; the records office shall notify the parties concerned, the FCSQ, the Ministère, the FPPE, the Centrale and, where applicable, the assessors. The arbitrator shall also set the time, date and place of the deliberation sessions and shall so inform the assessors.

#### **9-4.09**

To facilitate the hearing procedures, the lawyers contact each other and inform the arbitrator of the nature of the preliminary methods they intend to raise one week prior to the hearing.

#### **9-4.10**

Every hearing shall be scheduled for 9:30 a.m. The lawyers, assessors, where applicable, and the arbitrator must use the first half-hour for a private preparatory session.

The purpose of the preparatory session is to:

- improve the arbitration process, to better use the availability time invested therein and to accelerate the holding of hearings;
- allow the parties to declare, if not already done, the means they intend to use to plead the case other than those mentioned in the preliminary remarks;
- define the dispute and identify the issues to be discussed during the hearing;
- ensure the exchange of any documentary evidence;
- plan the presentation of evidence to be produced in the course of the hearing;
- study the admissibility of certain facts;
- analyze any other question which could simplify or accelerate the hearings.

#### **9-4.11**

An arbitrator or an assessor shall be replaced according to the procedure established for his or her original appointment.

**9-4.12**

If an assessor has not been designated in conformity with the original appointment procedure or if the position of assessor is not filled before the date set for the hearing, the arbitrator shall appoint an assessor, ex officio, on the day of the hearing.

**9-4.13**

The arbitrator shall proceed with diligence in the investigation of the grievance according to the procedure and evidence that he or she may deem appropriate. The arbitrator shall also ensure adherence to the operating rules of the records office.

**9-4.14**

At any time before the first deliberation session or within 15 days after the end of the hearing, if it involves a grievance heard by a single arbitrator, the FCSQ, the Ministère and the Centrale may individually or collectively intervene and make all representations that they deem appropriate or pertinent to the arbitrator.

However, if one of the parties wishes to intervene, it must so inform the other parties of its intention and of the subject of the intervention.

**9-4.15**

The arbitration sessions shall be public. The arbitrator may, however, on his or her own initiative or at the request of one of the parties, order the session to be held in camera.

**9-4.16**

The arbitrator may deliberate in the absence of an assessor provided he or she has notified him or her under clause 9-4.08 at least 7 days in advance.

**9-4.17**

Except in the case of written arguments where the Board and the Union may agree to exceed the time limit, the arbitrator must render his or her decision within 45 days of the end of the hearing. However, the decision shall not be null for the sole reason that it was rendered after the expiry of the time limit.

The chief arbitrator may not assign another grievance to an arbitrator who has not rendered a decision within the time limit allotted and as long as the decision has not been rendered. However, this shall not apply to an arbitrator who has filed the draft decision within the same time limit and if no other additional deliberation has been requested by an assessor.

**9-4.18**

The arbitration decision shall state the reasons and shall be signed by the arbitrator.

Any assessor may file a separate report and attach it to the decision.

The arbitrator shall file the original signed arbitration decision at the records office and, at the same time, shall also send one copy to the 2 assessors, if applicable.

The records office, under the responsibility of the chief arbitrator, shall forward a copy of the decision to the parties concerned, the FCSQ, the Ministère, the FPPE and the Centrale and shall also file 2 certified copies with the Minister of Labour, Employment and Social Solidarity.

**9-4.19**

At any time prior to his or her final decision, an arbitrator may render any temporary or interlocutory decision that he or she deems just and useful.

The arbitration decision shall be final, executory and shall bind the parties.

If the decision grants a time limit in which to fulfill an obligation, the time limit begins as of the date on which the decision was sent by the records office, unless the arbitrator decides otherwise in the terms of the decision.

**9-4.20**

An arbitrator may not, by his or her decision regarding a grievance, modify, subtract from, or add to the Agreement.

**9-4.21**

The arbitrator, called upon to decide whether or not a grievance is well-founded, shall have the authority to uphold it or to reject it, in whole or in part, and to determine the compensation that he or she deems equitable for the loss suffered by the professional because of the Board's error in interpreting or applying the Agreement.

The arbitrator to whom a grievance has been referred to contest the dismissal of a professional may annul the decision of the Board if the prescribed procedure has not been followed or if the reasons for the dismissal are not well-founded or do not constitute sufficient grounds, order that the professional concerned be reinstated in his or her duties and determine, if need be, the amount of the compensation to which he or she is entitled. The arbitrator may also change the decision for one which he or she feels is fair and reasonable, taking into account all the circumstances surrounding the affair.

The arbitrator to whom a grievance has been referred to contest the nonreengagement of a regular professional may annul the decision of the Board if the procedure prescribed was not followed, or if the grounds for nonreengagement are not justified or do not constitute sufficient reason, order that the professional concerned be reinstated in his or her duties and determine, if need be, the compensation to which he or she is entitled.

Notwithstanding the 2<sup>nd</sup> paragraph of clause 5-5.03, the first paragraph of this clause shall apply to the grievance for nonreengagement because of surplus of a full-time regular professional if the procedure prescribed in section 1 of article 5-5.00 has been followed in its entirety and if the sole reason invoked by the Board in support of the nonreengagement is the surplus of personnel. In these cases, the jurisdiction of the arbitrator shall include the power to order that the professional be reinstated in his or her duties.

#### **9-4.22**

The arbitrator's fees and expenses shall be paid by the party who submitted the grievance if the latter is dismissed, by the party to whom the grievance was submitted if the latter is accepted. If the grievance is partially upheld, the arbitrator shall determine the proportion of the fees and expenses to be paid by each party.

In the event of a settlement, regardless of the number of grievances concerned and regardless of the nature of the settlement, the allowance to be reimbursed as cancellation costs as well as the fees and expenses of the arbitrator, if applicable, shall be shared equally between the parties or according to the modalities of the settlement.

The allowance to be paid as cancellation costs if the grievance remains unresolved shall be assumed by the party cancelling the grievance or the party that allows the grievance.

Upon request from one of the parties, the arbitrator who takes note of the settlement can determine another sharing.

Notwithstanding the aforementioned, for the grievances submitted to the Board prior to February 1, 2006, as well as for the grievances pertaining to a dismissal submitted before or after February 1, 2006, the arbitrator's fees and expenses are borne by the Ministère.

In all cases, the party requesting the postponement of a hearing shall bear the fees and expenses incurred because of the postponement; if this is a joint request, the fees and expenses are shared equally.

#### **9-4.23**

The costs of the records office shall be borne by the Ministère.

#### **9-4.24**

The hearings and the deliberations shall be held in rooms supplied free of rental charge.

**9-4.25**

The assessors shall be remunerated and reimbursed for their expenses by the party they represent.

**9-4.26**

If one party requests the services of an official stenographer, the expenses and fees shall be the responsibility of the party which requested them.

If the official stenographic notes are translated, one copy shall be forwarded free of charge by the stenographer to the arbitrator and, if applicable, to the assessors before the beginning of the deliberations.

**9-4.27**

The arbitrator shall convey or otherwise serve any order or document issued by him or her or by the parties involved. At the request of a party, the arbitrator may assign a witness under section 100.6 of the *Labour Code* (CQLR, chapter C-27).

**9-5.00 ACCELERATED ARBITRATION PROCESS****9-5.01**

Any grievance may be submitted for accelerated arbitration procedure provided that the Board and the Union explicitly agree to do so. In this case, a notice signed jointly by the authorized representatives of the parties, attesting such agreement, shall be forwarded to the records office.

**9-5.02**

A grievance submitted for accelerated arbitration procedure is heard by a single arbitrator appointed by the records office.

Each party shall inform the other party of their witnesses beforehand, where applicable.

**9-5.03**

In general, a hearing lasts approximately two hours.

**9-5.04**

The arbitration award must contain a brief description of the dispute and a summary of the reasons supporting its conclusion (approximately 2 pages). This decision may not be cited or used by anyone as regards the arbitration of any other grievance, unless this grievance is related to an identical dispute between the Board and the Union and deals with the same facts and clauses.

The arbitrator shall render his or her decision and shall forward a copy to the parties within a maximum 10-working day time limit after the hearing. He or she shall also file the signed original copy at the records office.

#### **9-5.05**

The provisions of articles 9-1.00 and 9-4.00 apply, by adapting them, to the accelerated arbitration procedure, with the exception of clauses 9-4.04, 9-4.12, 9-4.16, of the first paragraph of clause 9-4.17, of the second and third paragraphs of clause 9-4.18, of the first paragraph of clause 9-4.19, and of clauses 9-4.25 and 9-4.26.

#### **9-5.06**

In order to promote the use of accelerated arbitration, the parties agree, if needed, to group some grievances and to decide where the hearings will take place on the Board's territory.

### **9-6.00      PREARBITRATION MEDIATION**

#### **9-6.01**

The Board and the Union may agree to proceed with prearbitration mediation in dealing with certain grievances and on the location, on the Board's territory, where these discussions will take place. To do so, the parties shall forward a joint notice to the records office. The records office shall recommend to the parties a list of mediators chosen from the list of arbitrators found in clause 9-4.01.

#### **9-6.02**

The mediator shall attempt to help the parties reach a settlement. If a settlement is reached, the mediator shall take note thereof, draft it and file a copy at the records office. The settlement shall bind the parties.

#### **9-6.03**

The records office shall file 2 certified copies with the Minister of Labour, Employment and Social Solidarity.

#### **9-6.04**

The procedure shall apply for every group of grievances agreed to by the Board and the Union.

#### **9-6.05**

At the conclusion of the prearbitration-mediation process, the grievance(s) remaining shall be dealt with according to the arbitration procedure provided for in articles 9-3.00 and 9-5.00.

**9-6.06**

The mediator cannot act as an arbitrator in any grievance not settled in the prearbitration-mediation process, unless the parties agreed otherwise, in writing, prior to mediation.

**9-6.07**

The arbitrator's fees and expenses mandated to act as a mediator shall be paid equally by the parties.

**9-7.00 DISAGREEMENTS****9-7.01**

The Board and the Union agree to meet, when appropriate, at the request of either party to find solutions to disagreements. In this respect, either one of the parties may request a meeting, which meeting must take place within 15 days of the receipt of the request.

**9-7.02**

The solutions adopted by the Board and the Union cannot at any time have the effect of adding to, subtracting from or modifying one or more provisions of the Agreement.

**9-7.03**

The Management Committee and the Centrale agree to meet, when appropriate, to discuss any question dealing with the working conditions of professionals employed by the Board in order to find the appropriate solutions. To this end, one of the parties at the national level may request a meeting; such a meeting must be held within 60 days of receiving the request.

Any solution accepted by the parties may add to, subtract from or modify one or more provisions of the Agreement. This solution must be the object of a written agreement.

**9-7.04**

The provisions of this article must not be interpreted as constituting a dispute as defined in the *Labour Code* (CQLR, chapter C-27).

**9-7.05**

If one of the provisions of the Agreement should be deemed discriminatory by a higher tribunal, either by the Superior Court, the Court of Appeal or the Supreme Court, the parties at the national level agree to meet and apply the provisions prescribed in clause 9-7.03.

**CHAPTER 10-0.00 REGIONAL DISPARITIES****10-1.00 DEFINITIONS****10-1.01**

For the purpose of this chapter, the following expressions mean:

a) **Dependent:**

The spouse and dependent child<sup>1</sup> and any other dependent as defined in the *Taxation Act* (CQLR, chapter I-3), provided that the latter resides with the professional. However, for the purpose of this chapter, the income earned from a job by the professional's spouse shall not nullify the latter's status as dependent.

The fact that a child attends a secondary school declared to be of public interest situated elsewhere than in the professional's place of residence shall not nullify his or her status as dependent if no public secondary school is accessible where the professional lives.

Moreover, the fact that a child attends preschool or elementary school, recognized of public interest, in a locality other than the professional's place of residence shall not remove his or her status of dependent when no school recognized of public interest, preschool or elementary, as the case may be, is accessible in the child's language of instruction (French or English) in the locality where the professional lives.

In addition, a child up to the age of 25 is deemed to hold the status of dependent child, provided he or she meets the following 3 conditions:

- 1) the child attends, on a full-time basis, a post-secondary institution recognized of public interest elsewhere than in the place of residence of the professional working in sectors I and II or working in the locality of Fermont;
- 2) the child held the status of dependent during the 12 months preceding the start of his or her postsecondary study program;
- 3) the professional provided supporting documents that the child attends, on a full-time basis, a post-secondary education program, namely, proof of registration at the beginning of term and proof of attendance at the end of term.

---

<sup>1</sup> Dependent child: a child of a professional, of his or her spouse or of both or a child living with the professional for whom adoption procedures have been undertaken, unmarried and living or domiciled in Canada, who depends on the professional for his or her financial support and who is under 18 years of age; or every child 25 years of age or under who is a duly registered student attending a recognized institution of learning on a full-time basis or a child of any age who has become totally disabled prior to reaching his or her 18 birthday or before reaching his or her 25<sup>th</sup> birthday if he or she was a duly registered student attending a recognized institution of learning on a full-time basis and has remained continuously disabled since that time.

This recognition allows the professional to uphold his or her level of premiums with dependent as prescribed in clause 10-2.01 and for this child to be entitled to the provisions prescribed in article 10-4.00, being specified that the costs of transport allocated to the dependent child under other programs will be deducted from the benefits related to the outings for this dependent child.

Furthermore, the child of 25 years or less, who is no longer deemed a dependent for the application of the present clause and who is registered as a full-time student in a recognized postsecondary educational institution declared to be of public interest, will again hold the status of dependent child if he or she meets the conditions 1) and 3) mentioned previously.

b) Point of departure:

Domicile in the legal sense of the word at the time of engagement insofar as the domicile is situated in one of the localities of Québec. The point of departure may be modified by an agreement between the Board and the professional, subject to it being situated in one of the localities of Québec.

The fact that a professional in the public and parapublic sectors working in one of the sectors prescribed in clause 10-1.02 changes employer in the public and parapublic sectors shall not modify his or her point of departure.

### **10-1.02**

For the purpose of this chapter, the following sectors include:

Sector I:

Mistissini, Chisasibi, Waswanipi, Oujé-Bougoumou.

Sector II:

For the professional whose regular workweek includes fewer hours than that prescribed in article 8-1.00, the amount of the isolation and remoteness premium applicable to him or her shall be adjusted in proportion to the hours worked in relation to the regular workweek prescribed in article 8-1.00.

**10-2.03**

The amount of the isolation and remoteness premium shall be adjusted in proportion to the duration of the professional's assignment in the territory of the Board in one of the sectors described in clause 10-1.02.

**10-2.04**

If both spouses, within the meaning of clause 10-1.01, work for the Board or if each works for a different employer in the public or parapublic sector, only one of the 2 may receive the premium applicable to the professional with dependent(s), if he or she has one or more dependents other than his or her spouse. **APPENDIX B                      MOVING EXPENSES**

**Article 1** The provisions of this appendix aim to determine that to which the professional, who can benefit from a reimbursement of his or her moving costs, is entitled as moving expenses.

**Article 2** Moving expenses shall not be applicable to the professional unless the Provincial Placement Bureau accepts that the relocation of the professional necessitates his or her moving.

However, moving shall be deemed necessary if it takes place and if the distance between the professional's new place of work and his or her former domicile is greater than 65 kilometres.

**Transportation costs of furniture and personal effects**

**Article 3** The Board shall reimburse, upon presentation of supporting vouchers, the costs incurred for the transportation of the furniture and personal effects of the professional concerned, including the packing, unpacking and the cost of the insurance premium, or the costs of towing a mobile home on the condition that he or she provide in advance at least 2 detailed quotations of the costs to be incurred.

**Article 4** However, the Board shall not pay the cost of transporting the professional's personal vehicle unless the location of his or her new domicile is inaccessible by road. Moreover, the cost of transporting a boat, canoe, etc. shall not be reimbursed by the Board.

**Storage**

**Article 5** When the move from one domicile to another cannot take place directly because of uncontrollable circumstances, other than the construction of a new domicile, the Board shall reimburse the costs of storing the professional's furniture and personal effects and those of his or her dependents for a period not exceeding 2 months.

**Concomitant moving expenses**

**Article 6** The Board shall pay a moving allowance of \$750 to any transferred professional with a dependent<sup>1</sup> or of \$200 to a transferred professional who is single in compensation for the concomitant moving expenses (carpets, draperies, disconnection and installation of electrical appliances, cleaning, babysitting fees, etc.), unless the professional is assigned to a location where complete facilities are placed at his or her disposal by the Board.

---

<sup>1</sup> Dependent means the spouse and dependent child as defined in subparagraph a) of clause 10-1.01.

Nevertheless, the \$750 moving allowance payable to the transferred professional with a dependent<sup>1</sup> shall also be payable to the single professional who maintains a dwelling.

### **Compensation for lease**

**Article 7** The professional referred to in article 1 shall also be entitled, if need be, to the following compensation: for the abandonment of a dwelling without a written lease, the Board shall pay the equivalent of one month's rent. If there is a lease, the Board shall indemnify the professional who must terminate his or her lease and for which the landlord demands compensation to a maximum period of 3 months' rent. In both cases, the professional must attest that the landlord's request is well-founded and must present supporting vouchers.

**Article 8** If the professional chooses to sublet his or her dwelling himself or herself, reasonable costs for advertising the sublease shall be assumed by the Board.

### **Reimbursement of expenses inherent to the sale or purchase of a house**

**Article 9** The Board shall reimburse, relative to the sale of the principal house-residence of the relocated professional, the following expenses:

  - the sales contract;
  - the bill of the agent's fees;

- c) the penalty for breach of mortgage, where applicable;
- d) the proprietor's transfer tax, where applicable.

**Article 10** When the house of the relocated professional, although it has been put up for sale at a reasonable price, is not sold at the time when the professional must enter a new agreement for lodging, the Board shall not reimburse the costs for looking after the unsold house. However, in this case, upon presentation of supporting vouchers, the Board shall reimburse for a period not exceeding 3 months the following expenses:

- a) municipal and school taxes;
- b) the interest on the mortgage;

- c) the cost of the insurance premium.

**Article 11** In the case where a relocated professional chooses not to sell his or her principal house-residence, he or she may benefit from the provisions of this article in order to avoid a double financial burden due to the fact that his or her principal residence is not rented when he or she must assume new obligations to dwell in the area of his or her posting. The Board shall pay him or her, for the period during which his or her house is not rented, the amount of the new rent, up to a period of 3 months, upon presentation of the lease. Moreover, the Board shall reimburse him or her for the reasonable costs of advertisement and the cost of no more than 2 trips incurred for the renting of his or her house, upon presentation of supporting vouchers and in accordance with the regulation concerning travel expenses in effect at the Board.

During each of the other years of this contract, he or she shall be entitled, where applicable, to all of the premiums, without taking into account the decrease in his or her salary under section III.
- C) For the purpose of calculating vacation credits, each of the years of the contract shall constitute continuous service.

For each year of the contract during which the professional is at work, vacation shall be remunerated at the percentage of salary prescribed in section III.

For the 12-month leave, the year of the leave shall include the annual vacation to which the professional is entitled and, for the 6-month leave, the period of leave shall include half the annual vacation to which the professional is entitled.

The vacation to which the professional is entitled after the contract has expired shall be remunerated at the salary rate applicable under the Agreement.

- D) Each of the years referred to in this contract shall count as a period of service for the purpose of the pension plans in force.
- E) During each of the years referred to in this contract, the professional shall be entitled to all the other benefits of his or her Agreement compatible with the provisions of this contract and which he or she would have had had he or she not signed this contract.

## **V Retirement, withdrawal or resignation of the professional**

In the event of the retirement, withdrawal or resignation of the professional, this contract shall expire on the date of the retirement, withdrawal or resignation under the condition described hereinafter:

- a) the professional has already taken the leave (salary overpaid):

the professional shall reimburse<sup>1</sup> the Board the amount received during the leave according to the percentages prescribed in article XIII of this appendix and without interest. These percentages shall however be adjusted to take into account, if applicable, the exact period the contract was in force;

---

<sup>1</sup> The Board and the professional may come to an agreement on the terms and conditions of reimbursement.

- b) the professional has not taken the leave (unpaid salary):

the Board shall reimburse the professional, for the term of the contract, an amount equal to the difference between the salary to which he or she would have been entitled under the applicable agreement had he or she not signed this contract and the salary received under said contract, without interest.

- c) the professional is on leave:

the amount owing by one of the parties shall be calculated as follows:

the amount received by the professional during the leave less the amounts already deducted from his or her salary in application of the present contract (article III). If the balance is negative, the Board shall reimburse the balance to the professional; if the balance is positive, the professional shall reimburse<sup>1</sup> the balance to the Board.

## **VI Dismissal of the professional**

In the event of the dismissal of the professional or the cancellation of the professional's engagement following a breach of contract, this contract shall terminate on the effective date of the dismissal or cancellation of engagement. The conditions prescribed in subparagraph a), b) or c) of section V shall then apply.

## **VII Leave without salary**

During the term of this contract, the professional shall not be entitled to any leave without salary except those granted obligatorily under the Agreement. In this case, the duration of the contract is extended for the same period. However, the leave with deferred salary shall start at the latest at the end of a maximum 6-year period following the date on which the amounts began to be deferred.

The conditions prescribed in subparagraph a), b) or c) of section V shall then apply.

The Board and the professional may agree that the provisions of this section not apply in the case of a leave without salary the duration of which is 5 working days or less.

## **VIII Nonreengagement of the professional**

In the event that the professional is nonreengaged during this contract, the latter shall terminate on the date of the nonreengagement. The conditions prescribed in subparagraph a), b) or c) of section V shall then apply.

## **IX Placement on availability of the professional**

In the case of the professional placed on availability, this contract shall be maintained.

In the event that the professional is relocated to another employer in the education sector, the contract shall be transferred to the new employer, unless the latter refuses, in which case the conditions prescribed in subparagraph a), b) or c) of section V shall then apply. In this case, the Board with whom the present contract was signed shall not request a reimbursement if the professional has to reimburse the Board under section V.

#### **X Death of the professional**

In the event of the professional's death during the term of this contract, the contract shall terminate on the date of the professional's death and the conditions prescribed in subparagraph a), b) or c) of section V shall then apply. However, the Board shall not request a reimbursement if the professional has to reimburse the Board under section V.

#### **XI Disability**

- A) The professional shall receive a percentage of the salary insurance benefit to which he or she is entitled under the Agreement equal to the percentage of salary he or she receives under section III of this contract.
- B) Disability develops before the leave is taken and still exists at the time when the leave begins.

In this case, the professional shall choose:

- a) either to defer the leave to the school year which immediately follows that during which the disability ended or to another period agreed to between him or her and the Board. However, the leave with deferred salary cannot extend beyond a maximum 6-year period following the date on which the amounts began to be deferred;
- b) either to terminate this contract and thus receive the salary prescribed in paragraph b) of section V that has not been paid.
- C) Disability develops during the leave with deferred salary.

This leave with deferred salary cannot be interrupted. However, disability shall be considered as beginning on the date the professional returns to work.

- D) Disability develops after the leave with deferred salary.

The salary insurance benefit shall be based on the salary determined in the contract for the duration of the disability and until the end of the contract.

- E) The disability lasts for more than 2 years.

At the end of the 2-year period, this contract shall terminate and the conditions prescribed in subparagraph a), b) or c) of section V shall then apply. However, the Board shall not request a reimbursement if the professional has to reimburse the Board under section V.

**XII Maternity leave (20 or 21 weeks) and 5-week paternity or adoption leave**

- A) The leave takes place during the leave with deferred salary.

The leave with deferred salary cannot be interrupted for a maternity leave, a paternity leave or a leave for adoption.

- B) The leave takes place before and ends before the leave with deferred salary or takes place after.

The contract shall be interrupted for the duration of the maternity leave, the paternity leave or the leave for adoption and shall be extended accordingly after its completion. During the interruption, the provisions of the Agreement for the maternity leave, the paternity leave or the leave for adoption shall apply.

- C) The leave takes place before the leave with deferred salary and is still in progress at the time when the latter begins.

In this case, the professional shall choose:

- a) to defer the leave with deferred salary to another school year or another period agreed to with the Board. However, the leave with deferred salary shall start at the latest at the end of a maximum 6-year period following the date on which the amounts began to be deferred;

## PROGRESSIVE RETIREMENT PLAN

- Article 1 The purpose of the progressive retirement plan shall be to permit a professional to reduce his or her time worked for a period of one to 5 years at the end of which the professional shall retire. The professional's time worked must not be less than 40% of the regular workweek prescribed in article 8-1.00 of the Agreement. However, the scheduling of the time worked may be subject to different terms and conditions as stipulated in paragraph C) of article 14 of this appendix. The scheduling cannot modify the number of salary payments received by the professional prior to concluding the agreement.
- Article 2 The plan can only apply according to law or the regulations and is subject to the provisions of this appendix.
- Article 3 Only the regular professional whose regular workweek is greater than 40% of the regular workweek prescribed in article 8-1.00 of the Agreement and who is a member of one of the pension plans currently in force (CSSP, RREGOP, TPP, PPMP and PPCT) may benefit, and only once, from the plan.
- Article 4 To be eligible for the plan, the professional must verify with the Retraite Québec that in all likelihood he or she will be entitled to a pension on the date on which the agreement expires.
- The professional shall sign the form required by Retraite Québec and shall forward a copy to the Board.
- Article 5 The professional who wishes to benefit from the plan must forward a written request to the Board 90 days prior to the beginning of the progressive retirement period. The request must specify the period during which the professional intends to benefit from the plan and the time he or she intends to work during that period.
- Article 6 The professional shall also forward to the Board, at the same time as the request, an attestation from Retraite Québec confirming that in all likelihood he or she will be entitled to a pension on the date on which the agreement expires.
- Article 7 Approval of the request for the progressive retirement plan shall be the exclusive responsibility of the Board.
- However, should the request be refused, the Board shall provide, at the professional's request, the reasons for its refusal.
- Article 8 A) For the duration of the agreement, the professional shall avail himself or herself, insofar as he or she is normally entitled to them and in proportion to the time worked stipulated in the Agreement, of the following benefits:
- salary;
  - sick-leave days according to paragraph A) of clause 5-10.40 of the Agreement, redeemed, where applicable;

- salary insurance;

- D) For the duration of the agreement, the professional and the Board must pay their share of the contributions to the pension plan on the basis of the applicable salary as if the professional had not benefited from the plan.
- E) The fact that the professional is placed on availability shall not modify the agreement concluded under this appendix.

Article 9 Should the professional not be entitled to his or her pension upon the expiry of the agreement due to circumstances beyond his or her control as stipulated by regulation, the agreement shall be extended to the date on which the professional will be entitled to his or her pension even though the total progressive retirement period exceeds 5 years.

Any changes in the dates set for the beginning and end of the agreement must have the prior approval of Retraite Québec.

Article 10 In the event of the retirement, resignation, termination of employment for breach of contract, nonreengagement, dismissal, death of the professional or, where applicable, upon expiry of the extension agreed to under article 9 of this appendix, the agreement shall terminate on the date on which the event occurs. The same shall apply in the event of the professional's withdrawal, which can only occur with the approval of the Board.

The agreement shall also terminate if the professional is relocated to another employer as a result of the application of the provisions of the Agreement, unless the new employer agrees to continue the agreement, subject to the approval of Retraite Québec.

If the agreement becomes null or terminates due to circumstances mentioned previously or stipulated by regulation, the pensionable salary, the credited service and the contributions shall be determined, for each of these circumstances, in the manner stipulated by regulation.

Article 11 Upon expiry of the agreement, the professional shall be considered as having resigned and shall be pensioned off.

- Article 12 Should the provisions of this appendix be incompatible with other provisions of the Agreement, the provisions of this appendix shall prevail.

**APPENDIX M****LETTER OF AGREEMENT CONCERNING THE HOUSING POLICY AND AN INTERNAL APPEAL MECHANISM AS AN ALTERNATIVE METHOD TO RESOLVE CONFLICTS IN THIS MATTER**

The parties recognize that adequate housing constitutes an element promoting well-being and facilitating the retention of professionals working on the territory of the Board. The parties therefore agree that the housing policy shall, in particular, include the following principles:

- the dwelling shall be clean and in good condition when the professional takes possession and he or she shall maintain it as such;
- major repairs that are necessary shall be made within a reasonable time period;
- assignment of the dwelling shall first take into account the actual number of permanent occupants and seniority at the Board;
- a professional who has an adequate dwelling cannot displace another occupant, but can move into an available dwelling while however paying all costs related to this move.

The Board shall consult the Union in accordance with article 4-2.00 of the Agreement about the aforementioned.

Furthermore, for the duration of the agreement, the Board commits to maintaining in its policy a two-level internal appeal mechanism through which the professional can inform a competent authority at the Board should there arise any local difficulty related to the application or interpretation of the housing policy, in particular as regards attribution and maintenance. Should the conflict persist, the parties agree that his type of issue should not be subject to judicial proceedings. At that time, the parties shall call upon a mediator from the Ministère du Travail, de l'Emploi et de la Solidarité sociale to help the parties identify avenues of solution.

This mediator shall be mandated for only one mediation session at the end of which he or she can make a recommendation.

In this mediation process, each party shall pay its costs and the costs to the Board shall be null. Therefore, only the Union, on behalf of the concerned professional, and the Board may participate. The conclusion of this mediation process cannot result in the application of Chapter 9-0.00.

Finally, the Board shall make public its new policy as soon as it comes into effect and at the beginning of each school year.

The forum's mandate is to:

1. Recommend local, regional or provincial projects to the negotiating parties to:

3. Assess training offers and set up relevant training projects, at the local, regional or provincial level, aimed at improving health, safety and well-being at work.
4. Produce a preliminary report for the negotiating parties no later than May 31, 2022, and a final report no later than 3 months after the collective agreement has expired.

The provincial parties may agree to deal with any other subject pertaining to the global health of employees.

As of April 1, 2021 and up to March 30, 2023, a global non-recurring budget of \$2 839M for the Centrale des syndicats du Québec per fiscal year is available for the purposes of implementing projects. The annual amount shall be distributed as follows:

<sup>1</sup> The parties agreed that the amounts have been used for the purposes of granting additional remuneration for the Master's degree as prescribed in clause 6-2.04.

If the total annual amount prescribed in 2021-2022, has not been used, the remaining amounts shall be transferred to the following year. This transfer cannot apply beyond March 30, 2023.

The projects shall begin no later than 3 months after being approved by the employer group.

The forum shall be composed of 3 representatives of the employer group and 3 representatives of the union.

**APPENDIX Q****LETTER OF AGREEMENT CONCERNING A WELCOMING  
POLICY FOR NEWLY ENGAGED PROFESSIONALS**

The parties recognize the need to facilitate the integration of newly engaged professionals in the community, in particular as concerns the social and moral values of the Cree community. To that effect, the Board commits to implementing and maintaining, for the duration of the Agreement, a Welcoming Policy for Newly Engaged Professionals that will include, in particular, cultural aspects, the possibility to learn the Cree language, social activities, mentoring, etc.

**APPENDIX R****LETTER OF AGREEMENT RELATED TO PROFESSIONALS OF SCHOOL SERVICE CENTRES AND SCHOOL BOARDS WITH THE CLASS TITLE OF PSYCHOLOGIST****ARTICLE 1 FIELD OF APPLICATION**

The provisions of this Letter of Agreement apply to the professional whose class title is psychologist (2113).

**ARTICLE 2 RETENTION PREMIUM FOR THE CLASS TITLE OF PSYCHOLOGIST**

As of the date on which the collective agreement comes into force, the professional concerned shall receive a retention premium based on the number of paid work hours determined as follows:

## Level 1:

- 4.1% on the basic hourly rate for 56 or more paid work hours, but less than 70 hours per pay period

## Level 2:

- 9.6% on the basic hourly rate for 70 paid work hours per pay period

The two retention premium levels are not cumulative.

As of July 1, 2022 and only for psychologists who have spent a year at step 18 of their salary scale, the levels shall be adjusted in the following manner:

## Level 1:

- 1.85% on the basic hourly rate for 56 or more paid work hours, but less than 70 hours per pay period;

## Level 2:

- 7.25% on the basic hourly rate for 70 paid work hours per pay period.

The two retention premium levels are not cumulative.

Subject to Section 3 of this letter of agreement, work paid is equal to the regular hours actually worked and the hours of absence for which salary is maintained under the agreement:

- vacation;
- paid legal holidays;
- sick-leave days;
- special leaves except for a leave for a change of domicile. The hours of absence for a change of domicile shall be considered as hours on the basis of which eligibility for the retention premium is determined. However, the retention premium shall not be paid for those hours of absence;
- union leaves under articles 3-3.00 and 3-4.00;
- professional development authorized by the service centre that coincides with the professional's work schedule;
- absences for which salary is maintained under the Agreement (clause 5-12.12).

The retention premium is not pensionable.

The retention premium ends on September 30, 2023.

#### **Premium adjustment method and formula<sup>1</sup>**

The percentage of the two retention premium levels shall be reduced by any salary adjustment<sup>2</sup> excluding the general salary increase parameters prescribed in the collective agreement.

The premium reduction is applied according to the following method and formula:

The percentage allotted to each level shall be determined using the basic hourly rate of the maximum salary scale step. Both reference percentages of the retention premium are, for the first adjustment, those in effect on the date on which the collective agreement is signed.

---

<sup>1</sup> The Secrétariat du Conseil du trésor shall calculate the retention premiums.

<sup>2</sup> Including salary adjustments linked to the evaluation of the maintenance of pay equity or salary relativities granted after April 1, 2015.

**Mathematically:**

$$\text{Retention Premium } \%_{\text{Level}_i, t+1} = \left[ \left( \frac{\text{Basic hourly rate of maximum step}_t \times (1 + \text{Retention Premium } \%_{\text{Level}_i, t} / 100)}{\text{Basic hourly rate of maximum step}_{t+1}} \right) - 1 \right] \times 100$$

Where,

$i$  = Number of retention premium level:

where  $i = 1$  for level 1 and  $i = 2$  for level 2;

$t$  = Date prior to increase of basic hourly rate of maximum step;

$t + 1$  = Date on which the basic hourly rate of the maximum step is increased.

The result for the numerator must be rounded to the nearest cent<sup>1</sup>.

The percentage obtained for each retention premium level is rounded to one decimal place<sup>2</sup>.

If during the term of the collective agreement, the retention premium is decreased based on the premium adjustment method and formula, the Management Negotiating Committee for the Cree School Board (CPNCSC) shall so inform the union.

### **SECTION 3 PROVISIONS APPLICABLE TO A PROFESSIONAL ENGAGED FOR A PERIOD OF LESS THAN 6 MONTHS AS A SUBSTITUTE OR SUPERNUMERARY PROFESSIONAL**

The provisions of this Letter of Agreement apply to a professional engaged for a period of less than 6 months as a substitute or supernumerary professional by making the following necessary changes:

- The fringe benefits applicable to the professional engaged for a period of less than 6 months as a substitute or supernumerary professional paid on each pay also applies to the retention premium.
- The hours of absence corresponding to vacation, paid legal holidays, sick-leave days and special leaves coinciding with a professional's scheduled workday shall be considered as hours on the basis of which eligibility for the retention premium is determined. However, the retention premium does not apply during those absences.

---

<sup>1</sup> When rounded to the nearest cent, the following applies: where the decimal point is followed by 3 or more digits, the 3<sup>rd</sup> and subsequent digits shall be dropped if the 3<sup>rd</sup> digit is less than 5. Where the 3<sup>rd</sup> digit is equal to or greater than 5, the 2<sup>nd</sup> digit shall be increased by one and the 3<sup>rd</sup> and subsequent digits shall be dropped.

<sup>2</sup> Thus, if the decimal point is followed by 2 or more digits, the 2<sup>nd</sup> and subsequent digits shall be dropped if the 2<sup>nd</sup> digit is less than 5. Where the 2<sup>nd</sup> digit is equal to or greater than 5, the 1<sup>st</sup> digit shall be increased by one and the 2<sup>nd</sup> and subsequent digits shall be dropped.

## APPENDIX S

**LETTER OF AGREEMENT RELATED TO THE CREATION OF A WORKING COMMITTEE ON THE GOVERNMENT AND PUBLIC EMPLOYEES RETIREMENT PLAN (RREGOP)**

Within 30 days of the date of the coming into force of the collective agreement, the parties agree to set up a working committee, under the responsibility of the Secrétariat du Conseil du trésor, to explore the possibility of making certain changes to the Government and Public Employees Retirement Plan (RREGOP).

The working committee's mandate is to:

1. Study the following elements:

**a) Parameters and evolution of pension plans**

The parties agree to discuss certain RREGOP parameters, while taking into consideration various elements, such as retention of experienced staff on a voluntary basis. Discussion topics include among others: progressive retirement, early benefit, maximum age to contribute to a pension plan, postponed pension and hypothetical interest rate of the actuarial reduction compensation.

The parties agree to discuss equity among participants and interaction of RREGOP with the Québec Pension Plan (QPP).

The parties agree to discuss the coexistence of RREGOP and the Pension Plan of Management Personnel (PPMP).

**b) Financing**

The parties agree to discuss the financing terms and conditions of the benefits payable by RREGOP participants in line with certain risk factors, including growing maturity of plan and uncertainty surrounding financial market returns. These discussions include, among others, the following topics:

- Differentiated investment policy-based approach;
- Operation of stabilization fund;
- Use of margins for adverse deviations.

2. Report on findings, jointly or separately, to the negotiating parties no later than 6 months prior to the expiry of the collective agreement.

The working committee shall be composed of 6 representatives of the employer group and 2 representatives from each of the following unions: Confédération des syndicats nationaux (CSN), Centrale des syndicats du Québec (CSQ) and Fédération des travailleurs et des travailleuses du Québec (FTQ).

## APPENDIX T

**LETTER OF AGREEMENT RELATED TO THE CREATION OF A  
WORKING COMMITTEE ON PARENTAL RIGHTS**

Within 30 days of the date of the coming into force of the collective agreement, the parties agree to set up a working committee, under the responsibility of the Secrétariat du Conseil du trésor, dealing with parental rights.

The working committee's mandate is to:

1. Study the following components of the parental rights plan and make recommendations:

- a) Calculation formula for allowance paid by the employer**

In keeping with the objective to ensure payment of an income replacement benefit during a maternity leave equal to what the employee<sup>1</sup> would have received had she been at work, it is proposed that potential adaptations be made to the current formula for calculating the allowance paid by the employer. This formula, based on the employee's basic weekly salary, must take into account benefits paid by the Québec Parental Insurance Plan (QPIP) and waivers of contributions to state pensions and the pension plan.

The basic weekly salary used to calculate the allowance paid by the employer must also be discussed, particularly regarding part-time employees.

- b) Parental leaves**

The benefits offered during the period prior to a maternity leave and the maternity leave notice must be reviewed.

Within 90 days of the signing of the collective agreement, the parties are committed to soften the legal adoption requirement in certain situations, particularly for adoption through the mixed bank program, in order to allow for a leave for adoption when the child arrives in the family.

- c) Identification of union's priority issues**

2. Study issues related to the terms and conditions for applying the provisions dealing with parental rights prescribed in the collective agreement.
3. Analyze the provisions dealing with the parental rights prescribed in the collective agreement to ensure compliance with current legislative framework and inclusion requirements.
4. Determine, where applicable, technical and cross-referencing parameters and terms and conditions required to implement these changes.

---

<sup>1</sup> For school boards, the expression "employee" refers to "professional".

5. Report on findings, jointly or separately, to the negotiating parties no later than six (6) months prior to the expiry of the collective agreement.

The working committee shall be composed of four (4) representatives of the employer group and two (2) representatives from each of the following unions: Confédération des syndicats nationaux (CSN), Centrale des syndicats du Québec (CSQ) and Fédération des travailleurs et travailleuses du Québec (FTQ).

**APPENDIX U****LETTER OF AGREEMENT RELATED TO SALARY INCREASE  
PAID TO EDUCATION CONSULTANTS OF SCHOOL SERVICE  
CENTRES AND SCHOOL BOARDS (2104)**

As of April 1, 2020, the education consultant of school service centres and school boards who is at step 18 of his or her salary scale shall receive a salary increase equal to the gap between the maximum rate of his or her salary scale and the maximum rate of the salary scale of teachers in school service centres and school boards.

The salary increase shall be paid throughout the year at each pay period in proportion to the number of hours worked in a position of education consultant compared to the number of hours of a full-time position.

The salary increase is subject to a contribution rate and is pensionable.
